Mysterious structures, esoteric philosophies, and occult practices have an alluring power over those with curious minds. Something whispers to us from times long past, carrying the ghosts of Once Upon a Time into our lives. Everywhere we look on our Mother Earth we see evidence of civilizations long gone. And what we see are shadows of intelligent, resourceful people who infused their souls into stories and images which were passed on from generation to generation; messages from the grave.

Understanding these messages is a dynamic motivation. "Symbology: Hidden In Plain Sight" is revised and updated, and brings to the curious mind a better understanding of myths and folklore and the symbolism that accompanies them - discover who created these stories and enigmatic images as we reveal where our ancestors came from, what happened to them, and how they lived.

### An A to Z of the Undead

Since the dawn of civilization, humans have felt compelled to engage with, understand, and control the universe. From 17,000-year-old shamanic cave paintings at Lascaux, France, to the ancient Egyptian mysteries of Isis and the strange runic inscriptions of the Vikings, the desire to harness these unseen magical powers has inspired, baffled, and seduced people everywhere. Organized thematically into four chapters-The Natural World, The Divine World, Signs and Systems, and The Mystic World-The Secrets of the Universe in 100 Symbols is a beautifully illustrated compendium of 100 diverse arcane objects, emblems, and icons that provide insight into and understanding of the mysteries of the universe. From the Aztec Calendar Stone and the Spear of Destiny to magic circles and Navaho sand paintings, each relic, representation, and code is presented and analyzed in detail to reveal the beliefs and practices of past civilizations. An archaeologist explores history's most fascinating enigmas, from the ancient Druids to the mysteries of the Mayan calendar and the lost city of Atlantis. Across thousands of years of history, so-called lost civilizations still speak to us through their artifacts and architecture. In *Hidden History*, archaeologist Brian Haughton fills the gap between archaeology and alternative history using the latest available data and a common sense, open-minded approach. Divided into three sections, this expertly researched volume shares the secrets of Mysterious Places, Unexplained Artifacts, and Enigmatic People. Haughton introduces readers to the greatest mysteries of the ancient world, from the labyrinthine palace of Knossos on Crete to the pyramids of Egypt, the remote jungle temples of Peru, and the megalithic mystery of Stonehenge. But he also goes further to explore historical puzzles like the Coso Artifact, the possibility of ancient flight, and the Voynich Manuscript, as well as mysterious peoples from the Magi and the Druids to the Knights Templar and the Green Children. With more than 50 photographs and illustrations, this is the ideal reference work for those interested in the archaeology of these great enigmas.
