

## The Difficult Life Of A Regency Spinster Daphne

Practical advice for interacting with toxic personalities. At one point or another, you'll encounter someone who is inconsiderate, irate, or aggressive and you'll need to know how to effectively manage the situation. *Handling Difficult People* helps you deal with the toxic personalities in all areas of your life, including in the workplace, at home, and during everyday interactions.

Inside, you'll find the strategies and tools you need to spot the ten most common personality types and information on why these people behave in such an irritating manner. This book also teaches you what you should do when you're confronted by a difficult person as well as how to avoid these types of people altogether. With the time-tested advice and techniques in *Handling Difficult People*, you'll confidently manage any toxic situation--and learn what you can do to help yourself.

In the first book of its kind, renowned psychotherapist Jeanne Safer examines the hidden trauma of growing up with an emotionally troubled or physically disabled sibling, and helps adult "normal" siblings resolve their childhood pain. For too long the therapeutic community has focused on the parent-child relationship as the primary relationship in a child's life. In *The Normal One*, Dr. Safer shows that sisters and brothers are just as important as parents, and she illuminates for the first time the experience of being "the normal one." Drawing on more than sixty interviews with normal, or intact, siblings, Safer explores the daunting challenges they face, and probes the complex feelings that can strain families and damage lives. A "normal" sibling herself, Safer chronicles her own life-shaping experiences with her troubled brother. She examines the double-edged reality of normal ones: how they both compensate for

## Read PDF The Difficult Life Of A Regency Spinster Daphne

their siblings' abnormality and feel guilty for their own health and success. With both wisdom and empathy, she delineates the "Caliban Syndrome," a set of personality traits characteristic of higher-functioning siblings: premature maturity, compulsion to achieve, survivor guilt, and fear of contagion. Essential reading for normal ones and those who love them, this landmark work offers readers insight, compassion, and tools to help resolve childhood pain. It is a profound and eye-opening examination of a subject that has too long been shrouded in darkness.

Today you made another step towards you and your Christian soul. I embrace you with much warmth and admiration that you are here and that you had the curiosity! What does Christian faith mean to be you?! To live. To suffer. To love. To be disappointed. To be happy. To laugh. To cry. To feel. To have faith. To feel and have faith with all your heart in what you believe and think, to do what you feel. This Christian healing book delves into the negative and down-right devastating events that occur in our lives that break our faithfulness hearts and trample our spirits, but it won't be human-made wisdom pellets being handed out here. This is a Christian journey to find God in the midst of our sorrow. We will take a walk in the shoes of Job, a man who suffered devastating losses simultaneously, but never once stopped giving God praise and glory. We will look at why sometimes we just don't understand God in the midst of our tribulations but how to trust Him anyway. We will explore what the Bible says about how to deal with emotions, recognizing the toxic people in our lives and how to show them the exit sign, finding freedom by letting go of past hurt and disappointment, and discovering how to grow through and from your pain. You will discover in my Christian book: Preparation For A Purpose. Part I: Losing It All. Burying Heartache. Pathway of Disobedience. Chapter 2 -

## Read PDF The Difficult Life Of A Regency Spinster Daphne

Tribulations Of A Self-Made Millionaire. One Of The Very Worst Days In History. A Modern Understanding of faithfulness. Chapter 3 - Managing Emotions: Anger Is Not The Enemy It's Okay To Be Sad. Chapter 4 -Understanding God's Will Suffering From Purpose Part II: Letting It Go. Part III: Moving Forward - Lessons Learned Read my healing christian book if you have problems in your life with your faith: People who have problems communicating with people in their lives and with love from or for them Those who have gone through a difficult moment and were blocked at a time or in our present hard days for a Christian soul Those who want to learn how to manage a difficult situation and understand why living faith could save a soul Those who want to learn more about the cause and effect of hard times in our spiritual life. I have been through my share of disappointments and devastations, but I wouldn't have come out on the other side without a faithful Father to see me through. He has shown me His promises that continually prove His love and divine will, and He has shown me how to find my purpose in pain. He wants you to find His promises and His purpose for your life, too. When standing on the other end of the most difficult times in our lives, you can be sure that God will use those experiences as teachable moments somewhere down the road. The lessons that each of us learns might not be the same, but God will often give insight on how a particular circumstance in our past is helping to shape our future and how it might help shape someone else's as well. There is great power in testimony, so if we are able to share the testimony of how God transformed our lives despite walking through dark and challenging times, it could inspire or give hope to someone else who is still in the thick of their own hardship. Even though my own personal losses and tragedies were a time when my faith suffered the most, I can look back now to see that God's faithfulness never wavered. I'm sure my book will guide you through

your spiritual life and your christian path.

