Soon to be a major motion picture starring Michael Shannon, Winona Ryder, with Ray Liotta and Chris Evans He was smart, merciless, and deadly. And it took someone just as tough to bring him down. A mob contract killer known as "The Iceman" for hiding a body in an ice-cream truck freezer, Richard Kuklinski boasted a personal body count of more than a hundred victims. Using guns, knives, poison, ice picks, tire irons, baseball bats, and bombs, the family man from New Jersey killed for fun, for money, to cover up his own crimes, and to satisfy his inner rage. Law enforcement officials knew all about Kuklinski and had a list of his victims, but couldn't get near him—until undercover agent Dominick Polifrone posed as a mobster and began a deadly game of cat and mouse. In this harrowing true-crime account, Anthony Bruno delves into the mind of a cold-blooded killer, chronicling the Iceman's grisly crimes and probing the bizarre dynamics of Agent Polifrone's dangerous liaison with him. For as Polifrone carefully built up a case against Kuklinski, he knew he was running out of time—because the Iceman was planning to kill him too. "Bruno puts his writing talents to white-knuckle use with a tight focus on a killer with no human feelings."—Kirkus Reviews "Excellent . . . [re-creates] the tension and stress Polifrone experienced in fulfilling his risky undercover assignment."—Publishers Weekly

WINNER OF THE DANGER PRIZE 2018 John Ibrahim's incredible life story told in his own words. Last King of the Cross lays bare Australia's most notorious underworld figure. In the mongrel tongue of the streets, John writes of fleeing war-torn Tripoli with his family and growing up in Sydney's rough and tumble west - before establishing himself as a tough guy and teen delinquent, then a bouncer, enforcer and nightclub king on the Golden Mile. Bullets fly, blades flash and bodies fall. In a city of shadows, John builds his army and empire - partying like a playboy prince of darkness while staying one step ahead of the cops, the outlaw gangs and hungry triggermen, plotting to take him and his family down. Crazier than Goodfellas, more compelling than The Godfather, Last King of the Cross is a colourful crime saga like no other and powerful proof that truth is always stranger than fiction.

The boss of New York's infamous Lucchese crime family, Anthony "Gaspipe" Casso's life in the Mafia was preordained from birth. His rare talent for "earning"—concocting ingenious schemes to hijack trucks, rob banks, and bring vast quantities of drugs into New York—fueled his unstoppable rise up the ladder of organized crime. A mafioso responsible for at least fifty murders, Casso lived large, with a beautiful wife and money to burn. When the law finally caught up with him in 1994, Casso became the thing he hated most—an informer. From his blood feud with John Gotti to his dealings with the "Mafia cops," decorated NYPD officers Lou Eppolito and Stephen Caracappa, to the Windows case, which marked the beginning of the end for the New York Mob, Gaspipe is Anthony Casso's shocking story—a roller-coaster ride into an exclusive netherworld that reveals the true inner workings of the Mafia, from its inception to the present time.

At 6'4" and 375 pounds, Jack Garcia looked the part of a mobster, and he played his part so perfectly that his Mafia bosses never suspected he was an undercover agent for the FBI. 'Big Jack Falcone', as he was known inside La Cosa Nostra, learned all the inside dirt about the Gambino organized crime syndicate and its illegal activities - from extortion and loan-sharking to assault and murder. The result was a string of busts and a quarter of a million dollar contract put out on his life. A fascinating inside look at the struggle between law enforcement and organized crime, MAKING JACK FALCONE sheds new light on two organizational cultures that continue to exert an unparalleled grip on our imagination.

