Every day things happen to you. How much is caused by you and how much by fate, destiny or the result of invisible forces you know nothing about? Finding the answers to these questions can be compared to putting together a gigantic jigsaw puzzle. This work offers pieces that have been missing from your puzzle. One you add them to the pieces you've already collected, a new picture of who you are, why you're here, what your purpose is, and how to better manage the unseen forces shaping your life will spring into view.

Praise for The 11th Element "Bob has cracked the code on how to produce business breakthroughs at breakneck speed by tapping into The 11th Element. I consider The 11th Element to be a 'must have' for all executives, managers, network marketers, and entrepreneurs who want to create and increase their wealth and personal freedom." –From the Foreword by Robert Allen Author of The One Minute Millionaire and Multiple Streams of Income "The 11th Element teaches you the valuable skill of asking for assistance from your 'Inner CEO' to improve your decision making. Napoleon Hill explored this principle in Think and Grow Rich, and Scheinfeld takes it to a new level." –Ken Blanchard Coauthor of The One Minute Manager® and Big Bucks! "Bob Scheinfeld gives his readers an extremely valuable ally to help them achieve impressive success. It's an ally that readers have had all along but has escaped their awareness. After you complete The 11th Element, you'll be aware of it and able to use it to maximize your effectiveness. You'll love the book but hate yourself for not realizing that you had this ally right from the start." –Jay Conrad Levinson Author of the Guerrilla Marketing series of books "Fascinating! Read it twice. Scheinfeld presents a thought-provoking exploration on what it takes to succeed on a massive scale." –Randy Gage Author of Prosperity Mind "A major business breakthrough . . . a masterpiece for anyone wondering why results eluded them before. Remarkable." –Dr. Joe Vitale Bestselling author of Spiritual Marketing and The Greatest Money-Making Secret in History! "Profound, absorbing, and like nothing written before about wealth and success. The 11th Element shows you specific, practical ways to tap into a powerful new source of support to receive a quantum boost in power you can use to fuel the growth of your business and your quality of life." –Gay Hendricks, PhD Author of The Corporate Mystic and Conscious Golf: The Three Secrets of Success in Business, Life and Golf The Invisible Path to Success Seven Steps to Understanding and Managing the Unseen Forces Shaping Your Life Hampton Roads Publishing Company Incorporated

In the twenty-first century, the global community constantly strives to bring structure and order to the world through strategic means. From the highest levels of governments and militaries to multilateral institutions, NGOs, and corporations, a strategy for the future of a company, region, country, or even the world is tantamount to success. Yet few understand what strategy actually is and how it can be developed, planned, and implemented. Strategy for the Global Market combines a fundamental study of the theory of strategy with its practical applications to provide a new approach to the global emerging market. Due to the technological

transformations in communications and transportation, and the birth and development of both the global community and the global marketplace over the past twenty years, the world's population and corporations are in much closer contact with their counterparts across the globe than ever before. This has led to increasing competition and even rivalries. Understanding the strategic environment, as well as solving problems either through amicable means or conflict, requires the powerful instrument of strategy to remain efficient and to triumph. Features of this book include: Methodology and practical recommendations for all stages of developing and implementing strategy. A comprehensive guide with explanations and descriptions, for the preparation and orderly compilation of all necessary strategy documents. Real-world examples taken from corporate, government, and military strategizing practices in emerging market countries and the global marketplace. This book should be on the desk of every national, regional, and military leader, corporate executive, manager, and student of strategy.

The Business Game—here's how you can win! Are you a business owner, manager, or employee who struggles with: Taxes, cash flow, sales, and profits Marketing and advertising effectiveness Hiring, motivating, and managing talent The economy, stock market, and competitors Bosses, boards, stockholders and partners Never-ending to-do lists and sacrificing your quality of life to succeed? If you answered "yes" to any of these, you've been playing The Business Game and suffering the consequences. Even if you're rolling in profits right now, there are hidden costs you're paying to earn that money—money that's always at risk. You learned "the rules" and you've been faithful to them, thinking you can win. But you can't really win The Business Game, because it's designed to be unwinnable—that is, as long as you play by the rules you were taught. The only way to truly win is to bust loose from the "old" game and start playing a new game with a new set of rules. This book helps you discover who you really are, what you're really capable of, and how you can tap new sources of power, wisdom, and abundance to radically transform your experience of business. When you bust loose from the old game, you'll suddenly be playing a new game: For the sheer pleasure of playing, with no worries about sales, marketing, profits, cash flow, taxes, other people, or personal income Entirely unaffected by the economy, stock market, competitors, or technological innovation Having more fun with less effort than you've ever experienced Doing only what you love to do—all day, every day Watching as amazing results come your way, without having to "make it happen" It may sound unbelievable, but it's entirely possible. You can do it—if you open your mind and embrace the strategies in this book. Busting Loose from The Business Game leads you into a New Business Game filled with results and satisfaction beyond anything you've ever imagined possible. Read on... and bust loose!

