

The Horse Breeds Poster Book

A little pony and a large draft horse join up with eight other mystery horsies in this book. The little pony is not worried about measuring up. And the large draft horse is not hiding its size. They want to stand out to young readers.

The Book of the Horse opens up the wonderful world of horses to a new generation of horse riders and owners. It explains the basics of learning to ride, helps the novice to choose the right clothing, details the joys (and warns against the pitfalls) of owning one's own horse and enumerates the wonderful variety of activities to be enjoyed in the company of this most obliging of four-legged friends. Whether you want to hack in the countryside, or try your hand over show jumps; perform a respectable dressage test, or face up to the rigours of endurance riding; fly round a cross-country course, or sample the quieter pleasures of the show ring, The Book of the Horse covers every aspect, from stable management and equine fitness to equipment and equine transportation. There is also a section featuring great places to ride, and a chapter on equestrian sporting excellence.

The horse is a noble creature whose best attributes include: a graceful and willing nature; strength; beauty; and intelligence. Horse Breeds of the World provides horse lovers with a comprehensive guide to all major horse breeds from across the globe. This lavishly illustrated guidebook will undoubtedly satisfy the curiosity of anyone who wishes to learn more about the wide variety of shapes, sizes, and qualities that exist within each designated species of horse. You can count on horse-crazy kids to be doing something horse-related, thinking about something horse-related, or planning something horse-related 24 hours a day, seven days a

Online Library The Horse Breeds Poster Book

week. That's why Cindy A. Littlefield created the Kids' Book of Horse Games & Puzzles. If kids are going to spend their time horsing around, they might as well jump-start their creativity and boost their problem-solving skills at the same time. The book is divided into five sections: Word Play, Picture Puzzles, Drawing, Fun and Games, and Brain Teasers. (All the answers are included.) Take the "Horse and Pony Stall of Fame" challenge by matching up famous equines with their human or television character companions. Snuffle through the "Hungry as a Horse" quiz and see if you can find the names of 14 things horses like to eat hidden in a block of letters. Then break out your best drawing pencils and learn how to draw a horse's portrait in six easy steps. Fun, horsey cartoons and illustrations adorn every page. And scattered throughout the book are horse riddles, bits of horse trivia, and quotes about horses. Here, at last, is the perfect book for kids who love puzzles almost as much as they love horses.

Bob Langrish's World of Horses is the culminating collection of a master photographer who has traveled six continents in search of the most compelling horses in their native habitats. From the Mongolian steppe to the South African desert, barrier islands to city streets, Langrish has recorded the lives and activities of these majestic and beloved animals. His images capture the grace and soul of horses in all shapes and sizes. Brisk, lively text by Olympic gold medalist Jane Holderness-Roddam accompanies each photo, relating the story of how horse behaviors and traits vary by habitat, as well as the behind-the-scenes details of Langrish's adventures. Dramatic, poignant, and personal, Langrish's photos are a testament to the ancient and abiding horse-human relationship.

"Truly remarkable in that it is one of the most complete and well-illustrated breed compendiums to date. It should fit into every equestrian's library". --Horse Illustrated

From tiny ponies to heavy draught horses and rapid thoroughbreds, explore the history and variety of this noble animal that helped shape human history. A stunning celebration of the equine world, *The Horse Encyclopedia* is a fully illustrated book about horses and ponies, featuring over 150 breeds and types, including all those recognized by national horse societies. First domesticated around 6000 years ago, horses rapidly became invaluable to humans. They pulled chariots and plows, and became essential to transport and war. In this comprehensive volume, you will discover breeds from all over the world, from imposing Shires whose ancestors carried knights in chainmail into battle, to thoroughbreds bred to run like the wind and Lipizzanas that can execute exquisite dressage moves such as the capriole where they jump with all four feet off the ground. *The Horse Encyclopedia* gives concise details of each breed, including its origins and anatomy, as well as famous individuals such as Secretariat, who is widely regarded as one of the greatest racehorses of all. This dazzling guide also includes expert advice on horse care, feeding and grooming, and horse health, making this a truly wonderful gift for all horse riders and equine enthusiasts.

