

The Dirt Motley Crue Read Online

This gritty bestselling memoir by the singer Mark Lanegan of Screaming Trees, Queens of the Stone Age, and Soulsavers documents his years as a singer and drug addict in Seattle in the '80s and '90s. When Mark Lanegan first arrived in Seattle in the mid-1980s, he was just "an arrogant, self-loathing redneck waster seeking transformation through rock 'n' roll." Little did he know that within less than a decade he would rise to fame as the frontman of the Screaming Trees and then fall from grace as a low-level crack dealer and a homeless heroin addict, all the while watching some of his closest friends rocket to the forefront of popular music. In *Sing Backwards and Weep*, Lanegan takes readers back to the sinister, needle-ridden streets of Seattle, to an alternative music scene that was simultaneously bursting with creativity and dripping with drugs. He tracks the tumultuous rise and fall of the Screaming Trees, from a brawling, acid-rock bar band to world-famous festival favorites that scored a hit number five single on Billboard's alternative charts and landed a notorious performance on *Late Night with David Letterman*, where Lanegan appeared sporting a fresh black eye from a brawl the night before. This book also dives into Lanegan's personal struggles with addiction, culminating in homelessness, petty crime, and the tragic deaths of his closest friends. From the back of the van to the front of the bar, from the hotel room to the emergency room, onstage, backstage, and everywhere in between, *Sing Backwards and Weep* reveals the abrasive underlining beneath one of the most romanticized decades in rock history—from a survivor who lived to tell the tale. Gritty, gripping, and unflinchingly raw, *Sing Backwards and Weep* is a book about more than just an extraordinary singer who watched his dreams catch fire and incinerate the ground beneath his feet. It's about a man who learned how to drag himself from the wreckage, dust off the ashes, and keep living and creating. "Mark Lanegan—primitive, brutal, and apocalyptic. What's not to love?" —Nick Cave, author of *The Sick Bag Song* and *The Death of Bunny Munro*

From the highly-acclaimed rock history website read millions of times, *Chronological Crue* is THE definitive source of fact on the world's most notorious rock band: Mötley Crüe. It is used worldwide by TV networks, music industry journalists, critics, and fans as an invaluable reference on Mötley Crüe. First published in paperback during 2006 and having been out-of-print for many years, fans have been asking for this expanded and updated second edition. It includes a Foreword by Neil Strauss: best-selling author of *The Dirt*. There's over a quarter-million words on Motley Crue in over 1,000 pages across all 4 volumes in this series - Vol 1. The Eighties, Vol 2. The Nineties, Vol 3. The Naughties, Vol 4. The Onesies - collect them all! The brand-new Vol 4. takes readers through to the last concert of The Final Tour on Crue Year's Eve 2015, and also contains a bonus Gigography that lists every Motley Crue performance - over 1,700 in total. "Nobody on the planet has dedicated their life to documenting the entire history of Mötley Crüe more accurately, thoroughly, and continuously than Paul Miles. Rather than recount the story of the most reckless musical act the world has ever seen in the past tense, this book will guide you through every step of the way as it all unfolded. Pulling no punches and telling no lies, Paul Miles will reveal facts that have been covered up, forgotten, or falsified by every previous account. Get ready to find out the real truth behind the highest highs and lowest lows in the Crüe's perilous kingdom of sex, drugs, and rock n' roll..." Steve-O, of MTV's *Jackass* and *Wildboyz* infamy "Paul knows more about us than we know." Tommy Lee "I've read it before and gone, we did THAT?" Nikki Sixx "Chronological Crue is without a doubt the definitive Mötley Crüe reference work. I used it extensively in writing the script of *The Dirt* and I highly recommend it to not only fans of the band, but anyone with an interest in the history of rock n' roll. For contained on these sweaty pages is a treasure trove of sleazy tidbits on not just the band but the slew of other musicians, critics, groupies, scum sucking corporate-types, famous wives and infamous playthings who came across their path. If Mötley played with them, partied with them or shagged them silly, it's here for all to see. It is a compulsive completist's dream, filled with the sort of arcane minutia that can settle arguments, win bets, or simply allow you to sleep after pondering for hours the exact date of Nikki Sixx's first overdose in the back alleys of Hammersmith. Now hurry up and buy it so Paul Miles can finally feel as if his life has meaning." Rich Wilkes, screenwriter of Mötley's movie *The Dirt*

