

The Flip Side By Andrew Matthews Ldakvaryum

Provides lists of hit songs by date with information on the artist, songwriter, producer, label, and offering interviews with popular artists.

Casey, a high school freshman, and Stew, a senior, search for love separately, with the help of a favorite teacher, before meeting each other.

Buttermilk Cornbread and Turnip Greens is a collection of poems and short stories chronicling the life experiences of a "nonconformist" daughter, and her traditional, Southern-bred mother. When the mother succumbs to cancer, the daughter discovers the things her mother saved tell a unique story of their own.

The New Messiah is a novel of personal discovery set in the 1970's. Neal Shelley is an idealistic poet who falls in love with a woman he meets while hitchhiking across America during the Bicentennial summer of 1976. But despite the storybook beginning, the love affair soon fades and Neal is left disillusioned and searching for answers in his life. In his disheartened state, he conceives a utopian plan to launch a new messiah movement which he hopes will end his and everyone else's unhappiness. He enlists his charismatic friend, Andrew Moore, to pose as a modern-day savior. They begin their mission with a sermon on the Venice Boardwalk. The initial sermon succeeds brilliantly but then Neal's plan takes an unexpected turn as Andrew starts to truly believe he is the Chosen One. Inspired by actual events, The New Messiah shows how American youth culture in the mid-1970's-characterized by a quest for higher consciousness; pre-AIDS sexual promiscuity; recreational drug use; pop mysticism; irreverent humor; and cynicism and alienation in the post-Watergate "malaise" era-was the soil out of which a messiah movement could grow. One of the most striking features of The New Messiah is its play-like format. The story is told through the conversations of the characters. The authenticity of the dialogue in the party scenes, street scenes, and intimate one-on-one scenes will no doubt be appreciated by readers who lived through that time period. College-age readers today may also find much to identify with in the novel's depiction of 70's youth culture.

NEW YORK TIMES BESTSELLER One of The Wall Street Journal's Ten Best Books of 2018 One of The Economist's Best Books of 2018 One of The New York Times's Notable Books of 2018 "Unarguably the best single-volume biography of Churchill . . . A brilliant feat of storytelling, monumental in scope, yet put together with tenderness for a man who had always believed that he would be Britain's savior." —Wall Street Journal In this landmark biography of Winston Churchill based on extensive new material, the true genius of the man, statesman and leader can finally be fully seen and understood--by the bestselling, award-winning author of Napoleon and The Last King of America. When we seek an example of great leaders with unalloyed courage, the person who comes to mind is Winston Churchill: the iconic, visionary war leader immune from the consensus of the day, who stood firmly for his beliefs when everyone doubted him. But how did young Winston become Churchill? What gave him the strength to take on the superior force of Nazi Germany when bombs rained on London and so many others had caved? In Churchill, Andrew Roberts gives readers the full and definitive Winston Churchill, from birth to lasting legacy, as personally revealing as it is compulsively readable. Roberts gained exclusive access to extensive new material: transcripts of War Cabinet meetings, diaries, letters and unpublished memoirs from Churchill's contemporaries. The Royal Family permitted Roberts--in a first for a Churchill biographer--to read the detailed notes taken by King George VI in his diary after his weekly meetings with Churchill during World War II. This treasure trove of access allows Roberts to understand the man in revelatory new ways, and to identify the hidden forces fueling Churchill's legendary drive. We think of Churchill as a hero who saved civilization from the evils of Nazism and warned of the grave crimes of Soviet communism, but Roberts's masterwork reveals that he has as much to teach us about the challenges leaders face today--and the fundamental values of courage, tenacity, leadership and moral conviction.

