"Everything epic fantasy should be: rich, cruel, gorgeous, brilliant, enthralling and deeply, deeply satisfying. I loved it."—Lev Grossman, author of The Magicians When destiny calls, there's no fighting back. Kihrin grew up in the slums of Quur, a thief and a minstrel's son raised on tales of long-lost princes and magnificent quests. When he is claimed against his will as the missing son of a treasonous prince, Kihrin finds himself at the mercy of his new family's ruthless power plays and political ambitions. Practically a prisoner, Kihrin discovers that being a long-lost prince is nothing like what the storybooks promised. The storybooks have lied about a lot of other things, too: dragons, demons, gods, prophecies, and how the hero always wins. Then again, maybe he isn't the hero after all. For Kihrin is not destined to save the world. He's destined to destroy it. Jenn Lyons begins the Chorus of Dragons series with The Ruin of Kings, an epic fantasy novel about a man who discovers his fate is tied to the future of an empire.

Set in 1999 Japan, Satellite Love is a heartbreaking and beautifully unconventional debut novel about a girl, a boy, and a satellite--and a bittersweet meditation on loneliness, alienation, and what it means to be human. Named a CBC Books Spring Reading List Title, a Shelf Life Books Book of the Month, a Toronto Life and Nikkei Voice summer read recommendation, and one of Daily Hive's 10 Essential Reads to Celebrate Asian Canadian Writers. On the eve of the new millennium, in a city in southern Japan that progress has forgotten, sixteen-year-old Anna Obata looks to the stars for solace. An outcast at school, and left to fend for herself and care for her increasingly senile grandfather at home, Anna copes with her loneliness by searching the night sky for answers. But everything changes the evening the Low Earth Orbit satellite (LEO for short) returns her gaze and sees her as no one else has before. After Leo is called down to Earth, he embarks on an extraordinary journey to understand his own humanity as well as the fragile mind of the young woman who called him into being. As Anna withdraws further into her own mysterious plans, he will be forced to question the limits of his devotion and the lengths he will go to protect her. Full of surprising imaginative leaps and yet grounded by a profound understanding of the human heart, Satellite Love is a brilliant and deeply moving meditation on loneliness, faith, and the yearning for meaning and connection. It is an unforgettable story about the indomitable power of the imagination and the mind's ability to heal itself, no matter the cost, no matter the odds.

Those who can still read the signs see a threat far greater than the ancient wars. For if the Black Sun gains ascendancy, mankind's hopes and dreams will fall to dust... ..and it can never be made whole again. MALICE is a dark epic fantasy tale of blind greed, ambition, and betrayal.

Fifteen years ago, a young author surprised and enchanted readers with his first novel—the story of Fritti Tailchaser, a courageous tom cat in a world of whiskery heroes and villains, of feline gods and strange, furless creatures called M'an. The book was Tailchaser's Song, the author was Tad Williams. The legend was born.

Epic storytelling at its very best, the Otherland series gets better and better with each new volume.
