Ellen Gould White was a prolific author and an American Christian pioneer. She, along with other Sabbatarian Adventist leaders, formed what is now known as the Seventh-day Adventist Church. White was considered a somewhat controversial figure. Her reports of visionary experiences and use of other sources in her writings comprise much of the controversy. Her writings covered creationism, agriculture, theology, evangelism, Christian lifestyle, education and health. During her lifetime she wrote more than 5,000 periodical articles and 40 books. Some of her most famous books include *The Desire of Ages*, *The Great Controversy* and *Steps to Christ*. This work, originally published in 1888, on the great controversy between Jesus and Satan.

No Compromise
O'er the land of the free . . . and the home of the brave!
Brave indeed. Fleeing persecution in their homelands, they crossed the seas to a New World in search of freedom . . . freedom of conscience . . . freedom to worship as they chose. Puritans, Pilgrims, and men like Roger Williams created a safe haven for liberty. They built One Nation, under God
a nation founded on Bible principles. But to these sturdy pioneers, freedom of worship also included the freedom not to worship at all, if one so chose. Real freedom would mean that those who worshiped God, and those who didn't would live together in respectful tolerance and peace. Today, this dream of

freedom is under siege. Why? Because many worship no god at all, and they increasingly oppose those who do. These unbelievers would strip away the religious freedoms that our founders sacrificed to create. They seem bent on creating a nation based on their own secular atheism, by force if necessary. They mock the very idea that we are a nation under God. Those who choose to worship God are also responsible. They have taken tolerance to tragic extremes of compromise. Instead of standing up for God and the Bible, we give too much away in our eagerness not to offend anyone. And slowly, we are becoming One Nation, under Total Confusion. It's time to stand firm again to stop compromising away our hard-won freedoms. This book will help all of us remember our nation's original dream and inspire us to recapture it.

The Story Of Jesus is Ellen Gould White's adaptation of her own work Christ Our Saviour for a children's audience. This beautiful narrative of Jesus' life on earth was prepared by the author's son while he was working with mostly illiterate slaves in the South of the United States. It is wonderful to read and tell, even for persons with a limited vocabulary. Some of the chapters are: Chapter 1 - The Birth of Jesus Chapter 2 - Jesus Presented in the Temple Chapter 3 - The Visit of the Wise Men Chapter 4 - The Flight Into Egypt Chapter 5 - Child Life of Jesus Chapter 6 - Days of Conflict Chapter 7 - The Baptism Chapter 8 - The Temptation Chapter 9 - Early Ministry Chapter 10 - Teachings of Christ Chapter 11 - Sabbathkeeping Chapter 12 - The Good Shepherd Chapter 13 - Riding Into Jerusalem Chapter 14 - "Take These Things Hence" Chapter

Beginning with the destruction of Jerusalem and continuing through the persecutions of Christians in the Roman Empire, the apostasy of the Dark Ages, the shining light of the Reformation, and the worldwide religious awakening of the nineteenth century, this volume traces the conflict into the future, to the Second Coming of Jesus and the glories of the earth made new. In this concluding volume, the author powerfully points out the principles involved in the impending conflict and how each person can stand firmly for God and His truth.

In this little volume of 200 pages we have a series of dissertations on spiritual subjects, addressed especially to Christians, including thoughts on the Mountain Sermon, the Beatitudes, the Spirituality of the Law, the True Motive in Service, the Lord's Prayer, and on Not Judging but Doing. It is an earnest and affectionate plea for a higher plane of Christian living, and a more thorough and consistent Christian life and character. The writer's style is clear and simple, hut full of that eloquence and warmth of heart which is sure to reach the heart of the reader and plant there its own convictions. It is one of those books which cannot be read with indifference. It is full of an affectionate persuasiveness which is sure to make itself felt.

Christ and Satan is the title of the last of four poems in the eleventh-century Junius XI manuscript of Anglo-Saxon poetry. This critical edition contains text, glossary, textual and explanatory notes, and an essay surveying former criticisms

and setting forth the author's ideas on the poem's principle of unity. Of particular value to students and scholars of Old English, Christ and Satan makes an important contribution to the understanding of this fine and interesting poem. John Churchill is a baptized Seventh-day Adventist Christian since May 30, 1976. He is one of those who "came up through the ranks" in the church, having a zeal from the lord from his early teens, that would not let him just sit down in church or keep quiet about Jesus. Sharing his faith came naturally - and share he did! He shared in any way possible. He was on choirs, taught Sabbath School class, conducted cottage meeting / worship services in homes wherever permitted; did Bible studies with anyone willing to listen, was involved in the Missionary Volunteer movement (now Adventist Youth), Pathfindering and all it entails, and so on. As he showed his commitment and zeal for the Lord's work he was given more and more responsibilities in the church and was involved in church leadership from his early years as a Christian. John Churchill has been a Church Elder for many years and was ordained as an Elder December 31, 1994. He has had many encounters with teachers of falsehood over the many years of his Ministry. These encounters include a lot of experience with an offshoot group of the Seventh-day Adventist Church called the the Shepherd's Rod. John Churchill is a lay evangelist and the founder of Battle Cry Ministry which pursues the

worldwide aim of its mission through its website:

