

The House Of Hopes And Dreams

Virginia, 1934: In the middle of the night, he crept through the bushes, thankful for the darkness, for the clouds covering the stars. Tenderly, he opened his bag, lifting the small bundle out. With tears in his eyes, he held her tight, not wanting to let her go. But he had no choice—it was the only way. “This is your new home, little one. You’ll be safe here.” Distant rumblings of conflict in Europe have reached even the secluded, snow-dusted mountains of Virginia, where Lauren Greenwood faces a battle of her own. The Great Depression is crippling America, leaving millions of its victims without shoes on their feet and clothes on their backs. Hope House—the orphanage Lauren runs—is suffering more than ever. The one thing Lauren is not short of is love. But with just a handful of dollars to her name, every day is a struggle to feed the orphans and keep a roof over their heads. Yet she refuses to give up. When a baby is left on the porch, Lauren welcomes her with open arms. The abandoned new-born, Maisie, is left with a crumpled letter—her parents begging Lauren to look after the girl and promising to return for her one day. Lauren refuses to allow another child to fall prey to the Depression, and vows to provide little Maisie with the love and protection of a mother. But when the debt collectors come calling, threatening to shut down the orphanage, Lauren runs out of hope. Any day now the children could be thrown onto the frozen streets, where survival is impossible. With tragedy just around the corner, how can she ever reunite Maisie with her parents? And if she doesn’t manage to save the orphans, how will she live with herself? A totally heartbreaking tale with a beautiful and hopeful message—when all else fails, love can save the day. In the last place she ever imagined she'd be, Gabby will discover what she's made of--and for. Gabrielle Fairbanks knew her husband was upset with her. But she never expected him to change the locks on their Chicago penthouse, cancel her credit cards, and disappear with their two boys. Now she's literally on the streets with her elderly mother, her mom's dog...and \$220 to her name. Thank goodness she has somewhere to go--Manna House, the women's shelter where she works. But even in the bustling shelter--surrounded by residents and the Yada Yada Prayer Group--Gabby feels more alone than ever. She longs for someone she can really talk to, someone to help mend together the pieces of her broken life. Her warm-hearted lawyer seems ready to offer more than legal counsel...but is he the answer to prayer or just a pleasant distraction? As her fragile plans fall apart, Gabby hits on a possibility so wild and wonderful it has to be one of those "God things." Something she's only seen happen to other Christians. Until now. For everyone who loves the best-selling Yada Yada Prayer Group novels...The Yada Yada House of Hope series features familiar faces and places, with a fresh new life all its own.

The first book in the Ada's House series, *The Hope of Refuge* is a moving story of love, hope, and new beginnings from New York Times bestselling author Cindy Woodsmall. The widowed mother of a little girl, Cara Moore is struggling against poverty, fear, and a relentless stalker. When her stalker ransacks her home, Cara and her daughter, Lori, flee New York City for an Amish community, eager for a fresh start. But she discovers that long-held secrets about her family history ripple beneath the surface of Dry Lake, Pennsylvania, and it's no place for an outsider. One Amish man, Ephraim Mast, dares to fulfill the command he believes that he received from God—“Be me to her”—despite how it threatens his way of life. While Ephraim tries to do what he believes is right, will he be shunned and lose everything, including the guarded single mother who simply longs for a better life? A complete opposite of the hard, untrusting Cara, Ephraim’s sister Deborah also finds her dreams crumbling when the man she has pledged to build a life with begins withdrawing from Deborah and his community, including his mother, Ada Stoltzfus. Can the run-down house that Ada envisions transforming unite them toward a common purpose—or will it push Mahlon away forever?

