A meticulous account of the greatest drug scourge the country has ever seen Before crack, there was cocaine. In 1972, New Yorkers bought more powdered cocaine than heroin, and they paid dearly for it. Pimps, rock stars, UN delegates, and high school students all turned on with snow. Some used casually, and some threw their lives away for its fleeting high. The drug's devotees showed their allegiance with a golden coke spoon necklace—a sign of the wealth required to maintain a habit when the drug sold for as much as seventy-five dollars a hit. They used it to party, to work, and to have sex. They snorted it, shot it, and rubbed it on their gums. And more and more, they killed and died for the sake of the priceless white powder. In this staggering exposé, Marc Olden gets to the heart of New York's cocaine underworld, painting an exhaustive picture of the drug's effects on society—from the highest highs to the lowest lows. The Tribers – Bee, Jonno, Keener, Fifty and Copper Pie – have fun getting in and out of adventures. When Copper Pie knocks the ear off the school statue with a catapult, he's in serious danger of being expelled. Luckily, new boy Jonno has some bright ideas, and Tribe is born. Then Tribe tame the scary Alley Cats gang and defend their territory using the world's weirdest weapons: Bee's cupcakes and a stag beetle. It's non-stop for

Ever since her sixteenth birthday, strange things keep happening to Seraphina Parrish. Unexplainable premonitions catapult her to faraway cities. A street gang wants to kill her, and a beautiful, mysterious boy stalks her. But when Sera moves to Chicago, and her aunt reveals their family connection to a centuries old, secret society, she's immediately thrust into an unbelievable fantasy world, leading her on a quest to unravel the mysteries that plague her. In the end, their meanings crash into an epic struggle of loyalty and betrayal, and she'll be forced to choose between the boy who has stolen her heart and the thing she desires most. Wander Dust is the breathtaking fantasy that will catapult you through a story of time, adventure, and love.

For almost four decades, Margaret 'Mags' McGraw was a keeper of secrets. Her husband, Tam, the notorious 'Licensee', amassed a fortune by leading a safe-cracking gang before masterminding a spectacular £50-million drugs racket. Mags was a devotee of Tarot cards and fortune telling, so when Tam and his associates wondered

whether luck would be with them, it was to her that they turned. But Mags discovered that the cards warned of much more than years in prison cells: they predicted death. She learned that her own husband was also doomed to a fate that was unexpected by everyone but her: Tam died in the arms of the wife he called his 'rock' while her secret lover frantically tried to save him. In *The Gangster's Wife*, Mags reveals her gripping life story, from being a London clippie through often hilarious days running an ice-cream van during the infamous Glasgow Ice Cream Wars to managing a notorious bar, being agony aunt to the toughest criminals around, hiding a secret love and sharing a life with *The Licensee*.

The power of the Realms depends on its dragons. With their terrifying natures tempered by a mysterious liquid, they are ridden by the aristocracy and bred for hunting and war. But as dangerous political maneuverings threaten the empire, a single dragon has gone missing. And even one dragon-returned to its full intelligence and fury-could spell disaster for the Realms...

There was one partner the pretty young women who danced away the 1960s in Glasgow's Barrowlands were desperate to avoid: Bible John, so named because he quoted scripture to his victims. He was being hunted for three brutal unsolved sex murders, and each of his victims had been picked up after a night at the famous dance hall.

Armed Candy is the true story of one woman's struggle for survival on Britain's meanest streets. Kay has spent her whole life trying to escape. Sexually abused by her grandmother, she pleaded to return to her mother's care. But instead of finding a safe haven, Kay entered a world of drug abuse, swinging and dabbling in the occult. Although still a small child, she was soon buying drugs for her mother and being moved out of her bed as orgies ensued in her home. When she tried to escape, she ended up in a violent marriage, from which she fled in fear of her life. Turning to her mother for help, she was tricked into prostitution, her own

mother acting much like a pimp. Kay became a high-class call girl, but then, through a chance meeting, she got involved with the most dangerous criminal gang in Glasgow. Women associated with such gangs are often seen as decorative arm candy, but Kay was admitted to the inner core, where she became involved in making decisions of life and death. She fell in love with the gang's equaliser, a young man feared throughout the country, and together they formed a formidable partnership. But they were too successful, and when they appeared to threaten some powerful interests they had to be taken out. The day that Kay's lover was gunned down in broad daylight saw the beginning of a reign of death in the city, as the organised crime world became paranoid and turned in on itself. For Kay, it was the beginning of her way out.

