

The Doctrine Of Vibration An Analysis Of The Doctrines And Practices Of Kashmir Shaivism The Suny Series In The Shaiva Traditions Of Kashmir

Mark S. G. Dyczkowski

The Doctrine of Vibration Mark S. G. Dyczkowski, 1989 Cutting across distinctions of schools and types, the author explains the central feature of Kashmir Saivism: the creative pulse of the all-pervasive Consciousness called Siva. This is also the central theme of the Hindu Tantras, and Dyczkowski provides new insight into the most literate and extensive interpretations of the Tantras. This book is significant from four points of view. First, it breaks new ground in Indian philosophy. According to the Spanda Doctrine, the self is not simply witnessing consciousness as maintained by Sankhya and Vedanta, but is an active force. Second, the ultimate reality is not simply a logical system of abstract categories, but is living, pulsating energy, the source of all manifestation. Third, the work elaborates the dynamic aspect of consciousness. It supplies an excellent introduction to the texts and scriptures of Kashmir Saivism. Fourth, it suggests a Yoga for the realization of self.

The Doctrine of Vibration Mark S. G. Dyczkowski, 1989

The Doctrine of Vibration Mark S. G. Dyczkowski, 1987-07-01 This book is significant from four points of view. First, it breaks new ground in Indian philosophy. According to the Spanda Doctrine, the self is not simply witnessing consciousness as maintained by Sankhya and Vedanta, but is an active force. Second, the ultimate reality is not simply a logical system of abstract categories, but is living, pulsating energy, the source of all manifestation. Third, the work elaborates the dynamic aspect of consciousness. It supplies an excellent introduction to the texts and scriptures of Kashmir Shaivism. Fourth, it suggests a Yoga for the realization of self.

Kundalini Lilian Silburn, 1988-10-18 Kundalini's power lies dormant in humans until it is awakened. The awakened Kundalini expresses the primal divine impulse and ultimately joins the individual with the divine. The development of the book parallels the development of the Kundalini within. Part One exposes the awakening and unfolding of the Kundalini; Part Two describes the piercing of the energy centers and the stages of ascent through the body; and Part Three examines Kundalini's relation to sexual expression. The book provides a deep understanding of Tantra and of the underlying purpose of

Tantracism. The author carefully considers the Caryakrama practices of sexual expression as a means of awakening and controlling Kundalini. Silburn draws together passages from the Trika, Krama, and Kaula systems ranging through Abhinavagupta and Lalla and provides both translation and commentary for them. Chapters on the Chakras, the Nadis, and on mantras further elucidate the topic and lead to a forceful conclusion: Kundalini is the source of ultimate human knowledge and power.

The Teachings of the Odd-Eyed One David Peter Lawrence, 2008-08-20 This book offers the first published translation of the contemplative manual *Virūpāksapañcasikā*, written circa the twelfth century CE, and the commentary on it, *Vivṛti* by *Vidyācakravartin*. These late works from the *Pratyabhijñā* tradition of monistic and tantric Kashmiri Śaiva philosophy focus on means to deindividualize and disclose the primordial, divine essential natures of the human ego and body-sense. David Peter Lawrence situates these writings in their medieval, South Asian religious and intellectual contexts. He goes on to engage *Pratyabhijñā* philosophical psychology in dialogue with Western religious and psychoanalytic conceptions of identity and narcissism, and also demonstrates the Śaiva tradition's strong concern with ethics. The richly annotated translation and glossary illuminate the texts for all readers.

Rediscovering God with Transcendental Argument David Peter Lawrence, 1999-04-29 Provides a comparative philosophical study of the thought of the two principle theorists of monistic Kashmiri Shaivism, *Utpaladeva* and *Abhinavagupta*, and also formulates a conception of the nature of philosophy as a means of intercultural and interreligious dialogue.

To Savor the Meaning James D. Reich, 2021-05-11 Medieval Kashmir in its golden age saw the development of some of the most sophisticated theories of language, literature, and emotion articulated in the pre-modern world. These theories, enormously influential on the later intellectual history of South Asia, were written at a time when religious education was ubiquitous among intellectuals, and when religious philosophies were hotly and publicly debated. It was also a time of deep interreligious influence and borrowing, when traditions intermixed and intellectuals pushed the boundaries of their own inheritance by borrowing ideas from many different places—even from their rivals. *To Savor the Meaning* examines the overlap of literary theory and religious philosophy in this period by looking at debates about how poetry communicates emotions to its readers, what it is readers do when they savor these emotions, and why this might be valuable. Focusing on the work of three influential figures—*Anandavardhana* [ca. 850 AD], *Abhinavagupta* [ca. 1000 AD], and the somewhat lesser known theorist *Mahimabhata* [ca. 1050 AD]—this book gives a broad introduction to their ideas and reveals new, important, and previously overlooked aspects of their work and their debates. James D. Reich places these pre-modern intellectuals within the wider context of the religious philosophies current in Kashmir at the time, and shows that their ideas cannot be fully understood in isolation from this broader context.