When Esperanza and her family arrive in the United States from Cuba, they rent a little house, una casita. It may be small, but they soon prove that there's room enough to share with a whole community. "It was a little house. Una casita . . . It was small. It smelled like old wet socks. . . But even though they were far from home, The family was together." As Esperanza and her family settle into their new house, they all do their part to make it a home. When other immigrant families need a place to stay, it seems only natural for the family in la casita to help. Together they turn the house into a place where other new immigrants can help one another. Esperanza is always the first to welcome them to la

casita. It's a safe place in a new land. Terry Catasus Jennings first came from Cuba to the U.S. in 1961, when she was twelve years old. With *The Little House of Hope*, she tells an inspiring, semi-autobiographical story of how immigrants can help each other find their footing in a new country. A Spanish edition, *La Casita de Esperanza*, will be released simultaneously.

Opening with the view of an idealistic, young doctor entering her first post-graduate job at the local county hospital, *The House of Hope and Fear* explores not only the personal journey of one doctor's life and career, but also examines the health care system as a whole. The county hospital setting provides the author with a second education. Wi... Hope is a decision, but it is a hard one to recognize in the face of oppression, belittlement, alienation, and defeat. To help embolden hope, some of today's most influential young adult authors come together in this highly personal nonfiction collection of essays, poems, and letters, each a firsthand account that ultimately strives to inspire hope.

For Napoleon's stepdaughter, nothing is simple - especially love. Paris, 1798. Hortense de Beauharnais is engrossed in her studies at a boarding school for aristocratic girls, most of whom have suffered tragic losses during the tumultuous days of the French Revolution. She loves to play and compose music, read and paint, and daydream about Christophe, her brother's dashing fellow officer. But Hortense is not an ordinary girl. Her beautiful, charming mother, Josephine, has married Napoleon Bonaparte, soon to become the most powerful man in France, but viewed by Hortense at the outset as a coarse, unworthy successor to her elegant father, who was guillotined during the Terror. Where will Hortense's future lie? it may not be in her power to decide. Inspired by Hortense's real-life autobiography with charming glimpses of life long ago, this is the story of a girl destined by fate to play a role she didn't choose.

Gabby knows God is the God of second chances. But can she give one to the man who betrayed her? When she was thrown out of the penthouse she shared with her husband and their sons, Gabby didn't know if she'd ever find a soft place to land. But after seeking refuge at the shelter where she works, extraordinary things happen as she is reintroduced to God. From the ashes of her marriage comes the House of Hope—a safe haven for homeless moms and their children. But now those ashes of her destroyed marriage are being stirred again. When her long-gone husband's life hits rock bottom, he reappears and asks for one more chance. And Gabby faces what feels like an impossible choice. Take him back. Or keep moving forward without him. Toward someone new who hasn't betrayed her. Is God redeeming what Gabby thought was gone forever? Or is He leading her down a different path and giving her something—and someone—new?

"Combining a reporter's eye for detail, the breathless narrative rush of an action movie and the generous heart of a hometown boy desperately trying to make sense of a place gone terribly wrong, Downs examines the social and economic disintegration of Hartford, Conn., in the 1990s through the coming-of-age of five African-American teenage boys. These young men-track stars, football players, scholars-try to make the right decisions while local and state politicians squabble over money, drug gangs roam the streets and the middle class-both white and black-flees to the suburbs. Harvey, Derrick, Eric, Hiram and Joshua make a pledge that no matter their future path, they will return to Hartford to rebuild their shattered city. The first half of the book flows with the power and grace of a finely tuned magazine article. Then Downs loses his focus and gets bogged down in a lengthy recounting of the boys' track coach's trial. The narrative shifts from the boys-now young men with growing families and burgeoning careers-to Downs's own struggle with his identity and the declining health of his grandfather. If the narrative splinters, perhaps it is an apt metaphor for the boys' pledge. Just one-Joshua-returned to Hartford. (Apr.)"--Publishers Weekly.

Before becoming a Christian, Mark Ryker ran with a bad crowd and broke hearts. Including his father's. Now a successful businessman, Mark has come home to Corinthia, Georgia, to make amends. But no one will forgive him. So when the widowed mother of four renting his dad's run-down house needs help fixing up the place, Mark gets to work. Pretty Hannah Hughes and her sweet kids have him longing to be part of the clan, but Hannah isn't ready to let go of the past. Still, they are working together on a house full of hope—and that's all Mark needs.