SHOCKING TRUE STORIES OF THE WORLD'S MOST BARBARIC CRIMINALS Revealing portraits of the most notorious killers of our time: •Jeffrey Dahmer •The Zodiac Killer •Dr. Harold Shipman •Son of Sam •The Columbine Killers •Charles Manson •The Night Stalker •The Yorkshire Ripper •Ted Bundy •Charles Starkweather •The Boston Strangler Serial Killers & Mass Murderers takes you into the minds of the criminals who committed the world's most notorious and horrifying crimes. Each of the sadistic murderers profiled here was once known simply as someone's neighbor, co-worker or child. What turned them into killers? In one chilling chapter after another, this book profiles a terrifying succession of homicidal maniacs and asks the question, "What makes them tick?" "The refrigerator contained meat, including a human heart, in plastic bags. There were three human heads in the freezer. Two more skulls were found in a pot on the stove. Another pot contained male genital organs and severed heads, and there were the remains of three male torsos in the trash."

Reminiscent of Wiseguy, Mob Boss is a compelling biography from two prominent mob experts recounting the life and times of the first acting boss of an American Mafia family to turn government witness Alfonso "Little Al" D'Arco, the former acting boss of the Luchese organized crime family, was the highest-ranking mobster to ever turn government witness when he flipped in 1991. His decision to flip prompted many others to make the same choice, including John Gotti's top aide, Salvatore "Sammy the Bull" Gravano, and his testimony sent more than fifty mobsters to prison. In Mob Boss, award-winning news reporters Jerry Capeci and Tom Robbins team up for this unparalleled account of D'Arco's life and the New York mob scene that he embraced for four decades. Until the day he switched sides, D'Arco lived and breathed the old-school gangster lessons he learned growing up in Brooklyn and fine-tuned on the mean streets of Little Italy. But when he learned he was marked to be whacked, D'Arco quit the mob. His defection

decimated his crime family and opened a window on mob secrets going back a hundred years. After speaking with D'Arco, the authors reveal unprecedented insights, exposing shocking secrets and troublesome truths about a city where a famous pizza parlor doubled as a Mafia center for multi-million-dollar heroin deals, where hit men carried out murders dressed as women, and where kidnapping a celebrity newsman's son was deemed appropriate revenge for the father's satirical novel. Capeci and Robbins spent hundreds of hours in conversation with D'Arco, and exhausted many hours more fleshing out his stories in this riveting narrative that takes readers behind the famous witness testimony for a comprehensive look at the Mafia in New York City.

During the mid 1980s Howard Marks had forty three aliases, eighty nine phone lines and owned twenty five companies throughout the world. Whether bars, recording studios or offshore banks, all were money laundering vehicles serving the core activity: dope dealing. Marks began to deal small amounts of hashish while doing a postgraduate philosophy course at Oxford, but soon he was moving much larger quantities. At the height of his career he was smuggling consignments of up to fifty tons from Pakistan and Thailand to America and Canada and had contact with organisations as diverse as MI6, the CIA, the IRA and the Mafia. Mr Nice is Howard Mark's extraordinary story.

Richard Kuklinski, aka "the Ice Man," will go down as one of the most vicious killers in history. Responsible for well over 200 murders, he is the man who claims a direct link to the killing of Jimmy Hoffa and he is one of the reasons for John Gotti's rise to power. The wife of one victim referred to him as "the devil." Yet behind every monster, even the most cold-blooded ones, there lies a human story. After 240 hours of face-to-face interviews with Richard Kuklinski and even more time spent with Kuklinski's family, Philip Carlo reveals all in THE ICE MAN. He led a double life: professional assassin and devoted family man. As described by his wife Barbara, Richard was two people. At times he was a model father that would return home with a car full of groceries and presents, and at other times he was a monster, frequently subjecting Barbara to abuse and leaving their children to watch in horror. But despite even his worst moments at home, his family never knew of his other life as a top hitman contracted by the bosses of east coast crime families. On the day Richard was arrested, the police found not one single weapon in the house. His family never knew of the nights he would meander into Manhattan's Upper West Side and brutally kill whatever panhandler stepped in his path. In short, Richard Kuklinski may have been one of the greatest enigmas ever.