"Traces the lesser-known efforts of Hitler to build a master race of the finest purebred horses and the heroic achievements of American soldiers to rescue imperiled stolen equines from a hidden Czechoslovakian farm during a 1945 battle between Third Reich and Allied forces,"--*NoveList*.

Horses are happiest when they have friends. The famous Seabiscuit, for example, liked to pal around with a Montana cow pony named Pumpkin, a little dog named Pocatell, and a spider monkey named JoJo. In fact, for centuries, horse-behavior experts have

Online Library The Horse Breeds Poster Book

known that animal companionship is the best way to soothe an unhappy or agitated horse. And animal friends not only keep a horse calm and healthy, such friendships can even help out-of-sorts racehorses and sport horses perform better. Now *Horses & Friends Poster Book* offers 30 irresistible poster-size photos of some of the happiest friendships in the animal kingdom. Horses with ponies. Horses with miniature donkeys. Horses with goats. Horses with dogs. Horses with cats. Even horses with chickens and ducks. Like *The Horse Breeds Poster Book* and the *Dream Horses* poster book, the photographs are the stars in *Horses & Friends*. All 30 candid photos are in glorious full-color. They capture horses and their animal companions in one-of-a-kind moments that are sweet, funny, and tender. These are pictures even the casual horse lover will find impossible to resist. And as for horse-crazy kids, they won't let the *Horses & Friends* book out of their hands. And then there's the size of the pictures: at 9 1/2" x 12", kids can pull out the posters and cover an entire wall of their bedroom with these gorgeous pictures. There's never been anything like the *Horses & Friends* poster book.

Langrish, one of the world's leading equine photographers, continues the tradition of celebrating the beauty, the power, and the mystery of the horse with 30 spectacular poster-sized photographs accompanied by inspired text.

This beautifully illustrated series will have you captivated. Stunning illustrations, intriguing facts, and a large format make an engaging reference to revisit time and again. From stocky Shetland ponies and gentle Welsh cobs to energetic Arabian horses

Cover your walls with these beautiful animals and learn all about them at the same time.

A standard reference on horse breeds, illustrated and updated Celebrating the animal that has been a stalwart servant to humankind for countless generations, Bonnie Hendricks's International Encyclopedia of Horse Breeds is the most thorough compilation of horse breeds ever attempted. The nearly four hundred entries, arranged alphabetically, include foundation breeds now extinct as well as

Online Library The Horse Breeds Poster Book

extant breeds from across the globe. Each entry details the breed's origin and background, size, appearance, chief use, and status (rare versus common). A list of breed associations and government departments that supplied data and photographs for the encyclopedia has been fully updated for this edition. With its breadth and depth of coverage, as well as 530 black-and-white and 32 color illustrations, the encyclopedia continues to be a standard international reference. Introduces the history of horses and the most popular breeds, with information on how to care for a horse, braid manes and tails, and use equestrian terminology.

Animal behavior consultant Arden Moore brings her expertise and years of sharing her pet knowledge with audiences on radio, television, and in live talks and award-winning books to this kid-geared guide. Whether the dog is new to the household or a long-time family member, this is the perfect resource for getting kids to take more responsibility — and have more fun — as dog owners.

Titles in Barron's Fold-Out Books series are delightful activity books for younger boys and girls. They offer hours of fun with large, vivid full-color photos of appealing animals, a big 21 1/2" x 14" animal wall poster, seven mini-posters, and a 33" x 21" wall chart. Kids also get 50 colorful stickers showing animals pictured in the book. They learn as they have fun attaching stickers to the posters. The stickers are numbered to match the wall chart, which encourages children's familiarity with numbers while they also learn to recognize various horse and puppy breeds. The lively and attractive horses and ponies pictured in this book include, the Tennessee Walking Horse, a Shetland Pony, a Palomino Quarter Horse, and many more.

