A sumptuously illustrated adaptation casts the powerful imagery of F. Scott Fitzgerald's great American novel in a vivid new format. From the green light across the bay to the billboard with spectacled eyes, F. Scott Fitzgerald's 1925 American masterpiece roars to life in K. Woodman-Maynard's exquisite graphic novel—among the first adaptations of the book in this genre. Painted in lush watercolors, the inventive interpretation emphasizes both the extravagance and mystery of the characters, as well as the fluidity of Nick Carraway's unreliable narration. Excerpts from the original text wend through the illustrations, and imagery and metaphors are taken to literal, and often whimsical, extremes, such as when a beautiful partygoer blooms into an orchid and Daisy Buchanan pushes Gatsby across the sky on a cloud. This faithful yet modern adaptation will appeal to fans with deep knowledge of the classic, while the graphic novel format makes it an ideal teaching tool to engage students. With its timeless critique of class, power, and obsession, *The Great Gatsby Graphic Novel* captures the energy of an era and the enduring resonance of one of the world's most beloved books.

The perennial bestseller—now available as a sensational new graphic novel. Since its publication in 2003, nearly 7 million readers have discovered *The Kite Runner*. Through Khaled Hosseini's brilliant writing, a previously unknown part of the world was brought to vivid life for readers. Now, in this beautifully illustrated graphic novel adaptation, Hosseini brings his compelling story to a new generation of readers.

After the conviction of two prominent politicians for sedition, Dumas's story focuses on the trial of an accused collaborator: one Cornelius van Baerle, whose only wish is to grow his tulips in peace. His crowning achievement is set to be the impossible black tulip, a feat worth one hundred thousand guilders from the Horticultural Society of Haarlem, but before he can sprout the bulb he's imprisoned with only the daughter of the prison warden to give him a glimmer of hope. Set a few decades after the tulip mania of the 1630s, Alexandre Dumas's novel opens with a historical incident: the mob killing of Johan and Cornelius de Witt, then high up in the government. Dumas successfully balances the romance of the protagonist's love for both the heroine and his precious tulip with a quest to prove his innocence and thwart the schemes of his rival tulip-fancier Boxtel. *The Black Tulip* was originally

published in three volumes in French in 1850; presented here is the 1902 translation by publisher P. F. Collier & Son. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Khaled Hosseini is one of the most widely read and beloved novelists in the world. His novels have sold more than 38 million copies

worldwide. Now, six years after *A Thousand Splendid Suns* debuted at #1, spending fourteen consecutive weeks at #1 and nearly a full year on the hardcover list, Hosseini returns with a book that is broader in scope and setting than anything he's ever written before. A multigenerational-family story revolving around brothers and sisters, it is an emotional, provocative, and unforgettable novel about how we love, how we take care of one another, and how the choices we make resonate through generations. With profound wisdom, insight and compassion, Hosseini demonstrates once again his deeply felt understanding of the bonds that define us and shape our lives—and of what it means to be human.

Twelve-year-old Amir is desperate to win the approval of his father and resolves to win the local kite-fighting tournament, to prove that he has the makings of a man. His loyal friend Hassan promises to help him - for he always helps Amir - but this is 1970s Afghanistan and Hassan is merely a low-caste servant who is jeered at in the street, although Amir still feels jealous of his natural courage and the place he holds in his father's heart. But neither of the boys could foresee what would happen to Hassan on the afternoon of the tournament, which was to shatter their lives. After the Russians invade and the family is forced to flee to America, Amir realises that one day he must return, to find the one thing that his new world cannot grant him: redemption.

So, then. You want a story and I will tell you one... Afghanistan, 1952. Abdullah and his sister Pari live in the small village of Shadbagh. To Abdullah, Pari, as beautiful and sweet-natured as the fairy for which she was named, is everything. More like a parent than a brother, Abdullah will do anything for her, even trading his only pair of shoes for a feather for her treasured collection. Each night they sleep together in their cot, their skulls touching, their limbs tangled. One day the siblings journey across the desert to Kabul with their father. Pari and Abdullah have no sense of the fate that awaits them there, for the event which unfolds will tear their lives apart; sometimes a finger must be cut to save the hand. Crossing generations and continents, moving from Kabul, to Paris, to San Francisco, to the Greek island of Tinos, Khaled Hosseini writes about the bonds that define us and shape our lives, and how the choices we make resonate through history.