'Swansong is the real thing, right from the start: spiky, strange and contemporary, but always with a dark undertow of myth and folklore tugging at its telling...this is a brilliant novel by a writer - and musician - of frankly alarming talent.' Robert Macfarlane In this stunningly assured, immersive and vividly atmospheric first novel from the celebrated musician, a young woman comes face-to-face with the volatile, haunted wilderness of the Scottish Highlands. Polly Vaughan is trying to escape the ravaging guilt of a disturbing incident in London by heading north to the Scottish Highlands. As soon as she arrives, this spirited, funny, alert young woman goes looking for drink, drugs and sex – finding them all quickly, and unsatisfactorily, with the barman in the only pub. She also finds a fresh kind of fear, alone in this eerie, myth-drenched landscape. Increasingly prone to visions or visitations – floating white shapes in the waters of the loch or in the woods – she is terrified and fascinated by a man she came across in the forest on her first evening, apparently tearing apart a bird. Who is this strange loner? And what is his sinister secret? Kerry Andrew is a fresh new voice in British fiction; one that comes from a deep understanding of the folk songs, mythologies and oral traditions of these islands. Her powerful metaphoric language gives Swansong a charged, hallucinatory quality that is unique, uncanny and deeply disquieting.

THE FLIPSIDE is your passport to a brighter, more positive future. It shows that every cloud can have a silver lining. A setback can change the course of your life. But why should the change be a negative one? Challenges and obstacles are part of life, but while some wilt under pressure, others rise to the occasion. Could it be there is a method for overcoming adversity and turning failure into success? The flipside is the hidden opportunity inside each problem - an opportunity so powerful that it dwarfs the original difficulty. THE FLIPSIDE is full of life-affirming stories from around the world. It will change the way you look at adversity, and help you turn setbacks into new chances.

What issues in English teacher education are sidestepped because they are too loaded to address? What aren't we talking about when we discuss classroom management, censorship, standardized tests, media literacy, social justice issues, the standards, and technology? What really matters to novices entering the profession? The authors in this book wrestle with the disparities between preservice English teacher instruction and secondary school space as the two collide, and describe the tools that preservice English teachers need to negotiate and navigate between theory and practice. This book answers these questions and offers groundbreaking insights about liberatory pedagogy for how teacher educators can mentor preservice teachers on touchy issues, providing them with tools to reach today's students.

This volume contains detailed information about every musical that opened on Broadway from 2010 through the end of 2019. This book discusses the decade's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues.

Urban realism, snow-covered streets of New York, boxing matches, children on the banks of a river, the painters of the Ash Can School preferred realistic images. Their paintings are a true hymn to noise and sensations. This unconventional movement enabled the birth of a true national artistic identity which broke free from the establishment. The Ash Can School resolutely promoted the affirmation of the modernist current of American art. Edward Hopper, who was a student of Robert Henri, embraced the principles of this movement and brought them to another level.

Examine a rich history of spiritual interpretations from antiquity to the present Since the sixteenth century CE, the field of biblical studies has focused on the literal meaning of texts. This collection seeks to rectify this oversight by integrating the study of esoteric readings into academic discourse. Case studies focusing on the first three chapters of Genesis cover different periods and methods from early Christian discourse through zoharic, kabbalistic and alchemical literature to modern and post-postmodern approaches. Features: Discussions, comparisons, and analyses of esoteric appropriations of Genesis 1–3 Essays on creation myths, gender, fate and free will, the concepts of knowledge, wisdom, and gnosis Responses to papers that provide a range of view points

The Book of Andy is a humorous family saga that is best described as Walter Mitty meets The River Runs Through It. Based in Montana, in the small community of Milltown, and on the blue-ribbon stream of the Blackfoot River, the story is about finding contentment with where God plants you. It is a play on The Book of Job, a reversal of fortune story, and a love story—a father and son story.

Wanted: wife and mother Distinguished city surgeon Andrew Montgomery is the new doctor in a small town, and the new guardian to his young nephew, Cory. Out of his depth in his role as a single dad, he turns to beautiful nurse Georgina Lewis for help. Andrew is enchanted by Georgina—she is wonderful with Cory, devoted to her patients and absolutely perfect for Andrew. He never envisaged staying in the Australian Outback, but now he's not sure he wants his old life back. His future is here, in the town that has become his home... with the woman who has captured his heart.

