**Jack Kyle Daniels**

The Fixers E.J. Fleming, 2015-01-28 Eddie Mannix and Howard Strickling are virtually unknown outside of Hollywood and little-remembered even there, but as General Manager and Head of Publicity for Metro-Goldwyn-Mayer Studios, they lorded over all the stars in Hollywood's golden age from the 1920s through the 1940s--including legends like Garbo, Dietrich, Gable and Garland. When MGM stars found themselves in trouble, it was Eddie and Howard who took care of them--solved their problems, hid their crimes, and kept their secrets. They were the Fixers. At a time when image meant everything and the stars were worth millions to the studios that owned them, Mannix and Strickling were the most important men at MGM. Through a complex web of contacts in every arena, from reporters and doctors to corrupt police and district attorneys, they covered up some of the most notorious crimes and scandals in Hollywood history, keeping stars out of jail and, more importantly, their names out of the papers. They handled problems as diverse as the murder of Paul Bern (husband of MGM's biggest star, Jean Harlow), the studio-directed drug addictions of Judy Garland, the murder of Ted Healy (creator of The Three Stooges) at the hands of Wallace Beery, and arranging for an unmarried Loretta Young to adopt her own child--a child fathered by a married Clark Gable. Through exhaustive research and interviews with contemporaries, this is the never-before-told story of Eddie Mannix and Howard Strickling. The dual biography describes how a mob-related New Jersey laborer and the quiet son of a grocer became the most powerful men at the biggest studio in the world.

**The Man Who Seduced Hollywood** B. James Gladstone,2013-05-01 In Hollywood history, no other lawyer has achieved the movie star-like fame and glamour that Greg Bautzer enjoyed. This revealing biography tells, for the first time, the amazing story of a self-made man who for 50 years used his irresistible charm and prodigious legal talent to dominate the courtrooms, boardrooms, and bedrooms of Hollywood. Columnists of the 1930s through 1950s dubbed him “Hollywood Bachelor Number One,” and for good reason. His long-term relationships and momentary conquests were a who’s who of leading ladies. Through exclusive interviews with those who knew him best, the book uncovers the inner workings of not only Bautzer the high-powered Hollywood lawyer—whose clients included billionaire Howard Hughes—but Bautzer the man.

*Films of Sam Peckinpah* Neil Fulwood,2014-11-12 A detailed look at the work of one of America's great film directors. Sam Peckinpah helped to redefine the Western, clearing the board of genre cliches in order to present an intelligent examination of the motivation behind, and effects of, violence. The accusations against Peckinpah for making violent films, both Westerns and non-Westerns, for the sake of it as well as misogyny have become cliches themselves. Like their creator, the men who walk or ride through Peckinpah's films are deep, complex and often flawed. Technical accomplishment and the ability to draw out great performances from his actors are only part of what sets Peckinpah's Films apart. It is their depth and intensity that make them unique. This book takes an in-depth look at the man, his early work for television, and all his films. It covers the critical reception of his films, Peckinpah's approach to film direction, his on-set behaviour, and studio interference during editing. An Appraisal of the iconography of his films plus an analysis of recurring themes and pre-occupations show that his best work was the most personal.

**The Fixers** Joe Palazzolo,Michael Rothfeld,2020-01-14 The shocking, definitive account of the lawyers and media tycoons who enabled the rise of Donald Trump, featuring new revelations from a Pulitzer Prize-winning Wall Street Journal team With his blunt-force fame and the myths he’s propagated about himself, Donald Trump has always moved in a world of gossip barons, crooked lawyers, and porn stars. But when he became the Republican nominee for the presidency in 2016, all of these characters crawled out from the underbelly of Trump’s stardom and stumbled onto the global stage with him. In *The Fixers*, Joe Palazzolo and Michael Rothfeld have produced a deeply reported and exquisitely drawn portrait of that world, full of secret phone calls, hidden texts, and desperate deals, unearthing the practice of “catch and kill” by which Trump

surrogates paid hush money to cover up his affairs, and detailing Trump's historic relationship with his fixers—from his early, influential relationship with Roy Cohn to his reliance on Michael Cohen, National Enquirer publisher David Pecker, and former New York mayor Rudy Giuliani. It traces the arc of their interactions from the 1970s through the 2016 campaign and beyond. It is a distinctly American saga that navigates the worlds of reality TV, cash-for-trash tabloids, single-shingle law shops, celebrity bashes, high-end real estate, pornography, and politics. The characters and settings of this book are part of a vulgar circus that crisscrosses the country, from New York to L.A. to D.C. Terrifying, darkly comic, and compulsively readable, *The Fixers* is an epic political adventure in which greed, corruption, lust, and ambition collide, and that leads, ultimately, to the White House. Advance praise for *The Fixers* “Of the dozens of books chronicling Donald Trump’s presidency, *The Fixers* is destined to sit atop the pile. It has everything you look for in a political page-turner: Colorful characters, intrigue, sex, corruption and—unlike much of the Trump canon—meticulous, factual reporting by two ace reporters. What a read!”—John Carreyrou, New York Times bestselling author of *Bad Blood*

