

The Hidden Oracle The Trials Of Apollo Book 1

The hilarious first book in a middle-grade fantasy trilogy about the magical rivers that run through the sewers of London and shape history in ways you'd never learn in school. Magic is real. History is a big, fat lie. Before Hyacinth Hayward moves from Illinois to London, she reads up on the city's history. Too bad for her. Because the books are wrong. The truth is, London was built on magical rivers, and all the major events in its past have been about people trying to control the magic. Hyacinth discovers this when her mom is kidnapped. In the chase to get her back, Hyacinth encounters a giant intelligent pig in a bathing suit, a boy with amnesia, an adorable tosher (whatever that is), a sarcastic old lady, and a very sketchy unicorn. Somehow Hyacinth has to figure out who to trust, so she can save her mom and, oh yeah, not cause a second Great Fire of London.

This series will be treasured by readers of all ages, whether they're experiencing Sadie and Carter's amazing adventures for the first time or are faithful fans eager to devour the saga all over again.

Since their mother's death, Carter and Sadie have become near strangers. While Sadie has lived with her grandparents in London, her brother has traveled the world with their father, the brilliant Egyptologist, Dr. Julius Kane. One night, Dr. Kane brings the siblings together for a "research experiment" at the British Museum, where he hopes to set things right for his family. Instead, he unleashes the Egyptian god Set, who banishes him to oblivion and forces the children to flee for their lives. From the creator of the hit Percy Jackson series.

It's time to face the final trial... The battle for Camp Jupiter is over. New Rome is safe. Tarquin and his army of the undead have been defeated. Somehow Apollo has made it out alive, with a little bit of help from the Hunters of Artemis. But though the battle may have been won, the war is far from over. Now Apollo and Meg must get ready for the final - and, let's face it, probably fatal - adventure. They must face the last emperor, the terrifying Nero, and destroy him once and for all. Can Apollo find his godly form again? Will Meg be able to face up to her troubled past? Destiny awaits...

In their first encounter, demigod Percy Jackson and magician Carter Kane had to battle a giant crocodile on Long Island. A month later, Annabeth Chase ran into Carter's sister, Sadie, on the A train to Rockaway, where the pair fought a god named Serapis. Now trouble is brewing again, this time on Governor's Island. An ancient Egyptian magician named Setne has come back from the dead and is experimenting with Egyptian and Greek magic, trying to become a god himself. He's so powerful and tricky that all four—Percy, Annabeth, Carter, and Sadie—have to team up against him. But their usual weapons and spells aren't going to cut it this time. Will the heroes be taken down by a wannabe god who looks like Elvis, or will they rise to the challenge? Told from Percy's point of view, this third demigod-magician crossover story has all of the spunk and action that Rick Riordan fans crave. Available for the first time, a free sampler of the riveting opening chapters from all five of Rick Riordan's New York Times mega-best-selling series: Percy Jackson and the Olympians: THE LIGHTNING THIEF, The Heroes of Olympus: THE LOST HERO, The Kane Chronicles: THE RED PYRAMID, Magnus Chase and the Gods of Asgard: THE SWORD OF SUMMER, and The Trials of Apollo: THE HIDDEN ORACLE. But Ruth's depression has been getting worse, so Olivia has created a plan to help her remember how life used to be: a makeshift scavenger hunt across the country, like pirates hunting for treasure, taking pictures and making memories along the way. All she wants is to take the picture that makes her sister smile. But what if things can never go back to how they used to be? What if they never find the treasure they're seeking? A book of firsts! One epic collection containing the first book from three different New York Times #1 best-selling series by Rick Riordan. THE LIGHTNING THIEF: Zeus's master lightning bolt has been stolen and Percy Jackson is the prime suspect. He and his friends have ten days to find and return it and bring peace to a warring Mount Olympus. To succeed, Percy has come to terms with the father who abandoned him, solve the riddle of the Oracle that warns of betrayal by a friend, and unravel a treachery more powerful than the gods themselves. THE LOST HERO: Jason, Piper, and Leo find themselves at Camp Half-Blood where people won't stop talking about a curse and a camper named Percy who's gone AWOL. These three friends must rely on one another and their newfound demigod gifts as they embark on an epic quest to save Mount Olympus. THE HIDDEN ORACLE: Apollo, once the glorious god of the sun, music, and poetry, has been cast down to Earth in punishment by Zeus. Now, as awkward mortal teenager Lester Papadopoulos, he's been tasked with restoring five Oracles that have gone dark in order to regain his place on Mount Olympus. How is he supposed to accomplish that without any godly powers? He needs help, and a demigod named Percy Jackson shows him where to find it: at a training camp on Long Island called Camp Half-Blood. This primer of heroes and demigods will start readers on three unforgettable adventures. Bonus first chapters from two other amazing series promise more exciting journeys. It's not easy being Apollo, especially when you've been turned into a human and banished from Olympus. On his path to restoring five ancient oracles and reclaiming his godly powers, Apollo (aka Lester Papadopoulos) has faced both triumphs and tragedies. Now his journey takes him to Camp Jupiter in the San Francisco Bay Area, where the Roman demigods are preparing for a desperate last stand against the evil Triumvirate of Roman emperors. Hazel, Reyna, Frank, Tyson, Ella, and many other old friends will need Apollo's aid to survive the onslaught. Unfortunately, the answer to their salvation lies in the forgotten tomb of a Roman ruler . . . someone even worse than the emperors Apollo has already faced.