"A paean to unabashed, unbridled love." --Khaled Hosseini, New York Times-bestselling author of *The Kite Runner* A mesmerizing debut set in Syria on the cusp of the unrest, *A Word for Love* is the spare and exquisitely told story of a young American woman transformed by language, risk, war, and a startling new understanding of love. It is said there are ninety-nine Arabic words for love. Bea, an American exchange student, has learned them all: in search of deep feeling, she travels to a Middle Eastern country known to hold the "The

Astonishing Text," an ancient, original manuscript of a famous Arabic love story that is said to move its best readers to tears. But once in this foreign country, Bea finds that instead of intensely reading Arabic she is entwined in her host family's complicated lives--as they lock the doors, and whisper anxiously about impending revolution. And suddenly, instead of the ancient love story she sought, it is her daily witness of a contemporary Romeo and Juliet-like romance--between a housemaid and policeman of different cultural and political backgrounds--that astonishes her, changes her, and makes her weep. But as the country drifts toward explosive unrest, Bea wonders how many secrets she can keep, and how long she can fight for a romance that does not belong to her. Ultimately, in a striking twist, Bea's own story begins to mirror that of "The Astonishing Text" that drew her there in the first place--not in the role of one of the lovers, as she might once have imagined, but as the character who lives to tell the story long after the lovers have gone. With melodic meditation on culture, language, and familial devotion. Robbins delivers a powerful novel that questions what it means to love from afar, to be an outsider within a love story, and to take someone else's passion and cradle it until it becomes your own.

Wise, Often Funny, Sometimes Heartbreaking, Persepolis: The Story Of A Childhood Tells The Story Of Marjane Satrapi'S Life In Tehran From The Ages Of Six To Fourteen, Years That Saw The Overthrow Of The Shah'S Regime, The Triumph Of The Islamic Revolution And The Devastating Effects Of War With Iraq. The Intelligent And Outspoken Child Of Radical Marxists, And The Great-Granddaughter Of Iran'S Last Emperor, Satrapi Bears Witness To A Childhood Uniquely Entwined With The History Of Her Country. Persepolis Paints An Unforgettable Portrait Of Daily Life In Iran And Of The Bewildering Contradictions Between Home Life And Public Life. Amidst The Tragedy, Marjane'S Child'S Eye View Adds Immediacy And Humour, And Her Story Of A Childhood At Once Outrageous And Ordinary, Beset By The Unthinkable And Yet Buffered By An Extraordinary And Loving Family, Is Immensely Moving. It Is Also Very Beautiful; Satrapi'S Drawings Have The Power Of The Very Best Woodcuts.Persepolis Ends On A Cliffhanger In 1984, Just As Fourteen-Year-Old Marjane Is Leaving Behind Her Home In Tehran, Escaping Fundamentalism And The War With Iraq To Begin A New Life In The West. In Persepolis 2: The Story Of A Return We Follow Our Young, Intrepid Heroine Through The Next Eight Years Of Her Life: An Eye-Opening And Sometimes Lonely Four Years Of High School In Vienna, Followed By A Supremely Educational And Heartwrenching Four Years Back Home In Iran. Just As Funny And Heartbreaking As Its Predecessor - With Perhaps An Even Greater Sense Of The Ridiculous Inspired By Life In A Fundamentalist State - Persepolis 2 Is Also As Clear-Eyed And Searing In Its Condemnation Of Fundamentalism And Its Cost To The Human Spirit. In Its Depiction Of The Universal Trials Of Adolescent Life And Growing Into Adulthood - Here Compounded By Being An Outsider Both Abroad And At Home, And By Living In A State Where You Have No Right To Show Your Hair, Wear Make-Up, Run In Public, Date, Or Question Authority - It'S Raw, Honest, And Incredibly Illuminating.

When at last it’s time to meet Mama at the air base, Astrid wears her favorite space T-shirt to greet her. But where exactly has Mama been? Channeling a sense of childlike delight, Ken Wilson-Max brings space travel up close for young readers and offers an inspiring ending.