The manager who shepherded Van Halen from obscurity to rock stardom goes behind the scenes to tell the complete, unadulterated story of David Lee Roth, Eddie Van Halen, and the legendary band that changed rock music. Van Halen's rise in the 1980s was one of the most thrilling the music world had ever seen—their mythos an epic party, a sweaty, sexy, never-ending rock extravaganza. During this unparalleled run of success, debauchery, and drama, no one was closer to the band than Noel Monk. A man who'd worked with some of rock's biggest and most notorious names, Monk spent seven years with Van Halen, serving first as their tour manger then as their personal manager until 1985, when both he and David Lee Roth exited as controversy, backstabbing, and disappointment consumed the band. Throughout Van Halen's meteoric rise and abrupt halt, this confidant, fixer, friend, and promoter saw it all and lived to tell. Now, for the first time, he shares the most outrageous escapades—from their coming of age to their most shocking behavior on the road; from Eddie's courtship and high profile wedding to Valerie Bertinelli to the incredible drug use which would ultimately lead to everyone's demise. Sharing never-before-told stories, Monk paints a compelling portrait of Eddie Van Halen, bringing into focus the unique combination of talent, vision, hardship, and naiveté that shaped one of the greatest rock guitarists of all time—and made him and his brother vulnerable to the trappings and failings of fame. Illustrated with dozens of rare photographs from Monk's vaults, *Runnin' with the Devil* is manna from rock heaven no Van Halen fan can miss.

From Steven Adler, the original drummer for Guns N' Roses, comes *My Appetite for Destruction*, the inside story of GNR. Offering a different perspective from the bestselling *Slash*, Adler chronicles his life with the band, and own intense struggle with addiction, as seen on *Dr. Drew's Celebrity Rehab* and *Sober House*.

Rock-and-roll icon and three-time bestselling author Nikki Sixx tells his origin story: how Frank Feranna became Nikki Sixx, chronicling his fascinating journey from irrepressible Idaho farmboy to the man who formed the revolutionary rock group Mötley Crüe. Nikki Sixx is one of the most respected, recognizable, and entrepreneurial icons in the music industry. As the founder of Mötley Crüe, who is now in his twenty-first year of sobriety, Sixx is incredibly passionate about his craft and wonderfully open about his life in rock and roll, and as a person of the world. Born Franklin Carlton Feranna on December 11, 1958, young Frankie was abandoned by his father and partly raised by his mother, a woman who was ahead of her time but deeply troubled. Frankie ended up living with his grandparents, bouncing from farm to farm and state to state. He was an all-American kid—hunting, fishing, chasing girls, and playing football—but underneath it all, there was a burning desire for more, and that more was music. He eventually took a Greyhound bound for Hollywood. In Los Angeles, Frank lived with his aunt and his uncle—the president of Capitol Records—for a short time. But there was no easy path to the top. He was soon on his own. There were dead-end jobs: dipping

circuit boards, clerking at liquor and record stores, selling used light bulbs, and hustling to survive. But at night, Frank honed his craft, joining Sister, a band formed by fellow hard-rock veteran Blackie Lawless, and formed a group of his own: London, the precursor of Mötley Crüe. Turning down an offer to join Randy Rhoads's band, Frank changed his name to Nikki London, Nikki Nine, and, finally, Nikki Sixx. Like Huck Finn with a stolen guitar, he had a vision: a group that combined punk, glam, and hard rock into the biggest, most theatrical and irresistible package the world had ever seen. With hard work, passion, and some luck, the vision manifested in reality—and this is a profound true story finding identity, of how Frank Feranna became Nikki Sixx. It's also a road map to the ways you can overcome anything, and achieve all of your goals, if only you put your mind to it.

Offers reviews on a wide range of American works, providing insights into the authors' styles and techniques and making recommendations for readers.