For over a generation now, conservative religion has seemed to be dominant in America. But there are signs of a liberal religious renaissance. For it to flourish, laypeople need a sense of their theological heritage. *A House for Hope* lays out, in lively and engaging language, the theological house that religious liberalism has inherited—and suggests how this heritage will need to be spiritually and theologically transformed. With chapters that suggest liberal religious commitment is based on common hopes rather than adherence to religious creeds, ask why human beings gather in communities with spiritual goals in the first place, discuss the importance of social and cultural context, and seek a Spirit that moves within us and among us, *A House for Hope* will provide religious liberals not only a theological but also a spiritual foundation for the years ahead.

"Lucy Tucker, the crotchety old bag lady from the popular *Yada Yada House of Hope* series, is a veteran of the Chicago streets and not about to give up her independence, even as she approaches her 80th birthday. Until, that is, a young displaced woman with her gentle ageing mother and a dog named Dandy seem to need her--unsettling the secretive Lucy, who doesn't let anyone get too close. But just when it seems her past is catching up with her to bring her in out of the cold, Lucy disappears again"--Back cover.

Sometimes you find hope in the last place you look. Gabrielle Fairbanks has nearly lost touch with the carefree, spirited young woman she was when she married her husband sixteen years ago. But when the couple moves to Chicago to accommodate Philip's ambition, Gabby longs for the chance to find real purpose in her own life. A chance encounter with a homeless woman suddenly opens a door she never expected. The women of Manna House Women's Shelter need a Program Director--and she has the right credentials. Gabby's in her element, feeling God's call on her life at last, even though Philip doesn't like the changes he sees in her. But she never anticipated his ultimatum: quit your job at the shelter or risk divorce and losing custody of our sons. In this moment, Gabby's entire foundation shifts. She must find refuge, as in the song they sing at Sunday worship: "Where do I go when there's no one else to turn to . . . I go to the Rock I know that's able, I go to the Rock." For everyone who loves the best-selling *Yada Yada Prayer Group* novels comes a brand new series sprinkled with familiar faces and places from the *Yada Yada* world. It's the perfect novel to start with--or to meet friends from past *Yada* stories.

An enchanting collection of lists, musings, prompts, and illustrations that will inspire you to cherish all of the things--from the extraordinary to the everyday, from the big to the little--that bring hope into our lives On March 11, 2020, the day the World Health Organization declared the coronavirus a global pandemic and all of our lives began to change in unprecedented ways, Todd Doughty knew he needed to do something to help him stay connected to the everyday joys of daily life. So he wrote down a list of things that make him happy: The musical intro to "All Things Considered." Someone forgiving you. Someone

believing in you. Your foot sticking out from under a blanket in order to find the cool spot. Freshly cut yellow tulips. A really good burger. Many, many lists later, Little Pieces of Hope pulls together the best of Doughty's lists along with never-before-seen entries, essays, musings, prompts, quotes, and playlists that offer solace, connection, and a daily touchstone of joy in a difficult world. A beautiful keepsake full of gorgeous illustrations, Little Pieces of Hope is brimming with the pleasures of life, inspiring readers to look for and celebrate the good things that surround us.

A philosophical memoir about becoming a father in an increasingly terrible world – can I hope the child growing in my partner's womb will have a good-enough life? A philosophical memoir about becoming a father in an increasingly terrible world. Can I hope the child growing in my partner's womb will have a good-enough life? For Kant, philosophy boiled down to three key questions: "What can I know?", "What ought I do?", and "What can I hope for?" In philosophy departments, that third question has largely been neglected at the expense of the first two – even though it is crucial for understanding why anyone might ask them in the first place. In *Ininitely Full of Hope*, as he prepares to become a father for the first time, the philosopher Tom Whyman attempts to answer Kant's third question, trying to make sense of it in the context of a world that increasingly seems like it is on the verge of collapse. Part memoir, part theory, and part reflection on fatherhood, *Ininitely Full of Hope* asks how we can cling to hope in a world marked by crisis and disaster.

