

The Kemetic Tree Of Life Ancient Egyptian Metaphysics And Cosmology For Higher Consciousness

How to awaken the Ureus--the serpent power of spiritual transcendence within each of us--and connect to the superconscious of the universe • Reveals the biochemistry of how the body's melanin provides the template for the subtle energy body or light body • Shows how embracing the dark light consciousness of the awakened Ureus opens a portal to the sacred darkness of the superconscious • Provides illustrated instructions for meditation practices, breathing exercises, and yoga postures to safely awaken Ureus/Kundalini energy Within each of us lies the potential to activate a personal connection to the superconscious. Called "Ureus" in ancient Egyptian texts and "Kundalini" in ancient Hindu yoga traditions, our innate serpent power of spiritual transcendence inhabits the base of the spine in its dormant state. When awakened, it unfurls along the spinal column to the brain, connecting individual consciousness to the consciousness of the universe enfolded within the dark matter of space. At the root of creativity and spiritual genius across innumerable cultures and civilizations, this intelligent force reveals portals that enfold time, space, and the luminous matrix of reality itself. Combining physics, neuroscience, and biochemistry with ancient traditions from Africa and India, Edward Bruce Bynum, Ph.D., explores the ancient Egyptian science of the Ureus and reveals how it is intimately connected to dark matter and to melanin, a light-sensitive, energy-conducting substance found in the brain, nervous system, and organs of all higher life-forms. He explains how the dark light of melanin serves as the biochemical infrastructure for the subtle energy body, just as dark matter, together with gravity, holds the galaxies and constellations together. With illustrated instructions, he shows how to safely awaken and stabilize the spiritual energy of the Ureus through meditation practices, breathing exercises, and yoga postures as well as how to prepare the subtle body for transdimensional soul travel. By embracing the dark light of the shining serpent within, we overcome our collective fear of the vast living darkness without. By embracing the dark, we transcend reality to the dimension of light.

Kemetic Literature is a set of sacred works written in Ancient Egypt. These works have been preserved for thousands of years and hold powerful information about one of the first great empires. This epic book contains: The Book of the Dead, The Negative Confessions, Egyptian Tales, Cuneiform Inscriptions and Hieratic Papyri, Hymn to Asar, Hymn to the Nile, The Solemn Festal Dirge of Kemet, Hymns to Amen, Hymn to Pharaoh, Hymns to Amen Ra, The Lamentations of Aset and Nephthys, The Litany of Ra, The Book of Respirations, and more... Be prepared to step back into the world of the Pharaohs! Offers a broad and unique look at Ancient Egypt during its long age of imperialism Written for enthusiasts and scholars of pharaonic Egypt, as well as for those interested in comparative imperialism, this book provides a look at some of the most intriguing evidence for grand strategy, low-level insurgencies, back-room deals, and complex colonial dynamics that exists for the Bronze Age world. It explores the actions of a variety of Egypt's imperial governments from the dawn of the state until 1069 BCE as they endeavored to control fiercely independent mountain dwellers in Lebanon, urban populations in Canaan and Nubia, highly mobile Nilotic pastoralists, and predatory desert raiders. The book is especially valuable as it foregrounds the reactions of local populations and their active roles in shaping the trajectory of empire. With its emphasis on the experimental nature of imperialism and its attention to cross-cultural comparison and social history, this book offers a fresh perspective on a fascinating subject. Organized around central imperial themes—which are explored in depth at particular places and times in Egypt's history—Ancient Egyptian Imperialism covers: Trade Before Empire—Empire Before the State (c. 3500-2686); Settler Colonialism (c. 2400-2160); Military Occupation (c. 2055-1775); Creolization, Collaboration, Colonization (c. 1775-1295); Motivation, Intimidation, Enticement (c. 1550-1295); Organization and Infrastructure (c. 1458-1295); Outwitting the State (c. 1362-1332); Conversions and Contractions in Egypt's Northern Empire (c. 1295-1136); and Conversions and Contractions in Egypt's Southern Empire (c. 1550-1069). Offers a wider focus of Egypt's experimentation with empire than is covered by general Egyptologists Draws analogies to tactics employed by imperial governments and by dominated peoples in a variety of historically documented empires, both old world and new Answers questions such as "how often and to what degree did imperial blueprints undergo revisions?" Ancient Egyptian Imperialism is an excellent text for students and scholars of history, comparative history, and ancient history, as well for those interested in political science, anthropology, and the Biblical World.