It doesn't take long for Cody Elliot to realize that his new high school is a little different. The other students are supernaturally strong, don't like the sunlight, and are always placing orders at the local blood bank. When his new friend shows him his fangs, Cody doesn't need any more clues—these kids are vampires! As Cody struggles to fit into this secretive community, he disrupts centuries of human-vampire segregation, with some serious—and some seriously funny—consequences. In sharp, humorous, and insightful prose, Douglas Rees creates a world of vampires where the real issue for humans is not the fear of being bitten, but the need to get along.

Explores Dayton's retail, industrial, entertainment, and residential sites and how they have changed over time.

A funny holiday story about a boy whose Christmas is thrown into chaos. The perfect book to bring you a much needed dose of holiday cheer! Sixteen-year-old Paul Nicholas is a self-confessed Christmas fanatic. That's why he's so smitten with Sarah—a girl who smells like peppermint and thinks picking out presents to the strains of "Winter Wonderland" is the ultimate afternoon activity. But when he catches Sarah making out with Santa Claus at the Paramus Park mall, his dad's over-the-top lights catch the Nicholas house on fire, and his mom gets fired from Fortunoff's because of something he did, Paul gets caught in a downward spiral of holiday gloom. This year, the spirit of Scrooge has settled in—and it's not going to be pretty. Or will the spirit of the holiday prevail?

Winner of American Library Association Schneider Family Book Award! Bobby Phillips is an average fifteen-year-old-boy. Until the morning he wakes up and can't see himself in the mirror. Not blind, not dreaming—Bobby is just plain invisible. There doesn't seem to be any rhyme or reason to Bobby's new condition; even his dad the physicist can't figure it out. For Bobby that means no school, no friends, no life. He's a missing person. Then he meets Alicia. She's blind, and Bobby can't resist talking to her, trusting her. But people are starting to wonder where Bobby is. Bobby knows that his invisibility could have dangerous consequences for his family and that time is running out. He has to find out how to be seen again—before it's too late.

Another hot guy from Greenwich Village is about to meet his match. That is, if he doesn't mess things up...this time. After the failure of his relationship with Jeremy, Andrew Jamieson threw himself into the routine of his high powered job on Wall Street. After two years, however, he is unable to quell the longing in his heart, a place Jeremy once filled. That is, until he meets Peter, the local bartender in Jeremy's favorite watering hole. Peter is hot, sweet, sensitive and...masterful. He brings out a side of Andrew he never knew he had and he can't get enough. However, when the same issues arise that caused his relationship to fail with Jeremy, Andrew fears he's destined to ruin his chances with Peter. Will Andrew love Peter enough to let himself have the one guy in the world who could be meant for him?

An elite teenaged gymnast with Olympic dreams finds it hard to train when an irresistible guy comes along and threatens to throw her whole world off balance.

The miracles of Jesus are some of the most striking passages in the New Testament -- they bring the power of God "up close and personal" by dramatically rearranging human situations and teaching us great spiritual truths. But how can we translate the sometimes arcane historical content of the miracle stories in a way that will be meaningful to contemporary sensibilities? Jerry Schmalenberger has come up with an original solution in these thirteen well-crafted sermons on miracle stories contained in the Revised Common Lectionary. Using the analogy of old 45 rpm records which were usually released with a "hit" side and a "flip" side, Schmalenberger shares a structure for presenting the miracles in narrative form. He initially focuses on the traditional approach to each miracle (the "A" or "hit" side), and then offers a fresh look at the "other side of the story" (the "B" or "flip" side). Schmalenberger's punch, contemporary language, and narrative style produce hard-hitting and inspirational messages that offer a unique twist in the interpretation of these fascinating stories. Jerry L. Schmalenberger has taught speech and communication at Wittenberg University and Urbana College and was a parish pastor for 29 years, serving some of the nation's largest Lutheran congregations. Recently retired as professor of parish ministry and president of Pacific Lutheran Theological Seminary in Berkeley, California, he now serves as a Global Mission Volunteer for the Evangelical Lutheran Church in America. Schmalenberger has preached and taught throughout the world, most recently teaching with the faculty of the Lutheran Seminary in Hong Kong. Schmalenberger has also taught at seminaries in Germany, Jamaica, Argentina, Surinam, Indonesia, and Liberia. A graduate of Wittenberg University and Hamma School of Theology in Springfield, Ohio (where he received his D.Min. degree), Schmalenberger was honored by Wittenberg with a D.Div. degree.