"Heavy metal's leading female rocker (Rolling Stone) bares all, opening up about the Runaways, the glory days of the punk and hard-rock scenes, and the highs and lows of her trailblazing career. Wielding her signature black guitar, Lita Ford shredded stereotypes of female musicians throughout the 1970s and '80s. Then followed more than a decade of silence and darkness—until rock and roll repaid the debt it owed this pioneer, helped Lita reclaim her soul, and restored the Queen of Metal to her throne. In 1975, Lita Ford left home at age sixteen to join the world's first major all-female rock group, the Runaways—a "pioneering band" (New York Times) that became the subject of a Hollywood movie starring Kristen Stewart and Dakota Fanning. Lita went on to become "heavy rock's first female guitar hero" (Washington Post), a platinum-selling solo star who shared the bill with the Ramones, Van Halen, Motley Crue, Bon Jovi, Def Leppard, Poison, and others and who gave Ozzy Osbourne his first Top 10 hit. She was a bare-ass, leather-clad babe whose hair was bigger and whose guitar licks were hotter than any of the guys'. Hailed by Elle as "one of the greatest female electric guitar players to ever pick up the instrument," Lita spurred the meteoric rise of Joan Jett, Cherie Currie, and the rest of the Runaways. Her phenomenal talent on the fret board also carried her to tremendous individual success after the group's 1979 disbandment, when she established herself as a "legendary metal icon" (Guitar World) and a fixture of the 1980s music scene who held her own after hours with Nikki Sixx, Jon Bon Jovi, Eddie Van Halen, Tommy Lee, Motorhead's Lemmy, Black Sabbath's Tony Iommi (to whom she was engaged), and others. Featuring a foreword by Dee Snider, *Living Like a Runaway* also provides never-before-told details of Lita's dramatic personal story. For Lita, life as a woman in the male-dominated rock scene was never easy, a constant battle with the music establishment. But then, at a low point in her career, came a tumultuous marriage that left her feeling trapped, isolated from the rock-and-roll scene for more than a decade, and—most tragically—alienated from her two sons. And yet, after a dramatic and emotional personal odyssey, Lita picked up her guitar and stormed back to the stage. As *Guitar Player* hailed in 2014 when they inducted her into their hall of fame of guitar greats: "She is as badass as ever." Fearless, revealing, and compulsively readable, Lita Ford's *Living Like a Runaway* is the long-awaited memoir from one of rock's greatest pioneers—and fiercest survivors.

Mötley Crüe's gleeful glam debauchery and unstoppable anthems have made them metal gods, selling over 72 million album copies worldwide and landing their band biography *The Dirt* on bestseller lists around the country. Mötley Crüe is—amazingly—the first photographic history of the band. Legendary rock photographer Neil Zlozower's images capture the band's rise from their breakthrough album *Shout at the Devil* through rock 'n' roll excesses to follow with the unprecedented all-access candor of a friend to the band. In hundreds of photographs and stories from the band and those close to them, Mötley Crüe reveals them onstage, backstage, on tour, hanging out, and in studio—a must-have album of photos and testimony on one of the most powerful and controversial bands in rock history.

A revealing insider's account of Led Zeppelin's 1975 North American tour from the bestselling author of *Hammer of the Gods*. As a young music journalist in 1975, Stephen Davis got the opportunity of a lifetime: an invitation to cover the sold-out 1975 North American tour of Led Zeppelin for a national magazine. He received a backstage pass, was granted interviews with band members, and even got a prized seat on the band's luxurious tour jet, *The Starship*. While on duty, he chronicled the Zeppelin tour in three notebooks, but after writing his article in 1975 he misplaced them. Three decades later, he finally found the notebooks and unearthed a vivid account of the band members' extravagant, and often troubled, lives on tour. Tied together by Davis's entertaining narrative, and including more than forty never-before-published photographs, *LZ-75* is an unprecedented and comprehensive personal portrait of the greatest (and most notoriously press-shy) rock band in history at its apex.