success, get ahead at work, build rapport with others, develop time-management skills, and find wealth and happiness. Readers will learn how to live life to the fullest when they discover how to: * Take chances that lead to success * Get through the tough times * Be themselves and like it * Find their purpose * Work as a team * Create their own blueprint for success * Believe in themselves * Lead a good and moral life * Accept their mistakes and move on * Define success for themselves Joe Vitale (Wimberley, TX) is President of Hypnotic Marketing, Inc., and author of *The Attractor Factor* (0-471-70604-3) and *The E-Code* (0-471-71855-6). He has been called "the Buddha of the Internet" for his combination of spirituality and marketing acumen. His professional clients include the Red Cross, PBS, Hermann Children's Hospital, and many other small and large international businesses.

In this book, you will understand why your plans in life always seem to take a different turn from the direction you originally set and looked forward to. Not all paths in life lead to adventure and fun, but some do lead to a place of purpose. It is not a bad thing when you don't get your way, for God overrules the plans of those who He has predestined to fulfill His purpose. No matter what type of environment you are in or are very comfortable in, you will start to understand and adjust to new and exciting environments. Your path will feel like an adventure at times, and you may ask yourself, What in the world am I doing here? Your path in life will start looking like a puzzle incomplete, but portraying something that is taking life and showing you how you got there. Knowing God's plans for you and understanding the path you are on simplifies the meaning to your life.

Praise for MEET & GROW RICH "I'm a big fan of mastermind groups. I've used them for over thirty years and know the power they provide everyone in such a group. I'm delighted to see this inspiring, easy-to-follow manual. Read it and follow what it suggests." --Jack Canfield co-creator of the Chicken Soup for the Soul series and bestselling author of *The Success Principles* "Absolutely the best practical guide to creating, profiting, and growing your business with your own mastermind group. A must-read for anyone who wants to succeed in ANY business!" --Jim Edwards author and speaker (www.ebookfire.com) "I have been part of various mastermind groups for over twenty years that have easily made me millions. Without a doubt this book is the most advanced definitive guide to why and how any serious human should be a part of one." --John Assaraf cofounder, OneCoach (www.onecoach.com)

Think. Feel. Dream. Believe. "Inside each one of us is a BeliefWorks that takes the raw potential of belief and creates a one-of-a-kind worldview driving everything we do. Our BeliefWorks manufactures the prism through which we see life and magically transforms what is into what we believe it is." The line between "the way it is" and what could be is often no more than a belief. As author Ray Dodd notes, what we believe is a riptide guiding the thoughts we think, the words we say, and the decisions we make. Belief touches every part of life; defining organizations, shaping trends, dividing families, and even igniting terrorism. BeliefWorks, Ray Dodd's follow up to *The Power of Belief* will turn your mind inside out, casting a fresh light on how we love, work, play, and what holds us back from the life we desire. Companies all over the world could greatly benefit from moving part of even all their staff to work from home as virtual employees. Using the techniques and strategies inside The Invisible Organization, all that is possible quickly and efficiently. If you are the CEO of a company that could benefit by generating more profits, shedding overhead and thriving staff, this book is a must read. Penned by former CEO of Tony Robbins and Chet Holmes Business Breakthroughs, International, Russo successfully scaled the company with nearly 100% growth per year, and about 300 remote staff, owning no infrastructure. Russo helps clients create the leadership management strategy as outlined in his book and advises CEOs on moving "virtual" with confidence. Why is this book different than other books on working virtually? Because it comes from the CEOs perspective as an operating executive; dealing with the strategy of creating momentum around changing the company, slowly at first and then accelerating as results prove viable. The book is more of a blueprint designed to accomplish this singular act of internal revolution.