In the 1960's a 26-year-old schoolmaster at a Scottish reformatory (List D) School, under the alias of James Patrick, went undercover with the help of one of his pupils to study the often violent behaviour of the teenagers in a gang in Glasgow. He managed to conceal his identity and motives and during the course of a four-month assignation in 1966 he observed closely the gang members and concluded that the boys were 'afraid of fighting other gangs but more afraid of not fighting them.' Ultimately it was 'the struggle between identification with the boys and abhorrence of their violence that forced me to quit.' This book became the first published observation of a Glasgow gang and as such has stood the test of

time as a number of factors that Patrick identified as contributing to the growth of gang culture still remain in existence today, most crucially poverty, grim housing conditions and unemployment. This is a portrait of gang culture before the drug barons moved in and created another level of violence and as such it deserves its cult status. Now fully indexed with a new Preface from the author whose whereabouts remain known only to the publishers. The republication of the book follows Peter Mullan's highly rated film 'Neds' which portrays a Glasgow gang in the 1970s.

'Mummy, take me home,' sobbed little Jasmine Chapman as she was ripped from her mother's arms. But there was nothing that Morag could do . . . except continue to fight for custody of the child she loved so much. When their relationship ended, Jasmine's parents argued bitterly about her future. But they were unable to come to an amicable agreement, and a UK court ruled that the case be heard in the US, the home of Jasmine's father. Fearing that she would lose her child, Morag fled from Texas with her daughter, only to be hauled back in shackles and incarcerated in a grim American prison. When Morag was eventually freed and awarded custody of her little girl, she thought her nightmare was over. However, back in the UK, every move she made was watched and every mistake recorded. Morag sank into deep depression and became lost in a

haze of alcohol and drugs. The once beautiful and desirable young woman found her life spiralling out of control. Eventually, she lost the daughter she had fought so hard to keep. *Mummy, Take Me Home* is the gripping and disturbing true-life story of a tug of love that no mother should ever face and no child should be forced to endure.

Convicted murderer Billy Ferris has endured more than three decades behind bars in many of Britain's prisons. In *The Hate Factory*, he candidly documents his experiences in jail with some of the UK's most notorious criminals. Jailed for life in 1977 for a crime of passion, Ferris experienced betrayal and treachery on the inside. He unexpectedly formed friendships that led to his being labelled a 'bombers' crony' and found love while on the run after a dramatic escape. He vividly describes the cruelty, savagery and degradation that go hand in hand with prison life and details the nightmare that was Wormwood Scrubs, the prison he christened 'the Hate Factory'. He relays what happened when his cell was used as a courtroom for an IRA punishment trial and how he hatched a plan to assassinate the son of a legendary underworld godfather and plotted to murder an informer. Over the 30 years during which Ferris has been imprisoned, his fellow inmates have included some of the UK's 'most wanted' from London underworld enforcer 'Mad' Frankie Fraser to Archie Hall, the serial killer dubbed

As a young man in Glasgow's underworld, Ian 'Blink' MacDonald fought, robbed and slashed his way to the top, developing a taste for the high life along the way. His notoriety earned him an offer of work from Scotland's most feared gangster, Arthur Thompson, but MacDonald had other plans: to finance a new life in Spain with the multimillion-pound proceeds of a high-risk armed bank robbery. But the job went badly wrong, and MacDonald was jailed for 16 years. In prison, he met scores of high-profile inmates, including torture-gang boss Eddie Richardson, high-society serial killer Archie Hall, notorious lifer Charles Bronson and Ronnie O'Sullivan senior, father of the

snooker star. On his release, MacDonald became a magnet for trouble, enjoying a hedonistic, drug-fuelled lifestyle and finding himself drawn into conflict with police, gangsters and businessmen. Rearrested several times, he was the target of more than one terrifying murder attempt. In *Blink*, MacDonald provides an eye-opening account of his highly eventful journey through life in Glasgow's brutal gangland.

