

The Dirty Diet Ditch The Guilt Love Your Food

Nutrition is the fastest-rising beauty trend around the world. Eat Pretty simplifies the latest science and presents a userfriendly program for gorgeous looks, at any age, that last a lifetime. Buzzwords like antioxidants, biotin, and omega-3s are explained alongside more than 85 everyday foods, each paired with their specific beauty-boosting benefit: walnuts for supple skin, radishes for strong nails. But healthful ingredients are just one aspect of beauty nutrition. Eat Pretty offers a full lifestyle makeover, exploring stress management, hormonal balance, and mindful living. Charts and lists, plus nearly 20 recipes, make for a delicious and infinitely useful ebook—in the kitchen, at the grocer, and on the go.

Lose up to 14lbs in just 28 days WHILST eating cheese and drinking wine! From Kate Harrison, the bestselling author behind the 5:2 Diet Book series, comes the brand new 4-week plan that will have you losing weight for good - without cutting out the foods you love. The Dirty Diet combines the revolutionary successes of fasting with the latest scientific findings about gut health. What does this mean? Results! Eat 600-700 calories two or three days a week and 1800 calories for the rest - using Kate's delicious recipes and meal plans - and you'll not only be losing weight but be feeling rejuvenated and healthier too. With recipes including 'Fuss-free Eggs Royale', 'Fast Flatbread Pizza' and 'Chicken Pasta Bake', you'll also discover: - how

certain foods help you absorb nutrients without the calories; - how to look after your gut health so your digestion is improved; - how to harness the secrets of cultures where people live to ripe old ages; - and how you can drink wine and eat cheese without ruining your weight-loss plan. In short, discover a plan that is not only sustainable and achievable but celebrates food in all its glory. So whether you're sick of the limiting 'clean-eating' diets, or you just love food, if you're after a sustainable plan that will deliver the results you need - the Dirty Diet is for you.

A healthy guide to detoxing naturally, all year round--no dieting, juice fasting, or calorie counting required--to lose weight, improve digestion, sleep better, and feel great, featuring 100 properly combined recipes for every meal of the day. Most diets and cleanses have all-or-nothing rules that encourage unhealthy cycles of intense restriction followed by inevitable bingeing. In this healthy guide to detoxing naturally, nutritionist and blogger Megan Gilmore shares 100 delicious, properly combined recipes that will leave you feeling satisfied and well nourished while promoting weight loss and improving digestion and sleep. The recipes were developed with digestion mechanics in mind, so detoxers won't feel bloated or uncomfortable after eating. Plus they're sure to be crowd-pleasers for every meal of the day with recipes for Banana Coconut Muffins, Chocolate Chia Shake, Broccoli Cheese Soup, Mediterranean Chopped Salad, Skillet Fish Tacos, Cauliflower Flatbread Pizza, and Peppermint Fudge Bars. All are packed with natural, whole-foods ingredients designed to stave off feelings of

protect your body and brain from damage and help it repair itself. And THE 5:2 DIET BOOK - packed with tips, science, recipes, inspiration and case studies from over thirty dieters - will help you join the revolution to lose weight, boost your brain and transform your body. And it'll even save you money, with no specialist diet foods or supplements required. No wonder it's as popular with men as it is with women - and with first-time dieters as with weight loss veterans. Journalist and former yo-yo dieter Kate Harrison has finally won the battle with her weight - now she shares the secrets that are helping thousands of men and women transform their bodies. THE 5:2 DIET BOOK is your comprehensive guide to the wonderful world of intermittent fasting. It includes: ? All you need to trigger the 'healing' mode that happens when you restrict your diet for as little as one day a week ? The incredible effects on your brain cells ? The transformation in the way you view hunger and food ? The cost savings you can make - saving pounds from your food bill as you lose them from your body! ? 5:2 your way - how to personalise the diet to your exact requirements and preferences ? Detailed meal plans, and simple but healthy recipes... ? Or ready-made suggestions for when you don't feel like cooking ? Hundreds of real-life tips and success stories from men and women like you This is more than another diet craze - it's anything but crazy and it's a lifestyle you'll want to adopt for the rest of your life. The most effective and achievable guide to intermittent fasting, outlining a unique plan that merges the science behind fasting with a holistic approach to eating, from the