Book Description THE INVISIBLE HAND: Business, Success & Spirituality is the unusual account of how a stressed out, driven entrepreneur has an out-of-the-blue spiritual experience which sets off a series of profound life-changing events including mystical experiences in the Great Pyramid. He then meets a 91-year old guru from India who changes his life, teaches him how to meditate and accelerates his business success. There are many books about spirituality and about business, but few where the author can share his practical experience of success in both areas and bring them together. It reveals how the entrepreneur and spiritual seeker have much in common - they require faith, sacrifice, determination and commitment to reach their goals. THE INVISIBLE HAND shows how all of us can relieve stress and learn how to relax through meditation - the superfood for the mind - while remaining focussed on our quest for success. The book will be of particular interest to readers who enjoy self-help, business and spiritual books. To summarise, THE INVISIBLE HAND is not just for those of us who want to achieve success in business and spirituality. It is about having the confidence to fulfil our dreams whatever they may be - how to be happy regardless of our aspirations, beliefs, knowledge or profession. Reviews "Consciousness is growing on our wonderful planet as countless people seek inner change but still so many do not know how to discover real success, love, happiness and calmness. The Invisible Hand gives a clue as to how it might be possible and will act as a beacon to encourage others to find their own true individual path - how to win the day in life, business and spirituality." Paramahansa Prajnanananda Giri, Kriya Yoga International. "David Green has written a remarkable and rich first book, full of thoughts, observations, ideas, insights and hard-won wisdom. When I was given The Invisible Hand I would have classed myself as an agnostic with no interest in spirituality. David's message of never giving up, believing everything is possible and the benefits of meditation in daily life had an impact on me. I felt

compelled to start to meditate. " Karl French is a professional editor and was a journalist at the Financial Times for 11 years. "I have read over 3,000 books on a professional basis and The Invisible Hand touched me in a special way that really good books do. I found myself reading about meditation, diet, lifestyle and what it means to have or not to have success. I really felt the truth and impact of David's experiences and the authenticity of what he has learnt first-hand from his spiritual masters." Joan Watson has 25 years experience in executive media roles and the book industry.

TREASURE is the true story of how the iconic fable The Alchemist by Paulo Coelho psychically predicted the future, and what would happen to Karen Williams in real life. This was at a time when Karen had never heard of Coelho's famous book. It is a story about the passion for a dream, and how this passion revealed to Karen the language of signs and coincidences which the spiritual realm uses to speak to each of us. Living in Andalusia in southern Spain in the 1990s, Karen dreams of finding and living from her soul. One night, after visiting her favourite ruin, she has a dream in which she is reborn and with this her soul quest begins. Just as in Coelho's The Alchemist it takes her to Tarifa and Tangiers, and then through a metaphorical desert, finally ending at a place of pyramids as she searches for her treasure. But, this is only just the beginning of a truly supernatural odyssey which goes on for another 18 years. In that time Karen dedicates her whole being to the slow, and sometimes incredibly painful unraveling of the real meaning of the allegory known to millions as The Alchemist. What she discovers is far deeper and more transcendental than she ever imagined and touches the lives of all of us who now stand at the beginning of a new millennium hoping for a new world and a new dawn.

The Magic of Zero is transformational tool box to guide you on your way to finding your magical self. (the you who can have, be, or do anything you want). If you like the movie "The Secret" You will love this book.

If You Knew What Can Happen In The Next 52 Mondays It Would Take Your Breath Away" Stop and think about it. If you had started something new and worked on it every week since one year ago, what might you have been able to accomplish? Twelve months, after all, is plenty of time to start accruing success.

Everybody has one. It's called a "haunt detector." It's the little alarm that goes off in our heads whenever we detect that something mysterious or supernatural has occurred. You could be sitting around relaxing one day at home, and for no special reason you start thinking about someone. Maybe you haven't thought about this person in years. Then the phone rings; you pick it up, and amazingly, it's that person! Many of us have experienced this phenomenon. What is it? Anthony DeStefano answers this compelling question in his fascinating new book, The Invisible World. No matter how little we may understand or how fleeting such moments can be, he explains the reality of the spiritual dimension that surrounds us and shows how it is immediately accessible to everyone. All aspects of the spiritual realm are discussed, including the

existence of angels and demons, the whereabouts of loved ones who have passed, and even the presence and activity of God in our lives. Written to be completely consistent with traditional Christian teaching, *The Invisible World* will help readers embrace a certitude that makes it easier to act according to their moral beliefs, give them a greater sense of the richness of life, and show them that no amount of suffering in their life—physical, mental, or emotional—will ever be able to destroy the profound sense of inner peace that can be experienced on a daily basis. For those seeking reassurance about meaning in their life, nothing is more significant than to be reminded that no one is alone. In *The Invisible World*, Anthony DeStefano shows the truth of this in a captivating and inspiring way.