**Lee Marvin** Robert J. Lentz, 2006-01-30 Lee Marvin did not receive his first starring film role until he was 40, but in three short years—following the successes of *Cat Ballou* (for which he won the Academy Award as Best Actor), *The Professionals* and especially *The Dirty Dozen*—he was the most popular film actor in America. Marvin was a fascinating man, a loving husband and father, and one of the most natural, effective actors of his time. This is a comprehensive reference of the Oscar-winning actor's work. It includes biographical information on Marvin, an analysis of each of his 64 movies, chapters on his two television shows (*M Squad* and *Lawbreaker*), a listing of his television appearances, and a complete filmography (which includes video availability). The work is supplemented with dozens of photographs and film stills.

**George Raft** Lewis Yablonsky, 2000-07-19 [Yablonsky, a sociologist and one of the foremost authorities in psychodrama, raises the book from ordinary show biz profiles to a penetrating insight into the relationship of personality to screen image, of character to social symbol. **Eddie and the Jets** John Attanas, 2011-01-01 Eddie and his friends have been playing neighborhood football for a long time. Their team, the Jets, has never beat the Giants, led by a mouthy kid and his buddies. Eddie is having trouble calling the right plays: on the team, at home, and with his secret crush - who just happens to be his best friend's twin sister. Everything seems to be changing: Eddie's dad moves out, Eddie's friends quit the team, and love seems lost.

**Billy the Kid Rides Again** Jay Miller,2005 In early 2003, three sheriffs set out to prove that Pat Garrett killed Billy the Kid, thereby also proving that Brushy Bill of Hico, Texas was not the real Kid. Along their way, the sheriffs enlisted New Mexico Governor Bill Richardson's support and took two communities on a wild ride through court battles to dig up Billy and his mother. Governor Richardson found an attorney willing to work free and provide Billy with a voice. Follow Billy as he speaks for himself in court, requesting that he and his mother be dug up to examine the DNA in their dusty remains for evidence that they were related. And follow the small towns of Fort Sumner and Silver City, New Mexico as they fight to retain the integrity of their municipal cemeteries and keep the legend of Billy the Kid from crumbling away. Author Jay Miller followed the strange unfolding of events, digging to find the source of the money that financed an official murder investigation and the court action against two courageous small towns struggling to prevent the exhumations.

**The Billy Boy** Chris Anderson,2011-09-02 A cult figure among loyalists, despised and feared by nationalists, Billy 'King Rat' Wright is reputed to have been involved in a number of sectarian murders before he himself was shot dead by republican gunmen inside the Maze Prison in 1997. Wright became involved with loyalist paramilitaries at the age of 16, and in the early 1990s he emerged as the UVF commander in the Mid-Ulster area. The Billy Boy documents Wright's role in the Drumcree dispute of 1995-96 and his split from the UVF, recounting how he ignored both a death threat and an order to leave Northern Ireland, only to remain in Portadown and form the Loyalist Volunteer Force. It covers Wright's trial and subsequent imprisonment for a crime it has been claimed was set up by the State; recounts the circumstances of his killing inside a top-security prison; and investigates the allegations of State collusion in Wright's death. Terrifically gripping and often disturbing, The Billy Boy is an exhaustive account of a notorious figure of the Troubles, whose life and death were surrounded by controversy and political debate.

**William Beaudine** Wendy L. Marshall,2005 In this detailed biography, Marshall chronicles Beaudine's swift rise through the ranks, his triumph as one of the most successful directors of British comedies, accumulation and loss of personal fortunes, and prolific work in television. William Beaudine: From Silents to Television also corrects much misinformation that has been written about the director. With the most complete list of his directorial credits to date, this volume serves as the ultimate authority on Beaudine's life and career.--Jacket.