Peter Lundy has two joys in life: the rugged western plains where he has grown up and San Domingo, a Medicine Hat Stallion. The Indians believe such a horse is sacred—that neither bullet nor arrow can harm its rider. As they explore the prairie together, a bond forms between Peter and San Domingo that can never

Online Library The Horse Breeds Poster Book

be broken. But Peter's father, Jethro Lundy, knows only one love: bargaining. He trades San Domingo for a thoroughbred. How can Peter ever forgive his father? Is his only choice is to leave home forever?

This one-of-a-kind book of horse posters and flash cards is packed with stunning images and essential information. Two dozen posters of all-time favorite breeds like Arabian, Shetland Pony, and Lipizzan show off the beauty of these majestic creatures, and kids can show them off, too: these pull-out pages are ready to hang on a bedroom wall, with two additional 12 x 30 posters that capture horses' grandeur. Finally, each of the 24 punch-out flash cards include a pocket-size photo and fun facts. With both magnificent, ready-to-hang images and portable breed profiles, this unique package offers total immersion for horse-loving kids. Now with full-color photography and illustrations throughout, the completely updated third edition of Storey's Guide to Raising Horses is the most comprehensive horse husbandry handbook available, whether you're a first-time owner or an experienced horse handler. Covering everything you need to know about facilities, breeding, and health care, this new edition features a photographic gallery of many types of horses; expanded material on recognizing, preventing, and treating a wide range of health issues, including insulin resistance, skin conditions, and digestive disorders; new vaccination protocols, including vaccinating for West Nile Virus; and updated

information on breeding methods, foaling problems, and the care of broodmares and new foals. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.

"For centuries, society could not have functioned without the horse; not only was it used for transportation, it was also a working animal on farms, in mines, and on the battlefield. this diversity consequently led to the development of myriads of breeds throughout the world. Climatic and geographical differences, not to mention the intervention of man, also played their part in forming the breeds. Those originating in desert areas not only had fine coats to enable them to deal with hot daytime temperatures, they were also hardy enough to withstand plummeting temperatures at night. At the other extreme, breeds living in colder lands developed heavier, thicker coats to make them impervious to wind and rain. man was not content to let evolution take its natural course, however, and decided to take a hand in the matter, interbreeding horses with different characteristics to produce and accentuate specific qualities. thus the different breeds were developed to fit their roles. Warhorses became large and stocky, able to carry medieval knights in heavy chain mail, while draft horses were bred for strength to till the land or to heave heavy carts across difficult terrain. The ultimate breeding triumph is undoubtedly the Thoroughbred, which was developed for the racecourse, and therefore pleasure. It is aristocratic and finely-tuned and its bloodlines are in many of the modern breeds we know today. It is responsible for

Online Library The Horse Breeds Poster Book

adding quality, beauty, speed, and stamina. Not content with a comprehensive coverage of the horse breeds and types of the world, there are also sections on care to give the reader a complete and rounded insight into the pleasures, as well as problems, of looking after horses."--cover flaps

Presents information on the evolution and domestication of horses and surveys the world's various breeds.

Calling all young equestrians and Cat (in the Hat) fanciers! In this latest installment of the Cat in the Hat's Learning Library, the Cat introduces Sally and Nick—and beginning readers—to all things horsey. At his Super-Tremendous-Stupendous Horse Show, the Cat explains how horses and people have worked together since ancient times; the difference between fillies, foals, yearlings, mares, colts, dams, sires, and stallions; horse anatomy from nose to tail; the work of a farrier, Western vs English riding; and much, much more—including fun facts about 13 of the most popular horse breeds! Fans of the new PBS Kids preschool science show the Cat in the Hat Knows a Lot About That! (which is based on The Cat in the Hat's Learning Library) will whinny with glee over this new addition to the series!