A top mafia hitman recounts his thirty-year career before landing in prison, describing his relationship with John Gotti, his assignments to kill more than two hundred victims, and his outside persona as a suburban family man. Reprint.

Philip Carlo's successful and acclaimed books reveal the truth about notorious characters such as LA serial killer Richard Ramirez, Mafia contract killer Richard Kuklinski and crime-family boss Anthony Casso. Working closely with the DEA, Carlo also wrote the definitive account of Bonanno Mafia family assassin Tommy 'Karate' Pitera. Carlo's investigative achievements were remarkable, but what wasn't known to his readers was that, while working on The Ice Man, he learned he had amyotrophic lateral sclerosis (ALS), a form of motor neuron disease. Suddenly, after years of penetrating the minds of killers, Carlo was himself being pursued by the grim reaper. But rather than lying down and succumbing to the disease, Carlo continued to work right up until his death in 2010. In The Killer Within, Carlo provides an intimate account of his relationships with Ramirez, Kuklinski and Casso and reveals intriguing information about writing his bestsellers while simultaneously coping with ALS as it slowly began to steal his life away.

CONTAINS A NEW EPILOGUE!" Mafia Prince is the first-person account of one of the most violent eras in Mafia history —"Little" Nicky Scarfo's reign as boss of the Philly family in the 1980s—written by Scarfo's underboss and nephew, "Crazy" Phil Leonetti. The youngest-ever underboss at the age of 31, Leonetti was at the crux of the violent downfall of the traditional American Mafia in the 1980s when he infiltrated Atlantic City after gambling was legalized, and later turned state's evidence against his own. His testimony directly led to the convictions of dozens of high-ranking made men including John Gotti, Vincent Gigante, and his own uncle, Nicky Scarfo—sparking the beginning of the end of La Cosa Nostra. Just as The Godfather and Boardwalk Empire defined the early 20th century Mafia, and Wiseguy and Casino depicted the next great era through the '70s, Mafia Prince concludes this epic genre revealing the Mafia's violent final heyday of the 1980s— straight from the horse's mouth.

In Death on the River, bestselling true crime author Diane Fanning recounts a tragic kayak accident that left one man dead—and his fiancée arrested for his murder. A DREAM GETAWAY. A REAL-LIFE NIGHTMARE... It seemed like the perfect romantic afternoon: a kayaking trip for two on the Hudson River. But it ended in tragedy when beautiful, blonde Angelika Graswald called 911 to report that her fiancé, the handsome and athletic Vincent Viafore, had fallen into the choppy frigid waters. Authorities assumed it was an accident. But when the bereft bride-to-be posted videos of herself doing cartwheels on social media—shortly before Vincent's body was found—suspicions of murder rose to the surface... After hours of questioning, Angelika made several shocking admissions. She said she felt "trapped" and fed up with Vincent's "demanding" sexual lifestyle: the nightlife, the strip clubs, the threeways. "I wanted him dead," she had said, even though she insisted that she didn't kill him. But as more lurid details emerged—including a \$250,000 life insurance policy—a killer question remained: Did Angelika remove the plug of her fiancé's boat...and knock away his paddle as he sank?

A gripping and shocking story of a serial killer mother, and the brave daughter who brought her to justice. Dulcie Bodsworth was the unlikeliest serial killer. She was loved everywhere she went, and the townsfolk of Wilcannia, which she called home in the late 1950s, thought of her as kind and caring. The officers at the local police station found Dulcie witty and charming, and looked forward to the scones and cakes she generously baked and delivered for their morning tea. That was one side of her. Only her daughter Hazel saw the real Dulcie. And what she saw terrified her. Dulcie was in fact a cold, calculating killer who, by 1958, had put three men in their graves - one of them the father of her four children, Ted Baron - in one of the most infamous periods of the state's history. She would have got away with it all had it not been for Hazel. Written by award-winning

journalist Janet Fife-Yeomans together with Hazel Baron, *My Mother, A Serial Killer* is both an evocative insight into the harshness of life on the fringes of Australian society in the 1950s, and a chilling story of a murderous mother and the courageous daughter who testified against her and put her in jail.

