

The Great Santa Race Book 13 Frankies Magic Football

The Greatest Gambling Story Ever Told is an inspiring personal narrative about a filly named Winning Colors who broke through the male-dominated world of horseracing, and a trio of gamblers who embark on an unforgettable adventure as epic as the horse's historic victory. It's Seabiscuit meets Narcos, and the best true-life gambling story ever told

E-Book Exclusive Includes a Yummy Recipe! "Fun characters, a quaint setting." —RT Book Reviews Ho-Ho-Ho-Homicide This Christmas, event planner Jenn Christensen has come back to the winter wonderland of Mackinac Island, Michigan, to race for charity in the Santa Fun Run, rekindle her love for CSI tech Shane Carpenter, and indulge in her BFF Allie McMurphy's fabulous fudge. But there's one event she didn't plan—chasing down a killer. After finding a deceased Santa in a snowbank, she's shocked to discover the police suspect her of murder. It's up to Jenn, Allie, and a helpful golden retriever named Marley to catch the killer and find out who's at the top of the naughty list. Praise for All Fudged Up "A sweet treat with memorable characters, a charming locale, and satisfying mystery." —Barbara Allan "As enticing and tasty as a pan of fudge!" --Cozy Mystery Book Reviews "Fun and lively." —JoAnna Carl

A delightfully devious Christmas story from beloved librarian Betsy Bird and Caldecott Medalist Dan Santat.

Untitled Frankie's Magic Football 13

Phew... being Santa is tough work! One Christmas Eve, after finishing his toy delivering Santa decides that it's time for him to take a much needed, year long break. Unbeknownst to him however, Jimmy (a normally VERY good boy) finds out about this trip... and the fact that Santa won't be around to see how he acts! Will Jimmy spend the year on his best behavior like normal - or will he be terrible just because he can? Written by Alex Stephenson, a therapist and father of two - The Year Santa Went on Vacation is a Christmas story with a message that can be enjoyed all year long. The light-hearted poem will entertain you and your little ones as you see how Jimmy and Santa choose to spend their year VERY differently than normal - while also helping to teach that there is more than one reason to be a nice person.

Frankie and his team love playing football. There's always time for a game - especially in space! When Frankie and his friends climb into a broken Galaxy Quest ride, the shuttle sends them flying beyond the stars! Can Frankie and his team win a game against aliens, and save their new friends from a meteor? Frankie needs to win like never before!

Once upon a time there was a Princess who made a pit stop. While the Birds and Beasts changed her tires, her Fairy Godmother told her she was in last place! With just one lap left! She might as well give up! Give up? Not THIS princess! Instead, she hit the gas! Join Her Royal Highness in the driver's seat for a mad dash to the finish in this exciting ode to auto racing. With appearances by fairy tale favorites including the Tortoise and the Hare, the Frog Prince, and ALL of the Wicked Witches, this rollicking mash-up of race cars and royalty is a true celebration of both girl power and horsepower.

A funny picture book about what Santa does when it's not Christmas. With enough look-and-search-games for an entire year of reading. For little helpers ages 5 years and up. Santa . . . You know his beard, his sleigh, his reindeer, and his presents. Because you see those every December. But do you know what he's up to the rest of the year?

Frankie and his team love playing football. There's always time for a game, even when it's Christmas! It looks like it's not going to be a white Christmas for Frankie and his friends. But then the magic football accidentally awakens an evil penguin, who wants to create a snowy winter that will never end! Can Frankie and the team stop him before it's too late for a very special Santa to enter the Great

Santa Race?

"December 1: White envelopes float / from my overfilled mailbox? / December's first storm." You know that Santa can fly a sleigh, squeeze down chimneys, and circle the globe in a night. But did you know that another of his talents is writing haiku? These twenty-five short poems?composed by Santa himself?give you a peek into life at the North Pole as the December days tick down to Christmas. See the hustle and bustle of the elves' workshop, feel the serenity of moonlight on fresh snow, and find out how Santa and Mrs. Claus keep busy as Santa's big night draws near.

Kit contains 2 books and a CD.

