The Hunt for Dark Infinity Simon and Schuster

"Stunning... The intelligent, cerebral plot finds contemporary parallels in Euripides's tragedies, Jacobean dramas such as The Duchess of Malfi, and Tennyson's poetry. The devastating ending shows just how little the troubled Mariana knows about the human psyche or herself. Michaelides is on a roll."

—Publishers Weekly, starred review "A deliciously dark, elegant, utterly compulsive read—with a twist that blew my mind. I loved this even more than I loved *The Silent Patient* and that's saying something!" —Lucy Foley, New York Times bestselling author of *The Guest List* From the #1 New York Times bestselling author of *The Silent Patient* comes a spellbinding tale of psychological suspense, weaving together Greek mythology, murder, and obsession, that further cements "Michaelides as a major player in the field" (Publishers Weekly). Edward Fosca is a murderer. Of this Mariana is certain. But Fosca is untouchable. A handsome and charismatic Greek tragedy professor at Cambridge University, Fosca is adored by staff and students alike—particularly by the members of a secret society of female students known as The Maidens. Mariana Andros is a brilliant but troubled group therapist who becomes fixated on The Maidens when one member, a friend of Mariana's niece Zoe, is found murdered in Cambridge. Mariana, who was once herself a student at the university, quickly suspects that behind the idyllic beauty of the spires and turrets, and beneath the ancient traditions, lies something sinister. And she becomes convinced that, despite his alibi, Edward Fosca is guilty of the murder. But why would the professor target one of his students? And why does he keep returning to the rites of Persephone, the maiden, and her journey to the underworld? When

another body is found, Mariana's obsession with proving Fosca's guilt spirals out of control, threatening to destroy her credibility as well as her closest relationships. But Mariana is determined to stop this killer, even if it costs her everything—including her own life.

From James Dashner, author of the #1 New York Times bestselling Maze Runner series, comes the paperback of *The Rule of Thoughts*, the second book in the Mortality Doctrine series and the exciting companion to *The Eye of Minds* and *The Game of Lives*. Look for *The Maze Runner* movie in stores now! And get ready for the movie adaptation of book two in the bestselling series, *The Scorch Trials*, which will hit theaters on September 18, 2015! Michael completed the Path, and the truth he discovered about Kaine is more complex—and more terrifying—than anyone at VirtNet Security could have anticipated. Kaine is a Tangent, a computer program that has become sentient. And Michael's completing the Path was the first stage in turning Kaine's master plan, the Mortality Doctrine, into a reality. The Mortality Doctrine will populate Earth entirely with human bodies harboring Tangent minds. Any gamer who sinks into the VirtNet risks coming out with a Tangent intelligence in control of their body. The VNS would rather pretend the world is perfectly safe, but Michael and his friends know that the takeover has already begun. And if they don't stop Kaine soon, it

will be game over for humanity. Praise for the Mortality Doctrine series “An exhilarating adventure story with touches of Anthony Horowitz's Alex Rider books and Orson Scott Card's Ender's Game.” —Booklist “An adrenaline rush.” —School Library Journal “A gripping page-turner, Dashner's latest is sure to please.” —BookPage “Full of action [and] a rather surprising twist that will leave you flipping pages.” —FanBoyNation.com “High on concept, this is an intriguing read for the digital generation.” —Kirkus Reviews A Junior Library Guild Selection A YALSA Teen Top Ten Pick

Winner of the Man Booker Prize “Everything about this novel rings true. . . . Original, funny, disarmingly oblique and unique.”—The Guardian In an unnamed city, middle sister stands out for the wrong reasons. She reads while walking, for one. And she has been taking French night classes downtown. So when a local paramilitary known as the milkman begins pursuing her, she suddenly becomes “interesting,” the last thing she ever wanted to be. Despite middle sister’s attempts to avoid him—and to keep her mother from finding out about her maybe-boyfriend—rumors spread and the threat of violence lingers. Milkman is a story of the way inaction can have enormous repercussions, in a time when the wrong flag, wrong religion, or even a sunset can be subversive. Told with ferocious energy and sly, wicked humor, Milkman establishes Anna Burns as one of the most consequential voices of our day.

The first book in Chris Colfer's #1 New York Times bestselling series The Land of Stories about two siblings who fall into a fairy-tale world! Alex and Conner Bailey's world is about to change forever, in this fast-paced adventure that uniquely combines our modern day world with the enchanting realm of classic fairy tales. The Land of Stories tells the tale of twins Alex and Conner. Through the mysterious powers of a cherished book of stories, they leave their world behind and find themselves in a foreign land full of wonder and magic where they come face-to-face with fairy tale characters they grew up reading about. But after a series of encounters with witches, wolves,

goblins, and trolls alike, getting back home is going to be harder than they thought. A withdrawn adolescent boy's initiation into the occult draws him ever deeper into the bizarre world of witchcraft, voodoo, and satanism until, at age sixteen, he commits suicide.