Gavin Mathis is ready to settle down. He's quit his job and come home to Shadow Maverick Ranch to do just that. Too bad his decision caused his beautiful former colleague to lose her job. Lauren Delgado is a no-nonsense businesswoman. She's had a crush on Gavin for years, but has a strict "hands-off" policy with the men she works with. When her life takes an unexpected turn, there's nothing to stop her from accepting his invitation to Galveston Island, where the policy is definitely hands-on.

A James Patterson Presents novel Only those from the most powerful magical families can attend Blackwater Academy, but new student Alka has them fooled. Now it's time to take down the oppressive wizard ruling class from the inside. Alka Chelrazi is on a mission: 1. Infiltrate Blackwater Academy 2. Win the Great Game 3. Burn Wizard society to the ground As a child, Alka witnessed her parents' brutal murder at the hands of Wizards before she was taken in by an underground rebel group. Now, Alka is deep under cover at the most prestigious school of magic in the Republic: Blackwater Academy, a place where status is everything, where decadent galas end in blood-splattered duels, where every student has their own agenda. To survive, Alka will have to lie, cheat, and kill to use every trick in her spy's toolkit. And for the first time in her life, the fiercely independent Alka will have to make friends, to recruit the misfits and the outcasts into her motley rebellion. But even as she draws closer to victory—to vengeance—she sinks deeper into danger as suspicious professors and murderous rivals seek the traitor in their midst, as dark revelations unravel her resolve. Can Alka destroy the twisted game... without becoming a part of it?

High school student Axel sits at his desk, bored with the monotonous cycle of his life, waiting for something to change. Unknown to him, he's about to be sent to FlipSide - a futuristic city coated in an array of neon lights, lightning fast trains, and streets filled with people gliding with ease. At first glance, society seems at peace, but a great civil war is brewing beneath the city. An organization called the Linkers gathers its forces to rise up against the Mayor and his men. They have one goal: to link FlipSide to the normal world that we all know. The Mayor of Flipside is determined to do everything in his power to stop the worlds from being linked. As Axel sits, both the Linkers and the Mayor are sending their forces to bring him to FlipSide as he may be the only one that can truly open the gate between the worlds.

"Jon Snow won't be the only 'bastard' whose name readers will remember." -- Entertainment Weekly Being a bastard blows. Tilla would know. Her father, Lord Kent of the Western Province, loved her as a child, but cast her aside as soon as he had trueborn children. At sixteen, Tilla spends her days exploring long-forgotten tunnels beneath the castle with her stablehand half-brother, Jax, and her nights drinking with the servants, passing out on Jax's floor while her castle bedroom collects dust. Tilla longs to sit by her father's side, enjoying feasts with the rest of the family. Instead, she sits with the other bastards, like Miles of House Hampstedt, an awkward scholar who's been in love with Tilla since they were children. Then, at a feast honoring the visiting princess Lyriana, the royal shocks everyone by choosing to sit at the Bastards' Table. Before she knows it, Tilla is leading the sheltered princess on a late-night escapade. Along with Jax, Miles, and fellow bastard Zell, a Zitochi warrior from the north, they stumble upon a crime they were never meant to witness. The bastards band together, realizing they alone have the power to prevent a civil war that will tear their kingdom apart -- if they can warn the king in time. And if they can survive the journey...