<http://battlecryministry.netadvent.org/> He decided since about 2003 to write a book that would address the Shepherd's Rod offshoot problem in the church as he saw that the group was seemingly on the increase and causing problems and pulling away members of the church to become members of the group. The book would help to not only educate members but help them to know how to deal with the problem in a very realistic / practical way. The book would also appeal to members of the group to cease their activities and rejoin the church / "coming back on the platform".

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

This writing is the result of the research by two men, Clarence C. Crisler, secretary to Ellen G. White, and Harry Harvey Hall, manager of the Book Department at Pacific Press. Their work was presented to Mrs. White for

approval and translated into Spanish by Pr. Eduardo Forga from Peru. The work of brothers Crisler and Hall that, with Mrs. White's permission, became part of The Great Controversy in Spanish, is titled El Despertar de España (The Awakening of Spain). Unfortunately, the English original of their work has since been lost. Nonetheless, its reading in Spanish left such an impact in me when I first read The Great Controversy, that I am compelled to share it and have translated it into English. As you read in this book the fine and dedicated research authored by brothers Crisler and Hall, it is my prayer, as expressed in tracts from the Reformation, that faith elevates you to God, and love causes you to reach down to humanity, while still abiding always with God.

She is held in high esteem as a prophetess of God to millions of Seventh-day Adventists. According to their books and research, she passes every test of a Biblical prophet. However, not all the information is being shared. This book will reveal 200 amazing and shocking things that Ellen G. White said that the SDA Church doesn't want you to know about. This book was written to expose sincere Bible loving Adventists to a side of Mrs. White that they have never seen before. It is my hope that this book will be the truth that sets them free and causes the powers that be in the SDA church to make the Bible, and only the Bible, their source of all authority.

"The Great Controversy" is the detailed and fascinating history of the conflict between Jesus Christ and Satan by Ellen G. White, one of the founders of the Seventh-Day Adventist Church. White was a prolific author, as well as an important religious leader, and her works have been translated into over one hundred languages and continue to be read the world over. Published in multiple editions and expanded several times over many decades, "The Great Controversy" is one of White's most significant accomplishments and is often included in her "Conflict of the Ages" series, which documents the work of God throughout all of human history. This exhaustively researched treatise examines Christian history beginning with the Destruction of Jerusalem and up to the spread of Christian beliefs all over the world in the late nineteenth and early twentieth-centuries. White shows how the timeless battle between Jesus and Satan has played out in the world of human affairs. Saints and prophets have had an important role in this cosmic war and all of the faithful and devout can work to defeat Satan in the future. White's books continue to hold an important place in Seventh-Day Adventist theology and provide a source of encouragement and guidance to the faithful. This edition is printed on premium acid-free paper.

In recent years, millions of people have joined churches such as the Seventh-day

Adventist which prosper enormously in different parts of the world. The Road to Clarity is one of the first ethnographic in-depth studies of this phenomenon. It is a vivid account based on almost two years of participation in ordinary church members' daily religious and non-religious lives. The book offers a fascinating inquiry into the nature of long-term commitment to Adventism among rural people in Madagascar. Eva Keller argues that the key attraction of the church lies in the excitement of study, argument and intellectual exploration. This is a novel approach which challenges utilitarian and cultural particularist explanations of the success of this kind of Christianity.

Before the entrance of sin, Adam enjoyed open communion with his Maker; but since man separated himself from God by transgression, the human race has been cut off from this high privilege. By the plan of redemption, however, a way has been opened whereby the inhabitants of the earth may still have connection with heaven. God has

communicated with men by His Spirit, and divine light has been imparted to the world by revelations to His chosen servants. “Holy men of God spake as they were moved by the Holy Ghost.” 2 Peter 1:21. During the first twenty-five hundred years of human history, there was no written revelation. Those who had been taught of God, communicated their knowledge to others, and it was handed down from father to son, through successive generations. The preparation of the written word began in the time of Moses. Inspired revelations were then embodied in an inspired book. This work continued during the long period of sixteen hundred years,—from Moses, the historian of creation and the law, to John, the recorder of the most sublime truths of the gospel. The Bible points to God as its author; yet it was written by human hands; and in the varied style of its different books it presents the characteristics of the several writers. The truths revealed are all “given by inspiration of God” (2 Tim. 3:16); yet they are expressed in the words of men. The Infinite One by His Holy Spirit has shed light into the minds and hearts of His servants. He has given dreams and visions, symbols and figures; and those to whom the truth was thus revealed, have themselves embodied the thought in human language. The ten commandments were spoken by God Himself, and were written by His own hand. They are of divine, and not of human composition. But the Bible, with its God-given truths expressed in the language of men, presents a union of the divine and the human. Such a union existed in the nature of Christ, who was the Son of God and the Son of man. Thus it is true of the Bible, as it was of Christ, that “the