The House of Hopes and Dreams A delightful and absorbing read Random House

"Poetic and meditative, this true-life fable about a tree that survived 9/11 commemorates the attack while evoking a resilient spirit and the healing power of nature. Ann Magee's spare and lyrical text and Nicole Wong's soft-edged art afford ample space for young readers to reflect, to hope and to envision a future where peace takes root." —Carole Boston Weatherford, author of Newbery Honor book *BOX* "Branches of Hope is a tribute to resilience and hope, a gentle way to talk with our youngest readers about the memory of 9/11." —Kate Messner, author of *The Brilliant Deep: Rebuilding the World's Coral Reefs* The branches of the 9/11 Survivor Tree poked through the rubble at Ground Zero. They were glimpses of hope in the weeks after September 11, 2001. Remember and honor the events of 9/11 and celebrate how hope appears in the midst of hardship. The Survivor Tree found at Ground Zero was rescued, rehabilitated, and then replanted at the 9/11 Memorial site in 2011. This is its story. In this moving tribute to a city and its people, a wordless story of a young child accompanies the tree's history. As the tree heals, the girl grows into an adult, and by the 20th anniversary of 9/11, she has become a firefighter like her first-responder uncle. A life-affirming introduction to how 9/11 affected the United States and how we recovered together.

After hearing voices among an eerie copse of trees in the woods, seventeen-year-old Curtis must confront his worst fear: that he has inherited his father's mental illness. A desperate search for answers leads him to discover Gravenhearst, a labyrinth mansion that burned down in 1894. When he locks eyes with a steely Victorian girl in a forgotten mirror, he's sure she's one of the fire's victims. If he can unravel the mystery, he can save his sanity . . . and possibly the girl who haunts his dreams. But more than 100 years in the past, the girl in the mirror is fighting her own battles. When her mother disappears and her sinister stepfather reveals his true intentions, Mila and her sister fight to escape Gravenhearst and unravel the house's secrets—before it devours them both.

Tragedy is a part of life, it is a part of the human mystery which we all must face. *A Gift of Hope* is a moving, beautifully written book that will give you the understanding and the self-assurance to overcome the anger and the loneliness, the suffering and the pain of your own personal travail: the loss of a loved one, the heartbreak of a handicapped child, a debilitating illness, an unwanted divorce, a severe financial setback. We hear about inadequate mental health care. We ask questions regarding a link between mental illness and violence. We do NOT hear as much about the stigma of mental illness that complicates one's ability to cope with a diagnosis that becomes a label, resulting in "self-stigma," discouraging individuals from seeking and/or complying with treatment. Too often community members only "experience" mental illness through dramatic or dire media stories that fail to inform us about the real world of mental illness. Thus, stigma feeds, and is fed by, myths and misunderstandings leading to a community sense of hopelessness and fear of mental illness. In contrast, Geel, a stigma-free community in Belgium, has a centuries' old history of accepting those with mental illness - even as boarders in their own homes. Geel acknowledges the human needs of those with mental illness and responds to those needs by providing social opportunities and meaningful work, within the community While the U.S. does not have the same history as Geel, we do have programs that offer a fostering environment, offering hope for those with a diagnosis of mental illness as well as for the communities in which they live. In a language and style that can be understood by anyone and everyone, the author shares what she's learned and experienced regarding tolerance and inclusion - in Geel and in our own country - offering individuals and communities an opportunity to hear the encouraging "voices of hope for mental illness." When the general population is freed of myths and misunderstandings regarding mental illness, we can focus on mental health

fostered by community care that thrives in "caring communities."