The Flip Side Laurel Leaf

Hard workin', hard lovin' cowboys. Welcome to Shadow Maverick Ranch. White Collar Cowboy Gavin Mathis is ready to settle down. He's quit his job and come home to Shadow Maverick Ranch to do just that. Too bad his decision caused his beautiful former colleague to lose her job. Lauren Delgado is a no-nonsense businesswoman. She's had a crush on Gavin for years, but has a strict "hands-off" policy with the men she works with. When her life takes an unexpected turn, there's nothing to stop her from accepting his invitation to Galveston Island, where the policy is definitely hands-on. Borrowed Cowboy Paxton Mathis is committed to bachelorhood. One failed marriage was more than enough to remind him of the dangers of getting too close. He has his work on the ranch; he has his family. He has everything he needs. Event planner Reese Jameson accepted the job at Shadow Maverick Ranch for one reason: to face her biggest regret. Paxton Mathis was her first love, her first everything. And ten years ago, after a night of unbridled passion, it all came crashing down. The moment they see each other again, it's clear the years haven't doused the heat between them. On the contrary, their flames burn hotter than ever. Despite Paxton's attempts to keep things casual, old feelings emerge alongside a fierce hunger to keep Reese in his life forever. Reese willingly accepts Paxton's need to keep things casual, but she's worried her heart won't get the message. When Paxton is forced to face his fears, will history repeat itself, or will he take a chance on a whole new future? Cowboy Redeemed Unlike his brothers, Clayton Mathis isn't looking for the woman of his dreams. He works hard, plays harder, and enjoys every minute of it. And with his family preparing to expand Shadow Maverick Ranch, settling down is the last thing on his mind—until a sexy blonde makes him an offer he can't refuse. Of all the men in the bar, Ainsley Russell has to go and proposition the one man who will cause her nothing but trouble. The Mathis family has been persistent in their bid to buy her property. Inheriting her uncle's ranch has given her the first home she's ever known ... along with a mountain of debt that threatens to take it all away. After learning Clay's identity, Ainsley can't run fast enough. Or far enough ... since the gorgeous cowboy shows up on her doorstep the next morning, looking to pick up where they left off the night before...

Why "free" comes at a price: the costs of free internet services in terms of privacy, cybersecurity, and the growing market power of technology giants. The upside of the internet is free Wi-Fi at Starbucks, Facetime over long distances, and nearly unlimited data for downloading or streaming. The downside is that our data goes to companies that use it to make money, our financial information is exposed to hackers, and the market power of technology companies continues to increase. In The Flip Side of Free, Michael Kende shows that free internet comes at a price. We're beginning to realize this. Our all-purpose techno-caveat is "I love my smart speaker...but"--is it really tracking everything I do? listening to everything I say?

"A gripping and unsettling new novel by the award-winning author of The Loney that asks how much we owe to tradition, and how far we will go to preserve it"--

This reader demands that we understand diversity and multiculturalism by identifying the ways in which curriculum has been written and taught, and by redefining the field with an equitable lens, freeing it from the dominant cultural curriculum. The book problematizes the issue of whiteness, for instance, as not being the opposite of blackness or «person-of-colorness», but rather a meta-description for our dominant culture. Issues are also addressed that are usually left out of the discussion about diversity and multiculturalism: this reader includes essays on physical diversity, geographic diversity, and difference in sexualities. This is the quintessential collection of work by critical scholars committed to redefining the conversation on multiculturalism and diversity.

A 2015 Michael L. Printz Honor Book Winner of the 2014 Boston Globe-Horn Book Award for Fiction "Raunchy, bizarre, smart and compelling." --Rolling Stone "Grasshopper Jungle is simultaneously creepy and hilarious. Reminds me of Kurt Vonnegut's in "Slaughterhouse Five," in the best sense." --New York Times Book Review In the small town of Ealing, Iowa, Austin and his best friend, Robby, have accidentally unleashed an unstoppable army. An army of horny, hungry, six-foot-tall praying mantises that only want to do two things. This is the truth. This is history. It's the end of the world. And nobody knows anything about it. You know what I mean. Funny, intense, complex, and brave, Grasshopper Jungle brilliantly weaves together everything from testicle-dissolving genetically modified corn to the struggles of recession-era, small-town America in this groundbreaking coming-of-age stunner.

Is Nick Allen a troublemaker? He really just likes to liven things up at school -- and he's always had plenty of great ideas. When Nick learns some interesting information about how words are created, suddenly he's got the inspiration for his best plan ever...the frindle. Who says a pen has to be called a pen? Why not call it a frindle? Things begin innocently enough as Nick gets his friends to use the new word. Then other people in town start saying frindle. Soon the school is in an uproar, and Nick has become a local hero. His teacher wants Nick to put an end to all this nonsense, but the funny thing is frindle doesn't belong to Nick anymore. The new word is spreading across the country, and there's nothing Nick can do to stop it.