A New York Times bestseller A WASHINGTON POST “FEEL-GOOD BOOK guaranteed to lift your spirits” “A warm, charming tale about the rewards of revealing oneself, warts and all.” —People The story of a solitary green notebook that brings together six strangers and leads to unexpected friendship, and even love Clare Pooley's next book, Iona Iverson's Rules for Commuting, is forthcoming Julian Jessop, an eccentric, lonely artist and septuagenarian believes that most people aren't really honest with each other. But what if they were? And so he writes—in a plain, green journal—the truth about his own life and leaves it in his local café. It's run by the incredibly tidy and efficient Monica, who furtively adds her own entry and leaves the book in the wine bar across the street. Before long, the others who find the green notebook add the truths about their own deepest selves—and soon find each other In Real Life at Monica's Café. The Authenticity Project's cast of characters—including Hazard, the charming addict who makes a vow to get sober; Alice, the fabulous mommy Instagrammer whose real life is a lot less perfect than it looks online; and their other new friends—is by turns quirky and funny, heartbreakingly sad and painfully true-to-life. It's a story about being brave and putting your real self forward—and finding out that

it's not as scary as it seems. In fact, it looks a lot like happiness. The Authenticity Project is just the tonic for our times that readers are clamoring for—and one they will take to their hearts and read with unabashed pleasure.

More Letters of Note is another rich and inspiring collection, which reminds us that much of what matters in our lives finds its way into our letters. These letters deliver the same mix of the heartfelt, the historically significant, the tragic, the comic and the unexpected. Discover Richard Burton's farewell note to Elizabeth Taylor, Helen Keller's letter to The New York Symphony Orchestra about 'hearing' their concert through her fingers, the final missives from a doomed Japan Airlines flight in 1985, David Bowie's response to his first piece of fan mail from America and even Albus Dumbledore writing to a reader applying for the position of Defence Against the Dark Arts Professor at Hogwarts. Including letters from: Jane Austen, Richard Burton, Helen Keller, Alan Turing, Albus Dumbledore, Eleanor Roosevelt, Henry James, Sylvia Plath, John Lennon, Gerald Durrell, Janis Joplin, Wolfgang Amadeus Mozart, Janis Joplin, Hunter S. Thompson, C. G. Jung, Katherine Mansfield, Marge Simpson, David Bowie, Dorothy Parker, Buckminster Fuller, Beatrix Potter, Che Guevara, Evelyn Waugh, Charlotte Brontë and many more.

13-year-old Tick receives a mysterious letter than unlocks worlds of possibilities (literally). If he can solve the 12 riddles and figure out the magic words, then he will reveal something extraordinary. He just doesn't know what that extraordinary event will

be. Determined to reach the final clue, he meets some very strange people, including Master George and Mistress Jane, and makes some important friends along the way. When the doors of the lift crank open, the only thing Thomas remembers is his first name. But he's not alone. He's surrounded by boys who welcome him to the Glade - a walled encampment at the centre of a bizarre and terrible stone maze. Like Thomas, the Gladers don't know why or how they came to be there - or what's happened to the world outside. All they know is that every morning when the walls slide back, they will risk everything - even the Grievors, half-machine, half-animal horror that patrol its corridors, to try and find out.

New York Times Bestseller Named one of the Best Gift Books of the Year by Entertainment Weekly, InStyle, House Beautiful, T: The New York Times Style Magazine, Better Homes & Gardens, Luxe Interiors + Design, People StyleWatch, Garden & Gun, The Los Angeles Times, The Chicago Tribune, New York Magazine, and more John Derian's home goods empire reaches far and wide—in addition to the four John Derian stores he owns in New York and Massachusetts, his products are sold by more than 600 retailers worldwide, including Neiman Marcus, ABC, and Gump's in the United States; Conran and Liberty in the UK; and Astier de Villatte in Paris. A "sublimely creepy" psychological thriller from #1 New York Times bestselling author Colleen Hoover (Tarryn Fisher, New York Times bestselling author). Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night her family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents could devastate the already grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her.

As the third Trial draws to a close, Thomas and some of his cohorts manage to escape from WICKED, their memories having been restored, only to face new dangers as WICKED claims to be trying to protect the human race from the deadly FLARE virus.

A virtual memoir in letters by the beloved creator of the Moomins Tove Jansson's works, even

her famed Moomin books, fairly teem with letters of one kind or another, from messages bobbing in bottles to whole epistolary novels. Fortunately for her countless readers, her life was no different, unfolding as it did in the letters to family, friends, and lovers that make up this volume, a veritable autobiography over the course of six decades—and the only one Jansson ever wrote. And just as letters carry a weight of significance in Jansson's writing, those she wrote throughout her life reflect the gravity of her circumstances, the depth of her thoughts and feelings, and the critical moments of humor, sadness, and grace that mark an artist's days. These letters, penned with characteristic insight and wit, provide an almost seamless commentary on Jansson's life within Helsinki's bohemian circles and on her island home. Shifting between hope and despair, yearning and happiness, they describe her immersion in art studies and her ascension to fame with the Moomins. They speak frankly of friendship and love, loneliness and solidarity, and also of politics, art, literature, and society. They summon a particular place and time reflected through a mind finely attuned to her culture, her world, and her own nature—all clearly put into biographical and historical context by the volume's editors, both longtime friends of Tove Jansson—and, in the end, draw a complex, intimate self-portrait of one of the world's most beloved authors.