#1 NEW YORK TIMES BESTSELLER • Barack Obama's lucid vision of America's place in the world and call for a new kind of politics that builds upon our shared understandings as Americans, based on his years in the Senate "In our lowdown, dispiriting era, Obama's talent for proposing humane, sensible solutions with uplifting, elegant prose does fill one with hope."—Michael Kazin, The Washington Post In July 2004, four years before his presidency, Barack Obama electrified the Democratic National Convention with an address that spoke to Americans across the political spectrum. One phrase in particular anchored itself in listeners' minds, a reminder that for all the discord and struggle to be found in our history as a nation, we have always been guided by a dogged optimism in the future, or what Obama called "the audacity of hope." The Audacity of Hope is Barack Obama's call for a different brand of politics—a politics for those weary of bitter partisanship and alienated by the "endless clash of armies" we see in congress and on the campaign trail; a politics rooted in the faith, inclusiveness, and nobility of spirit at the heart of "our improbable experiment in democracy." He explores those forces—from the fear of losing to the perpetual need to raise money to the power of the media—that can stifle even the best-intentioned politician. He also writes, with surprising intimacy and self-deprecating humor, about settling in as a senator, seeking to balance the demands of public service and family life, and his own deepening religious commitment. At the heart of this book is Barack Obama's vision of how we can move beyond our divisions to tackle concrete problems. He examines the growing economic insecurity of American families, the racial and religious tensions within the body politic, and the transnational threats—from terrorism to pandemic—that gather beyond our shores. And he grapples with the role that faith plays in a democracy—where it is vital and where it must never intrude. Underlying his stories is a vigorous search for connection: the foundation for a radically hopeful political consensus. Only by returning to the principles that gave birth to our Constitution, Obama says, can Americans repair a political process that is broken, and restore to working order a government that has fallen dangerously out of touch with millions of ordinary Americans. Those Americans are out there, he writes—"waiting for Republicans and Democrats to catch up with them."

Robin and Joyce Hill lived in a gated community in Beijing. Their family's life was marked by luxury and the security of Robin's job as an engineer. Then one day, as members of their church, they had a chance to tour a state-run orphanage. Haunted by the needs of the children they saw there, for the next four years they tried to help the institute in meaningful ways.

Ava Miles, author of the #1 National Bestseller The Chocolate Garden, brings you another uplifting page-turner about hope, the will to start over, and the power of friendship. In this first Friends & Neighbors novel, meet a woman determined to realize her dreams and revitalize a beloved neighborhood with two things she believes most in: hope and chocolate. From the time she was a little girl with a chocolate stand instead of lemonade, Alice Bailey dreamt of opening a chocolate shop. After all, chocolate heals everything, from heartache to woes. If Alice has learned anything recently, it's that life is precious. It's now or never—carpe diem time. She's ready to put down roots and live her dreams. Only opening up a chocolate shop in this close-knit community proves harder than she imagined, especially when other neighborhood businesses are experiencing hard times. She's not only an outsider, but resentment over her circumstances breeds distrust among some of the other business owners. But Alice believes in one absolute: chocolate can heal anything and it's a great way to make new friends—even a neighborhood hit hard by illness, despair, and financial troubles. And as she struggles to heal and rebuild, she shows her new friends and neighbors that life offers more richness than they realize. --- If you love books by Nora Roberts, Nicholas Sparks, Susan Elizabeth Phillips, Debbie Macomber, Robyn Carr, Elin Hilderbrand, Danielle Steele, Barbara O'Neal, Susan Mallery, Kristan Higgins, Sherryl Woods, Jill Shalvis, Roisin Meaney, Melody Grace, Melissa Foster, Addison Cole, Bella Andre, Lucy Kevin, Brenda Novak, Catherine Bybee, Kathryn Andrews, RaeAnne Thayne, Sheila O'Flanagan, Cathy Kelly, Ruth Hogan, Jenny Colgan, Shari Low, Sophie Cousens, Portia MacIntosh. A story of friendship, acceptance and hope. In a laburnum tree in the Centre of Bretton Park, lives a unique bird called Barb. Her beauty and originality attract the attention of the other birds and park visitors,

who see her as a symbol of hope, bringing them much comfort and happiness. She is loved by many and in return is grateful for her life and her friends. When things take a turn for the worst, Barb's instinct is to fly away from her troubles ... Will things get better? Can hope be restored?

