Seminar paper from the year 2019 in the subject English Language and Literature Studies - Literature, grade: 2,0, Bielefeld University, language: English, abstract: The snake Kaa is the most important side character of Kipling's Jungle Books. It changed within the years or re-telling the story. How it changed is analysed in this paper. In this paper I will describe how the role of the snake Kaa changes and develops from its original role in Kipling's books to the way the snake is portrayed in three different film adaptations. In general, Kaa has more of a side part – in one adaptation the snake only appears once. However, provided with a great variety of characteristics and sometimes also mystic qualities, the snake becomes a very important part in the developing storyline. The fact that Kaa never plays the same role in any of the film adaptations, which in turn also differ from Kipling's original stories about Mowgli, makes this character especially fascinating. It is interesting to take a closer look at how the snake is developed and under which circumstances it meets the so called "Man-cub". Kipling introduces Kaa as a male, a mighty resident of the jungle who is friends with Bagheera and Baloo. In the Disney adaptations Kaa is more of a maverick, searching for food and trying to earn Mowgli's trust in order to eat him. In one Disney version Kaa is male, and in the later version the snake is female. In the Warner film, the snake becomes more than just an inhabitant of the jungle. I will have a detailed look at the four different ways in which Kaa is described, the snake's various characteristics and also consider the role of the snake in other

contexts. In over hundred years of re-telling Kipling's "The Jungle Books", the snake Kaa develops from Mowgli's smartest friend to his enemy to an omniscient prophetic saver of the jungle and is the most important side role in all analysed versions of "The Jungle Books".

The Jungle is a 1906 novel written by the American journalist and novelist Upton Sinclair (1878–1968). Sinclair wrote the novel to portray the lives of immigrants in the United States in Chicago and similar industrialized cities. Many readers were most concerned with his exposure of health violations and unsanitary practices in the American meatpacking industry during the early 20th century, based on an investigation he did for a socialist newspaper. The book depicts working class poverty, the lack of social supports, harsh and unpleasant living and working conditions, and a hopelessness among many workers. These elements are contrasted with the deeply rooted corruption of people in power. A review by the writer Jack London called it, "the Uncle Tom's Cabin of wage slavery." Sinclair was considered a muckraker, or journalist who exposed corruption in government and business. He first published the novel in serial form in 1905 in the Socialist newspaper, Appeal to Reason, between February 25, 1905, and November 4, 1905. In 1904, Sinclair had spent seven weeks gathering information while working incognito in the meatpacking plants of the Chicago stockyards for the newspaper. It was published as a book on February 26, 1906 by Doubleday and in a subscribers' edition.

A searing novel of social realism, Upton Sinclair's *The Jungle* follows the fortunes of Jurgis Rudkus, an immigrant who finds in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters today, now more than a hundred years after the novel first appeared in print.

During the time Mowgli was with the wolf pack, he is abducted by the Bandar-log monkeys to the ruined city. Baloo and Bagheera set out to rescue him with Kaa the python. Kaa defeats the Bandar-log, frees Mowgli, and hypnotises the monkeys and the other animals with his dance. Mowgli rescues Baloo and Bagheera from the spell. *The Jungle Book* (1894) is a collection of stories by English author Rudyard Kipling. The stories were first published in magazines in 1893–94. The original publications contain illustrations, some by Rudyard's father, John Lockwood Kipling. Kipling was born in India and spent the first six years of his childhood there. After about ten years in England, he went back to India and worked there for about six-and-a-half years. These stories were written when Kipling lived in Vermont. In this "hypnotic, violent, unsparing" (A.J. Banner, USA TODAY bestselling author) thriller from the author of the "haunting, twisting thrill ride" (Megan Miranda, New York Times bestselling author) *The River at Night*, a young woman leaves behind everything she knows to take on the Bolivian jungle, but her excursion abroad quickly turns into a fight for her life. Lily Bushwold thought she'd found the antidote to endless foster care and group homes: a gig teaching English in Cochabamba, Bolivia. As soon as she could steal enough cash for the plane, she was on it. But the program was a scam. And bonding with other broke, rudderless girls in the local youth hostel wasn't the answer. Falling crazy in love with Omar, a savvy, handsome local who'd left his life as a hunter in Ayachero—a remote jungle village—to try city life: this was the last thing Lily could have imagined. When Omar learns that a jaguar had killed his four-year-old nephew in Ayachero, he gives Lily a choice: stay alone in the unforgiving city, or travel to the last in the ever-more-isolated string of river towns in the jungles of Bolivia. Thirty-foot anacondas? Puppy-sized spiders? Vengeful shamans with unspeakable powers? None of it matters to love-struck Lily. She follows Omar to a ruthless new world of lawless poachers, bullheaded missionaries, and desperate indigenous tribes driven to the brink of extinction. To survive, Lily must navigate the jungle—and all its residents—using only her wits and resilience. "Gripping, breathtaking, and exquisitely told—Into the Jungle pulls you into another world, returning you forever transformed" (Wendy Walker, USA TODAY bestselling author). Rudyard Kipling was born in India in 1865 and spent his early years reveling in the country's exotic delights. At five he was sent to school in England, and did not return until 1882, when he worked as a reporter on the 'Civil and Military Gazette'. A prolific writer, he soon became famous for a prodigious range of tales and poems, from the high adventure of 'The Man Who Would Be

King', through the gritty doggerel of 'Barrack Room Ballads' to charming children's story such as 'Puck of Pook's Hill' and, perhaps his most celebrated offering, 'The Jungle Book'. Although it includes such famous tales as 'Rikki-Tikki-Tavi' The Jungle Book's true hero is Mowgli, a young boy raised with wolves, and hunted by the evil tiger Shere Khan. All is well until the realization dawns in Mowgli that he is human - knowledge he tries to repress as he is appalled by humankind's greed and destructiveness. Through a series of perils and adventures, Mowgli gradually comes to terms with the animal and human facets of his life. Like all good children's stories, these tales have a depth of allegory and symbolism that allows them to be enjoyed by adults as well as children. 'The Jungle Book' is a work that can be read throughout a lifetime - one that will bring pleasure and further insights at each reading.