Read Free The Dirty Diet Ditch The Guilt Love Your Food

bestselling author of *Ketotarian* and *The Inflammation Spectrum*. "Intuitive Fasting is Will's clear four-week program designed to set you up to feel your best for all the other weeks to come. . . . It's full of what he's learned about reducing inflammation, restoring balance, recharging metabolism, and resetting gut health."--Gwyneth Paltrow, from the foreword

For some, the idea of fasting by eating only one or two meals a day still sounds like an extreme and overly restrictive dieting tactic. But many of us already feel like victims to our daily eating schedule: three meals a day, plus snacks. Eat every few hours, we are told by the experts. This fixed eating schedule has become the norm. The truth is, this is an artificially constructed schedule that does not reflect our bodies' natural eating schedule. In fact, eating three meals every day can cause metabolic inflexibility, which can easily lead to inflammation, weight gain, fatigue, and chronic health problems. For millions of years, our bodies have actually functioned best with periodic times of fasting. With his fresh new approach to fasting, bestselling author and functional medicine expert Dr. Will Cole gives us the ability to take control of our hunger, making intermittent fasting intuitive. You'll get in touch with your instinctive eating patterns and become healthier and more mindful about how and when you eat. When your body is out of balance, it can be very difficult to discern what it needs to build vibrant wellness. Intuitive Fasting will show you how to find metabolic flexibility--and once you've reached metabolic flexibility, you can intuitively trust your body to function at optimal capacity, whether you've eaten six minutes ago or six

Read Free The Dirty Diet Ditch The Guilt Love Your Food

hours ago. With his 4-Week Flexible Fasting Plan, Dr. Cole will guide you through varying intermittent fasting windows, with each week of the plan tailored to focus on a different aspect of your health. He illustrates the most effective ways to fast and eat to amplify the health benefits of intermittent fasting, balancing rest and repair with clean, nutrient-dense, delicious foods. By the end of the four weeks, you will have all the tools necessary to Reset your body, Recharge your metabolism, Renew your cells, and Rebalance your hormones. Along with more than sixty-five recipes, you'll also find a maintenance plan, so you can adapt fasting and feeding windows to work sustainably with your lifestyle.

Change the way you eat forever, with Clean Eating Made Simple. Eating healthy no longer has to be complicated. Actress Beth Behrs of *2 Broke Girls* presents a lighthearted, down-to-earth, and holistic wellness guide to giving up the junk food junkie lifestyle and achieving physical and emotional health. Before hitting her stride as one of Hollywood's hottest rising stars, Beth Behrs was a junk-food-loving couch potato, high-strung and stressed out. And then one day, she decided she'd had enough: she was going to take back her life. Beth began with simple steps that led to big changes-and now she wants to help readers do the same. In *The Total ME-Tox*, Beth shares her journey toward wellness, along with easy-to-follow healthy recipes, shrewd shopping tips, and fun living-room fitness routines (a.k.a. "Meh Workouts") designed to revitalize and inspire even the laziest among us. As entertaining as it is instructive, *The Total ME-Tox* is an achievable program for looking and feeling great about yourself.

