In the second book of the Carve the Mark duology, globally bestselling Divergent author Veronica Roth reveals how Cyra and Akos fulfill their fates. *The Fates Divide* is a richly imagined tale of hope and resilience told in four stunning perspectives. The lives of Cyra Noavek and Akos Kereseth are ruled by their fates, spoken by the oracles at their births. The fates, once determined, are inescapable. Akos is in love with Cyra, in spite of his fate: He will die in service to Cyra's family. And when Cyra's father, Lazmet Noavek—a soulless tyrant, thought to be dead—reclaims the Shotet throne, Akos believes his end is closer than ever. As Lazmet ignites a barbaric war, Cyra and Akos are desperate to stop him at any cost. For Cyra, that could mean taking the life of the man who may—or may not—be her father. For Akos, it could mean giving his own. In a stunning twist, the two will discover how fate defines their lives in ways most unexpected. Praise for *Carve the Mark*: #1 New York Times bestseller * Wall Street Journal bestseller * USA Today bestseller * #1 IndieBound bestseller "Roth skillfully weaves the careful world-building and intricate web of characters that distinguished *Divergent*." —VOYA (starred review) "Roth offers a richly imagined, often brutal world of political intrigue and adventure, with a slow-burning romance at its core." —ALA Booklist *More Four!* Fans of the Divergent series by No. 1 New York Times bestselling author Veronica Roth will be thrilled by 'The Son', the third of four new short stories told from Four's perspective. *DIVERGENT* – a major motion picture in 2014.

Globally bestselling author Veronica Roth returns to the world of Divergent in this revealing short-story epilogue that takes place five years after the stunning events of Allegiant. As Tobias struggles to understand and move past his fears, the world he once knew has changed beyond recognition. Fringe-dwellers, ex-faction members, Bureau dropouts, and migrants now coexist in the rebuilt streets of Chicago. It's a new, better world—one where he isn't sure how to belong. As everyone else seems to move forward, Tobias is still haunted by those who couldn't. But new connections from old friends help him begin to heal—and mend.

Winner of the EDRA book prize for 2012. In cities around the world, individuals and groups are reclaiming and creating urban sites, temporary spaces and informal gathering places. These 'insurgent public spaces' challenge conventional views of how urban areas are defined and used, and how they can transform the city environment. No longer confined to traditional public areas like neighbourhood parks and public plazas, these guerrilla spaces express the alternative social and spatial relationships in our changing cities. With nearly twenty illustrated case studies, this volume shows how instances of insurgent public space occur across the world. Examples range from community gardening in Seattle and Los Angeles, street dancing in Beijing, to the transformation of parking spaces into temporary parks in San Francisco. Drawing on the experiences and knowledge of individuals extensively engaged in the actual implementation of these spaces, Insurgent Public Space is a unique cross-disciplinary approach to the study of public space use, and how it is utilized in the contemporary, urban world. Appealing to professionals and students in both urban studies and more social courses, Hou has brought together valuable commentaries on an area of urbanism which has, up until now, been largely ignored.

** Allegiant by Sara Mack is the second novel in The Guardian Trilogy. It is not affiliated with the Divergent series by Veronica Roth. **Last summer, Emma discovered that true love never dies. It can return. It can give you hope. It can pull you from darkness. Until it's ripped from you. Again. As her 22nd birthday approaches, Emma Donohue finds herself back at school and utterly alone. Hours away from family and friends, her solitary days are spent contemplating what never should have been. James should never have died, but he did. He should never have been assigned as her Guardian, but he was. And she should never have allowed Dane to get too close to her heart. But she failed. Desperate to fill her time, Emma is intrigued by her mysterious new neighbor, Garrett. She's never met anyone quite like him before, and, curious, she attempts to discover his past. Little does she know his presence will pull her into a world she could never imagine. A world that follows an ancient doctrine. A world built on loyalty, yet plagued by secrets and lies. A world that will threaten everything - and everyone - she loves. Allegiant is a new adult/college paranormal romance containing moderate language/mild innuendo. Allegiant is the second story in The Guardian Trilogy. The third novel, Reborn, is complete and due to be published in February 2014.