Invited into a house where women are allowed to stay while they turn their lives around, Alba, who has been struggling with a stalled academic career, learns about the refuge's famous past visitors while embarking on a personal journey of healing.

A cheerful giver is twice blessed in this first novel in an Amish series by Kristen McKanagh. Hope Beiler needs Aaron Kanagy's help. She is determined to give her sister a beautiful new bed frame as a wedding present, and Aaron is the best carpenter around. Unfortunately, she can't move past something he said when they were younger...and there's unexplained animosity between their fathers that makes interacting difficult. Aaron wishes he could spend more time honing his woodworking craft, but his parents need help running their gift shop. When Hope approaches him with a solution that will allow them both to achieve their goals, he accepts. As they work together, Aaron finds himself captivated by Hope and an idea forms.... Unfortunately, Hope's already wounded pride means she doesn't give him the answer he expects. At the same time, her father discovers what they've been doing and forbids Hope from seeing the Kanagys anymore. As secrets from the past come to light, will Gotte be able to teach two strong-willed souls--and their families--that pride comes before every fall, but hope helps us rise again?

A house seemingly disconnected in time and space becomes the setting for brutal conflict between the hapless homeowner and a collection of grotesque semi-human creatures in this landmark of fantasy and horror. The House on the Borderland is the account of a man, known only as the recluse, who moves into a remote and shunned house and unwittingly finds himself suspended between worlds, traveling through time, and fighting for his life against a siege of misshapen monstrosities. The author's sweeping imagination evokes a wide variety of fantastical effects, from eerie intimations of the weird to vivid manifestations of supernatural horror, from fabulous glimpses of otherworldly landscapes to direct combat with non-human assailants of murderous intent. First published in 1908, the novel quickly acquired a reputation as a rare and visionary example of cosmic horror that would influence and draw praise from H.P. Lovecraft, Clark Ashton Smith, Olaf Stapleton and others. As gripping and surreal as a fever dream, The House on the Borderland remains one of the most transporting destinations in literature. With an eye-catching new cover, and professionally typeset manuscript, this edition of The House on the Borderland is both modern and readable.

After the fierce warnings and grim predictions of The Weather Makers and An Inconvenient Truth, acclaimed journalist and national bestselling author Chris Turner finds hope in the search for a sustainable future. Point of no return: The chilling phrase has become the ubiquitous mantra of ecological doomsayers, a troubling headline above stories of melting permafrost and receding ice caps, visions of catastrophe and fears of a problem with no solution. Daring to step beyond the rhetoric of panic and despair, The Geography of Hope points to the bright light at the end of this very dark tunnel. With a mix of front-line reporting, analysis and passionate argument, Chris Turner pieces together the glimmers of optimism amid the gloom and the solutions already at work around the world, from Canada's largest wind farm to Asia's greenest building and Europe's most eco-friendly communities. But The Geography of Hope goes far beyond mere technology. Turner seeks out the next generation of political, economic, social and spiritual institutions that could provide the global foundations for a sustainable future—from the green hills of northern Thailand to the parliament houses of Scandinavia, from the villages of southern India, where microcredit finance has remade the social fabric, to America's most forward-thinking think tanks. In this compelling first-person exploration, punctuated by the wonder and angst of a writer discovering the world's beacons of possibility, Chris Turner pieces together a dazzling map of the disparate landmarks in a geography of hope. While most of the world has been spinning in stagnant circles of recrimination and debate on the subject of climate change, paralyzed by visions of apocalypse both natural (if nothing of our way of life changes) and economic (if too much does), Denmark has simply marched off with steadfast resolve into the sustainable future, reaching the zenith of its pioneering trek on the island of Samsø. And so if there's an encircled star on this patchwork map indicating hope's modest capital, then it should be properly placed on this island. Perhaps, for the sake of precision, at the geographic centre of Jørgen Tranberg's dairy farm. There are, I'm sure, any number of images called to mind by talk of ecological revolution and renewable energy and sustainable living, but I'm pretty certain they don't generally include a hearty fiftysomething Dane in rubber boots spotted with mud and cow shit. Which is why Samsø's transformation is not just revolutionary but inspiring, not just a huge change but a tantalizingly attainable one. And it was a change that seemed at its most workaday—near-effortless, no more remarkable than the cool October wind gusting across the island—down on Tranberg's farm. —from The Geography of Hope

