This long-awaited follow-up to Newbery Honor winner *Princess Academy* hit the New York Times bestseller list in the first week of US publication. A rich and compelling fantasy about one girl's journey to discover where her home and heart truly belong in a divided world is reminiscent of the best writing by authors like Eva Ibbotson and Cornelia Funke. With a chance to study at the university and live at the Queen's Castle, Miri leaves village life and is thrust into the bustling chaos of the city. Her best friend, Britta, has been chosen by the Prince of Asland to be his bride, and the royal wedding is fast approaching. But helping Britta prepare for her future is not an easy task. When Miri discovers a secret plot against the royal court - which is motivated by good - she feels torn. Will she choose loyalty to the princess, or reform for the people? As Miri struggles to resolve this dilemma in her own mind, her heart is suffering: an old love comforts her; a new crush consumes her; she yearns for her homeland. Can Miri find her way in this new place, or will she be considered a traitor? The fate of the kingdom is at stake.

On her way to marry a distant prince, a young princess is forced to trade places with her evil serving maid and becomes a goose girl instead of a bride when she reaches her destination.

Something smells like trouble! Can five princess heroes and one Goat Avenger pool their talents to vanquish a monstrous stink? The Princess in Black is in a very stinky situation. A foul cloud is plaguing the goat pasture, and it smells worse than a pile of dirty diapers or a trash can on a hot summer day. But every time the Princess in Black and her friend the Goat Avenger manage to get rid of the odor, they accidentally blow it to another kingdom! Other masked heroes and their trusty companions show up to help, but how do you battle a stench when your ninja moves fail? Fans with a nose for slapstick will be tickled to see the six stalwart friends join their wits to take on an impossibly beastly stink.

Now back in print, a beautifully illustrated collection of twelve reimagined fairy tales, including classics like "Beauty and the Beast" and literary tales like Oscar Wilde's "The Happy Prince." Alice and Martin Provensen were one of the most talented husband-and-wife author-illustrator teams of the twentieth century. A long-out-of-print cult classic first published 50 years ago, *The Provensen Book of Fairy Tales* is a treasury of their illustrations accompanied by fairy tales from authors such as A. A. Milne, Hans Christian Andersen, and Oscar Wilde. Here too are clever retellings and newly

imagined tales: refined old favorites like Arthur Rackham's "Beauty and the Beast," feminist revisions like Elinor Mordaunt's "The Prince and the Goose Girl," and sensitive stories by literary stylists like Henry Beston's "The Lost Half-Hour" and Katharine Pyle's "The Dreamer." Full of magic, ingenuity, and humor, *The Provensen Book of Fairy Tales* is a witty modern descendant of Grimm's *Fairy Tales* and a classic in its own right, sure to be beloved by a new generation. Her name is Alexandria Aurora Fortunato, and she is as lovely as the dawn. But that is only one of her problems. There's also the matter of those three magical gifts of treasure bestowed on her by a mysterious old woman. And King Claudio the Cruel wants to marry her for her beauty and her wealth, and so does his rival, Prince Edmund of Dorloo. Those are two more problems. And, worst of all, she is locked in a tower, with a grille of iron bars and several hundred tons of stone between her and freedom. Some days Alexandria wishes she looked like a pickled onion. Clearly the only thing to do is escape—and, with the aid of her twelve darling goose companions, that's precisely what Alexandria does. So begins the adventure of Patrice Kindl's beguiling heroine. Her flight will take her to strange lands and lead her into perilous situations, all of which the plucky Alexandria views with a wry and witty spirit. Here is a sprightly tale of magic and romance, in which those geese play a most surprising role.

Part history, part memoir, *The Goose Girl, the Rabbi, and the New York Teachers: A Family Memoir* recounts a narrative of lives lived in dramatically changing times. In the background loom author Deborah Heller's distant forebears: a maternal great-great-grandmother, the first Jewish woman in her nineteenth-century German village to refuse to shave her head and wear a wig (sheitel) after marriage, who earned her passage to America by driving geese to market; and a seventeenth-century Talmudic scholar, successively chief rabbi of Vienna, Prague, and Cracow, who wrote an important commentary on the Mishnah and was arrested and imprisoned by the imperial authorities. Echoes of the rebellious *Goose Girl* and the scholarly rabbi reverberate in the lives of Heller's parents, born at the beginning of the twentieth century—her mother in Brooklyn, her father in a Russian shtetl. Emerging from very different worlds, they came together as New York schoolteachers, sharing the radical hopes and fears of a generation marked by strong political passions. Drawing on written and oral history, legal records, and her own memories, Heller follows her parents from their early years through the McCarthy years and beyond. Focusing both on individuals and on the worlds in which they lived, *The Goose Girl, the Rabbi, and the New York Teachers* illuminates significant moments in Jewish and American history.

Excerpt from *The Goose Girl* The afternoon glow of the September sun burned along the dusty white highway. From where he stood the road trailed off miles behind and wound up five hundred feet or more above him to the ancient city of Dreiberg. It was not a steep road, but a long and weary one, a steady, enervating, unbroken climb. To the left the mighty cliff reared its granite side to the hanging city, broke in a wide plain, and then went on up several thousand feet to the ledges of dragon green ice and snow. To the right sparkled and ?ashed a wild mountain stream on its way to the broad, fertile valley, which, mistily green and brown and yellow with vineyards and hops and corn, spread out and on to the north, stopping abruptly at the base of the more formidable chain of mountains.