Doctor of Natural Medicine and wellness authority Dr. Josh Axe delivers a groundbreaking, indispensable guide for understanding, diagnosing, and treating one of the most discussed yet little-

Read Free The Dirty Diet Ditch The Guilt Love Your Food

understood health conditions: leaky gut syndrome. Do you have a leaky gut? For 80% of the population the answer is “yes”—and most people don’t even realize it. Leaky gut syndrome is the root cause of a litany of ailments, including: chronic inflammation, allergies, autoimmune diseases, hypothyroidism, adrenal fatigue, diabetes, and even arthritis. To keep us in good health, our gut relies on maintaining a symbiotic relationship with trillions of microorganisms that live in our digestive tract. When our digestive system is out of whack, serious health problems can manifest and our intestinal walls can develop microscopic holes, allowing undigested food particles, bacteria, and toxins to seep into the bloodstream. This condition is known as leaky gut syndrome. In *Eat Dirt*, Dr. Josh Axe explains that what we regard as modern “improvements” to our food supply—including refrigeration, sanitation, and modified grains—have damaged our intestinal health. In fact, the same organisms in soil that allow plants and animals to flourish are the ones we need for gut health. In *Eat Dirt*, Dr. Axe explains that it’s essential to get a little “dirty” in our daily lives in order to support our gut bacteria and prevent leaky gut syndrome. Dr. Axe offers simple ways to get these needed microbes, from incorporating local honey and bee pollen into your diet to forgoing hand sanitizers and even ingesting a little probiotic-rich soil. Because leaky gut manifests differently in every

Read Free The Dirty Diet Ditch The Guilt Love Your Food

individual, Dr. Axe also identifies the five main “gut types” and offers customizable plans—including diet, supplement, and lifestyle recommendations—to dramatically improve gut health in just thirty days. With a simple diet plan, recipes, and practical advice, *Eat Dirt* will help readers restore gut health and eliminate leaky gut for good.

In this science-based book, registered dietitian Abby Langer tackles head-on the negative effects of diet culture and offers advice to help you enjoy food and lose weight without guilt or shame. There are so many diets out there, but what if you want to eat well and lose weight without dieting, counting, or restricting? What if you want to love your body, not punish it? Registered dietitian Abby Langer is here to help. In her first-ever book, Abby takes on our obsession with being thin and the diets that are sucking the life, sometimes literally, out of us. For the past twenty years, she has worked with clients from all walks of life to free them from restrictive diets and help them heal their relationship with food. Because all food is good for us—yes, even carbs and fats. All diets are bad. Diets are like Band-Aids for what’s really bothering us: Although we might lose weight, they prey on our insecurities, rob us of time and money, and often leave us with the same negative views of food and our bodies that we’ve always had. When the weight comes back, we still haven’t solved the real issues behind our eating

Read Free The Dirty Diet Ditch The Guilt Love Your Food

habits—our “why.” This book is different. Chapter by chapter, Abby helps readers uncover the “why” behind their desire to lose weight and their relationship with food, and make lasting, meaningful change to the way they see food, nutrition, themselves, and the world around them. In this book, you’ll learn how guilt and shame affect your food choices, how fullness and satisfaction aren’t the same feeling, why it’s important to quiet your “diet voice” and enjoy food, and what the best way to eat is according to science. Empowering, inclusive, smart, and a must-have, *Good Food, Bad Diet* will give you the tools to reject diets, repair your relationship with food, and lose weight so you can move on with your life.

"A companion cookbook to the bestselling book, *The Keto Reset Diet*, *The Keto Reset Cookbook* includes 150 all new recipes and meal plans so readers can easily follow Mark Sisson's ketogenic plan"--

Abel James, the ABC star and creator of the #1 *Fat-Burning Man Show*, shares his revolutionary weight-loss program in *The Wild Diet* - now a *New York Times* Bestseller! Can you really lose 20 pounds in 40 days while enjoying real butter, juicy burgers, chicken parmesan, chocolate, and even cheesecake? The answer might surprise you. By focusing on simple, fresh ingredients and nutrient-dense meals, *The Wild Diet* programs your body to burn fat as its main fuel source. *Eating Wild*,