Word was made flesh, and dwelt among us.” John 1:14. Written in different ages, by men who differed widely in rank and occupation, and in mental and spiritual endowments, the books of the Bible present a wide contrast in style, as well as a diversity in the nature of the subjects unfolded. Different forms of expression are employed by different writers; often the same truth is more strikingly presented by one than by another. And as several writers present a subject under varied aspects and relations, there may appear, to the superficial, careless, or prejudiced reader, to be discrepancy or contradiction, where the thoughtful, reverent student, with clearer insight, discerns the underlying harmony. As presented through different individuals, the truth is brought out in its varied aspects. One writer is more strongly impressed with one phase of the subject; he grasps those points that harmonize with his experience or with his power of perception and appreciation; another seizes upon a different phase; and each, under the guidance of the Holy Spirit, presents what is most forcibly impressed upon his own mind—a different aspect of the truth in each, but a perfect harmony through all. And the truths thus revealed unite to form a perfect whole, adapted to meet the wants of men in all the circumstances and experiences of life. God has been pleased to communicate His truth to the world by human agencies, and He Himself, by His Holy Spirit, qualified men and enabled them to do this work. He guided the mind in the selection of what to speak and what to write. The treasure was intrusted to earthen vessels, yet it is, none the less, from Heaven. The testimony is conveyed through the

imperfect expression of human language, yet it is the testimony of God; and the obedient, believing child of God beholds in it the glory of a divine power, full of grace and truth.

Though smaller in size than later versions, this edition contains numerous statements not found in the more expanded versions- an example: "The Sabbath was instituted in Eden before the fall, and was observed by Adam and Eve, and all the heavenly host. GOD rested on the seventh day, and blessed and hallowed it; and I saw that the Sabbath would never be done away; but the redeemed saints, and all the angelic host, will observe it in honor of the great Creator to all eternity." p 123, 124 (present volume, emphasis added).

Respected historian of science Ronald Numbers here examines one of the most influential, yet least examined, religious leaders in American history -- Ellen G. White, the enigmatic visionary who founded the Seventh-day Adventist Church. Numbers scrutinizes White's life (1827-1915), from her teenage visions and testimonies to her extensive advice on health reform, which influenced the direction of the church she founded. This third edition features a new preface and two key documents that shed further light on White -- transcripts of the trial of Elder Israel Dammon in 1845 and the proceedings of the secret Bible Conferences in 1919."

A journey to some of the Earth's most endangered people in the remote Upper Amazon...a look at the rituals of the Bwiti cults of Gabon and Zaire...a field watch on the eating habits of 'stoned' apes and chimpanzees - these adventures are all a part of ethnobotanist Terence McKenna's extraordinary quest to discover the fruit of the Tree of Knowledge. He wonders why, as a species, we are so fascinated by altered states of consciousness. Can they reveal something about our origins as human beings and our place in nature? As an odyssey of mind, body and spirit, Food of the Gods is one of the most fascinating and surprising histories of consciousness ever written. And as a daring work of scholarship and exploration, it offers an inspiring vision for individual fulfillment

and a humane basis for our interaction which each other and with the natural world. A Seventh-Day Adventist mother explains to her son the history and development of the Christian church from the first century to today, emphasizing the Protestant Reformation, the history of religion in America, and various Biblical prophecies. It is our privilege to expose the facts in the correct 1884 Great Controversy and in this revised edition of 1911 Great Controversy and 1888 Great Controversy. W. W. Prescott played a large role in writing the 1911 Great Controversy. Prescott and Uriah Smith were extremely versatile and creative individuals in revising the 1888/1911 version. - 3rd Volume of the Prophet Ellen G. White's Biograph, by Arthur White, p. 442. "The enlarged edition, which came to be known as the 1888 edition, carried twenty-six full-page illustrations and at the close devoted thirteen pages to biographical notes. These notes were prepared by several authors, including J. H. Waggoner, Uriah Smith, and M. C. Wilcox. Marian Davis assisted. The final work progressed slowly; even as late March 11, 1889, the signs of the Times was still advertising the older, upgraded 1884 book of five hundred pages. The author's introduction for the new enlarged book was dated Healdsburg, California, May 1888, and the copyright date was given as 1888, but not until September 2, 1889, did the Signs of the Times carry an advertisement for it. It was advertised as the "Revised and Enlarged Edition of The Great Controversy