Could Henry Ford have taken his idea for an automobile assembly line from the elves at the North Pole? Maybe so. Set just before Christmas in 1908, this charming tale finds Henry Ford puzzling over a way to make his Model T affordable for the average family. His little son Edsel suggests that Daddy write to Santa for advice. Since Santa makes toys for millions of children, Edsel points out, he must know a better way. Henry writes the letter just to please his son, but Santa actually answers by taking Henry to visit his North Pole workshop. When he sees the elves working in a line, each completing just one specific task on every toy that's made, Henry Ford envisions an automobile assembly line. The story not only illustrates that children can teach adults how to dream, but it also provides an author's note with factual information about Henry Ford and the Model T.

Take a magical snowy adventure through bright candy canes and off frosty jumps. When a jolly boy and a lovable reindeer enter the holiday race, it's sure to be a wild ride full of fun obstacles and enchanting twists and turns. Set in the childhood of our beloved Christmas character--the one and only Santa Claus!--it's a universal story of the spirit of Christmas and what happens when you believe. The adventures of when Santa was little are just beginning. Climb onto your sleigh and join in!

The Life and Adventures of Santa Claus is a 1902 children's book, written by L. Frank Baum and illustrated by Mary Cowles Clark

NEW YORK TIMES BESTSELLER • LONGLISTED FOR THE NATIONAL BOOK AWARD • One of today's most insightful and influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. LONGLISTED FOR THE ANDREW CARNEGIE MEDAL • “This is the book I’ve been waiting for.”—Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* Heather McGhee’s specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and inequality increased; and of how this country, unique among the world’s advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can’t do on our own. *The Sum of Us* is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game.

The Santa Claus Girlby Patricia P Goodin © 2020A novel inspired by true events.SynopsisIn

December 1952, the year that saw the height of the polio epidemic in the U.S., a rookie reporter in New York City is assigned to write a story for his paper's upcoming holiday section. His editor tells him to interview "the Santa Claus Girl" at New York General Hospital, where classes are held for chronically ill and crippled children unable to attend traditional schools. Though unenthusiastic about the story line, the cocky young reporter begrudgingly heads to the hospital as assigned. After an illuminating interview, the junior reporter stumbles upon the story of a hometown cab driver leading a campaign to purchase an iron lung to help save the life of a young hospitalized polio patient. Unaware of the story's front-page potential, the reporter unwittingly amplifies the plans of the humble do-gooder to rally the community to help save the little girl. But even if the money could somehow be raised, the reporter learns the cabbie must overcome a race against time, public fear of the disease, and demons from his past, to transport the life-saving machine to New York City. When a snowstorm threatens to close the airports, the cabbie's colleagues must mobilize a network of resources to rescue the mission before it's too late. Armed with a new angle on his holiday story, the once cynical reporter discovers the power of the press is matched by the larger power of the people who unite for the greater good.

Santa Claus was once a kid too, and like many other children, he didn't always listen to his parents. One December, he discovers that it may have been wrong not to, as he winds up sick with the flu right before Christmas! The doctor tells Santa to stay in bed, but how will he make his Christmas deliveries? Reindeer Comet, Dibbles, and Nibbles come to the rescue to help Santa deliver all of his presents to the good little boys and girls as Santa learns his lesson about taking his parents' advice. Join Santa as he asks his friends for help delivering presents and learn about the importance of listening to your parents, all while learning a new language! A story of resilience, determination, and reassurance...A lockdown at the North Pole has made Santa so nervous! How would he get all the presents ready on time for Christmas - for all the good girls and boys? Don't worry, little ones! Santa and his team of elves are figuring it all out, just like everyone in the world is doing. They are solving all the problems coming their way! Work from home Online supplies Masks Flying sleigh with restrictions And guess what? Santa has sent this special message to you - he will have the gifts packed and ready, just on time for Christmas eve! So, be ready! This book is absolute fun with twists and turns on every page!

Runner's World magazine aims to help runners achieve their personal health, fitness, and performance goals, and to inspire them with vivid, memorable storytelling.

A book of magic tricks for a younger audience.