INITIATION INTO EGYPTIAN YOGA Shedy: Spiritual discipline or program, to go deeply into the mysteries, to study the mystery teachings and literature profoundly, to penetrate the mysteries. You will learn about the mysteries of initiation into the teachings and practice of Yoga and how to become an Initiate of the mystical sciences. This insightful manual is the first in a series which introduces you to the goals of daily spiritual and yoga practices: Meditation, Diet, Words of Power and the ancient wisdom teachings.

MEDITATION The Ancient Egyptian Path to Enlightenment Many people do not know about the rich history of meditation practice in Ancient Egypt. This volume outlines the theory of meditation and presents the Ancient Egyptian Hieroglyphic text which give instruction as to the nature of the mind and its three modes of expression. It also presents the texts which give instruction on the practice of meditation for spiritual Enlightenment and unity with the Divine. This volume allows the reader to begin practicing meditation by explaining, in easy to understand terms, the simplest form of meditation and working up to the most advanced form which was practiced in ancient times and which is still practiced by yogis around the world in modern times.

In Kemet 101 Dr. Kyles brings to life one of the most misunderstood cultures in human history with a wide range of images and methodologies. Kemet 101 dispels several myths, including the myth of an Asiatic origin of Nile Valley civilizations. Kemet 101 should be read by all with an interest in Ancient Egyptian History or African History in general. It is an excellent resource for beginners, teachers, and those already familiar with the subject. Topics addressed include: The Ethiopian and Sudanic origins of the divine kingship concept and the Ausarian (Osirian) Resurrection; The moral and spiritual beliefs of ancient Egypt; Ancient Egyptian writing systems, including the Medtu Neter (aka hieroglyphs); the plight of political figures such as Seqenenre Tao, Queen Aahotep, Hatshepsut, and the Nubians of the 25th Dynasty; and the stolen legacy of Ancient Egypt.

The story begins in Jerusalem in 70 AD as Abraham the Temple scribe flees the destruction of his home. Two thousand years and a hundred generations later, another Abraham perishes, immolated in the fires of the Warsaw Ghetto.

A matrix is a foundation upon which something is created. It is also a framework or structure that a construction can be based upon. The matrix is a guide. The question is what are the ideas and principles that African culture and society has been based on from time immemorial? In terms of African society and civilization the matrix is proverbial wisdom teachings. African proverbial wisdom teachings are aphorisms that may be found from ancient to modern times that contain a uniquely African perspective on life, social organization and spiritual existence that has been refined and encapsulated over generations. African proverbial wisdom teachings contain the guiding principles that were used by ancient African societies and which can still be found in use throughout Africa for the transference of wisdom containing a code for the architecture of a well ordered society and also for personal material and spiritual fulfillment. This volume is dedicated to outlining those principles embedded in African Proverbial Wisdom teachings for those who want to recapture the innate African acumen for creating political and economic well-being and spiritual connection to the universe.

EGYPTIAN MYSTERIES VOL 2: Dictionary of Gods and Goddesses This book is about the mystery of neteru, the gods and goddesses of Ancient Egypt (Kamit, Kemet). Neteru means "Gods and Goddesses." But the Neterian teaching of Neteru represents more than the usual limited modern day concept of "divinities" or "spirits." The Neteru of Kamit are also metaphors, cosmic principles and vehicles for the enlightening teachings of Shetaut Neter (Ancient Egyptian-African Religion). Actually they are the elements for one of the most advanced systems of spirituality ever conceived in human history.

Understanding the concept of *neteru* provides a firm basis for spiritual evolution and the pathway for viable culture, peace on earth and a healthy human society. Why is it important to have gods and goddesses in our lives? In order for spiritual evolution to be possible, once a human being has accepted that there is existence after death and there is a transcendental being who exists beyond time and space knowledge, human beings need a connection to that which transcends the ordinary experience of human life in time and space and a means to understand the transcendental reality beyond the mundane reality.