When photographs of a kidnapped ten-year-old girl appear in a Dutch magazine devoted to child sex, the distraught family hires ex-cop Frank De Nardo to try to get the child back

'He was like a vampire. We believe he killed over sixty people.' -- James J. Hunt, Assistant Special Agent , New York DEA 9 July 1990: the DEA makes the gruesome discovery of nine bodies, dismembered, stuffed into cheap suitcases and buried in a secluded bird sanctuary near Gravesend, Brooklyn. It was Tommy Pitera's personal cemetery. When John Gotti put out a contract on informer Willie Boy Johnson, Pitera took it - he shot him fourteen times in broad daylight outside his home. Pitera not only murdered for the mob, he took pleasure in killing and did so at whim - the slightest insult could provoke him and he killed friends, associates, anyone who got in his way. A cold-blooded, homicidal maniac with a fascination for the macabre, he had an autopsy table in his basement and regularly dismembered his victims, expertly cutting them into six pieces: the arms, legs, torso and head. Convicted for six murders, he is believed to be responsible for over sixty. Philip Carlo, author of the bestseller *The Iceman*, reveals the horrendous crimes of drug kingpin and merciless mob killer Thomas Pitera, and the New York DEA's three-year battle to bring him to justice.

George Washington was America's first spymaster, and his skill as a spymaster won the war for independence. *George Washington's Secret Spy War* is the untold story of how George Washington took a disorderly, ill-equipped rabble and defeated the best trained and best equipped army of its day in the Revolutionary War. Author John A. Nagy has become the nation's leading expert on the subject, discovering hundreds of spies who went behind enemy lines to gather intelligence during the American Revolution, many of whom are completely unknown to most historians. Using George Washington's diary as the primary source, Nagy tells the story of Washington's experiences during the French and Indian War and his first steps in the field of espionage. Despite what many believe, Washington did not come to the American Revolution completely unskilled in this area of warfare. Espionage was a skill he honed during the French and Indian war and upon which he heavily depended during the Revolutionary War. He used espionage to level the playing field and then exploited it on to final victory. Filled with thrilling and never-before-told stories from the battlefield and behind enemy lines, this is the story of how Washington out-spied the British. For the first time, readers will discover how espionage played a major part in the American Revolution and why Washington was a master at orchestrating it.

Philip Carlo's *The Ice Man* spent over six weeks on the New York Times Bestseller List. Top Mob Hitman. Devoted Family Man. Doting Father. For thirty years, Richard "The Iceman" Kuklinski led a shocking double life, becoming the most notorious professional assassin in American history while happily hosting neighborhood barbecues in suburban New Jersey. Richard Kuklinski was Sammy the Bull Gravano's partner in the killing of Paul Castellano, then head of the Gambino crime family, at Sparks Steakhouse. Mob boss John Gotti hired him to torture and kill the neighbor who accidentally ran over his child. For an additional price, Kuklinski would make his victims suffer; he conducted this sadistic business with coldhearted intensity and shocking efficiency, never disappointing his customers. By his own estimate, he killed over two hundred men, taking enormous pride in his variety and ferocity of technique. This trail of murder lasted over thirty years and took Kuklinski all over America and to the far corners of the earth, Brazil, Africa, and Europe. Along the way, he married, had three children, and put them through Catholic school. His daughter's medical condition meant regular stays in children's hospitals, where Kuklinski was remembered, not as a gangster, but as an affectionate father, extremely kind to children. Each Christmas found the Kuklinski home festooned in colorful lights; each summer was a succession of block parties. His family never suspected a thing. Richard Kuklinski is now the subject of the major motion picture titled "The Iceman"(2013), starring James Franco, Winona Ryder, Ray Liotta, and Chris Evans.