Read Free The Dirty Diet Ditch The Guilt Love Your Food

thousands of people across the world have dropped 20, 60, or even more than 100+ pounds without hunger... and often with minimal exercise. In *The Wild Diet*, you'll find that we are not meant to starve ourselves, count calories, or avoid delicious food. We're wired to eat luxuriously and live well without getting fat. If you think that you're stuck with the genes you inherited and there's nothing you can do about it, read closely. *The Wild Diet* paints a different picture, one in which we have the power to influence our genetic expression by taking control of the quality of food we eat, the way we move, and the environment around us. We once had access to an immense variety of fresh seasonal foods from small, local sources. Now we have access to few varieties of processed foods from a massive industrial system often thousands of miles from where we live. The secret to great health simply getting back to our wild roots and enjoying real, Wild foods grown on a farm and not in a factory. By prioritizing foods found in the natural world, rich in fiber and nutrients, your body will burn fat instead of sugar for energy. When you reduce your consumption of processed grains, sugars and other simple carbohydrates in favor of healthy plants and animals, you will be shocked by how quickly you can reverse the damage of decades of poor eating. *The Wild Diet* proves that it's possible to get in best shape of your life while eating delicious foods like chicken parmesan, bacon

Out of the 100 million women—almost 11 million in the United States alone—who are on the pill, roughly 60 percent take it for non-contraceptive reasons like painful periods, endometriosis, PCOS, and acne. While the birth control pill is widely prescribed as a quick-fix solution to a variety of women's health conditions, taking it can also result in other more serious and dangerous health consequences. Did you know that women on the pill are more likely to be prescribed an antidepressant? That they are at significantly increased risk for autoimmune disease, heart attack, thyroid and adrenal disorders, and even breast and cervical cancer? That the pill can even cause vaginal dryness, unexplained hair loss, flagging libido, extreme fatigue, and chronic infection. As if women didn't have enough to worry about, that little pill we're taking to manage our symptoms is only making things worse. Jolene Brighten, ND, author of the groundbreaking new book BEYOND THE PILL, specializes in treating women's hormone imbalances caused by the pill and shares her proven 30-day program designed to reverse the myriad of symptoms women experience every day—whether you choose to stay on the pill or not. The first book of its kind to target the birth control pill and the scientifically-proven

Read Free The Dirty Diet Ditch The Guilt Love Your Food

symptoms associated with taking it, BEYOND THE PILL is an actionable plan for taking control, and will help readers:

- Locate the root cause of their hormonal issues, like estrogen dominance, low testosterone, and low progesterone
- Discover a pain-free, manageable period free of cramps, acne, stress, or PMS without the harmful side effects that come with the pill
- Detox the liver, support the adrenals and thyroid, heal the gut, reverse metabolic mayhem, boost fertility, and enhance mood
- Transition into a nutrition and supplement program, with more than 30 hormone-balancing recipes

Featuring simple diet and lifestyle interventions, BEYOND THE PILL is the first step to reversing the risky side effects of the pill, finally finding hormonal health, and getting your badass self back.

From the national bestselling author of *Racing Weight*, Matt Fitzgerald exposes the irrationality, half-truths, and downright impossibility of a “single right way” to eat, and reveals how to develop rational, healthy eating habits. From “The Four Hour Body,” to “Atkins,” there are diet cults to match seemingly any mood and personality type. Everywhere we turn, someone is preaching the “One True Way” to eat for maximum health. Paleo Diet advocates tell us that all foods less than 12,000 years old are the enemy. Low-carb gurus demonize carbs, then there are the low-fat prophets. But they agree on one thing: there is only one true way to eat for maximum health. The first clue that that is a fallacy is the sheer variety of diets advocated. Indeed, while all of these competing views claim to be backed by “science,” a good look at actual nutritional science itself suggests that