Just as Jesus shows us the character of God, diving deeper into the events surrounding his birth gives us a better understanding of that character. Christmas is so much more than the holiday we've turned it into. It's the birth of a promise-God's promise to redeem humankind to himself. Sending Jesus was always God's plan, and there is something for us to learn in every detail surrounding his birth. Christmas Speaks is a simple yet perceptive devotional that's broken down into easily understood segments that weave together scripture and insight, giving the reader a deeper understanding of the vast love God has for us and how we should respond to that love. Each chapter examines a different aspect of the Christmas narrative. As we come to better know the people central to this story, we can begin to apply aspects of their character to our own lives for a more meaningful relationship with God. By coming to a deeper understanding of scripture, we can see how God speaks to the world-if we have ears to listen. Reflect on the words within these pages, and receive what the Holy Spirit has for you.

This book is more than an overview of race. While it includes haplographic studies and ancestry tracing, there is still a lot that is unknown about who we are as a HUMAN race. The story begins with the first people who lived with dinosaurs and the massive mutations occurring 5 thousand and 10 thousand years ago. Why these happened are important when tracing our

ancestry. This study does not cover the near term expansion and massive mixing of races. What it does is look for beginnings and endings. Both suggest mutation, separation, migration, and adaptation in a world that is just a changing as race.

Elf coloring book full of holiday fun and Christmas cheer. These Holiday elves are preparing for Christmas and the holidays by decorating the tree, preparing Santa's sleigh and hanging tree ornaments. These Gnome elves are excited for Christmas. They are checking the list and helping St Nick with all of the Christmas preparations. These Elves and Gnomes are beautiful art illustrations for kids. This book will inspire your creative thinking. Buy a copy today! Special thanks to the illustrator Julie Tuft. Designs and ideas by Sadie Lewis.

Offering a fresh twist on Kris Kringle, a clever yet heartfelt book that tells the story of a black Santa, his white husband, and their life in the North Pole. Everyone knows that Santa Claus is jolly, but in *Santa's Husband*, this cherished symbol of the holiday season is also black and gay, and married to an equally cheery man. In this witty and sweet illustrated Christmas tale, humor writer Daniel Kibblesmith introduces us to Mr. and Mr. Claus, and gives us a glimpse of their lives together. We see the Clauses sitting by the fire at their cozy North Pole home, vacationing at the beach, having an occasional disagreement, celebrating their wedding day, and comforting each other when some loudmouth people on television angrily dispute Santa's appearance and lifestyle. In the weeks before Christmas, Santa's husband helps with all the pre-Christmas work, from double-checking lists, to feeding the reindeer (organic gluten-free grains, of course), to negotiating labor disputes with the restive workshop elves. At the height of toy-making season, he even fills in for his busy hubby at the mall to ensure every child can meet the Big Guy in the red suit, and give him their wish list. As this charming book reminds us, Santa Claus can come in all shapes and colors and sizes—just like the children and families he visits all over the world each Christmas eve. Featuring beautiful watercolor pictures drawn by artist AP Quach, *Santa's Husband* is a delightful gift for readers of all ages.

Caldecott Medalist Dan Santat--creator of *The Adventures of Beekle: The Unimaginary Friend* and *After the Fall*--takes readers on the road trip of a lifetime! "Are we there yet?" Every parent has heard this classic kid question on a long car ride--and after reading this astonishingly inventive new book (that even turns upside down for several pages!), you'll never look at being bored the same way again. Let's face it: everyone knows that car rides can be boring. And when things get boring, time slows down. In this book, a boy feels time slowing down so much that it starts going backward--into the time of pirates! Of princesses! Of dinosaurs! The boy was just trying to get to his grandmother's birthday party, but instead he's traveling through Ancient Egypt and rubbing shoulders with Ben Franklin. When time flies, who knows where--or when--he'll end up.

Transformation, Surprise and Artistic. Celebrating how ordinary and yet different features are highlighted by an artist. Read *Seashell Santas* aloud and discover how abandoned seashells are given a new life. Discover discarded shells that are given a new life. This story gives a message about transformation! *Seashell Santas* will delight all ages.