Explore the real Greek myths behind Percy Jackson's story - he's not the first Perseus to have run into trouble with the gods . . . These are the mysterious and exciting legends of the gods and heroes in Ancient Greece, from the adventures of Perseus, the labours of Heracles, the voyage of Jason and the Argonauts, to Odysseus and the Trojan wars. Introduced with wit and humour by Rick Riordan, creator of the highly successful Percy Jackson series.

Zeus has punished his son Apollo--god of the sun, music, archery, poetry, and more--by casting him down to earth in the form of a gawky, acne-covered sixteen-year-old mortal named Lester. The only way Apollo can reclaim his rightful place on Mount Olympus is by restoring several Oracles that have gone dark. What is affecting the Oracles, and how can Apollo/Lester do anything about them without his powers? After experiencing a series of dangerous--and frankly, humiliating--trials at Camp Half-Blood, Lester must now leave the relative safety of the demigod training ground and embark on a hair-raising journey across North America. Somewhere in the American Midwest, he and his companions must find the most dangerous Oracle from ancient times: a haunted cave that may hold answers for Apollo in his quest to become a god again--if it doesn't kill him or drive him insane first. Standing in Apollo's way is the second member of the evil Triumvirate, a Roman emperor whose love of bloodshed and spectacle makes even Nero look tame. To survive the encounter, Apollo will need the help of son of Hephaestus Leo Valdez, the now-mortal sorceress Calypso, the bronze dragon Festus, and other unexpected allies--some familiar, some new--from the world of demigods. Come along for what promises to be a harrowing, hilarious, and haiku-filled ride. . . . Includes the first chapter of *The Trials of Apollo Book 3: THE BURNING MAZE*, plus the first chapters of two Rick Riordan Presents novels: *THE STORM RUNNER* by J. C. Cervantes, based on Mayan mythology, and *DRAGON PEARL* by Yoon Ha Lee, a space opera with elements of Korean mythology.

Determined to find her father (and possibly save Saarthé), Lucy and her vexingly stubborn friend Pete follow William Darrington's trail to the deadly woods on Devil's Thumb. As they encounter Lupine princesses, giant sea serpents, and all manner of terrifying creatures, Lucy hasn't reckoned that the dreamwood itself might be the greatest threat of all.

"How do you punish an immortal? My name is Apollo. I used to be a god. But what was before I was cast down from Olympus (a terrible misunderstanding) and woke up in a New York dumpster. I persuaded Percy Jackson to give me a lift to Camp Half-Blood. But the place is in chaos. Demigods are going missing and the all-seeing Oracles have fallen to a mysterious enemy known only as 'the Beast'. I figured that regaining Zeus's favour would involve a series of harrowing trials, and I was right (I usually am). My first task? Protect the final Oracle, hidden away for millennia. If I fail, the Beast will control the future, but worse - I'll be stuck as a teenage boy, forever . . ."