From his early days videotaping crazy skateboard stunts to starring in the Jackass movies, there was little that Stephen "Steve-O" Glover wouldn't do. Whether it was stapling his nutsack to his leg or diving into a pool full of elephant crap, almost nothing was out of bounds. As the stunts got crazier, his life kept pace. He developed a crippling addiction to drugs and alcohol, and an obsession with his own celebrity that proved nearly as dangerous. Only an intervention and a visit to a psychiatric ward saved his life. Today he has been clean and sober for more than three years. *Professional Idiot* recounts the lunacy, the debauchery, the stunts, the drug addiction, and the path to recovery with bravado, humor, and heart. "It's mind-blowing to me how utterly far gone Steve-O was, and how he looks back on it in this book with such intelligence, humor, and searing honesty. What a truly unbelievable life."-- Johnny Knoxville "A great book to read before you get on the roller coaster to hell, if you plan on surviving to tell about it like Steve-O did."--Nikki Sixx, author of *The Heroin Diaries* "This is the perfect book for people who hate reading."--Tommy Lee, author of *Tommyland* The feedback I've gotten on Facebook and Twitter from those of you who've read this book has been fascinating, heartwarming, and hilarious. I'm happy to keep answering your questions on there, and I encourage more of you to join in the discussion. Hope to hear from you soon, and thank you all so much. Love, Steve-O

Paul Fessock brings the wisdom of an experienced educator and the creativity of a talented musician to the creation of an enjoyable and valuable book for children. His characters, Socks and Heavy Metal Harry, are very likeable, and children can easily relate to them. Paul uses the knowledge he has of working with thousands of different children to add real characteristics and emotions that help make his characters believable. The message of the book is an important one—friendships can develop in the most unlikely situations if we give them a chance. Children of all ages will enjoy the story! I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by

an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

This Is Gonna Hurt is music, photography, and life through the distorted lens of Nikki Sixx, bassist for heavy metal rock band Mötley Crüe's and the New York Times bestselling author of The Heroin Diaries. A combination of powerful prose and dramatic photographs, This Is Gonna Hurt is an arresting, deeply personal look through the eyes of a real rock star at a stark, post-addiction world.

Neil Strauss can uncover the naked truth like nobody else. With his groundbreaking book The Game, Strauss penetrated the secret society of pickup artists. Now, in Everyone Loves You When You're Dead, the Rolling Stone journalist collects the greatest moments from the most insane music interviews of all time. Join Neil Strauss, "The Mike Tyson of interviewers," (Dave Pirner, Soul Asylum), as he Makes Lady Gaga cry, tries to keep Mötley Crüe out of jail & is asked to smoke Kurt Cobain's ashes by Courtney Love Shoots guns with Ludacris, takes a ride with Neil Young & goes to church with Tom Cruise and his mother Spends the night with Trent Reznor, reads the mind of Britney Spears & finds religion with Stephen Colbert Gets picked on by Led Zeppelin, threatened by the mafia & serenaded by Leonard Cohen Picks up psychic clues with the CIA, diapers with Snoop Dog & prison survival tips from Rick James Goes drinking with Bruce Springsteen, dining with Gwen Stefani & hot tubbing with Marilyn Manson Talks glam with David Bowie, drugs with Madonna, death with Johnny Cash & sex with Chuck Berry Gets molested by the Strokes, in trouble with Prince & in bed with . . . you'll find out who inside. Enjoy many, many more awkward moments and accidental adventures with the world's number one stars in Everyone Love You When You're Dead.

An uncensored Hollywood tell-all filled with explicit tales of love, sex, and revenge from the video vixen made famous by Warrant's rock anthem "Cherry Pie." Who could forget the sexy "Cherry Pie" girl from hair metal band Warrant's infamous music video? Bobbie Brown became a bona fide vixen for her playful role as the object of lead singer Jani Lane's desires. But the wide-eyed Louisiana beauty queen's own dreams of making it big in Los Angeles were about to be derailed by her rock-and-roll lifestyle. After her tumultuous marriage to Jani imploded, and her engagement to fast-living Mötley Crüe drummer Tommy Lee ended in a drug haze—followed by his marriage later to Pamela Anderson—Bobbie decided it was time Hollywood's hottest bachelors got a taste of their own medicine. Step one: get high. Step two: get even. In a captivating, completely uncensored confessional, Bobbie explicitly recounts a life among some of the most famous men in Hollywood: Leonardo DiCaprio, Kevin Costner, Mark McGrath, Dave Navarro, Sebastian Bach, Ashley Hamilton, Rob Pilatus of Milli Vanilli, Matthew and Gunnar Nelson, Orgy's Jay Gordon, and many more. No man was off limits as the fun-loving bombshell spiraled into excess, anger, and addiction. Bobbie survived the party—barely—and her riveting, cautionary comeback tale is filled with the wildest stories of sex, drugs, and rock and roll ever told.