The Stanzas on Vibration ,1992-09-30 In his Doctrine of Vibration, the author presents a synthesis of Kashmir Shaivism—an overview with Spanda as the central theme. Spanda is the vibratory dynamism of the absolute consciousness. In this book the author focuses on the school of Kashmir Shaivism that presents this doctrine as its cardinal principle and whose literature consists essentially of the works translated here. In his Introduction and in his exposition of the four commentaries, the author shows both how the Spanda tradition contributes to the other schools of Kashmir Shaivism and how it is different from them. He presents for the first time a detailed treatment of this tradition and an analysis of its development. The aim is to offer a method that affords access by the general reader to the wonderful world of the Spanda Yogi through which she travels to the liberating realization of her authentic identity vibrant with the vitality of the universal pulse of Shiva.

A Journey in the World of Tantras Mark S. G. Dyczkowski,2004 The past thirty years have witnessed dramatic developments in the study of Śaivite Shaivism in general. On the one hand there has been a substantial increase in the historical and anthropological data. On the other, access has been cleared to vast reserves of unedited and unpublished sources. This book is a collection of essays which document in their own way the author's personal journey in these years through parts of the Śaiva and, to some extent, the Vaiṣṇava Tantras. This ground-breaking book includes the following chapters: Self-awareness, Own Being and Egoity; Abhāvavēda, the Doctrine of Non-being; The Saṅgīta; The Inner Pilgrimage of the Tantras; Kubjikē, the Androgynous Goddess; The Cult of the Goddess Kubjikē. Mark S.G. Dyczkowski is a renowned scholar in the field of Tantra. Living in India for over thirty years, he combines in his books a Western academic base with deep Indian insight.

Self Realization in Kashmir Shaivism Swami Lakshman Joo, John Hughes, 1994 This book presents the oral teachings of the twentieth century's great Kashmir Shaivite master. The last of his long lineage, Swami Lakshmanjoo preserved, as did his predecessors, the oral knowledge that illuminates this ancient philosophy--that clarifies the often deliberately obscure tantric texts. Swami Lakshmanjoo reveals the essence of the way and the means to self realization. Here in his own original discourses, as well as in his English renderings of Abhinavagupta and Kshemaraja, he unveils the essential teachings of this yoga philosophy. Swami Lakshmanjoo reveals the tantric understanding of the purpose and reason for creation. He offers instruction on the greatness and importance of the supreme mantra sauhṛd. In his presentation of effective practice, he explains why meditation is both effortless and, at the same time, difficult. In his discussion of discipline he clarifies why personal habits and dispositions play an important part in spiritual growth. Finally, in his unveiling of the path of Kundalini yoga, he is intent on exposing and thereby preserving this hidden and elevated process while warning of its pitfalls. Contains 8 black and white, 14 full color photographs.

The Triadic Heart of Śiva Paul E. Muller-Ortega, 2010-03-31 This book explores one of the most explicit and sophisticated

theoretical formulations of tantric yoga. It explains Abhinavagupta's teaching about the nature of ultimate reality, about the methods for experiencing this ultimate reality, and about the nature of the state of realization, a condition of embodied enlightenment. The author uncovers the conceptual matrix surrounding the practices of the Kaula lineage of Kashmir Shaivism. The primary textual basis for the book is provided by Abhinavagupta's Parātrīśikā-laghuvṛtti, a short meditation manual that centers on the symbolism of the Heart-mantra, SAUḤ.

Mysticism in Shaivism and Christianity Bettina Bäumer,1997 Setting Out A Spiritual Dialogue Between Saiva And Christian Mysticism, The Book Articulates World-Views Of The Mystical Traditions Of Saiva-Siddhanta, Kashmir Saivism, Meister Eckhart, Hadewijch, Julian Of Norwich, St. Ignatius Loyola And Of The Eastern Christianity.

Kashmir Shaivism John Hughes,2007

Books in Series ,1985 Vols. for 1980- issued in three parts: Series, Authors, and Titles.

The Aphorisms of Śiva Vasugupta,1992-01-01 The Shiva Sutra was revealed to Vasugupta by Shiva in order to counter the effects of dualism. This revelation initiated the hermeneutics of syntheses and exegesis climaxed by the great Abhinavagupta. The Shiva Sutra is the most important scripture in the Trika system of Kashmir Shaivism. As a book on yoga, it explains the nature and cause of bondage and the means to liberation from bondage. Bhāskara is in the direct lineage of Vasugupta. To Bhāskara's commentary, Mark Dyczkowski has added his translation of an anonymous commentary as an aid to understanding Bhāskara's interpretation. This anonymous writer also serves as a bridge between Kṣemarāja's and Bhāskara's commentaries, drawing from both. The commentary on each sutra is thus in three layers. Bhāskara's commentary is first, followed by the anonymous commentary, after which Dyczkowski adds his own exposition and compares Bhāskara and Kṣemarāja. Kṣemarāja's commentary, the Vimarsini, has been translated by Jaideva Singh and published by SUNY Press under the title Siva Sutra.

