

The Dragons Blade The Last Guardian

The Roman legions have long deserted the Isles and the despotic Uther Pendragon, High King of Celtic Britain, is nearing death, whilst his kingdom is torn apart by the jostling for his throne. Artorex, growing up in the household of Lord Ector, is chosen to be taught the martial skills of a warrior. He becomes a war chieftain and earns the trust to unite the tribes and become High King.

Prince Corin and his cousin Elinor are befriended by a magician who the queen claims is a master of the black arts, and when the destiny of the kingdom is at stake, they must decide whether to trust the man or heed his mother's warnings.

Lita Pierce was blissfully naive of everything she knew made her different from her family. That was until a mysterious ship brought her back into a war she was protected from. Now, orphaned again, Lita must seek out the Seer of Dragons to finish the war that separated her from her dragon kin. Constance Zogem distrusted humans and dragons alike. Then she came face to face with a red dragon. Her own dragon knew her duty and reluctantly joined with her. Duty compelled her to stay but her heart made her never want to leave. Will Lita be able to save her people in time? Will she do it with her heart intact, or

have to make the ultimate sacrifice?The Dragons of Coses are unlike any of their kind. They can shift between human and dragon. A betrayer exposes their secret to High Lord Oxen, a ruthless tyrant who harbors strong resentment for dragons and their dragon-kin, called Calmers and forced the dragons into a war they wanted no part of. Living among the humans, hiding in plain sight, they never knew their queen had saved her unborn child. Only a red dragon can rule, but Lita grew up knowing nothing of her birthright, of who she really was. Then her island was attacked and her dormant dragon was awakened, forever changing the course of her life and propelling her into a future long destined for her. This is a f/f adventure romance.

Hoping to settle down to a peaceful life with her family after the defeat of an evil force, Ashen Nordorn, Queen of the Land of Ever Snow, learns that the Mother Ice Dragon is once again threatening the world and can only be killed by a long-missing ancient sword.