Slipknot and Stone Sour frontman Corey Taylor's New York Times bestselling treatise on sin and the nature of it For the first time, Slipknot and Stone Sour frontman Corey Taylor speaks directly to his fans and shares his worldview about life as a sinner. And Taylor knows how to sin. As a small-town hero in the early '90s, he threw himself into a hard-drinking, fierce-loving, live-for-the-moment life; when his music exploded, he found himself rich, wanted, and on the road. But soon his extreme lifestyle led him to question what it means to sin and whether it could-or should-be cast in a different light. After all, if sin makes us human how wrong can it be? Now updated with a new Afterword by the author, Seven Deadly Sins is a brutally honest look "at a life that could have gone horribly wrong at any turn," and the soul-searching and self-discovery it took to set it right.

(Book). Kickstart My Heart: A Motley Crue Day-by-Day is an exciting chronology that celebrates in innovative form through the use of day-by-day entries and supporting band quotes mostly collected firsthand by the author, as well as memorabilia shots and photography the crazy lives lived by Vince, Mick, Nikki, and Tommy at the booze-drenched apex of the rock-'n'-roll food chain. Augmented with entries that help place the band in a wider rock context, Popoff presents a swift-moving, action-packed symphony of text and visuals that reprises his collaboration with Backbeat on similarly structured titles about Iron Maiden and Ozzy Osbourne. With very few Motley Crue-related books on the market, Kickstart My Heart will likely serve for years to come as the most complete and completely party-hardy celebration of this band now 35 years on and in the midst of completing its final tour ever.

"They've said some crazy things about me over the years. I mean, okay: 'He bit the head off a bat.' Yes. 'He bit the head off a dove.' Yes. But then you hear things like, 'Ozzy went to the show last night, but he wouldn't perform until he'd killed fifteen puppies . . .' Now me, kill fifteen puppies? I love puppies. I've got eighteen of the f**king things at home. I've killed a few cows in my time, mind you. And the chickens. I shot the chickens in my house that night. It haunts me, all this crazy stuff. Every day of my life has been an event. I took lethal combinations of booze and drugs for thirty f**king years. I survived a direct hit by a plane, suicidal overdoses, STDs. I've been accused of attempted murder. Then I almost died while riding over a bump on a quad bike at f**king two miles per hour. People ask me how come I'm still alive, and I don't know what to say. When I was growing up, if you'd have put me up against a wall with the other kids from my street and asked me which one of us was gonna make it to the age of sixty, which one of us would end up with five kids and four grandkids and houses in Buckinghamshire and Beverly Hills, I wouldn't have put money on me, no f**king way. But here I am: ready to tell my story, in my own words, for the first time. A lot of it ain't gonna be pretty. I've done some bad things in my time. I've always been drawn to the dark side, me. But I ain't the devil. I'm just John Osbourne: a working-class kid from Aston, who quit his job in the factory and went looking for a good time."

Set against the frenzied world of heavy metal superstardom, the co-founder of legendary Motley Crue offers an unflinching and gripping look at his own descent into drug addiction. When Motley Crue were at the height of their fame, there wasn't a drug Nikki Sixx wouldn't do. He spent days - sometimes alone, sometimes with others addicts, friends and lovers - in a coke- and heroin-fuelled daze. THE HEROIN DIARIES reveals Nikki's personal diary entries alongside commentary from the people who know Nikki best including band mates Tommy, Vince and Mick. The book is a candid look at a nightmare come true: a punishing heroin addiction that brought Nikki to the edge of losing his talent, his career, his family and finally to a near-fatal overdose which left him clinically dead for a few minutes before being revived. Brutally honest, utterly riveting and shockingly moving, THE HEROIN DIARIES follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again.