Read Free The Dirty Diet Ditch The Guilt Love Your Food

it is impossible to identify a single best way to eat. Fitzgerald advocates an agnostic, rational approach to eating habits, based on one's own habits, lifestyle, and genetics/body type. Many professional athletes already practice this "Good Enough" diet, and now we can too and ditch the brainwashing of these diet cults for good. NEW YORK TIMES BESTSELLER * Mark Sisson unveils his groundbreaking ketogenic diet plan that resets your metabolism in 21 days so you can burn fat forever. "Sisson masterfully delivers a comprehensive guide . . . to finally achieve success as it relates to health and weight loss."--David Perlmutter, M.D., author of Grain Brain Mounting scientific research is confirming that eating a ketogenic diet could represent one of the greatest nutritional breakthroughs of our time--and that it might be the healthiest and most effective weight loss strategy ever. Going "keto" by eating high fat, low-to-moderate protein and low-carb foods enables you to break free from the disastrous effects of carbohydrate dependency by resetting your metabolism and promoting metabolic flexibility--where your body learns to burn fat instead of sugar for energy, even when you go off plan. Unlike many other ketogenic programs that require challenging restrictions and deprivation or offer misinformation, Mark Sisson, bestselling author of The Primal Blueprint and publisher of the #1 paleo blog MarksDailyApple, presents a unique two-step, scientifically validated approach for going keto the right way. He first reveals the real secret to rapid and sustained weight loss, which is in becoming "fat-adapted" before entering full nutritional ketosis. It takes

Read Free The Dirty Diet Ditch The Guilt Love Your Food

as little as 21-days to reprogram your metabolism to burn fat for fuel, by ditching processed grains, sugars, and refined vegetable oils in favor of nutrient-dense, high fat, primal/paleo foods--and you'll see immediate results. Next, you'll fine-tune with Intermittent Fasting and then foray into full ketogenic eating for a further weight loss boost and improved health. With The Keto Reset Diet, you can eat to total satisfaction by enjoying rich, high-satiety foods, and even weather occasional slip-ups, using:

- * Step-by-step guidance
- * A helpful list of toxic foods to avoid and nutrient-dense food to replace them *

Daily meal plans, including a recipe section with over 100 keto friendly recipes You'll use keto as a lifelong tool to stay trim, healthy, energetic, and free from the disastrous health conditions caused by the typical American diet. The Keto Reset Diet is the definitive guide to help the keto-beginner or the experienced health enthusiast understand the what, why, and how to succeed with ketogenic eating.

Your fat is not your fault. Are you eating all the right things—low-fat yogurt, egg-white omelets, whole-grain bread, even tofu—but still can't lose the weight? Your favorite "diet" foods may be to blame. In this groundbreaking program, nutrition and fitness expert JJ Virgin reveals the real secret behind weight gain—food intolerance. A negative reaction to certain foods like dairy or gluten can sabotage your health by triggering inflammation and causing a host of nasty symptoms like bloating, breakouts, headaches, achy joints and—worst of all—stubborn weight gain. On The Virgin Diet, you'll eat plenty of anti-inflammatory, healing foods to reclaim your

Read Free The Dirty Diet Ditch The Guilt Love Your Food

health and reset your metabolism, while avoiding the 7 foods that are most likely to cause food intolerance. You'll never feel hungry or deprived, and in just one week, you'll drop up to 7 pounds, lose belly bloat, gain energy, clear up inflammation and look and feel years younger. And that's just the beginning!

Explains how a strategic consumption of healthy foods can bolster one's metabolism for permanent weight loss, and provides over thirty recipes to help with this process. "A groundbreaking program by one of the nation's leading experts on acid reflux to help the millions of diagnosed and undiagnosed sufferers identify the silent, potentially deadly symptoms and provide them with a proven 28-day eating plan to stop acid damage in its tracks"--