When contemporary Americans, even Christian ones, go looking for "spirituality," they look to Eastern religious traditions, New Age fads, and the self-help section of their local bookstore. They look almost anywhere, in fact, but to orthodox Christianity. In *"Ecstasy and Intimacy,"* Edith Humphrey sets out to counter this trend by helping the reader rediscover the spiritual riches of the Christian tradition -- Protestant, Catholic, and Orthodox. As Humphrey reveals, Christian spirituality takes its cue from the Trinity, from the "ecstasy" ("going out" of oneself) and "intimacy" (profound closeness with another) marking the relations between Father, Son, and Holy Spirit; it is within God's own ecstatic actions and intimate love -- seen particularly in the Incarnation -- that human ecstasy and intimacy are meant to take shape. *"Ecstasy and Intimacy"* spreads a banquet from the great spiritual writers of the past -- such luminaries as St. Augustine, Julian of Norwich, St. Teresa of Avila, the Wesleys, and Thomas Merton. Humphrey's elegant prose, embroidered with stories and images from her own life, leads the reader into a deeper understanding of the ecstasy and intimacy inherent in a Trinitarian spirituality. Being successful is a mind boggling experience. What will you sacrifice to make it happen? Will you be able to enjoy the relics of a successful life? How is success measured? Will success be your prison or a path to peace? The answer lies within the mind, soul and spirit of the human endeavor to be successful.

Writer, consultant and speaker Chris Rabb coined the term "invisible capital" to represent the unseen forces that dramatically impact entrepreneurial viability when a good attitude, a great idea, and hard work simply aren't enough. In his book, *Invisible Capital: How Unseen Forces Shape Entrepreneurial Opportunity*, Rabb puts forth concrete and effective ways entrepreneurs and their advocates can build and grow sustainable enterprises amid these unseen forces created by society's uneven playing field. By honoring democratic ideals, challenging

assumptions, and reframing how success is defined, Rabb illuminates the promise of commonwealth entrepreneurship. This compelling and often counter - intuitive book illustrates how broad and meaningful entrepreneurial opportunity benefits not just individual entrepreneurs, but local communities and society at large.

Sometimes we need a hand to help us get to the gifts locked inside us. Believe to Achieve is that helping hand, daring readers of all ages to reach for their most cherished dream and giving them the tools to get there. Author Howard "H" White tells us extraordinary people are simply ordinary people on fire with desire -- and he knows. As Nike, Inc.'s liaison for athletes such as Michael Jordan and Charles Barkley, "H" has had plenty of experience with superstars. But he did not start there. He has known extraordinary people his whole life, from his family and friends to his coaches and teachers. All along the way, Howard has met people who have opened his eyes to his own abilities, and he has spent his life doing the same for others. Full of behind-the-scenes moments with favorite athletes as well as funny anecdotes, Believe to Achieve is an exuberant collection of wisdom that will help you recognize the potential in yourself and see the path to success. It is a handbook for all people who have a goal they do not know how to reach or who want to help others discover their gifts. As Howard says, you can never tell what people are capable of just by looking at them -- even you.

Disability rights advocate Darrell Lynn Jones worked for the civil rights and empowerment of people with disabilities. But she didn't recognize her professional skills could be used to live effectively with her own chronic illness until she connected the dots between her physical journey and her spiritual journey.

The author came to see her illness as a soul journey—meaning her human traits, including chronic illness, are simply Spirit immersed in a physical experience, using time and space as a playground for creation and discovery. Becoming MySelf offers a fresh look at the new-age idea of creating your own reality and suggests the reality one already has is brimming with gifts and opportunities. This perspective helps you end the discontentment you may have concerning illness, disability, aging, and dying—and the belief that we are victims if we're sick.

