A thrilling new novel from #1 New York Times bestselling author Lisa See explores the lives of a Chinese mother and her daughter who has been adopted by an American couple. Li-yan and her family align their lives around the seasons and the farming of tea. There is ritual and routine, and it has been ever thus for generations. Then one day a jeep appears at the village gate—the first automobile any of them have seen—and a stranger arrives. In this remote Yunnan village, the stranger finds the rare tea he has been seeking and a reticent Akha people. In her biggest seller, *Snow Flower and the Secret Fan*, See introduced the Yao people to her readers. Here she shares the customs of another Chinese ethnic minority, the Akha, whose world will soon change. Li-yan, one of the few educated girls on her mountain, translates for the stranger and is among the first to reject the rules that have shaped her existence. When she has a baby outside of wedlock, rather than stand by tradition, she wraps her daughter in a blanket, with a tea cake hidden in her swaddling, and abandons her in the nearest city. After mother and daughter have gone their separate ways, Li-yan slowly emerges from the security and insularity of her village to encounter modern life while Haley grows up a privileged and well-loved California girl. Despite Haley's happy home life, she wonders about her origins; and Li-yan longs for her lost daughter. They both search for and find answers in the tea that has shaped their family's destiny for

That is until the new surgical resident Dr. Daniel Gibson arrives. Dr. Gibson has no idea that Horace's bright and quiet young ward is a surgeon more qualified and ingenuitive than even himself. In order to protect Dr. Croft and his practice from scandal and collapse Nora must learn to play a new and uncomfortable role--that of a proper young lady. But pretense has its limits. Nora cannot turn away and ignore the suffering of patients even if it means giving Gibson the power to ruin everything she's worked for. And when she makes a discovery that could change the field forever, Nora faces an impossible choice. Remain invisible and let the men around her take credit for her

over 30 years experience in business management, Talent Acquisition and Executive Recruitment, Doug Dittmer's career has depended on his ability to coach clients and employees in problem resolution.

Eighteen years into his marriage, Doug faced his own crisis and announced that he was gay. In 1981 Doug put his skills to work to fight discrimination against lesbian, gay and bisexual people. Doug began as a Legislative Lobbyist for the Michigan Organization for Human Rights (MOHR), the State's premier gay rights organization. Within a short time he was elected as the group's Education Officer, charged with the responsibility of educating the general public about lesbian and gay issues. Doug went on to be elected President of the organization. Under his leadership, a task force of volunteer litigation attorneys was recruited to overturn Michigan's sodomy statutes. Two years later, in *MOHR v. Kelly*, MOHR achieved that objective when the Wayne County Circuit Court ruled the statute as unconstitutional. In November 1985, the Detroit City Council recognized his achievements and leadership in the area of human rights by awarding him the Spirit of Detroit Award. Over the years since, Doug has reached out to other gay men coming to terms with their sexuality in mid-life, acting as peer counselor and coach.

She knows that many women in Mexico don't get the chances she's had and the proof is in a log she tracks of women who have gone missing. But the one thing she doesn't know how to handle is gringo Kurt Rucker, the manager of a luxury hotel in Acapulco. A former US Marine, he has the confidence and leadership qualities she admires. A triathlete, he's calm under pressure and knows what he wants. But does Emilia? THE TWO FACES OF ACAPULCO There's the Acapulco that tourists know; the sweep of the most beautiful bay in the world, the majesty of the clear blue Pacific, candlelit nights on the beach, and luxury hi-rises. There's also the Acapulco that is a prize to be fought over by drug cartels--the city that is home to hookers and thieves, the streets where life is cheap and poverty is as pervasive as the wind off the ocean. Both of these versions of Acapulco

Carmen Amato has taken the classic mystery and given it a contemporary Mexican twist. The result is an adrenaline-charged novel with the emotional vibe of those who live on the edge. See why amazon reviewers say “Can't wait to read the next of Amato's novels!” Grab a margarita and come on down to Acapulco . . . If you can take the heat.