Alexander Shannon escaped a shady past to enjoy a glittering career in the army, only to end up back in the thick of criminal activity. Shannon's time as a soldier saw him posted to the Falklands, Northern Ireland and war-torn Bosnia. The rigours of army life took their toll and he found himself drawn into a series of ruthless gang wars. He used the skills he'd learned in the forces to hide weapons, work for drugs racketeers and plot a massacre, and he was offered a fortune to work as a Mafia-style contract assassin. He was questioned over brutal killings and accused of a triple murder attempt, yet his dedication and determination to succeed in the army brought him accolades and a series of promotions. In *The Underworld Captain*, Shannon explains how he managed to combine a successful army career with dangerous gangland dealings for so long and how he finally broke free for good.

bottles and petrol bombs at soldiers. Jailed at fifteen for having IRA links, he became a unit commander leading deadly missions for the INLA before joining the IPLO, a group so vicious even the IRA ordered it to disband. But his decades of commitment to a free united Ireland turned to disillusion when bombs indiscriminately killed two little boys in mainland Britain. It was a wake-up call and, sickened by the way events were unfolding, McDonnell distanced himself from the Troubles and began to spend more time in Scotland with major gangland players Paul Ferris and Tam 'The Licensee' McGraw. Friendly with both, he then faced difficult choices when the two fell out and became bitter rivals and sworn enemies. *Lighting Candles* is an astonishing and horrifying exposé of one man's journey through the blood, bombs and bullets of the paramilitaries to the criminal activities of drug-smuggling gangsters. It is also a story of how, no matter what has gone before, it's possible to put the past behind you and begin again.

The rise - and fall - of the outlaw lords of the drug world, from the Cali Cartel, the richest, most powerful crime syndicate in history, to Britain's biggest drug baron, Curtis 'Cocky' Warren and the 'Essex Triple Murders'. From freewheeling cannabis operations to the lethal 'heaviness' of organized crime, the doings of the dealers, bouncers, bagmen and 'taxmen' - those crazy enough to extort money from drug dealers - of a ruthlessly violent underworld. Here you will find an account of the pursuit and capture of 'Mr Nice', Howard Marks (along with the complementary recollections of Mrs Marks), the story of the hunt for Pablo Escobar and an in-depth piece on cocaine production deep in the Colombian interior. This is the no-holds-barred, inside story of drug trafficking, from the Golden Triangle to the Golden Gate and from Spain's Costa del Crime to the future of conflict and prohibition with its fresh cast of Afghan warlords

remain subject to intense state secrecy. In *Carstairs: Hospital for Horrors*, author David Leslie examines the history of the institution, the crimes that have led patients to be committed to the State Hospital and highlights the risks of the brave and dedicated staff who work there. This shocking account delves into the nightmarish minds of men who have killed, raped and attacked family members, lovers, children and innocent bystanders. For many patients, there is little hope of ever being released. But for others, including some considered to be amongst the most dangerous in society, release can become a reality. *Corsairs* features an exclusive, first-hand account of a bloody escape in 1976, when Robert Mone, along with Thomas McCulloch, escaped and went on the run. Three men died and now, for the very first time, Robert Mone gives his own account of an event which shocked the nation. And it is a telling insight into one of the most high-profile yet secretive institutions there is.

Charlie, snow, toot, white: cocaine goes by many different names. But in Glasgow in the early 1980s, they called it Happy Dust. At no-holds-barred parties of the glamorous and wealthy, cocaine was the new aphrodisiac. A few lines of Charlie and a humdrum party could become an orgy. Hot from the forests of Colombia, Charlie flooded onto the streets of Glasgow and was passed along the line to the cocktail set, highly paid sports stars and yuppies desperate for kicks and thrills. Behind it all was a man they called the Parachutist. But all too soon, the party was over. People became too greedy and the Parachutist was double-crossed. Some of the gang did shady deals with detectives in hotel rooms; others flew to seek shelter in the sun, their reputations destroyed but not their fortunes. The good times might have been over for the Happy Dust Gang, but their legacy lives on to this day.

'Doran had a problem, and it wasn't that he'd been stabbed.'Iole City is in turmoil. Doran Ó Seanáin, leader of the Black Lung Gang, is determined to bring the Archon, Arajon's tyrannical ruler, down for his brutal treatment of the miners. But Doran has more to deal with than getting stabbed and a city-wide lockdown that's seeing his gang of ex-miners being slowly starved out of their base. His daughter Grace has turned against him, and the weight of his wife's death haunts them both. Things start to look up when he's inexplicably drawn to Nathaniel Morgenstern, the apotheker with a mysterious past he owes his life to, but Doran is in way over his head. The fate of the mines hangs in the balance; the clock is ticking and the Archon is closing in. Doran's plan to break the cycle may very well be his last.