Ushet Hekau Shedi Sema Tauu Uashu or *Ushet* means "to worship the Divine," "to propitiate the Divine." *Ushet* is of two types, external and internal. When you go to pilgrimage centers, temples, spiritual gatherings, etc., you are practicing external worship or spiritual practice. When you go into your private meditation room on your own and your utter words of power, prayers and meditation you are practicing internal worship or spiritual practice. *Ushet* needs to be understood as a process of not only an outer show of spiritual practice, but it is also a process of developing love for the Divine. Therefore, *Ushet* really signifies a development in Devotion towards the Divine. This practice is also known as *sma uash* or Yoga of Devotion. *Ushet* is the process of discovering the Divine and allowing your heart to flow towards the Divine. This program of life allows a spiritual aspirant to develop inner peace, contentment and universal love, and these qualities lead to spiritual enlightenment or union with the Divine. It is recommended that you see the book "The Path of Divine Love" by Dr. Muata Ashby. This volume will give details into this form of *Sema* or Yoga.

For centuries the world has been misled about the original source of the Arts and Sciences; for centuries Socrates, Plato and Aristotle have been falsely idolized as models of intellectual greatness; and for centuries the African continent has been called the Dark Continent, because Europe coveted the honor of transmitting to the world, the Arts and Sciences. It is indeed surprising how, for centuries, the Greeks have been praised by the Western World for intellectual accomplishments which belong without a doubt to the Egyptians or the peoples of North Africa.

Ancient Egyptian Maat Wisdom of Relationships, a Comprehensive Philosophical, Legal and Psychological Manual to Apply Ethical Conscience in All Relations in Life to Promote Peace, Progress and Spiritual Enlightenment

Ashby explains the Tree of Life metaphysical teachings, disciplines, and techniques from the hieroglyphic texts.

African Cosmology, Kemetic Science, Psychology Spirituality, Metaphysics, Philosophy, Social Thought/ What is the MerKaBa Energy Body of Light and what does it, the Great Pyramid, the Tree of Life, even Christmas, all have in common? This book seamlessly unites all of these symbols, so that our Consciousness may be Unitive. A Dimensional Shifting from The Linear Tree of Life and Linear Consciousness, learning how to more indwell The MerKaBa Spherical Tree of Life and Spherical Consciousness. 1st Eye Activating, this Capstone Book is a major unveiling of the wisdom of our Ancestors and Metu Neter Language. These most sacred and mysterious terms unfold the Spiritual Journey in Consciousness, hidden *Neteru*, spheres, chambers, and more are examined as veils are lifted. Within the luminous MerKaBa Tree of Life vehicle access to Pyramidal Power is gained for: Resurrection, Portal/Transport, Empowerment, Transformation, Empowerment, Enlightenment, Initiation, Service.

THE SERPENT POWER: The Ancient Egyptian Mystical Wisdom of the Inner Life Force. This volume shows how the discipline of spiritual evolution through life force cultivation-known as Kundalini in India-was actually known about and practiced in ancient Egypt-Africa thousands of years before. This Volume specifically deals with the latent life Force energy of the universe and in the human body, its control and sublimation. How to develop the Life Force energy of the subtle body. This Volume will introduce the esoteric wisdom of the science of how virtuous living acts in a subtle and mysterious way to cleanse the latent psychic energy conduits and vortices of the spiritual body.

I Know myself, I know myself, I am One With God -From the *Pert Em Heru* "The Ru Pert em Heru" or "Ancient Egyptian Book of The Dead," or "Book of Coming Forth By Day" as it is more popularly known, has fascinated the world since the successful translation of Ancient Egyptian hieroglyphic scripture over 150 years ago. The astonishing writings in it reveal that the Ancient Egyptians believed in life after death and in an ultimate destiny to discover the Divine. The elegance and aesthetic beauty of the hieroglyphic text itself has inspired many see it as an art form in and of itself. But is there more to it than that? Did the Ancient Egyptian wisdom contain more than just aphorisms and hopes of eternal life beyond death? In this volume Dr. Muata Ashby, the author of over 25 books on Ancient Egyptian Yoga Philosophy has produced a new translation of the original texts which uncovers a mystical teaching underlying the sayings and rituals instituted by the Ancient Egyptian Sages and Saints. "Once the philosophy of Ancient Egypt is understood as a mystical tradition instead of as a religion or primitive mythology, it reveals its secrets which if practiced today will lead anyone to discover the glory of spiritual self-discovery. The *Pert em Heru* is in every way comparable to the Indian Upanishads or the Tibetan Book of the Dead." ? \$28.95 ISBN# 1-884564-28-3 Size: 8 1/2" X