The most influential, enduring, and iconic metal band of the 1980's reveals everything a tell-all of epic proportions. This unbelievable autobiography explores the rebellious lives of four of the most influential icons in American rock history. Motley Crue was the voice of a barely pubescent Generation X, the anointed high priests of backward-masking pentagram rock, pioneers of Hollywood glam, and the creators of MTV's first "power ballad." Their sex lives claimed celebrities from Heather Locklear to Pamela Anderson to Donna D'Errico. Their scuffles involved everyone from Axl Rose to 2LiveCrew. Their hobbies have included collecting automatic weapons, cultivating long arrest records, pushing the envelope of conceivable drug abuse, and dreaming up backstage antics that would make Ozzy Osbourne blanch with modesty. Provocatively written and brilliantly designed, this book includes over 100 photos, many never before published, for the most exciting and insightful look ever into the Crue.

Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of The Dirt—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Mötley Crüe books like Tommyland and The Heroin Diaries, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in The Dirt. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at Rolling Stone calls The Dirt "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."

In honor of the ten-year anniversary of The Heroin Diaries, Nikki Sixx's definitive and bestselling memoir on drug addiction is reissued with exclusive new content. This shocking, gripping, and at times darkly hilarious memoir explores Nikki's yearlong war with a vicious heroin addiction. Now more than ever, with opioid addiction ravaging our country and rising by twenty percent in the past year alone, Nikki's story of both his descent into drug-addled decay and subsequent recovery and transition into a rehabilitation advocate are now more relevant than ever. When Mötley Crüe was at the height of its fame, there wasn't any drug Nikki Sixx wouldn't do. He spent days—sometimes alone, sometimes with other addicts, friends, and lovers—in a coke- and heroin-fueled daze. The highs were high, and Nikki's journal entries reveal some euphoria and joy. But the lows were lower, often ending with Nikki in his closet, surrounded by drug paraphernalia and wrapped in paranoid delusions. Here, Nikki shares the diary entries—some poetic, some scatterbrained, some bizarre—of those dark times. Joining him are Tommy Lee, Vince Neil, Mick Mars, Slash, Rick Nielsen, Bob Rock, and a host of ex-managers, ex-lovers, and more. Brutally honest, utterly riveting, and surprisingly moving, The Heroin Diaries follows Nikki during the year he plunged to rock bottom—and his courageous decision to pick himself up and start living again.

NOW A NETFLIX ORIGINAL MOVIE STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOOTH, AND IWAN RHEON, DIRECTED BY JEFF TREMAINE. Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of The Dirt—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Mötley Crüe books like Tommyland and The Heroin Diaries, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in The Dirt. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at Rolling Stone calls The Dirt "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."

The origins of Minneapolis's legendary indie rock scene, as told by the people who were there and made it happen.

Sammy Hagar—legendary lead singer of Van Halen, founder of the Cabo Wabo Tequila brand, and one of rock music's most notoriously successful performers—tells his unforgettable story in this one-of-a-kind autobiography of a life at the top of the charts. From his decade-long journey alongside Eddie Van Halen to his raucous solo career with Chickenfoot and everything in between—the drugs, groupies, and excesses of fame, the outrageous stadium tours, and the thrill of musical innovation—Hagar reveals all in this treasure trove of rock-and-roll war stories. Red is a life-changing look at one of music's biggest talents—an essential read for music fans and anyone dreaming of becoming rock's next number one star.

The author offers a candid view of his life, from his early days and the founding of the Christian rock band Stryper, to his split with them, subsequent solo career, and eventual reunion with the band.

"You won't leave this hypnotic book without feeling that James Brown is still out there, howling."—The Boston Globe From the New York Times bestselling author of The Good Lord Bird, winner of the 2013 National Book Award for Fiction, Deacon King Kong, and Five-Carat Soul Kill 'Em and Leave is more than a book about James Brown. Brown embodied the contradictions of American life: He was an unsettling symbol of the tensions between North and South, black and white, rich and poor. After receiving a tip that promises to uncover the man behind the myth, James McBride goes in search of the "real" James Brown. McBride's travels take him to forgotten corners of Brown's never-before-revealed history, illuminating not only our understanding of the immensely troubled, misunderstood, and complicated Godfather of Soul, but the ways in which our cultural heritage has been shaped by Brown's enduring legacy. Praise for Kill 'Em and Leave "A tour de force of cultural reportage."—The Seattle Times "Thoughtful and probing."—The New York Times Book Review "Masterly . . . powerful."—Los Angeles Review of Books "McBride provides something lacking in most of the books about James Brown: an intimate feeling for the musician, a veracious if inchoate sense of what it was like to be touched by him. . . . It may be as close [to 'the real James Brown'] as we'll ever get."—David Hajdu, The Nation "A feat of intrepid journalistic fortitude."—USA Today "[McBride is] the biographer of James Brown we've all been waiting for. . . . McBride's true subject is race and poverty in a country that doesn't want to hear about it, unless compelled by a voice that demands to be heard."—Boris Kachka, New York "Illuminating . . . engaging."—The Washington Post "A gorgeously written piece of reportage that gives us glimpses of Brown's genius and contradictions."—O: The Oprah Magazine New York Times Bestseller Founding member, singer, and lead guitarist of Metallica and Megadeth shares the ultimate,

