Bizarre military history: In 1979, a crack commando unit was established by the most gifted minds within the U.S. Army. Defying all known laws of physics and accepted military practice, they believed that a soldier could adopt the cloak of invisibility, pass cleanly through walls, and—perhaps most chillingly—kill goats just by staring at them. They were the First Earth Battalion, entrusted with defending America from all known adversaries. And they really weren't joking. What's more, they're back—and they're fighting the War on Terror. An uproarious exploration of American military paranoia: With investigations ranging from the mysterious "Goat Lab," to Uri Geller's covert psychic work with the CIA, to the increasingly bizarre role played by a succession of U.S. presidents, this might just be the funniest, most unsettling book you will ever read—if only because it is all true and is still happening today.

The classic true story of one child's experiences during the holocaust. Nine-year-old Piri describes the bewilderment of being a Jewish child during the 1939-1944 German occupation of her hometown (then in Hungary and now in the Ukraine) and relates the ordeal of trying to survive in the ghetto. Upon the Head of the Goat is the winner of the 1982 Boston Globe - Horn Book Award for Nonfiction and a 1982 Newbery Honor Book. "This is a book that should be read by all those interested in the Holocaust and what it did to young and old." —Isaac Bashevis Singer

The poems in James Najarian's debut collection are by turns tragic and mischievous, always with an exuberant attention to form. Najarian turns his caprine eye to the landscapes and history of Berks County, Pennsylvania, and to the middle east of his extended Armenian family. These poems examine our bonds to the earth, to animals, to art and to desire. "In blank verse, free verse, stanzas and syllabics rhymed with delicate quirkiness, the poems of The Goat Songs are sure-footed and nimble."—A.E. Stallings, author of Olives and judge

Whatever happened to Dan Gelber - the divorced screenwriter who journeyed to Nepal in his seventies only to plunge to his death off of Mt. Everest? And just who is Jay Reynolds - the mysterious twenty-year-old tennis prodigy who appears out of nowhere to battle Rafael Nadal at the French Open and Roger Federer at Wimbledon and become the new hope of American tennis, possibly "the greatest of all time." Award-winning mystery writer (Moses Wine series) and Academy Award-nominated screenwriter ("Enemies, A Love Story," "The Big Fix", "Bustin' Loose"), Roger L. Simon answers these questions and more in THE GOAT, his first standalone novel in years. If you love sports, if you love life, if you'd like a second life, this book - funny, touching and sometimes scary, already talked about as the greatest novel about tennis ever written - is a page-turning, can't-put-down must. Called the greatest mystery writer of his generation by Ross Macdonald (Lew Archer) and Nicholas Meyer ("The Seven Percent Solution") Roger L. Simon has won or been nominated for multiple awards for his fiction by the Crime Writers of Great Britain and the Mystery Writers of America. As a screenwriter, he has received an Oscar nomination for his adaptation of Nobel Prize-winning author Isaac Bashevis Singer's "Enemies, A Love Story" and written for such stars as Richard Pryor, Richard Dreyfuss and Angelica Huston. Also a journalist and columnist, Simon has written for The Wall Street Journal, The New York Times, The Washington Post, and Real Clear Politics, among many others. He appears frequently as a commentator on talk radio and cable TV. What others have said about Roger L. New York Times Book Review "Simon's new novel about Moses Wine tops his prize-winning The Big Fix and The Straight Man." Publisher's Weekly "Roger Simon writes with humor and real energy. Nobody around is better at caricature." San Jose Mercury News "... he can be genuinely funny and, at times, even sensitive and touching." Haunted all her life by feelings of terror and emptiness, forty-nine-year-old Urania Cabral returns to her native Dominican Republic - and finds herself reliving the events of 1961, when the capital was still called Trujillo City and one old man terrorized a nation of three million. Rafael Trujillo, the depraved ailing dictator whom Dominicans call the Goat, controls his inner circle with a combination of violence and blackmail. In Trujillo's gaudy palace, treachery and cowardice have become a way of life. But Trujillo's grasp is slipping. There is a conspiracy against him, and a Machiavellian revolution already underway that will have bloody consequences of its own. In this 'masterpiece of Latin American and world literature, and one of the finest political novels ever written' (Bookforum), Mario Vargas Llosa recounts the end of a regime and the birth of a terrible democracy, giving voice to the historical Trujillo and the victims, both innocent and complicit, drawn into his deadly orbit.

"Albee's perversely funny sendup of a standard mid-life crisis drama ... dares to suggest that even the most flawed and confused human beings deserve compassionate understanding, and the failure to proffer it is a species of bestiality far more abhorrent than the sexual kind." *Variety* On his 50th birthday, Martin, a world-famous architect prepares for a recorded interview by an old friend in the TV business; but in the course of the conversation a secret emerges that threatens to turn celebration to tragedy. Edward Albee's black comedy offers a fascinating look at the limits liberal society can be pushed to, and asks the audience to question their beliefs, to examine their own bigoted views and reconsider their judgement of matters that may or may not be considered socially taboo. Winner of the 2002 Tony Award for Best Play, *The Goat, or Who is Sylvia?* is a hugely enjoyable parable that plumbs the deepest questions of social constraints on the individual expression of love. The dazzling success of *The Toaster Project*, including TV appearances and an international book tour, leaves Thomas Thwaites in a slump. His friends increasingly behave like adults, while Thwaites still lives at home, "stuck in a big, dark hole." Luckily, a research grant offers the perfect out: a chance to take a holiday from the complications of being human—by transforming himself into a goat. What ensues is a hilarious and surreal journey through engineering, design, and psychology, as Thwaites interviews neuroscientists, animal behaviorists, prosthetists, goat sanctuary workers, and goatherds. From this, he builds a goat exoskeleton—artificial legs, helmet, chest protector, raincoat from his mum, and a prosthetic goat stomach to digest grass (with help from a pressure cooker and campfire)—before setting off across the Alps on four legs with a herd of his fellow creatures. Will he make it? Do Thwaites and his readers discover what it truly means to be human? *GoatMan* tells all in Thwaites's inimitable style, which NPR extols as "a laugh-out-loud-funny but thoughtful guide through his own adventures."
