LIMITED TIME BOX SET RELEASE! Welcome to Crimson Elite, the most exclusive sex club in the world. Enter at your own risk, and always remember our number one rule— You must never speak of Crimson Elite—the punishment is severe. BOOK 1 (CAVALIER) Creed ‘Too Hot for Words’ Christopher If God created the perfect man he would closely resemble Creed, on the outside that is. He’s as cavalier as they come. Unconcerned. Cold. Dismissive. I wonder if he has any feelings at all. And when his lips touch mine, everything goes black. He takes me into his world, and it’s the most magical thing I’ve ever experienced. And I’m sucked in time and time again. Like a moth to the flame, I am ready to be set alight. Elicea ‘F*cks With My Head’ Beckham Elicea is a firecracker. She has piqued my interest, and no one piques my interest anymore. Beautiful women are what I do—it’s my work. Not one of them has managed to get their claws into me the way she does. It’s as if she’s seeing my icy heart and trying to melt it, set it alight with each touch of her sinful lips. But that can’t work, it won’t work. Not in my world. BOOK 2 (ANGUISHED) It wasn’t meant to be this way—she shouldn’t have fallen for my brother and left me for him. But she did. And now I’m left to pick up the pieces of my shattered, broken heart. And to top it off, they want me to come to their wedding. Do they think I’m a pushover? Do they think of me as a joke? The old saying stands true, ‘Why have enemies when you can have family.’ I understand it now, better than I ever have in my life. There’s one unexpected surprise though: Storm. She blew in just like one and makes the pain diminish. She’s exactly as her name describes her—she is a storm. A beautiful and powerful one. But not all things are meant to last. Like a storm that wreaks havoc, some things cause anguish, and in my life she may very well be one of them.

An unputdownable, must-have sports book for every LeBron James, Cleveland Cavaliers, and NBA fan. June 19, 2016: the greatest moment in Cleveland sports history, when the Cleveland Cavaliers won the NBA Finals and broke the Cleveland Curse. It was the triumph fans had been waiting fifty-two years for, and it wasn’t easy to get there—but thanks to LeBron James, an audacious plan to build a winning team, a couple of maverick GMs, and an incredible community of fans, it happened; and 2016 saw the birth of a new Cavaliers dynasty. But how did they get there? It was a roller-coaster ride from tragedy to triumph, one that Jason Lloyd, a longtime Northeast Ohio resident turned reporter for the Akron Beacon Journal, got to see firsthand. He was witness to the Blueprint, as he calls it, which the Cavs put together to win their star player back from Miami and build a team that could win the ultimate championship. It incorporated several losing seasons, some high-risk draft picks, and an entirely new understanding of how to build a championship team. The best part of the plan is that it worked, culminating in the most exciting Finals series in NBA history. And, most important, the end of the Cleveland Curse. Jason Lloyd, a true insider, tells the story of how the NBA really works, and how everyone—from the front office to the stars on the court to the new generation of coaches—worked together to create an unforgettable winning team.

"With deft, wry prose and a credible plot, Fraser holds our interest and leaves us clamoring for more Jemima Shore mysteries."--Publishers Weekly

They were five young men, all still in their teens and all from the same community. Schooled together they had remained close friends after finishing the eighth grade. These last few years theyd worked, each helping on their own families farms. Now with their younger brothers and sisters old enough to take over, they could leave. Their parents and others relatives would have all the help they needed. For years they had banded together as adventurous youths and now they talked of more exciting things to do and places to see. Though they were warned about how tough the times were and there was little work, except for seasonal farm labor, they were not deterred. They had heard the new courthouse being built in St. Louis. Though it was some distance away and place where they had never been, they felt sure a city with that large a building project would surly need many workers. Their families though reluctant to see them leave did help them gather the things they would need. They knew these were determined young men, anxious to look for that something they felt in their hearts was out there, waiting just for them.