The Yoga of Kashmir Shaivism Swami Shankarananda,2006 Consciousness is the most intimate experience of life the essence of life itself. among the many spiritual traditions born and developed in India one ancient philosophy-Kashmir Shaivism-has explored it completely. The Yoga of Kashmir Shaivism is a book that will transform you. It is a resource and guide towards investigating and deepening your own consciousness.

Chinnamastā, the Aweful Buddhist and Hindu Tantric Goddess Elisabeth Anne Benard,2010 This is the first monograph which examines the rare Buddhist and Hindu Tantric goddess, Chinnamasta, her rituals, her names and forms (namarupa) and their symbolism by comparing and contra-sting her sadhanas (spiritual practices) in Hinduism and Buddhism. The entire Hindu Chinnamastatantra section from the Sakta Pramoda, the Buddhist Chinnamunda Vajra-varahisadhana and theTri kayavajrayoginstuti are translated for the first time into English. Since Chinnamasta is a rare goddess, her texts were not popularized or made fashionable according to the dictates of a particular group at a particular time. The earliest

extant texts dated from the ninth and tenth centuries a time when Hindu and Buddhist Tantras were developing under common influences in the same place in India. Having such texts about Chinnamasta Chinnamunda from these centuries, one can begin to understand the mutuality of a general Tantric tradition and the exclusivity of a particular Hindu or Buddhist Tantric tradition. Hence the study not only examines Chinnamasta, but also attempts to understand what is a Tantric tradition.

Light on Tantra in Kashmir Shaivism: Swami Lakshmanjoo, 2017-09-23 This profound text is concerned with the philosophy and practice known as Kashmir Shaivism. On account of its size and scope it is a veritable encyclopedia of non-dual Shaivism. Why was the Tantraloka written? In answer to this question Abhinavagupta tells us that, although in the schools of Kashmir Shaivism there are many wonderful and important ways and methods for attaining the supreme reality, yet in his time not even one was still existing. All of those ways and methods were lost. It is for this reason that he was requested by his colleagues and disciples to create a text that would illuminate and clarify all of these ways and methods of Kashmir Shaivism. To accomplish this, Abhinavagupta composed the Tantraloka, a text, which he tells us is filled with the complete explanation of the ways and methods associated with Kashmir Shaivism. That is to say that the philosophical understanding on the level of the intellect might have been existing, but the actual practical means or methods to be used to attain the supreme reality - oneness with Universal Being - to which they all pointed was lost. Abhinavagupta was intent, therefore, to revive the true understanding of these very important teachings, to make the practices that they embodied live again. For what is the use of a map if you have no way to reach the destination? Thus, Abhinavagupta gave us the Tantraloka to remedy this situation. The Tantraloka is composed of thirty seven chapters (ahnikas). Each chapter has its own distinct topic. In this present volume - chapter one - Abhinavagupta lays the groundwork for the rest of his Tantraloka. Here are some of the topics Abhinavagupta examines in the first chapter: - The important Masters of the schools of Kashmir Shaivism. - The differentiated perception of all the means and methods (upayas). - The difference between knowledge, ignorance and liberation. - The essence of what is to be recognized, i.e., the real object to be known. - The oneness of Shiva and His energy (Shakti). - Introduction to the means and methods (upaya) for attaining full and pure knowledge where you perceive your nature as one with the universe. - True liberation in Kashmir Shaivism. - A discussion of the four states of means (upayas). - Three variations of absorption or trance (samavesha) as mentioned in the Malinivijaya Tantra. - The contents of each of the thirty seven chapters of Tantraloka.

Philosophy East & West, 1996

Consciousness Is Everything Shankarananda, 2003-01-01 Consciousness Is Everything Until now, Kashmir Shaivism was an esoteric field accessible only to a few scholars and other specialists. In his book Swamiji presents the wisdom of this powerful tradition and explores Consciousness, the most intimate experience of life. Swami Shankarananda has succeeded in

making Kashmir Shaivism come alive in these pages, and I consider this work the best introduction to that tradition thus far.
Georg Feuerstein, author

The Top Books of the Year The Doctrine Of Vibration An Analysis Of The Doctrines And Practices Of Kashmir Shaivism The Suny Series In The Shaiva Traditions Of Kashmir The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Doctrine Of Vibration An Analysis Of The Doctrines And Practices Of Kashmir Shaivism The Suny Series In The Shaiva Traditions Of Kashmir : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. The Doctrine Of Vibration An Analysis Of The Doctrines And Practices Of Kashmir Shaivism The Suny Series In The Shaiva Traditions Of Kashmir : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary

tale about the dangers of obsession and the power of evil.