Ethical Maturity in the Helping Professions provides a comprehensive overview of the most influential ideas in ethical thinking across the ages. It explores the ethical challenges through an interdisciplinary approach and presents a brand new model for becoming ethically mature professionals in the process.

A nine year old boy named James discovers valuable lessons in life.

Most practitioners head for codes of ethics and ethical frameworks to help them resolve ethical issues and dilemmas. They go 'outside' rather than 'inside'. Ethical Maturity in the Helping Professions suggests a different approach that views ethical codes and frameworks as the first stepping stone to a higher ethic - an ethic of fidelity, relationships, and trust. Building on Rest's four components of ethical practice, Michael Carroll and Elisabeth Shaw propose six components that together make up what they call 'ethical maturity' or practical ethical wisdom. Born from who we are, and fashioned on the anvil of experience and knowledge, the book challenges helping professionals to review what they mean by ethics and suggests they step up to a higher ethic of relational accountability.

In a broken world, we all encounter people whose behavior seems calculated to hurt us. Jesus teaches us to respond to such offenses with active grace and creative peacemaking. This book offers inspiring examples and practical strategies to help us reflect Christ's love to others, even when they make our lives difficult.

"For I bear in my body the marks of the Lord Jesus." The Greek word for marks is stigmata, often used to describe a brand applied on cattle or on a slave. Paul's marks though were not put there by Jesus directly. They were given to Paul by his persecutors because he preached

## Read PDF The Difficult Life Of A Regency Spinster Daphne

the Gospel of Jesus Christ. (2 Corinthians 11:24-25, KJV). He now wore the marks as a sign of Jesus' ownership of him. What a powerful image, for us as believers, to bear in our bodies the marks of Jesus Christ! The evidence, as it were that we have been partakers of the sufferings of Christ! Like the Apostle Paul many of you reading this book have experienced situations, quite frankly, that were designed to kill you. Betrayal by those you trusted, rejection by loved ones, and losses too great to internalize. As a survivor of many turbulent seasons throughout my lifetime, I know surviving difficult times can be challenging at best and nearly impossible at worst. The message of this book is for you. I hope to offer encouragement to those who are in a fight to survive, navigate and find their way to victory.

'Life is difficult. This is a great truth, one of the greatest truths.' A timeless classic in personal development, *The Road Less Travelled* is a landmark work that has inspired millions. Drawing on the experiences of his career as a psychiatrist, Scott Peck combines scientific and spiritual views to guide us through the difficult, painful times in life by showing us how to confront our problems through the key principles of discipline, love and grace. Teaching us how to distinguish dependency from love, how to become a more sensitive parent and how to connect with your true self, this incredible book is the key to accepting and overcoming life's challenges and achieving a higher level of self-understanding.

A sister of Saint Thérèse of Lisieux, Léonie Martin (1863-1941) was one of the five daughters of Zélie and Louis Martin, who were canonized by Pope Francis. She was the least gifted of the five Martin sisters, an emotionally disturbed child who suffered much and caused much anguish in her family. Marie Baudouin-Croix has carefully researched Léonie's life, including her mother's voluminous correspondence about her family life. In letters to her daughters,

## Read PDF The Difficult Life Of A Regency Spinster Daphne

sister, brother, and sister-in-law, Zélie confided the challenges she faced in raising L,onie. Yet Léonie was the first one in the Martin family to understand and to follow Thérèse's Little Way. After three valiant but unsuccessful attempts to enter consecrated religious life, Léonie was finally accepted by the Visitation Order in Caen. As a Visitation nun she succeeded in conquering a difficult temperament and other personal challenges, so that by the time of her death at seventy-eight years old she was regarded by many as a saint. Her convent at Caen has been inundated with letters testifying to her posthumous intercessory aid. How did this troubled child turn into the nun remembered by many as so kind, serene, and happy that they could not believe she had such a difficult childhood? She discovered God within herself, in her weakness and suffering, and she became a great disciple of Thérèse's "way of confidence and love". Léonie practiced the Little Way so deeply that in 2015 the cause for her sainthood was officially opened by the Church.

**NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR)** about the families we are born into, and those that we make for ourselves. **A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE** *A Little Life* follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for

ourselves. Look for Hanya Yanagihara's new novel, *To Paradise*, coming in January 2022. A practical and powerful 'how to' book for everyone wanting to achieve personal healing, transformation and success on their own terms. Do you want to find your way forward when life has changed? Take charge of your own healing and transformation? Longing for something new - but not sure where to start and what to do? *Recover, Rebuild, Thrive* is a practical and powerful 'how-to' book for personal transformation, empowerment and success in the aftermath of trauma, pain and change. It offers clear direction and reassurance that it is possible to use adversity as trigger for personal growth, reassessment of priorities, increased emotional maturity and thriving in life. Picking up the pieces or beginning from scratch is like a puzzle of many fragments coming together: troubling symptoms need to be addressed, an authentic sense of self restored, intense emotions managed, self-sabotaging thoughts challenged and much more. Using real life stories and many easy-to-use effective strategies, *Recover, Rebuild, Thrive* provides inspiration, hope, clarity, insights and information. Move from being a victim to not only surviving but ultimately thriving in a new life as a new You! There is no available information at this time.

While largely unknown today, Danish writer Jens Peter Jacobsen was the leading prose writer in Scandinavia in the late nineteenth century. Despite his untimely death from tuberculosis at the age of thirty-eight, Jacobsen became a cult figure to an entire generation and continues to occupy an important place in Scandinavian cultural history. In this book, Morten Høi Jensen gives a moving account of Jacobsen's life, work, and death.--Adapted from book jacket.

Tilda might look like an ordinary girl, but she is a powerful Elemental. In 'Total Disaster', the sequel to teen author Abby Nield's 'Difficult Life', Tilda is on the run

from her own father, a power-hungry despot who wants to use her skills for his own plans of conquest. When she is captured, along with her shapeshifter friends, and forced into a school for the 'gifted', she must learn to use her own powers before time runs out and her father finally hunts her down. Will she be ready to face him? Will she be able to save her friends? Will it be a total disaster?

Represent God as holding us up through life problems and moving us along on our journey through life. The Lord's while I was in the mud was with me and he carried my burdens, pain, past hurts and disappointments upon Himself. Meaning, the weight I felt in my soul is from the devastating blows of life experiences. The whole point of being on a journey is learning to love yourself with your imperfections because God does. God loves us all. As a person working on transforming to a change person each day becomes a part of my walk in faith. I cannot separate my faith and life without denying, one or the other. But faith and life interfaces within me as a part of my growth and transformation.

A heart-rending but uplifting story of the human spirit's ability to prevail. From the day he is five-years-old and dropped off at his foster home of the next eleven years, Stephen is mentally and physically tortured. No one in the system can help him. No one can tell him if he has a family. No one can tell him why, with obvious African-American features, he has the last name of Klakowicz. Along the way, a single faint light comes only from a neighbor's small acts of kindness and caring—and a box of books. From

## Read PDF The Difficult Life Of A Regency Spinster Daphne

one of those books he learns that he has to fight in any way he can—for victory is in the battle. His victory is to excel in school. Against all odds, the author succeeded. He attended college, graduated, became a successful corporate executive, and married a wonderful woman with whom he established a loving family of his own. Through it, he dug voraciously through records and files and found his history, his birth family—and the ultimate disappointment as some family members embrace him, but others reject him. Readers won't be the same after reading this powerful story. They will share in the hurts and despair but also in the triumph against daunting obstacles. They will share this story with their family, with their friends, with their neighbors.

Notebook/Journal/Planner/Diary/Logbook/Writing book\* 6x9 Inch\* 108 pages\* Dot Grid pages\* Soft Premium Matte Cover Finish\* A beautifully designed Journal for you to write and store important notes, names, numbers, ideas, goals and aspirations!

The author examines four questions:1. What is a difficult life?2. Why shouldn't life be difficult?3. How is life made more difficult than it has to be?4. Is a good life possible?Each chapter provides a response to its respective question culminating in the encouraging conclusion that a good life is possible in spite of the reality of challenges, disappointments, and even suffering.

