The Oregon crew must work without their usual resources when a rogue hacker empties their bank account in this action-packed installment from the #1 New York Times—bestselling grand master of adventure. When a bank heist during the Monaco Grand Priz decimates the Corporation’s “offshore” account, Juan Cabrillo and the crew of the Oregon find themselves unexpectedly vulnerable. Without his usual financial assets, Juan must trust a woman from his past, an old friend from his days with the CIA, to help him keep his team safe. Together, they’ll face a mysterious hacker with a brutal vendetta. It is only after the hunt begins that the enormity of the plan comes into focus: the bank theft is just the first step in a plot that will result in the deaths of millions and bring the world’s economies to a standstill. The catalyst for the scheme? A stunning document stolen during Napoleon’s disastrous invasion of Russia. But two hundred years later, it may be the thing that brings Europe to its knees.

Fargo are on a wild-goose chase. Up to their waists in the Great Pocomoke Swamp in Maryland, they're hunting for lost gold. What they find instead is a small Second World War German U-boat. Inside the submarine they find a body - and a puzzling, incredibly rare bottle of wine. This bottle was one of twelve taken from Napoleon's 'lost cellar'. But it is also a clue to a fabulous, ancient treasure. One that Hadeon Bondaruk - a half-Russian, half-Persian millionaire - will do anything to get his hands on. For he claims descent from treasure's one-time owner. It will be his, no matter who stands in his way . . . The Oregon crew must work without their usual resources when a rogue hacker empties their bank account in this action-packed installment from the #1 New York Times–bestselling grand master of adventure. When a bank heist during the Monaco Grand Prix decimates the Corporation’s “offshore” account, Juan Cabrillo and the crew of the Oregon find themselves unexpectedly vulnerable. Without his usual financial assets, Juan must trust a woman from his past, an old friend from his days with the CIA, to help him keep his team safe. Together, they’ll face a mysterious hacker with a brutal vendetta. It is only after the hunt begins that the enormity of the plan comes into focus: the bank theft is just the first step in a plot that will result in the deaths of millions and bring the world’s economies to a standstill. The catalyst for the scheme? A stunning document stolen during Napoleon’s disastrous invasion of Russia. But two hundred years later, it may be the thing that brings Europe to its knees.