3.THE KEMETIC DIET: GUIDE TO HEALTH, DIET AND FASTING Health issues have always been important to human beings since the beginning of time. The earliest records of history show that the art of healing was held in high esteem since the time of Ancient Egypt. In the early 20th century, medical doctors had almost attained the status of sainthood by the promotion of the idea that they alone were "scientists" while other healing modalities and traditional healers who did not follow the "scientific method" were nothing but superstitious, ignorant charlatans who at best would take the money of their clients and at worst kill them with the unscientific "snake oils" and "irrational theories." In the late 20th century, the failure of the modern medical establishment's ability to lead the general public to good health, promoted the move by many in society towards "alternative medicine." Alternative medicine disciplines are those healing modalities which do not adhere to the philosophy of allopathic medicine. Allopathic medicine is what medical doctors practice by an large. It is the theory that disease is caused by agencies outside the body such as bacteria, viruses or physical means which affect the body. These can therefore be treated by medicines and therapies The natural healing method began in the absence of extensive technologies with the idea that all the answers for health may be found in nature or rather, the deviation from nature. Therefore, the health of the body can be restored by correcting the aberration and thereby restoring balance. This is the area that will be covered in this volume. Allopathic techniques have their place in the art of healing. However, we should not forget that the body is a grand achievement of the spirit and built into it is the capacity to maintain itself and heal itself.

When Derric Moore became deathly ill due to the debilitating dis-ease lupus, the last thing he wanted to do, was to accept that it was "God's will." He needed something new and he needed something fast! So he appealed to God for help, and his ancestors and guardian spirits responded by giving him a spiritual system based upon Ancient Egyptian (Kamitic) theology and Afro-spiritual practices, which he used to improve his health. In this practical guide that approaches Kamitic philosophy from a shamanistic perspective, you'll learn how: -To tap into the Power of God within you - How to effectively pray and get your prayers answered - How we subconsciously make our bodies ill, but with a little effort can improve our overall health - How to change your dreams - Foretell the future through divination - Build sacred space to attract positive influences into your life - And, much, much more.

African Religion VOL. 1- ANUNIAN THEOLOGY THE MYSTERIES OF RA The Philosophy of Anu and The Mystical Teachings of The Ancient Egyptian Creation Myth Discover the mystical teachings contained in the Creation Myth and the gods and goddesses who brought creation and human beings into existence. The Creation Myth holds the key to understanding the universe

and for attaining spiritual Enlightenment.

SACRED SEXUALITY: EGYPTIAN TANTRA YOGA: The Art of Sex Sublimation and Universal Consciousness This Volume will expand on the male and female principles within the human body and in the universe and further detail the sublimation of sexual energy into spiritual energy. The student will study the deities Min and Hathor, Asar and Aset, Geb and Nut and discover the mystical implications for a practical spiritual discipline. This Volume will also focus on the Tantric aspects of Ancient Egyptian and Indian mysticism, the purpose of sex and the mystical teachings of sexual sublimation which lead to self-knowledge and Enlightenment.

The Egyptian civilization, which flourished along the banks of the Nile for about 3000 years, was one of the most extraordinary and enduring of the ancient world. Even today, after two thousand years since its setting, it continues to exert considerable charm. The Egyptians left many traces of their culture, thanks to the climate dry desert that has preserved over the centuries. The Sphinx and many pyramids, mummies, funerary masks, funerary decorations, the papyri, have thus been preserved from destruction, the common fate of many ancient remains. Egypt is in fact also known as the "gift of the Nile", because the flooding of the river deposited on the fields a layer of fertile silt, vital for the growth of crops. Already in prehistoric times, the first settlers learned to sow and plant their crops in the fields still covered by mud after the waters had receded. I collected, almost always abundant, they allowed that civilization to thrive and achieve a brilliance never known before. The ancient Egyptians called the fertile valley of the Nile *kemet*, "black earth", and themselves *remet-en-kemet*, "the people of the black earth", while the desert surrounding the town was said *deshret*, "red earth."