A 2013 Amazon Breakthrough Novel Award Quarter-Finalist. The Paranormal Romance Guild say - "Georgiana Derwent has managed to merge the world of Oxford University, with its rich history and very British traditions with a totally entertaining and plausible vampire story. This is going to be a favourite series." A Tale of the Posh, the Privileged and the Paranormal... The Cavaliers are the most elite society at Oxford University - rich, powerful, and beautiful. No one realises that they are no ordinary students, but a group of aristocratic vampires from the English Civil War. For four hundred years they have groomed the most promising students to run the government, police, and finance in the way the vampires wish, granting them eternal life in return for absolute obedience. When Harriet French arrives at Oxford University from her working class northern state school, she's prepared for a culture shock, but not to become embroiled in the Cavaliers' scheming and bloodlust. Harriet thought she'd be busy enough juggling her demanding tutor, new friends, and the murky world of student politics. But now, she must find the rebel vampire who is killing off the members, stop the Cavaliers from orchestrating a massacre of the year's most beautiful and successful students, and defy the Society to be with the man of her dreams. Oxford Blood is a British, adult, paranormal romance. It's a tale with vampires that aren't

afraid to kill and a heroine who's not afraid of sex or her own ambition. ABOUT THE AUTHOR Georgiana Derwent read History at Oxford University. Aside from the vampires, The Cavaliers Series is an exaggerated but fairly accurate portrayal of her time there. She now works in London and lives with her fiance. He's been very supportive throughout the writing of her books, mainly because he likes to claim that all the most attractive characters are based on him. Georgiana fell in love with vampire novels after reading "The Vampire Diaries" back in 2000. At the time it was a struggle to find any similar paranormal romances, a situation that it's fair to say seems to have been rectified in the last few years. She now loves paranormal series such as True Blood, fantasy novels, and modern literary works in roughly equal measure. Ever since her teens, she wanted to write a vampire series. Ever since going to Oxford she wanted to write a book about her experiences there. During a dull few months between finishing university and starting her graduate job, she had the idea of combining the two and "The Cavaliers Series" was born.