This inspiring memoir by the Muslim American Gold Star father and captivating DNC speaker is the story of one family's pursuit of the American dream. NAMED ONE OF THE FIVE BEST MEMOIRS OF THE YEAR BY THE WASHINGTON POST "Moving . . . a story about family and faith, told with a poet's sensibility . . . Khizr Khan's book can teach all of us what real American patriotism looks like." —The New York Times Book Review In fewer than three hundred words, Khizr Khan electrified viewers around the world when he took the stage at the 2016 Democratic National Convention. And when he offered to lend Donald Trump his own much-read and dog-eared pocket Constitution, his gesture perfectly encapsulated the feelings of millions. But who was that man, standing beside his wife, extolling the promises and virtues of the U.S. Constitution? In this urgent and timeless immigrant story, we learn that Khizr Khan has been many things. He was the oldest of ten children born to farmers in Pakistan, and a curious and thoughtful boy who listened rapt as his grandfather recited Rumi beneath the moonlight. He was a university student who read the Declaration of Independence and was awestruck by what might be possible in life. He was a hopeful suitor, awkwardly but earnestly trying to win the heart of a woman far out of his league. He was a brilliant and diligent young family man who worked two jobs to save enough money to put himself through Harvard Law School. He was a loving father who, having instilled in his children the ideals that brought him and his wife to America—the sense of shared dignity and mutual responsibility—tragically lost his son, an Army captain killed while protecting his base camp in Iraq. He was and is a patriot, and a fierce advocate for the rights, dignities, and values enshrined in the American system. An American Family shows us who Khizr Khan and millions of other American immigrants are, and why—especially in these tumultuous times—we must not be afraid to step forward for what we believe in when it matters most. Praise for An American Family "An American Family is a small but lovely immigrant's journey, full of carefully observed details from the order in which Ghazala served tea at a university event, to the schedule of the police patrols in the Boston Public Garden where Khan briefly slept while he was in between apartments, to the description of Humayun's headstone as a 'slab of white

marble with soft streaks the color of wood smoke.”—Alyssa Rosenberg, The Washington Post

Contends that such problems as loneliness, anger, and depression are related to a loss in perspective of who we are as Christians, calling for readers to reconnect to the story of the Bible for hope, identity, and fulfillment. Original.

You can only walk forward when you learn how to lean. Just months after her husband threw her out of their penthouse and sent their two sons away, Gabrielle Fairbanks is finally getting back on her feet. She has a job she loves at the homeless shelter, an apartment for her and the boys, caring friends, and even a new love interest. Best of all, an unexpected windfall has given her a brand-new dream--a House of Hope for homeless mothers and their children. Piece by piece, Gabby's new life is coming together--but the old one keeps dragging her back. First her husband Philip hints at a reconciliation...then hits her up for a loan to pay his gambling debts. And when Gabby tells him no, he makes a desperate move that puts them all in harm's way. How can she even think of embarking on a new venture when so much is up in the air? Gabby is realizing that she needs something far greater than her own strength or even that of her friends. That to move forward, she must first lean on the only One who knows what the future holds.