The gift of life's eternal wisdom! The cross and loop or circle symbol known as the Ankh has come to be one of the most widely recognized symbols in the world--honored and/or used in rituals by many religions in many cultures around the globe and through time. It gained huge popularity in the 60s when it became an anti-establishment, anti-war symbol, as Lon Milo Duquette points out in his introduction. *The Ankh: Key of Life* includes a silver-colored Ankh on a black silken cord and an informative illustrated book about the Ankh's history and meaning plus a plethora of ideas for wearing and using your Ankh in a meaningful way. If any symbol on earth could hold such power it is certainly the Ankh. It is the consensus among many modern esotericists that the Ankh was designed to be recognized by the ancient eye as a simple sandal strap. This is my favorite theory for it suggests to me the secret that life is a journey each of us must make one step at a time. It's simply a matter of going--a process of voluntary movement--a willed commitment to move on, move up, and become something greater than we now are. *Features a silver-colored Ankh pendant on a silken cord

"In 1985, Ra Un Nefer Amen received, through divine revelation, the *Metu Neter* (Word of God) oracle ... In Maat, the 11 laws of God ... [he] shares the revelations he has received concerning the laws ... correlated with the Tree of Life - that influence and govern people's lives"--Back cover. His preface indicates that he refers to the Kamitic Tree of Life, rather than the somewhat different Hebraic version.

Ra Sekhi Kemetic Reiki Level 1 is the first step on the path of traditional Kemetic Healing. Within this book are Afrikan centered tools for bringing balance to your mind, body and spirit. Some of the topics discussed are using energy for healing, balancing the aritu/chakras, clearing the aura, working with Spirit Guides and much more. This is the level 1 manual for our Kemetic Reiki classes.

The metaphysical scheme known as the Kabbalistic Tree of Life describes the structure and dynamic of Existence. Detailed examples in this book reveal how cosmic laws operate throughout the four interconnected Worlds of Jacob's Ladder. The development and purpose of humanity are seen as part of a vast process that originates in the Divine Realm.

African Religion VOL 3: Memphite Theology: MYSTERIES OF MIND Mystical Psychology & Mental Health for Enlightenment and Immortality based on the Ancient Egyptian Philosophy of Menefer -Mysticism of Ptah, Egyptian Physics and Yoga Metaphysics and the Hidden properties of Matter. This volume uncovers the mystical psychology of the Ancient Egyptian wisdom teachings centering on the philosophy of the Ancient Egyptian city of Menefer (Memphite Theology). How to understand the mind and how to control the senses and lead the mind to health, clarity and mystical self-discovery. This Volume will also go deeper into the philosophy of God as creation and will explore the concepts of modern science and how they correlate with ancient teachings. This Volume will lay the ground work for the understanding of the philosophy of universal consciousness and the initiatic/yogic insight into who or what is God?

Fasten your seatbelt as you read the spell un-binding, *Secrets of Race & Consciousness: Revealed in Ka Ab Ba (Kabala) The Tree Of Life*. This book lifts the veil and frees the human mind from its spell of illusion, squarely confronts the major issue in Psychology, Religion, and any major field of human inquiry: one cannot tell the story unless...

A New Translation to Highlight the Jewish Roots of the Christian Faith The first Christians were Jews, and Christianity has its roots in the religion of God's chosen and called out people.

Jesus's death and resurrection was not the beginning of a new religion but the fulfillment of the covenant God made with his people. Yet most Bible translations sacrifice the deep connection between the Jewish roots of our faith and the grafted-in Gentile branches, using imprecise English terms rather than Hebrew terms that encompass a fuller meaning. The *Tree of Life Version (TLV)* is a new Bible translation, produced by the Messianic Jewish Family Bible Society, which highlights the rich Hebrew roots of the Christian faith by restoring: · the Jewish order of the books of the Old Testament · the Jewish name of the Messiah, Yeshua · reverence for the four-letter unspoken name of God · Hebrew transliterated terms, such as *shalom*, *shofar*, and *shabbat* · and more

Initiation in the Temple of Osiris at Abydos, Egypt with Hieroglyph Translations of Temple Inscriptions detailing the Initiation Zones and Walking Path through The Temple Mysteries of the Priests and Priestesses. Detailed inscription translations of the discovered temple narrative path for initiates. This book presents detailed hieroglyphic panels showing the mystery wisdom and the path for initiates through the temple leading to the final attainment of spiritual enlightenment. An architectural, ichonographical and hieroglyphic study that melds photographic and spherical 360 images complemented with a web site to engage an immersive temple experience.