Not your typical boring diet book, this is a tart-tongued, no-holds-barred wakeup call to all women who want to be thin. With such blunt advice as, Soda is liquid Satan and You are a total moron if you think the Atkins Diet will make you thin, it's a rallying cry for all savvy women to start eating healthy and looking radiant. Unlike standard diet books, it actually makes the reader laugh out loud with its truthful, smart-mouthed revelations. Behind all the attitude, however, there's solid guidance. Skinny Bitch espouses a healthful lifestyle that promotes whole grains, fruits, and vegetables, and encourages women to get excited about feeling clean and pure and energized. Hungry for Change the enhanced edition contains 8 exclusive videos featuring additional footage from James Colquhoun and Laurentine ten Bosch's original documentary. In *The "I Love My Air Fryer" Keto Diet 5-Ingredient Recipe Book* discover how easy it is to stick to your keto goals and still enjoy every meal of the day.

"Investigative journalist Barry Estabrook was often on the receiving end of his doctor's scowl. Realizing he had two options--take more medication or lose weight--Estabrook chose the latter, but was paralyzed by the options. Which diet would keep the weight off? What program could he maintain over time? What diet works best--or even at all? Over the course of three years, Estabrook tried the regimens behind the most popular diets of the past forty years--from paleo, keto, gluten-free, and veganism to the Master Cleanse, Whole30, Atkins, Weight Watchers--examining the people, claims, and science behind the fads, all while recording his mental and physical experience of following each one. Along the way, he discovered that all the branded programs are

Read Free The Dirty Diet Ditch The Guilt Love Your Food

derived from just three diets. There are effective, scientifically valid takeaways to be cherry-picked . . . and the rest is just marketing. Perhaps most alarming, Estabrook uncovered how short-term weight loss can do long-term health damage that may go undetected for years. Estabrook contextualizes his reporting with an analysis of our culture's bizarre dieting history, dating back to the late 1800s, to create a thorough--and thoroughly entertaining--look at what specific diets do to our bodies, why some are more effective than others, and why our relationship with food is so fraught."--Provided by publisher.

From the team that brought you SparkPeople.com, America's #1 weight-loss and fitness site, and the New York Times bestseller *The Spark*, comes *The SparkPeople Cookbook*. Award-winning chef Meg Galvin and SparkRecipes editor Stephanie Romine have paired up to create this collection of more than 160 satisfying, sustaining, and stress-free recipes that streamline your healthy-eating efforts. With a focus on real food, generous portions, and great flavor, these recipes are not part of a fad diet. They aren't about spending money on obscure ingredients, eliminating key components of a balanced diet, or slaving away for hours at the stove. They are about making smart choices and eating food you love to eat. But this is more than just a collection of recipes—it's an education. *The SparkPeople*

philosophy has always been about encouraging people to achieve personal goals with the help and support of others. And this cookbook works in the just the same way. Along with the recipes, you'll find step-by-step how-tos about the healthiest, most taste-enhancing cooking techniques; lists of kitchen essentials; and simple ingredient swaps that maximize flavor, while cutting fat and calories, plus you'll read motivational SparkPeople success stories from real members who have used these recipes as part of their life-changing transformations. In addition, you'll find:

- Results from the SparkPeople "Ditch the Diet" Taste Test, which proves that you don't have to eat tasteless food to lose weight.
- 150 meal ideas and recipes that take 30 minutes or less to prepare—plus dozens of other meals for days when you have more time.
- Two weeks of meal plans that include breakfast, lunch, dinner, and snacks.

So whether you're a novice taking the first steps to improve your health or a seasoned cook just looking for new, healthy recipes to add to your repertoire, this cookbook is for you. Learn to love your food, lose the weight, and ditch the diet forever!

The Dirty Diet The 28-day fasting plan to lose weight & boost immunity Hachette UK

jumpstart includes delicious, expertly crafted smoothies, dips, snacks, and soups--all customizable to any preference or diet restriction. Over the following ten days, readers will reintroduce healthy versions of their favorite foods along with the blended recipes, keeping their metabolisms humming. The plan also explains how the easiest form of exercise--walking--along with light resistance training is all it takes to achieve the celebrity-worthy physique that every reader craves. Whether readers are looking to lose significant weight or just those last five pounds, The Body Reset Diet offers a proven program to hit the reset button, slim down, and get healthy in just fifteen days--and stay that way for good!