To what extent was Rosario "Russell" Bufalino involved in the disappearance of Jimmy Hoffa in 1975? In the CIA's recruitment of gangsters to assassinate Fidel Castro? In organizing the historic meeting of crime chieftains in 1957? Even in the production of *The Godfather* movie? A uniquely American saga that spans six decades, *The Quiet Don* follows Russell Bufalino's remarkably quiet ascent from Sicilian immigrant to mob soldier to a man described by a United States Senate subcommittee in 1964 as "one of the most ruthless and powerful leaders of the Mafia in the United States." Bufalino had a hand in global, national, and local politics of the largest American cities, many of its major industries, and controlled the powerful Teamsters Union. His influence also reached the highest levels of Pennsylvania government and halls of Congress, and his legacy left a culture of corruption that continues to this day. INCLUDES PHOTOS

'I am not a gangster,' I spat. 'I'm a businessman trying to make a hard-earned crust. Understood?' I didn't give him time to reply. I took the barrel out of his mouth and smashed him in the face with the butt. His lip split, but he wasn't a dead man. He seemed to appreciate that his life had been spared. He spluttered his thanks: 'Ok, you're not a gangster. You are not a gangster.' This is the gripping true story of how one man ruled his north London manor with an iron fist – and a sawn-off shotgun called Kennedy. It's a shocking insight into a society where the rules are made by gangland leaders and if anybody dare break them, they have to deal with the consequences. Bobby was sent to prison for the first time in 1967, aged 16, and over the next decade he established himself as a hardened criminal running protection rackets and robberies against a backdrop of all-out gang warfare, where doorstep slayings and bloody shoot-outs were common. Eventually Bobby was sentenced to 12 years in Britain's most notorious prisons, along with the Krays, Charlie Richardson and the Yorkshire Ripper. Inside, he was introduced to the Open University and on his release he soon got down to business again. Only this time his efforts saw him go from custody of Her Majesty's Prison Service to meeting with the Queen herself... I Am Not A Gangster is an explosive account of life in the criminal underworld by one of Britain's most dangerous men, but above all it's a remarkable tale of redemption with the biggest turnaround in gangland history.

Employing her insider status and trademark wit, pace and intelligence, Kate McClymont unravels the complex business relationships between Michael McGurk and Ron Medich. Nor that, ultimately, a Point Piper millionaire would be convicted for ordering the hit. But this is not just a Sydney story. Its strands traverse Moscow, Brunei, Indonesia and Hawaii and involve property deals, fraud, conspiracy, false identities, kidnapping and a miniature Koran. There are bumbling criminals, turncoats, snitches, wealthy people brought down, and devastated families. Just prior to his murder, Michael McGurk - who had a history of violence, threats, arson charges, intimidation and failed businesses - had informed Kate McClymont, Australia's best-known investigative journalist, that he believed there was a hit out on him. They agreed they would meet, and then he was shot. This is an extraordinary story of ten years of events that you simply could not make up.

Richard Kuklinski liked watching them die. Seeing the light in their eyes go out. He enjoyed knowing that the last thing they saw before dying was his face, looking down on them, wearing a big shit-eating grin. He really enjoyed these trips to Manhattan. Plenty of practice in different ways of killing people. He enjoyed the exercise too. To him, this was all the exercise he needed. Killing people and dumping their bodies off a bridge or slicing their guts open with his knife - to prevent any body gases from building up, so if they were dumped in a body of water they would be sure to sink instead of floating to the surface - and watching them die a slow, excruciating death. He was slowly but surely perfecting his craft. He was only nineteen years old. His reign of terror in within the New Jersey organized crime underworld would last for over two decades before he was put behind bars, but not before he left behind a legacy of murder and mayhem unlike anything the authorities had ever seen. In COLD AS ICE, author David Boyer digs deep into the life - and mind - of one of America's most famous yet feared contract killers, a man so cold and unfeeling toward his victims he was nicknamed The Iceman.