Roman Egypt is a critical area of interdisciplinary research, which has steadily expanded since the 1970s and continues to grow. Egypt played a pivotal role in the Roman empire, not only in terms of political, economic, and military strategies, but also

## Read PDF The Difficult Life Of A Regency Spinster Daphne

as part of an intricate cultural discourse involving themes that resonate today - east and west, old world and new, acculturation and shifting identities, patterns of language use and religious belief, and the management of agriculture and trade. Roman Egypt was a literal and figurative crossroads shaped by the movement of people, goods, and ideas, and framed by permeable boundaries of self and space. This handbook is unique in drawing together many different strands of research on Roman Egypt, in order to suggest both the state of knowledge in the field and the possibilities for collaborative, synthetic, and interpretive research. Arranged in seven thematic sections, each of which includes essays from a variety of disciplinary vantage points and multiple sources of information, it offers new perspectives from both established and younger scholars, featuring individual essay topics, themes, and intellectual juxtapositions.

Lillian Hellman was a giant of twentieth-century letters and a groundbreaking figure as one of the most successful female playwrights on Broadway. Yet the author of *The Little Foxes* and *Toys in the Attic* is today remembered more as a toxic, bitter survivor and literary fabulist, the woman of whom Mary McCarthy said, "Every word she writes is a lie, including 'and' and 'the.'" In *A Difficult Woman*, renowned historian Alice Kessler-Harris undertakes a feat few would dare to attempt: a reclamation of a combative, controversial woman who straddled so many political and cultural fault lines of her time. Kessler-Harris renders Hellman's feisty wit and personality in all of its contradictions: as a non-Jewish Jew, a displaced Southerner, a passionate political voice without a party,

## Read PDF The Difficult Life Of A Regency Spinster Daphne

an artist immersed in commerce, a sexually free woman who scorned much of the women's movement, a loyal friend whose trust was often betrayed, and a writer of memoirs who repeatedly questioned the possibility of achieving truth and doubted her memory. Hellman was a writer whose plays spoke the language of morality yet whose achievements foundered on accusations of mendacity. Above all else, she was a woman who made her way in a man's world. Kessler-Harris has crafted a nuanced life of Hellman, empathetic yet unsparing, that situates her in the varied contexts in which she moved, from New Orleans to Broadway to the hearing room of HUAC. *A Difficut Woman* is a major work of literary and intellectual history. This will be one of the most reviewed, and most acclaimed, books of 2012.

He did not love her and wanted to use her blood to cure his beloved. However, he hadn't thought that both of them would be caught up in a conspiracy. So it turned out that from the start to the end, he had always wanted her. Yet, the one who had hurt her the most was her.

From Frida Kahlo and Elizabeth Taylor to Nora Ephron, Carrie Fisher, and Lena Dunham, this witty narrative explores what we can learn from the imperfect and extraordinary legacies of 29 iconic women who forged their own unique paths in the world. Smart, sassy, and unapologetically feminine, this elegantly illustrated book is an ode to the bold and charismatic women of modern history. Best-selling

## Read PDF The Difficult Life Of A Regency Spinster Daphne

author Karen Karbo (*The Gospel According to Coco Chanel*) spotlights the spirited rule breakers who charted their way with little regard for expectations: Amelia Earhart, Helen Gurley Brown, Edie Sedgwick, Hillary Clinton, Amy Poehler, and Shonda Rhimes, among others. Their lives--imperfect, elegant, messy, glorious--provide inspiration and instruction for the new age of feminism we have entered. Karbo distills these lessons with wit and humor, examining the universal themes that connect us to each of these mesmerizing personalities today: success and style, love and authenticity, daring and courage. Being "difficult," Karbo reveals, might not make life easier. But it can make it more fulfilling--whatever that means for you. In the Reader's Guide included in the back of the book, Karbo asks thought-provoking questions about how we relate to each woman that will make for fascinating book club conversation.

