

## The Holy Innocents

Doctor Justo Pastor Proceso López, adored by his female patients but despised by his wife and daughters, has a burning ambition: to prove to the world that the myth of Simón Bolívar, El Libertador, is a sham and a scandal. In Pasto, south Colombia, where the good doctor plies his trade, the Feast Day of the Holy Innocents is dawning. A day for pranks, jokes and soakings ... Water bombs, poisoned empanaditas, ground glass in the hog roast - anything goes. What better day to commission a float for The Black and White Carnival that will explode the myth of El Libertador once and for all? One that will lay bare the massacres, betrayals and countless deflowerings that history has forgotten. But in Colombia you question the founding fables at your peril. At the frenzied peak of the festivities, drunk on a river of aguardiente, Doctor Justo will discover that this year the joke might just be on him.

Paris in the spring of 1968. The city is beginning to emerge from hibernation and an obscure spirit of social and political renewal is in the air. Yet Théo, his twin sister Isabelle and Matthew, an American student they have befriended, think only of immersing themselves in another, addictive form of hibernation: moviegoing at the Cinémathèque Française. Night after night, they take their place beside their fellow cinephiles in the very front row of the stalls and feast insatiably off the images that flicker across the vast white screen. Denied their nightly 'fix' when the French

government suddenly orders the Cinémathèque's closure, Théo, Isabelle and Matthew gradually withdraw into a hermetically sealed universe of their own creation, an airless universe of obsessive private games, ordeals, humiliations and sexual jousting which finds them shedding their clothes and their inhibitions with equal abandon. A vertiginous free fall interrupted only, and tragically, when the real world outside their shuttered apartment succeeds at last in encroaching on their delirium. The study of a triangular relationship whose perverse eroticism contrives nevertheless to conserve its own bruised purity, brilliant in its narrative invention and startling in its imagery, *The Dreamers* (now a major film by Bernardo Bertolucci) belongs to the romantic French tradition of *Les Enfants Terribles* and *Le Grand Meaulnes* and resembles no other work in recent British fiction.

Medieval amateur sleuth Roger the Chapman returns in a mystery involving the murders of two children and becomes deeply embroiled in the case when he stays in the house from which they had disappeared

“CHARLES PÉGUY is the only poet of consequence during the last fifty years in France whose work has failed to arouse the smallest critical interest in this country. Compared with Claudel or Valéry, to mention two of his contemporaries, he has simply fallen flat. It almost seems as though the term ‘poetry’ were out of place, or as though, and this is perhaps nearer the truth, the conception of poetry his work implied placed it outside the pale of contemporary criticism. There seems to be nothing for criticism to get its teeth into. Everything is plain sailing. There is no shell to crack, no secret to explore, no difficulty of language, no impenetrable thought, no interplay of images to be unraveled. In whatever direction the critic looks, whether at the technique, the ideas, the images of the psychological sphere, there is nothing to be done, or at any rate nothing worth doing.” —From the Introduction

Much has been said about why Jesus died. This book focuses on why Jesus lived. God with Us: Encountering Jesus in the Gospel of Matthew shows that Jesus didn't just come to be our teacher, a miracle worker or prophet, or even just Israel's savior and redeemer. Jesus is Emmanuel, God with us. Notable

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. The Gospel can be considered a Manual of Prayer, a letter written by the Holy Spirit to you. But God's Word doesn't live in a book. It comes alive when you pray about it. It is

not about getting to know what the 'Historical Jesus' did two thousand years ago, what He said "back then"; Jesus Christ is not 'back then' anymore, He is alive, and is longing to talk to you. Taking the Gospel of the day, the iPray provides a commentary that can be a trigger for an authentic and personal conversation with Jesus. That time of prayer spent with Jesus is like a 'cooking pot' in which you blend the Words and scenes of Jesus' life, found in the Gospel, together with your daily life, your worries, your family and friends, all heated up by the fire of the Holy Spirit. 'iPray with the Gospel' is not a ready-made meal you can just throw in the microwave, as if they were some prayers that you read and that's it. It is more like a personal recipe that only you can cook with the help of the Holy Spirit.

Excerpt from A History of the Church of the Holy Innocents, Henderson, North Carolina, 1842-1965 The inauguration of auction sales of tobacco quickened this area. The population of Henderson increased from 545 in 1870 to in 1890, and this church made a greater gain. A dozen or more of the men who came to the Church of the Holy Innocents at that time played no small part in shaping Henderson.
