[Lessons from Madame Chic](#) Jennifer L. Scott,2012-11-06 Inspired by Paris, this lighthearted and deceptively wise contemporary memoir serves as a guidebook for women on the path to adulthood, sophistication, and style, perfect for any woman looking to lead a more fulfilling, passionate, and artful life. Paris may be the City of Light, but for many it is also the City of Transformation. When Jennifer Scott arrived in Paris as an exchange student from California, she had little idea she would become an avid fan of French fashion, lifestyle, and sophistication. Used to a casual life back home, in Paris she was hosted by a woman she calls "Madame Chic," mistress of a grand apartment in the Sixteenth Arrondissement. Madame Chic mentors Jennifer in the art of living, with elegance and an impeccably French less-is-more philosophy. Three-course meals prepared by the well-dressed Madame Chic (her neat clothes covered by an apron, of course) lure Jennifer from her usual habit of frequent snacks, junk food, sweatpants, and TV. Additional time spent with "Madame Bohemienne," a charming

single mother who passionately embraces Parisian joie de vivre, introduces readers to another facet of behind-closed-doors Parisian life. While Francophiles will appreciate this memoir of a young woman's adventure abroad, others who may not know much about France will thrill to the surprisingly do-able (yet chic!) hair and makeup lessons, plus tips on how to create a capsule wardrobe with just ten useful core pieces. Each chapter of *Lessons from Madame Chic* reveals the valuable secrets Jennifer learned while under Madame Chic's tutelage—tips you can master no matter where you live or the size of your budget. Embracing the classically French aesthetic of quality over quantity, aspiring Parisiennes will learn the art of eating (deprive yourself not; snacking is not chic), fashion (buy the best you can afford), grooming (le no-makeup look), among other tips. From entertaining to decor, you will gain insights on how to cultivate old-fashioned sophistication while living an active, modern life. *Lessons from Madame Chic* is the essential handbook for a woman that wants to look good, live well, and enjoy that Parisian *je ne sais quoi* in her own *arrondissement*.

Local, Slow and Sustainable Fashion Ingun Grimstad Klepp, Tone Skårdal Tobiasson, 2022-02-01 This book explores the importance of the agriculturally-based fiber and textile industry, and how local, small-scale operations and markets, coupled with a connection to soil health, can lead the way to new transformative changes. It draws on a four-year research project on Norwegian wool, as well as similar studies in Poland and Portugal. It also explores the role of women and the Indigenous perspective: in Europe this will constitute Sami and Inuit, in Northern America the Inuit and First Nations in Canada, along with Native Americans. Born out of academic interest in the slow food movement, the importance of local raw materials has been put under the spotlight in recent years. Meanwhile, the havoc wreaked by the fast fashion industry has been drawing attention to the need for a new, sustainable approach to clothing and textile manufacture. This edited collection is unique in its scope, taking the conversation beyond traditional debates around fast fashion and agriculture, and examining how textile industry is rooted in the land, and within society and community. Featuring a diverse range of authors, the book will be valuable reading for academics interested in sustainable management, the study of consumption, the study of Indigenous perspectives, and the study of agricultural practices.