Outlines the principles of the earth diet, which draws on the power of plant-based and natural foods, and shares nutrient-dense recipes for all dieters, from raw vegans to meat eaters.

Kim Brittingham struggled for years with her weight and body image before she learned how to love her self unconditionally, find her confidence, and fully enjoy her life. In this unflinching, humorous, and uplifting memoir, she openly explores her complex relationships with food and dieting, sex and dating, and exercise and health, ultimately inspiring every woman to live life to the absolute fullest, no matter what your jean size.

We don't have an energy crisis. We have a consumption crisis. And this book, which takes aim at cherished assumptions regarding energy, offers refreshingly straight talk about what's wrong with the way we think and talk about the problem. Though we generally believe

Read Free *The Dirty Diet Ditch The Guilt Love Your Food*

we can solve environmental problems with more energy—more solar cells, wind turbines, and biofuels—alternative technologies come with their own side effects and limitations. How, for instance, do solar cells cause harm? Why can't engineers solve wind power's biggest obstacle? Why won't contraception solve the problem of overpopulation lying at the heart of our concerns about energy, and what will? This practical, environmentally informed, and lucid book persuasively argues for a change of perspective. If consumption is the problem, as Ozzie Zehner suggests, then we need to shift our focus from suspect alternative energies to improving social and political fundamentals: walkable communities, improved consumption, enlightened governance, and, most notably, women's rights. The dozens of first steps he offers are surprisingly straightforward. For instance, he introduces a simple sticker that promises a greater impact than all of the nation's solar cells. He uncovers why carbon taxes won't solve our energy challenges (and presents two taxes that could). Finally, he explores how future environmentalists will focus on similarly fresh alternatives that are affordable, clean, and can actually improve our well-being. Watch a book trailer.

The Grit Doctor is one tough task-mistress ... First she instructed us to lace up our trainers in RUN FAT BITCH RUN Then she told us to clear the clutter in GET YOUR SHIT TOGETHER Now she is ordering us to CUT THE CRAP and get real with our eating habits Should you go gluten free? Does detoxing work? What exactly is a superfood? Does healthy eating have to involve obscure

ingredients and complex recipes? If you're confused by increasingly complicated - and contradictory - nutritional advice, it's time to call in Ruth Field and her formidable alter-ego, The Grit Doctor. With her familiar tough-love style and wicked sense of humour, The Grit Doctor will demystify and simplify healthy eating, enabling readers to see past the bullsh!t and make practical and tasty choices for themselves and their families. Cutting the crap is just as much about eliminating unhelpful and unhealthy pseudo-science as it is about reducing your waistline. In CUT THE CRAP, Ruth Field will empower readers to ditch faddy diets for good and instead embrace a realistic, sustainable and enjoyable healthy eating plan. This isn't a diet, it's a way of life.

A cheat sheet for vegans who want to stray the healthy way People choose to become vegan for different reasons, but for some it's tough to stick to such a strict diet. Seagan Eating offers a healthy alternative by motivating you to adopt a "seagan" diet--largely plant-based but including seafood. At the same time, the book discourages "evil" ingredients and addresses many of today's food conundrums (GMOs, organic versus nonorganic, etc.). A recipe section features easy-to-make fish dishes, plus some of Amy's most decadent vegan recipes. As with the authors' first book, The Vegan Cheat Sheet, all recipes are oil-free. It's the ultimate manual for delicious, healthful eating. You will learn to: Maximize your nutrient intake with plant-based, nutrient-dense foods, along with omega 3 rich fish. Enjoy more freedom when preparing meals or dining out by including some seafood in your diet. Prepare satisfying portions by