unvarnished story behind his involvement in the rise of two of the world's most influential heavy metal bands in history. Dave Mustaine is the first to admit that he's bottomed out a few times in his dark and twisted speed metal version of a Dickensian life. From his soul-crushing professional and artistic setbacks to his battle with addiction, Mustaine has hit rock bottom on multiple occasions. April 1983 was his lowest point, when he was unceremoniously fired from Metallica for his hard-partying ways. But, what seemed to be the end of it all was just the beginning for the guitarist. After parting ways with Metallica, Mustaine went on to become the front man, singer, songwriter, guitarist (and de facto CEO) for Megadeth—one of the most successful metal bands in the world. A pioneer of the thrash metal movement, Megadeth rose to international fame in the 1980s, and has gone on to earn seven consecutive Grammy nominations for Best Metal Performance. In this outrageously candid memoir, one of heavy metal's most iconic figures gives an insider's look into the loud and sordid world of thrash metal—sex, drugs, and rock n' roll included.

The DirtConfessions of the World's Most Notorious Rock BandHarper Collins

Mötley Crüe's lead singer and rock's ultimate bad boy, Vince Neil, lets the real dirt fly in this raw, raunchy, and completely uncensored road trip through the unbelievable depths of rock n' roll debauchery. You've seen The Dirt on Netflix, now read the nitty gritty stories in Vince's own words. For 30 years, Vince Neil has been one of rock's most notorious frontmen. From sex tapes with porn stars and multiple arrests for drunk and disorderly behavior to his turns as a strip club and tattoo parlor owner, his antics make Mick Jagger look like a choirboy. Now, he tells the whole story, in his own words, as it has never been told before. The glory days of excess. Vince's break with the band and his arduous re-uniting with its members, especially Tommy Lee. The tragic death of his daughter Skylar. And, for the first time, Vince painfully opens up about his actions (and lack of real consequences) surrounding his part in the drunk-driving death of his friend Razzle. Then there are the stories and anecdotes that even hardcore Crue fans don't know. We also hear the voices of his friends, rock star cronies, ex-wives, family, and children in an effort to get to the heart of the matter. Tattoos and Tequila reveals the real Vince Neil, from his many vices--booze, sex, and many, many women, to his personal and private tragedies and triumphs as a musician and businessman. Sexy, shocking, and revelatory, this is the first personal account of one of rock's most troubled, outrageous, and flamboyant stars.

This book is a detailed, first-hand account of Mötley Crüe's Red, White & Crüe tour. After summing up the Crüe's history from the fans' perspective in their first-ever live album six years earlier, Paul Miles finally got his chance to see the band live for the very first time. Travel across Australia with the author, sharing all his experiences with Mötley and their crew, the cities he visits, and the people he meets along the way. It's YOUR 'All Access' pass, taking you in and out of the strip club, the restaurant, the beach, aeroplanes, bars, arenas, hotel rooms, limos, shops, backstage corridors, nightclubs, dressing rooms - even the graveyard! Enjoy the humourous Mick Mars, the loud-as-hell Tommy Lee, the respectful Nikki Sixx, the classic Vince Neil, as well as cameos from Motörhead's Lemmy Kilmister. Includes: 6 shows in 8 days across Australia with Motörhead in December 2005 Copies of press releases and the full press conference transcript A unique insight into life on the road with Mötley Crüe Photos by Nikki Sixx and other members of the crew 100-plus tour pictures inc. Mötley keepsakes A short intro by Mighty Mike A wonderful documentation of the massive Carnival of Sins tour.