Every summer, the spectacle of drum and bugle corps holds hundreds of thousands of fans in thrall. They pack stadiums from Chicago to Los Angeles, New York to Dallas, and Amsterdam to Tokyo to witness the pageantry and cutthroat competition of marching music at its highest level. Building the Green Machine: Don Warren and Sixty Years with the World Champion Cavaliers Drum and Bugle Corps is the unique story of how one man's dream launched turned a raucous gang of Chicago Boy Scouts into one of the greatest drum and bugle corps in the world. The tale begins in the 1940s in rough-and-tumble Logan Square, Chicago, where charismatic junior scoutmaster Don Warren covets more for his buddies than the dead-end world the street had to offer. Somehow, he convinced his friends to ditch knots and camping for snare drums and horns. And so the Cavaliers were born. The blare and bombast of competitive drum corps erupted in postwar Chicago as neighborhood groups clashed for bragging rights. To become champions, the Cavaliers had to overcome raw musical talent and clumsy feet to build a brotherhood capable of repelling every outside challenge. But drum corps is about more than a show polished to jaw-dropping perfection. It's about friendship, maturing into adulthood, and having lots of fun. It's about hours of rehearsal under an unsympathetic sun, pushing yourself beyond your limits. It's about the roar of the crowd as you strut onto the field, ready to blow your eyeballs out the bell of your horn. It's about achieving something together greater than something you could ever achieve alone. The bonds forged during cross-country bus tours—when you call a gym floor and a sleeping bag your nightly bed and sloppy Joe dished from a trailer kitchen your daily bread—last for a lifetime. Above all, drum corps is about people: parents, teachers, fans, and volunteers who keep the annual tour afloat and give of themselves so members enjoy the experience of a lifetime. Building the Green Machine carries readers through the dominant ascendancy of the Cavaliers to the top of drum corps—but that is only the beginning. By the early 1970s, cigar-chomping Warren is helping found a new competitive circuit called Drum Corps International, which turned the activity into the free-wheeling sprinting artistry of today—nearly killing his beloved Cavaliers in the process. Prepare in turns to laugh aloud and raise your hand to your mouth in shock as you ride the buses, charge onto the field, and participate in the hilarious behind-the-scene shenanigans with the cast of characters who created the world-famous Green Machine. Colt Foutz's Building the Green Machine delivers an unparalleled look at an American musical odyssey—a quintessential American rags-to-riches story you will never forget. About the Author: In six years as a journalist in Ohio and the Chicago suburbs, Colt Foutz won fifteen state and national awards for newspaper writing. He was president of his high school marching band and studied music composition at Carnegie Mellon University, where he earned a B.A. in creative writing. Colt is the recipient of Follett and Getz fellowships in the M.F.A. writing program at Columbia College Chicago. He lives in the Chicago suburbs with his wife and son. About the founder: Don Warren founded The Cavaliers in 1948 as a teenager, and has served as its president ever since. In 1971, Warren and four rival directors formed the Midwest Combine, which grew the next year into Drum Corps International. Warren worked as an insurance salesman for thirty-three years. He is the father of four, the grandfather of nine, and has been married to his wonderful wife for half a century. The Warrens live in Wood Dale, Illinois. Advance praise for Building the Green Machine: Colt Foutz masterfully presents the Cavaliers story through the eyes of the corps founder and Drum Corps International co-founder Don Warren. . . . This is a must-have for anyone who calls drum corps their activity. - Dan Acheson, executive director, Drum Corps International With a true storyteller's instinct, Colt Foutz chronicles every pounding beat and every soaring note of the Cavaliers' amazing 60-year history. Building the Green Machine is a terrific read, equally engaging for Corps insiders as it is for the newly initiated. - Sam Weller, author, The Bradbury Chronicles: The Life of Ray Bradbury This book is a priceless reminder of what drum corps is about: Kids, making the world a better place, and excellence! And Don did it all! With this book, we have the stories, the challenges, and the joy-to relive for years to come. - George Hopkins, executive director, Cadets Drum and Bugle Corps, Youth Education in the Arts

Selected as a Top Ten Book of the Year by The Washington Post: the newly discovered last novel by the author of The Three Musketeers. Rousing, big, spirited, its action sweeping across oceans and continents, its hero gloriously indomitable, the last novel of Alexandre Dumas—lost for 125 years in the archives of the National Library in Paris—completes the oeuvre that Dumas imagined at the outset of his literary career. Indeed, the story of France from the Renaissance to the nineteenth century, as Dumas vibrantly retold it in his numerous enormously popular novels, has long been absent one vital, richly historical era: the Age of Napoleon. But no longer. Now, dynamically, in a tale of family honor and undying vengeance, of high adventure and heroic derring-do, The Last Cavalier fills that gap.

All In. The moment that LeBron James declared his return to the Cleveland Cavaliers in 2014, there was no doubt the franchise was all in on ending the city of Cleveland's over half-century drought without a major sports championship. From the mid-season coaching change to a 3-1 NBA Finals deficit, the Cavs were determined to overcome any obstacle to capture the first NBA title in franchise history. Unlike in 2015 when they were decimated by injuries, they stayed largely healthy in the 2016 playoffs and torched the Pistons, Hawks, and Raptors on their way to a Finals rematch versus Stephen Curry and the record-breaking Warriors. Packed with unmatched analysis and dynamic color photography, Cleveland Is King takes fans through the Cavaliers historic and improbable journey, from Tyronn Lue taking over as coach during the season, to LeBron shaping the team in his image, to the team rallying from the brink of elimination in dramatic fashion to steal the championship in Oakland. This commemorative edition also includes in-depth profiles of King James, Finals hero Kyrie Irving, big man Kevin Love, and more key players in the Cleveland's extraordinary championship run.