A NEW YORK TIMES BESTSELLER! AS HEARD ON NPR MORNING EDITION AND ON BEING WITH KRISTA TIPPETT "Katherine May opens up exactly what I and so many need to hear but haven't known how to name." —Krista Tippett, *On Being* "Every bit as beautiful and healing as the season itself. . . . This is truly a beautiful book." —Elizabeth Gilbert "Proves that there is grace in letting go, stepping back and giving yourself time to repair in the dark...May is a clear-eyed observer and her language is steady, honest and accurate—capturing the sense,

## Read PDF The Difficult Life Of A Regency Spinster Daphne

the beauty and the latent power of our resting landscapes." —Wall Street Journal

An intimate, revelatory book exploring the ways we can care for and repair ourselves when life knocks us down. Sometimes you slip through the cracks: unforeseen circumstances like an abrupt illness, the death of a loved one, a break up, or a job loss can derail a life. These periods of dislocation can be lonely and unexpected. For May, her husband fell ill, her son stopped attending school, and her own medical issues led her to leave a demanding job. *Wintering* explores how she not only endured this painful time, but embraced the singular opportunities it offered. A moving personal narrative shot through with lessons from literature, mythology, and the natural world, May's story offers instruction on the transformative power of rest and retreat. Illumination emerges from many sources: solstice celebrations and dormice hibernation, C.S. Lewis and Sylvia Plath, swimming in icy waters and sailing arctic seas. Ultimately *Wintering* invites us to change how we relate to our own fallow times. May models an active acceptance of sadness and finds nourishment in deep retreat, joy in the hushed beauty of winter, and encouragement in understanding life as cyclical, not linear. A secular mystic, May forms a guiding philosophy for transforming the hardships that arise before the ushering in of a new season.

How Taiwan can overcome internal stresses and the threat from China Taiwan

## Read PDF The Difficult Life Of A Regency Spinster Daphne

was a poster child for the “third wave” of global democratization in the 1980s. It was the first Chinese society to make the transition to democracy, and it did so gradually and peacefully. But Taiwan today faces a host of internal issues, starting with the aging of society and the resulting intergenerational conflicts over spending priorities. China’s long-term threat to incorporate the island on terms similar to those used for Hong Kong exacerbates the island’s home-grown problems. Taiwan remains heavily dependent on the United States for its security, but it must use its own resources to cope with Beijing’s constant intimidation and pressure. How Taiwan responds to the internal and external challenges it faces—and what the United States and other outside powers do to help—will determine whether it is able to stand its ground against China’s ambitions. The book explores the broad range of issues and policy choices Taiwan confronts and offers suggestions both for what Taiwan can do to help itself and what the United States should do to improve Taiwan’s chances of success.

How to Deal With Difficult People arms you with all the tools and tactics you need to handle all kinds of people – to make your life less stressful and a great deal easier.

Excerpt from The Difficult Life Christ's sake - oh, how glad am I that our author was far-sighted enough to detect Moses' anticipation of the Messiah and to give him the stamp of an Old Testament Christian - for Christ's sake, he resolved to count the good of his fellows of far greater moment than his own, and to devote himself to a life-long mission for them and to them, esteeming the reproach of Christ greater riches than the treasures in Egypt. “Stories that both dazzle and edify... This book is not just about life, but about discovery itself. It is about error and hubris, but also about wonder and the reach of science.” —Siddhartha Mukherjee, New York Times Book Review We all assume we know what life is, but the more scientists learn about the living world—from protocells to brains, from zygotes to pandemic viruses—the harder they find it is to locate life’s edge. Carl Zimmer investigates one of the biggest questions of all: What is life? The answer seems obvious until you try to seriously answer it. Is the apple sitting on your kitchen counter alive, or is only the apple tree it came from deserving of the word? If we can’t answer that question here on earth, how will we know when and if we discover alien life on other worlds? The question hangs over some of society’s most charged conflicts—whether a

## Read PDF The Difficult Life Of A Regency Spinster Daphne

fertilized egg is a living person, for example, and when we ought to declare a person legally dead. *Life's Edge* is an utterly fascinating investigation that no one but one of the most celebrated science writers of our generation could craft. Zimmer journeys through the strange experiments that have attempted to re-create life. Literally hundreds of definitions of what that should look like now exist, but none has yet emerged as an obvious winner. Lists of what living things have in common do not add up to a theory of life. It's never clear why some items on the list are essential and others not. Coronaviruses have altered the course of history, and yet many scientists maintain they are not alive. Chemists are creating droplets that can swarm, sense their environment, and multiply. Have they made life in the lab? Whether he is handling pythons in Alabama or searching for hibernating bats in the Adirondacks, Zimmer revels in astounding examples of life at its most bizarre. He tries his own hand at evolving life in a test tube with unnerving results. Charting the obsession with Dr. Frankenstein's monster and how Coleridge came to believe the whole universe was alive, Zimmer leads us all the way into the labs and minds of researchers working on engineering life from the ground up.