“An empowering memoir/self-help book for anyone contending with a hidden disability or chronic illness.” (*Kirkus Indie Review*)

"Create Your Own Destiny! Spiritual Path to Success" is an invaluable resource for those faithful to and open to spiritual and energy healing in which nearly every sentence contains wisdom worthy of contemplation. The book helps the reader realize the body and the mind are not two independent essences to be treated separately, but must be treated as a single whole. The reader gains insight into the power and results of natural and spiritual healing from a science-oriented practitioner. The unique book, written in easy-to-understand terms, is a desktop guide to health for those interested in the preservation of health and the maintenance of karma. The writer is unique. Her educational and scientific background is not normally associated with the gift of natural healing. Traditional science has not quite recognized a gift such as this without analytical proof. Yet, history and folklore traces individuals with the natural healing gift throughout the ages. This book is a modern day encounter between friends and their documented journey together, battling the ravages of cancer, and their ultimate victory.

If you want to go up the ladder of success, if you want to get what you want, if you want to fulfill that "burning desire" that keeps your mind busy all the time and you do not do something about it, if you want to do "that thing" that you wanted to do some day but you never got a chance to do so, you must take your hands out of your pockets, roll up your sleeves, and take action now. You cannot sit still and expect the elevator of success to come down and take you to the peak. It has not happened to anyone. It will not happen to you either, guaranteed! Over the past several years I have helped many people like you to take their hands out of their pockets and climb their ladder of success. I have spent quality time with them, listened to them, felt their pain, assisted them in taking the right path, and made sure they came out of the process successful and fulfilled. I want to help you too. If you are committed to YOUR success and want to get what you truly want, this book is an excellent start. Are you ready for the journey? Real people, real transformations! "Absolutely amazing! It completely shifts your paradigm for life. One of the most wonderful things about it is that the results are immediate. My whole perception and relationship to money has undergone a major, substantial change." —Chris Attwood, writer and teacher, California "I've spent most of my life trying to figure out what's true and what's real. I have to say I now have a clear glimpse into what it really is." —Tom Hill, Colorado "Before Busting Loose from The Money Game, I was very unhappy and frustrated in my life. I was driven to find

more ways to make money. I changed jobs, cities, countries, went back to school, read books. Financially, the stress was causing anxiety attacks and migraines so severe I stayed in bed. The joy I feel now is priceless. Money is there when I need it, in the amount that's needed, no matter what occurs (car repairs, unplanned trips, etc.). It's absolutely amazing!" —Suresh Thakoor, Texas "As a retired professor on a fixed and limited income, I always lived from a tight budget and felt compressed by it-especially at the end of the year. I don't use a budget anymore and have opened up new streams of income that were always closed to me in the past." —Howard Rovics, Connecticut "It opened a whole new dimension for me and shifted my perspective on life completely. I especially love how practical it is. The application is so simple, so effective . . . and fun!" —Doris Kahle, Hagen, Germany "I'd had a lot of success in the corporate arena, made a ridiculous amount of money and lost a ridiculous amount of money. But I was caught in a cycle of making it, losing it. I needed to break that cycle-for myself and my family-and this gave me the keys to do that. Busting Loose from The Money Game opened a window I had no clue even existed. This is very cutting-edge, a revolutionary approach to unwrapping yourself from limitations. If you're not satisfied with where you are financially and you're concerned about your future, get this book!" —Ben Coleman, Texas

In *The Attractor Factor*, Joe Vitale combines principles of spiritual self-discovery with proven marketing concepts to show how anyone can live a happy life in and outside of business. He shares his own quest for wealth and success while leading you through the five simple steps that will make all your aspirations, professional and personal, a reality.

Describes the author's system for financial success without sacrificing relationships and quality of life, achieved through breaking conventional rules about money and adopting a radical new attitude.

An international business expert helps you understand and navigate cultural differences in this insightful and practical guide, perfect for both your work and personal life. Americans precede anything negative with three nice comments; French, Dutch, Israelis, and Germans get straight to the point; Latin Americans and Asians are steeped in hierarchy; Scandinavians think the best boss is just one of the crowd. It's no surprise that when they try and talk to each other, chaos breaks out. In *The Culture Map*, INSEAD professor Erin Meyer is your guide through this subtle, sometimes treacherous terrain in which people from starkly different backgrounds are expected to work harmoniously together. She provides a field-tested model for decoding how cultural differences impact international business, and combines a smart analytical framework with practical, actionable advice.