"Steven Tyler is one of the giants of American music, who's been influential for a whole generation of Rock 'n' Roll fans around the world. Long May He Rock!" —Sir Paul McCartney Does the Noise in My Head Bother You? is the rock memoir to end all rock memoirs—the straight-up, no-holds-barred life of Grammy Award-winning, Rock 'n' Roll Hall of Fame inductee, and all around superstar legend Steven Tyler, lead singer of Aerosmith (and celebrity judge on American Idol). This is it—"the unbridled truth, the in-your-face, up-close and prodigious tale of Steven Tyler straight from the horse's lips"—as Tyler tells all, from the early years through the glory days, "All the unexpurgated, brain-jangling tales of debauchery, sex & drugs. and transcendence you will ever want to hear."

'They call me a madman but compared to Pete Way, I'm out of my league.' - Ozzy Osbourne There are rock memoirs and then there is this one. A Fast Ride Out of Here tells a story that is so shocking, so outrageous, so packed with excess and leading to such uproar and tragic consequences as to be almost beyond compare. Put simply, in terms of jaw-dropping incident, self-destruction and all-round craziness, Pete Way's rock'n'roll life makes even Keith Richards's appear routine and Ozzy Osbourne seem positively mild-mannered in comparison. Not for nothing did Nikki Sixx, bassist with LA shock-rockers Motley Crue and who 'died' for eight minutes following a heroin overdose in 1988, consider that he was a disciple of and apprenticed to Way. During a forty-year career as founding member and bassist of the venerated British hard rock band UFO, and which has also included a stint in his hell-raising buddy Ozzy's band, Pete Way has both scaled giddy heights and plunged to unfathomable lows. A heroin addict for more than ten years, he blew millions on drugs and booze and left behind him a trail of chaos and carnage. The human cost of this runs to six marriages, four divorces, a pair of estranged daughters and two dead ex-wives. Latterly, Way has fought cancer, but has survived it all and is now ready to tell his extraordinary tale. By turns hilarious, heart-rending, mordant, scabrous, self-lacerating, brutally honest and entirely compulsive, A Fast Ride Out of Here will be a monument to rock'n'roll debauchery on an epic, unparalleled scale and also to one man's sheer indestructability.

The New York Times Bestseller The Explosive National Bestseller "A backstage pass to the wildest and loudest party in rock history—you'll feel like you were right there with us!" —Bret Michaels of Poison Nothin' But a Good Time is the definitive, no-holds-barred oral history of 1980s hard rock and hair metal, told by the musicians and industry insiders who lived it. Hard rock in the 1980s was a hedonistic and often intensely creative wellspring of escapism that perfectly encapsulated—and maybe even helped to define—a spectacularly over-the-top decade. Indeed, fist-pumping hits like Twisted Sister's "We're Not Gonna Take It," Mötley Crüe's "Girls, Girls, Girls," and Guns N' Roses' "Welcome to the Jungle" are as inextricably linked to the era as Reaganomics, Pac-Man, and E.T. From the do-or-die early days of self-financed recordings and D.I.Y. concert productions that were as flashy as they were foolhardy, to the multi-Platinum, MTV-powered glory years of stadium-shaking anthems and chart-topping power ballads, to the ultimate crash when grunge bands like Nirvana forever altered the entire climate of the business, Tom Beaujour and Richard Bienstock's Nothin' But a Good Time captures the energy and excess of the hair metal years in the words of the musicians, managers, producers, engineers, label executives, publicists, stylists, costume designers, photographers, journalists, magazine publishers, video directors, club bookers, roadies, groupies, and hangers-on who lived it. Featuring an impassioned foreword by Slipknot and Stone Sour vocalist and avowed glam metal fanatic Corey Taylor, and drawn from over 200 new interviews with members of Van Halen, Mötley Crüe, Poison, Guns N' Roses, Skid Row, Bon Jovi, Ratt, Twisted Sister, Winger, Warrant, Cinderella, Quiet Riot and others, as well as Ozzy Osbourne, Lita Ford and many more, this is the ultimate, uncensored, and often unhinged chronicle of a time where excess and success walked hand in hand, told by the men and women who created

a sound and style that came to define a musical era—one in which the bands and their fans went looking for nothin' but a good time...and found it.