People -- frustrating, confusing, disappointing, complicated -- are the most difficult part of leadership, and they challenge leaders everywhere, from leaders

Building on empirical research with refugees in a Ugandan camp, Ulrike Krause offers nuanced insights into violence, humanitarian protection, gender relations, and coping of refugees who mainly escaped the conflicts in the Democratic Republic of Congo. This book explores how risks of gender-based violence against women, in particular, but also against men, persist despite and partly due to their settlement in the camp and the system established there. It reflects on modes and shortcomings of humanitarian protection, changes in gender relations, as well as strategies that the women and men use to cope with insecurities, everyday struggles, and structural problems occurring across

## Read PDF The Difficult Life Of A Regency Spinster Daphne

different levels and temporalities.

With all of this body's fate, Su Luoluo's happiness, where would it end? Was there anyone as unlucky as her? She should have been transported to another world, yet she was still in the Prince's bath. This damned man had actually seized her body without saying a word, and then left her there. He coldly told her that if she married into the Prince's Palace, she wouldn't be a princess anymore, nor would she be a princess! How could there be such a tyrannical, cold-blooded man? The original owner of the body was the eldest princess of the Ming Rui Dynasty. She was arrogant, domineering, and everyone hated her. She mercilessly killed the person Ming Han loved just for the sake of marrying him! Yet after getting married, he despised her and even took revenge! With all of this body's fate, Su Luoluo's happiness, where would it end?

"A haunting tapestry of interwoven stories that inform us not just about our past but about the resentment-bred demons that are all too present in our society today . . . The interconnected strands of race and history give Ball's entrancing stories a Faulknerian resonance." —Walter Isaacson, *The New York Times Book Review* A 2020 NPR staff pick | One of *The New York Times*' thirteen books to watch for in August | One of *The Washington Post*'s ten books to read in August | A *Literary Hub* best book of the summer | One of *Kirkus Reviews*' sixteen best

books to read in August The life and times of a militant white supremacist, written by one of his offspring, National Book Award–winner Edward Ball *Life of a Klansman* tells the story of a warrior in the Ku Klux Klan, a carpenter in Louisiana who took up the cause of fanatical racism during the years after the Civil War. Edward Ball, a descendant of the Klansman, paints a portrait of his family’s anti-black militant that is part history, part memoir rich in personal detail. Sifting through family lore about “our Klansman” as well as public and private records, Ball reconstructs the story of his great-great grandfather, Constant Lecorgne. A white French Creole, father of five, and working class ship carpenter, Lecorgne had a career in white terror of notable and bloody completeness: massacres, night riding, masked marches, street rampages—all part of a tireless effort that he and other Klansmen made to restore white power when it was threatened by the emancipation of four million enslaved African Americans. To offer a non-white view of the Ku-klux, Ball seeks out descendants of African Americans who were once victimized by “our Klansman” and his comrades, and shares their stories. For whites, to have a Klansman in the family tree is no rare thing: Demographic estimates suggest that fifty percent of whites in the United States have at least one ancestor who belonged to the Ku Klux Klan at some point in its history. That is, one-half of white Americans could write a Klan family memoir, if they wished.

## Read PDF The Difficult Life Of A Regency Spinster Daphne

In an era when racist ideology and violence are again loose in the public square, *Life of a Klansman* offers a personal origin story of white supremacy. Ball's family memoir traces the vines that have grown from militant roots in the Old South into the bitter fruit of the present, when whiteness is again a cause that can veer into hate and domestic terror.

Commedia all'italiana, or Comedy, Italian style, became popular at a time of great social change. This book, utilizing comedies produced in Italy from 1958-70, examines the genre's representation of gender in the everyday spaces of beaches and nightclubs, offices, cars, and kitchens, through the exploration of key spatial motifs.