**T.J. Wilcox Films** T. J. Wilcox,2006 This fully illustrated catalogue accompanies Lands End, Ruth Claxton's first solo show in the UK. For this exhibition, Claxton has created an ambitious new installation. Metal structures are large-scale and labyrinth-like, at times immersing the viewer in a constructed world, enveloped by its sheer physicality. An environment of open frameworks creates a dramatic fabrication of interlocking and layered forms reminiscent of fantastic natural phenomena. Areas of density and focus are developed by sequences of stacked metal hoops of varying thickness, coloured and mirrored discs, seemingly precariously balanced, toppling over and into each other. The structure is dominant, at times

appearing to be one of dynamic, arrested motion, penetrating through walls, creating a tension with the architecture of the galleries. Mirrored surfaces implicate the viewer through endless reflection. The carefully fabricated stands retain their utopian reference to design while recalling organic structures such as the Giant's Causeway or crystalline geological forms. Published on the occasion of the touring exhibition Ruth Claxton: Lands End in 2008 - 2009 at Ikon Gallery, Birmingham; Oriol Davies, Newtown; Spike Island, Bristol; and The Grundy Art Gallery, Blackpool.

**Sound Wormy** Andrew Gennett, 2010-07 Set in what remains some of the wildest country in the United States, Sound Wormy recalls a time when regulations were few and resources were abundant for the southern lumber industry. In 1901 Andrew Gennett put all of his money into a tract of timber along the Chattooga River watershed, which traverses parts of Georgia, South Carolina, and North Carolina. By the time he wrote his memoir almost forty years later, Gennett had outwitted and outworked countless competitors in the southern mountains to make his mark as one of the region's most seasoned, innovative, and successful lumbermen. His recollections of a rough-and-ready outdoors life are filled with details of logging, from the first cruise of a timber stand to the moment when the last board lies on sticks in the mill yard. He tells how massive poplars, oaks, and other hardwoods had to be felled and trimmed by hand, dragged down mountain slopes by draft animals, floated downstream or carried by rail to the mill, and then sawn, graded, and stacked for drying. He tells of buying timber rights in a land market filled with sharp operators, where titles and surveys were often contested and kinship and custom were on an equal footing with the law. Gennett saw more than potential boardfeet when he looked at a tree. He recalls, for instance, his efforts to convince the U.S. Forest Service to purchase undisturbed areas of wilderness at a time when its mandate was to condemn and buy up farmed-out and clear-cut land. One such sale initiated by Gennett would become the Joyce Kilmer Wilderness in North Carolina. Filled with logging lore and portraits of the southern mountains and their people, Sound Wormy adds an absorbing new chapter to the region's natural and environmental history.

The Real Mackay Dave Mackay, Martin Knight, Alex Ferguson, 2005-10 The Real Mackay tells the life story of one of soccer's genuine legends, a man whose presence in any team spurred them on to championship-winning form: Dave Mackay. It is the refreshing, honest, and action-packed autobiography of a man who was at the center of many of the biggest stories of British soccer for almost three decades.

**A Shot of Jack Daniels** Jack Kyle Daniels, 2009 Under any description of the start of my life, the odds were against me. With the untimely death of my mother at age 31 in September and the suicide of my father on the following Christmas Day, I was orphaned at the age of two along with six siblings. Through the efforts of a Methodist pastor, we were placed in the Methodist Orphans Home in Waco, Texas on January 21, 1937. This is the story of my life and how I was able to overcome those gigantic odds. Who would believe that the two-year-old orphan boy would later serve for the last twenty-five years of his career as the President/CEO of the agency that rescued him and his six siblings?

Waiting For The Other Shoe To Drop... Pat Oliphant,1994-10-07 Pat Oliphant is the most widely syndicated editorial cartoonist in the world, appearing in more than 450 newspapers and magazines. Nothing on the current political scene escapes his rapier wit. Now, the Pulitzer Prize-winning cartoonist presents more than 150 of his most jaded cartoons from the past year.

*Joining Arnold* Tony Denera,2012-05-07 On the evening of October 7, 2003, I was standing among the hysteria and celebration of a highly unusual event inside the ballroom of the Century Plaza Hotel. Arnold Schwarzenegger had just won the historic recall election to unseat incumbent California governor Gray Davis. I had been hit with a thought: Did I just come full circle with this man now known as "The Governator?" I will leave that up to you to decide. I might as well start from the beginning. Enjoy the ride.

*Something More Than Night* Peter Wolfe,1985 Raymond Chandler's eminence as a mystery writer is unchallenged. Somerset Maugham and George Grella both rate him above Dashiell Hammett; Eric Partridge deems him a serious artist and a very considerable novelist, while praising him as one of the finest novelists of his time. Peter Wolfe examines the many sides of Chandler and his work--his apparent will to self-destruct, his obsession with beautiful women, and his apparent brush with homosexuality--and casts much new and needed light on this major American author.

City of Nets Otto Friedrich,1997-05-02 History of Hollywood in the 1940's

**Jack Quack** Lucy Nolan,2003-10 Jack Quack is a Marshall Cavendish publication.