Between Christ and Satan." {3BIO 442.5} 1. Spirit of Prophecy, Vol. 4, p. 398. "The greatest and most favored nation upon earth is the United States. A gracious Providence has shielded this country, and poured upon her the choicest of Heaven's blessings. Hear the persecuted and oppressed have found refuge. Hear the Christian faith in its purity has been taught. This people have been the recipients of great light and unrivaled mercies. But these gifts have been repaid by ingratitude and forgetfulness of God. The Infinite One keeps a reckoning with the nations, and their guilt is proportioned to the light rejected. A fearful record now stands in the register of Heaven against our land; but the crime which shall fill up the measure of her iniquity is that of making void the law of God." {4SP 398.1} 2. Spirit of Prophecy, Vol. 4, p. 410. "Our land is in jeopardy. The time is drawing on when its legislators shall so abjure the principles of Protestantism as to give countenance to Romish apostasy. The people for whom God has so marvelously wrought, strengthening them to throw off the galling yoke of popery, will by a national act give vigor to the corrupt faith of Rome, and thus arouse the tyranny which only waits for a touch to start again into cruelty and despotism. With rapid steps are we already approaching this period. When Protestant churches shall seek the support of the secular power, thus following the example of that apostate church, for opposing which their ancestors endured the fiercest

persecution, then will there be a national apostasy which will end only in national ruin." {4SP 410.2}

2011 Reprint of 1858 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. In Seventh-day Adventist theology the "Great Controversy" theme refers to the cosmic battle between Jesus Christ and Satan, and also played out on earth. The concept is derived from many visions White claimed to have received, scriptural references, and is delineated in the book "The Great Controversy," first published in 1858, by Ellen G. White, a co-founder of the Seventh-day Adventist Church. The concept is important in Adventist theology because it provides an understanding of the origin of evil, and of the eventual destruction of evil and the restoration of God's original purpose for this world. It constitutes belief number 8 of the church's 28 Fundamentals.

Specifically, the belief holds that all humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe. This conflict originated in heaven when a created being, endowed with freedom of choice, in self-exaltation became Satan, God's adversary. He led into rebellion a portion of the angels. He introduced the spirit of rebellion into this world when he led Adam and Eve into sin. This human sin resulted in the distortion of the image of God in humanity, the disordering of

the created world, and its eventual devastation at the time of the worldwide flood. Observed by the whole creation, this world became the arena of the universal conflict, out of which the God of love will ultimately be vindicated. To assist His people in this controversy, Christ sends the Holy Spirit and the loyal angels to guide, protect, and sustain them in the way of salvation.

The Protestant Reformers loved their church, but they loved God's Word even more. "The Bible and the Bible only as the rule of law and practice" was their motto. Martin Luther, John Calvin, William Tyndale, and others pointed people to the Bible, not the church, as the supreme source of truth. Their convictions broght them into heated controversy with the religioius establishment of their day. But their passion for the truths of Scripture led them to stand firm for their convictions despite intense persecution and even death. Five hundred years later, have we forgotten the principles for which these courageous Christians struggled and sacrificed? In too many churchs, members rest their faith on a preacher or a creed rather than on the Holy Scriptures. Most people today are no more eager to follow an unpopular truth than were the church leaders of the sixteenth century...The experience of the Reformers contains vital lessons for our time. If you've forgotten that history - or perhaps you've never heard it - you need to read this book..." from the back cover.

The Great Controversy is a book by Ellen G. White, one of the founders of the Seventh-day Adventist Church, and held in esteem as a prophetess or messenger of God among Seventh-day Adventist members. In it, White describes the "Great Controversy theme" between Jesus Christ and Satan, as played out over the millennia from its start in heaven, to its final end when the remnant who are faithful to God will be taken to heaven at the Second Advent of Christ, and the world is destroyed and recreated. Regarding the reason for writing the book, the author reported, "In this vision at Lovett's Grove (in 1858), most of the matter of the Great Controversy which I had seen ten years before, was repeated, and I was shown that I must write it out." The theme of the original small book, whose focus was on showing how God had led them up to and through the 1844 movement, and preparing them for the End Times, by describing the events that will occur in the Christian churches and in the world before Jesus returns, was expanded first to a four-volume set of books (1870-1884) (see table below), and then to a separate volume in 1888. The current, 1911 edition is also one of the five-volume Conflict of the Ages set. The 1884, 1888, and 1911 books incorporate historical data from other authors. The author herself valued this book "above silver or gold", and recommended it to be circulated to all.
