A story to break your heart – if you read only one book this year, make it *The Fortunate Ones*. Germany, 1941. When Inge – all blonde curls and good manners – first locks eyes with Felix, she knows instinctively that he's off limits. Inge never knew that her father's 'party loyalty' would extend to marrying her off to a cruel Nazi officer twice her age, who sees his new wife as just another thing to control.