1.EGYPTIAN YOGA: THE PHILOSOPHY OF ENLIGHTENMENT An original, fully illustrated work, including hieroglyphs, detailing the meaning of the Egyptian mysteries, tantric yoga, psycho-spiritual and physical exercises. Egyptian Yoga is a guide to the practice of the highest spiritual philosophy which leads to absolute freedom from human misery and to immortality. It is well

known by scholars that Egyptian philosophy is the basis of Western and Middle Eastern religious philosophies such as Christianity, Islam, Judaism, the Kabala, and Greek philosophy, but what about Indian philosophy, Yoga and Taoism? What were the original teachings? How can they be practiced today? What is the source of pain and suffering in the world and what is the solution? Discover the deepest mysteries of the mind and universe within and outside of your self. ISBN: 1-884564-01-1

16.EGYPTIAN YOGA The Postures of The Gods and Goddesses Discover the physical postures and exercises practiced thousands of years ago in Ancient Egypt which are today known as Yoga exercises. Discover the history of the postures and how they were transferred from Ancient Egypt in Africa to India through Buddhist Tantrism. Then practice the postures as you discover the mythic teaching that originally gave birth to the postures and was practiced by the Ancient Egyptian priests and priestesses. This work is based on the pictures and teachings from the Creation story of Ra, The Asarian Resurrection Myth and the carvings and reliefs from various Temples in Ancient Egypt 8.5" X 11"

The Little Book of Neter is a summary of the most important teachings of Shetaut Neter for all aspirants to have for easy reference and distribution. It is designed to be portable and low cost so that all can have the main teachings of Shetaut Neter at easy access for personal use and also for sharing with others the basic tenets of Neterian spirituality.

"The World's Sixteen Crucified Saviors; Or, Christianity Before Christ" by Kersey Graves. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Exploring Religion in Ancient Egypt offers a stimulatingoverview of the study of ancient Egyptian religion by examiningresearch drawn from beyond the customary boundaries of Egyptologyand shedding new light on entrenched assumptions. Discusses the evolution of religion in ancient Egypt – abelief system that endured for 3,000 years Dispels several modern preconceptions about ancient Egyptianreligious practices Reveals how people in ancient Egypt struggled to securewell-being in the present life and the afterlife

2016 Reprint of 1909 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Originally published as "The Instruction of Ptah-Hotep" and also as "The Maxims of Ptahhotep," the work is believed by some scholars to be the oldest book in the world. Authorship is attributed to Ptahhotep, a vizier under King Isesi of the Egyptian Fifth Dynasty (ca. 2414-2375 BC). It is a collection of maxims and advice in the sebayt ("teaching") genre on human relations and are provided as instruction for his son. The work survives today in papyrus copies, including the Prisse Papyrus which dates from the Middle Kingdom and is on display at the Bibliotheque Nationale in Paris. There are considerable differences between the Prisse Papyrus version and the two texts at the British Museum. The 1906 translation by Battiscombe Gunn, published as part of the "Wisdom of the East" series and which is reprinted here, was made directly from the Prisse Papyrus, in Paris, rather than from copies. Some lessons include: Learning by listening to everybody and knowing that human knowledge is never perfect are a leitmotif. Avoiding open conflict wherever possible should not be considered weakness. Justice should be pursued and in the end it will be a god's command that prevails. Greed is the base of all evil and should be guarded against, while generosity towards family and friends is praiseworthy."

With frequent references to archeological finds, this book explores the ancient Egyptian concept of the afterlife. Author Ernest Alfred Wallis Budge was an English Egyptologist who worked for the British Museum. While Budge was not exempt from the darker side of Egyptology--he was complicit in the smuggling of antiquities, and by purchasing from dealers rather than engaging in excavation he helped encourage archeological looting--his tenure was marked by a decided increase in the quality of the museum's collection. Budge wrote this book using the full resources of the British Museum, and the resulting work offers an in-depth look at ancient Egyptian funerary practices.

The Kemetic Tree of Life Ancient Egyptian Metaphysics and Cosmology for Higher Consciousness