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

In Khaled Hosseini's best-selling novel *The Kite Runner* (Riverhead Books, 2003), Hosseini shows us an Afghanistan rich in tradition and culture and an Afghanistan torn apart by war and political strife. We see Muslims who are not so different from Christians or Jews. In *In Search of the Kite Runner* looks at the basic themes that make *The Kite Runner* such a fascinating and thought-provoking story and that make it personal for anyone who has ever wished for a chance to do something over. Written from a Christian perspective, *In Search of the Kite Runner* begins with the rudiments of Islamic faith and the Islam of Afghanistan. The author likens the struggles of *The Kite Runner*'s characters and those of other literary figures to the struggles and stories of biblical patriarchs. She brings to light the complexities of interpersonal and intrafamily relationships and examines the impact that power, guilt, and the quest for forgiveness and redemption can have on our lives. Exploring both the individual and the collective basis for doing good, Hayes probes our perceptions

about what it means to be religious and what it means to be human. From the Popular Insights series. From a writer whom the New York Times dubbed Canada's "Generation X laureate" comes a quartet of haunting, unforgettable tales of young people stuck in the inescapable prison of family. A New York Times Notable Book and winner of Britain's prestigious Winifred Holtby Memorial Prize, *Traplines* is the book that introduced the world to Canadian author Eden Robinson. In three stories and a novella, Robinson explodes the idea of family as a nurturing safe haven through a progression of domestic horrors experienced by her young, often helpless protagonists. With her mesmerizing, dark skill, the author ushers us into these worlds of violence and abuse, where family loyalty sometimes means turning a blind eye to murder, and survival itself can be viewed as an act of betrayal. In the title story, for a teenager named Will growing up on a Native reserve in northwestern Canada, guilt, race, and blind fidelity are the shackles chaining him to the everyday cruelty and abuse he is forced to endure. In "Dogs in Winter," a girl recalls life with her serial-killer mother and fears for her own future. A young teen and the sadistic, psychopathic cousin who comes to live with him engage in a cat-and-mouse game that soon escalates out of control in "Contact Sports," while in the final story, "Queen of the North," a young Native girl deals in her own way with sexual molestation at the hands of a pedophile uncle. Each of these tales is vivid, intense, and disturbing, and Robinson renders them unforgettable with her deft flair for storytelling and a surprising touch of humor.

heartbreak of the current refugee crisis with this deeply moving, beautifully illustrated short work of fiction for people of all ages, all over the world. "Intensely moving. . .Powerfully evocative of the plight in which displaced populations find themselves."— Kirkus, STARRED Review "Hosseini's story, aimed at readers of all ages, does not dwell on nightmarish fates; instead, its emotional power flows from the love of a father for his son."— Publishers Weekly, STARRED BOX Review A short, powerful, illustrated book written by beloved novelist Khaled Hosseini in response to the current refugee crisis, *Sea Prayer* is composed in the form of a letter, from a father to his son, on the eve of their journey. Watching over his sleeping son, the father reflects on the dangerous sea-crossing that lies before them. It is also a vivid portrait of their life in Homs, Syria, before the war, and of that city's swift transformation from a home into a deadly war zone. Impelled to write this story by the haunting image of young Alan Kurdi, the three-year-old Syrian boy whose body washed upon the beach in Turkey in September 2015, Hosseini hopes to pay tribute to the millions of families, like Kurdi's, who have been splintered and forced from home by war and persecution, and he will donate author proceeds from this book to the UNHCR (the UN Refugee Agency) and The Khaled Hosseini Foundation to help fund lifesaving relief efforts to help refugees around the globe. Khaled Hosseini is one of the most widely read writers in the world, with more than fifty-five million copies of his novels sold worldwide in more than seventy countries. Hosseini is also a Goodwill Envoy to the UNHCR, and the founder of The Khaled Hosseini Foundation, a nonprofit that provides humanitarian assistance to the people of Afghanistan.

The script for the stage production of Khaled Hosseini's first and internationally bestselling novel, *The Kite Runner*, as adapted by playwright Matthew Spangler. The unforgettable, heartbreaking story of the unlikely friendship between a wealthy boy and the son of his father's servant, *The Kite Runner* is a beautifully crafted novel set in a country that is in the process of being destroyed. Now adapted for the stage, the story is about the power of reading, the price of betrayal, and the possibility of redemption, and is an exploration of the influence of fathers over sons--their love, their sacrifices, their lies. A sweeping saga of family, love, and friendship told against the devastating backdrop of the history of Afghanistan over the last thirty years, *The Kite Runner* is an unusual and powerful story that has become a beloved, one-of-a-kind classic. This adaptation was first performed at Wyndham's Theatre, London, in December 2016.