Clyde has worked for Mr. Wilkshire for a very long time. Life is comfortable in his keeper's chateau—until Mr. Wilkshire is attacked. Clyde goes into hiding and emerges to find his only friend dead. Brokenhearted and clueless how to bring Mr. Wilkshire's killer to justice, Clyde accepts the help of a unique group of friends, including Flam the Mouflon treasure hunter and Nevele the royal stitcher. Throughout their adventure, Clyde learns he isn't alone in this world with his magical ability: there are others like him called fabrick weavers, and for all it is both a special gift and

a curse. His gift is to ease the conscience of anyone who makes a confession to him, but the curse is that the person's luck will be reduced in proportion to the severity of the offense. Having left his pampered life behind to set things right, Clyde joins his new friends traveling into the razed city of Geysers, into the labyrinthine world beneath, and to the palace beyond. Along the way, the group deals with an unrelenting maniac pursuer, a corrupt king, a band of pirates, a small army of guardsmen, and just a few million dog-sized bugs—all while hopefully managing to avoid jinxing their own members. Yeah, no problem.

Presents library programs for all seasons that are made to appeal to teenagers and includes complete instructions, cost information, promotional ideas, and fiction and nonfiction titles to supplement the programs.

September Dove, a must read epic, begins in 1949 on the Texas\Mexican border. Adhering to the times, and with a 'fifties' spin on morality and work ethics, September Dove is heartwarming, sad, and humorous. Written in a narrative style that is refreshing, painfully honest, and almost primal. Gripping human experiences and bare-naked emotions are artfully exposed. An endearing storytelling triumph, that includes seldom revealed, but accurate, history lessons, from the 'wetback' camps of the era, to the authentic practices of a Central Texas working ranch. Seen through the eyes of a young, eccentric girl, Farley Marie Sebastian, this story, has it all, unforgettable characters, a strong, thought-provoking plot, adventure, action and 'soul-deep' love. You will bond with these people, and you will laugh and cry. Farley, a dusky beauty, is saddled with, yet strengthened by, her strict, 'fundamental', religious background. Plagued by many suitors, and due to a tragedy, she comes to consider her beauty a sinful curse, rather than a genetic blessing. The author clearly has an amazing grasp of humanity and remarkable descriptive abilities. The dreadful camp conditions, and the brutal ranch practices are poignantly vivid. Humor, action and interesting people and settings offer genderless appeal. Under the interpretive gaze, Chappell's stories reveal a dazzling range, and all of his work shows a concern with the relationship between the spiritual and material in people's lives, the moral development of the human race, and the flawed, enigmatic, and yet enlightening interaction between men and women."--Jacket.

Robert, a British fifteen-year-old, is confused when he plays the part of Rosalind while studying Shakespeare in school and discovers parts of his personality that he did not know existed. A family can't escape their secrets when they're forced to spend a week in quarantine in this "sharply funny" (People) novel--an Indie Next and #1 Library Reads Pick! It's Christmas, and for the first time in years the entire Birch family will be under one roof. Even Emma and Andrew's elder daughter--who is usually off saving the world--will be joining them at Weyfield Hall. But Olivia, a doctor, is only coming home because she has to. She's just returned from treating an epidemic abroad and has been told she must stay in quarantine for a week...and so too should her family. For the next seven days, the Birches are locked down, cut off from the rest of humanity, and forced into each other's orbits. Younger, unabashedly frivolous daughter Phoebe is fixated on her upcoming wedding, while Olivia deals with the culture shock of first-world problems. As Andrew sequesters himself in his study writing scathing restaurant reviews and remembering his glory days as a war correspondent, Emma hides a secret that will turn the whole family upside down. In close proximity, not much can stay hidden for long, and as revelations and long-held tensions come to light, nothing is more shocking than the unexpected guest who's about to arrive....

A poignant and moving account of a family's loss.
