This is Irial's story set in 1890s New Orleans, brimming with faerie court drama and steamy romance. Can we. and should we, outrun fate? And if so, are we prepared for the consequences? I could not put it down." --Angela Mann, Kepler's Books, Menlo Park CA "Set 100 years before the events in *Wicked Lovely*, *Cold Iron Heart* finds Irial, the king of the Dark Court, in New Orleans and entranced by a mortal. Is his interest in Thelma Foy just

a passing fascination, or could it change the course of her life and the world forever? Melissa Marr masterfully rises to challenge of writing a prequel by both expanding on the mythology of the original series while telling a story that exists wholly on its own. Fans of the series will inhale this delicious glimpse into Irial's past."--John McDougall of *Murder by the Book*, Houston TX