Journey through the Realities with Tick and his friends in this collectible boxed set. What if every choice you made created an alternate reality? What if those realities were in danger? In her debut middle grade novel—inspired by her family’s history—Christine Day tells the story of a girl who uncovers her family’s secrets—and finds her own Native American identity. All her life, Edie has known that her mom was adopted by a white couple. So, no matter how curious she might be about her Native American heritage, Edie is sure her family doesn’t have any answers. Until the day when she and her friends discover a box hidden in the attic—a box full of letters signed “Love, Edith,” and photos of a woman who looks just like her. Suddenly, Edie has a flurry of new questions about this woman who shares her name. Could she belong to the Native family that Edie never knew about? But if her mom and dad have kept this secret from her all her life, how can she trust them to tell her the truth now?

"In 1833, Charles Darwin was astonished by an animal he met in the Falkland Islands: handsome, social, and oddly crow-like falcons that were 'tame and inquisitive, quarrelsome and passionate,' and so insatiably curious that they stole hats, compasses, and other valuables from the crew of the Beagle. Darwin wondered why these birds were confined to remote islands at the tip of South America, sensing a larger story, but he set this mystery aside and never returned to it. Almost two hundred years later, Jonathan Meiburg ... takes us through South America, from the fog-bound coasts of Tierra del Fuego to the tropical forests of Guyana, in search of these birds: striated caracaras, which still exist, though they're very rare"--Publisher marketin

The world is virtual, but the danger is real in book one of the bestselling Mortality Doctrine series, the next phenomenon from the author of the Maze Runner series, James Dashner. Includes a sneak peek of The Fever Code, the highly-anticipated conclusion to the Maze Runner series—the novel that finally reveals how the maze was built! The VirtNet offers total mind and body immersion, and the more hacking skills you have, the more fun it is. Why bother following the rules when it's so easy to break them? But some rules were made for a reason. Some technology is too dangerous to fool with. And one gamer has been doing exactly that, with murderous results. The government knows that to catch a hacker, you need a hacker. And they've been watching Michael. If he accepts their challenge, Michael will need to go off the VirtNet grid, to the back alleys and corners of the system human eyes have never seen—and it's possible that the line between game and reality will be blurred forever. The author who brought you the #1 New York Times bestselling MAZE RUNNER series and two #1 movies—The Maze Runner and The Scorch Trials—now brings you an electrifying adventure trilogy an edge-of-your-seat adventure that takes you into a world of hyperadvanced technology, cyber terrorists, and gaming beyond your wildest dreams . . . and your worst nightmares. Praise for the Bestselling MORTALITY DOCTRINE series: “Dashner takes full advantage of the Matrix-esque potential for asking ‘what is real.’” —io9.com “Set in a world taken over by virtual reality gaming, the series perfectly capture[s] Dashner’s hallmarks for inventiveness, teen dialogue and an ability to add twists and turns like no other author.” —MTV.com “A brilliant, visceral, gamified mash-up of The Matrix and Inception, guaranteed to thrill even the non-gaming crowd.” —Christian Science Monitor

A bestselling modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. Nominated as one of America's best-loved novels by PBS's The Great American Read Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.

From the New York Times bestselling author of The Maze Runner comes the first two action-packed adventures of The 13th Reality series in one exciting edition! What if every time you made a choice that had a significant consequence, a new, alternate reality was created—the life that would've been? What if those new Realities were in danger? What if it were up to you to save all the realities—and in turn, the entire universe? Atticus Higginbottom, a.k.a. Tick, is living a regular life until the day a strange letter arrives in his mailbox. Postmarked from Alaska and cryptically signed with the initials "M.G.," the letter informs Tick that dangerous—perhaps even deadly—events have been set in motion that could result in the destruction of reality itself. Join Tick as he embarks on a series of adventures that cross time and space in the first two books of the acclaimed The 13th Reality series.

When a void from the Fourth Dimension opens up, unleashing monsters throughout the Realities, Mister George has one last weapon at his disposal--the mysterious, powerful Karma button, which might be even more dangerous than anyone imagined.

"Spurious Correlations ... is the most fun you'll ever have with graphs."--Bustle Military intelligence analyst and Harvard Law student Tyler Vigen illustrates the golden rule that "correlation does not equal causation" through hilarious graphs inspired by his viral website. Is there a correlation between Nic Cage films and swimming pool accidents? What about beef consumption and people getting struck by lightning? Absolutely not. But that hasn't stopped millions of people from going to tylervigen.com and asking, "Wait, what?" Vigen has designed software that scours enormous data sets to find unlikely statistical correlations. He began pulling the funniest ones for his website and has since gained millions of views, hundreds of thousands of likes, and tons of media coverage. Subversive and clever, Spurious Correlations is geek humor at its finest, nailing our obsession with data and conspiracy theory.