Celebrate Christmas with Bluey! Based on the on the wildly successful animated series, Bluey, as seen on Disney+ It's Christmas Eve and Bluey's entire family has gathered at the Heeler house. They can't wait for Santa to come! But Bluey's dad reminds them: "No peeking, no presents." So Bluey, Bingo, and Muffin decide to play a game called Veranda Santa to practice not peeking! What will Santa bring them?

This groundbreaking volume presents, for the first time in English, a broad historical review of the researches carried out over 170 years in the region of Lagoa Santa, Brazil, one of the most important archaeological regions in the Americas. From the pioneering work of the Danish naturalist Peter Lund in the XIX century to the recent research on the dispersion of early humans across South America, led by Walter A. Neves and colleagues, Lagoa Santa has offered remarkable findings, the largest collections of early human skeletons in the Americas,

and has contributed to the overall discussions about the settlement of the Americas. This edited volume aims to fill the lack of publications in English about Lagoa Santa and gathers representatives of all the main Brazilian institutions directly involved in the archaeological and paleontological investigations in the region, in order to provide the international scientific community a comprehensive and complete account of the researches that contributed to rewrite the history of the peopling of the Americas. The book is organized in two parts. The first consists of chapters describing each of the interventions in the region, beginning with the pioneering work of Peter Lund and culminating with the latest intervention led by Walter A. Neves and his team. The second part of the book consists of reviews of current relevant research foci in the region, such as migrations, health, mortuary rituals, paleontology, rock art and technology.

This book takes the reader throughout the world on adventures transcribed from Santa's own journals numbers 25 and 26 There are stories of love, humor, and adventure. the adult reader will slip back in time remembering a time in their childhood when they also believed and shared the excitement those youngsters of today feel every Christmas Eve. But look out for chugging trains, running reindeer, busy elves and more obstacles in their way!Sing along to the bonus CD by favourite childrens entertainer Jay Lagaaia too!

A practical guide for achieving equitable outcomes From Equity Talk to Equity Walk offers practical guidance on the design and application of campus change strategies for achieving equitable outcomes. Drawing from campus-based research projects sponsored by the Association of American Colleges and Universities and the Center for Urban Education at the University of Southern California, this invaluable resource provides real-world steps that reinforce primary elements for examining equity in student achievement, while challenging educators to specifically focus on racial equity as a critical lens for institutional and systemic change. Colleges and universities have placed greater emphasis on education equity in recent years. Acknowledging the changing realities and increasing demands placed on contemporary postsecondary education, this book meets educators where they are and offers an effective design framework for what it means to move beyond equity being a buzzword in higher education. Central concepts and key points are illustrated through campus examples. This indispensable guide presents academic administrators and staff with advice on building an equity-minded campus culture, aligning strategic priorities and

institutional missions to advance equity, understanding equity-minded data analysis, developing campus strategies for making excellence inclusive, and moving from a first-generation equity educator to an equity-minded practitioner. *From Equity Talk to Equity Walk: A Guide for Campus-Based Leadership and Practice* is a vital wealth of information for college and university presidents and provosts, academic and student affairs professionals, faculty, and practitioners who seek to dismantle institutional barriers that stand in the way of achieving equity, specifically racial equity to achieve equitable outcomes in higher education.

When Santa needs a last-minute substitution, an unlikely hero steps in. Will anyone notice that Santa is...a cow? It's Christmas Eve, and Santa is busy making his deliveries. But when he needs to dash back to the North Pole for some forgotten presents, an unlikely hero—a cow!—has to step into the red suit. She dashes down the chimney with a "Moo-moo-moo, Merry Christmas!" and is met by a little boy waiting up for Santa. Will this cow be able to keep Christmas on track? Or will this little boy realize... "Hey! You're Not Santa!" Readers of all ages are sure to laugh out loud to this hilarious Christmas story, and will love being in on the joke as this cow does her best to convince everyone that she's Santa. Full of jokes, charm, and warming holiday spirit, this book is perfect for fans of *Olive, the Other Reindeer* and *How to Catch Santa*. Don't miss this perfect stocking stuffer, an irresistible addition to your holiday book collection that you'll love reading year after year.

Everything you need to know to look after yourself to bring about and maintain perfect health, prosperity, wealth, happiness, quality of life and longevity.
