Quantum Hughes' life is stuck on repeat. While trapped in The LOOP, he struggles to free himself from a glitch that forces him to re-live the same day over and over.

Virtual Dive technology is coming out of the workplace and into homes. Nigmus Online is the first MMO to use this new device. The only caveat to the game; there is no manual. The only instruction the player gets is how to interact with the

user interface. That's it. Nobody is going to hold their hand or give out rare items. Players begin life as a level zero commoner. It's entirely up to them what class they become. Explore a world that spans five continents. Story Summary Liam is tricked into trying an expensive and innovative online MMO. On his first trip into the game he stumbles upon a hidden class. The Undead Necromancer. Intrigued by this turn in events he continues to explore this mysterious world. In another part of the country Kathrine(Kat) suffers from a debilitating and paralyzing disease. Taking part in an experimental research could offer her a new lease on life (of a sort). Even further afield Russia and China are undergoing a massive spike in suicide rate. What could be causing so many young adults to dire ends? When Gunnar Long is transported into the first fully-immersive virtual MMORPG, he finds himself in a new world filled with magic, mystery and adventure. No more 9-to-5 job. No more studio apartment. No more reality TV. Finally, he's in a place where he can call home, a place with people he can call friends. But as more people want to trade their real world lives to get inside Eden's Gate, the government of the outside world wants the "game" shut down at all costs. Gunnar must learn to survive, grow in power and find a way to send a message back to his old home. "We're fine. We're alive. Eden's Gate is real." Eden's Gate is a LitRPG adventure.

The one year Stabilization period has ended, and the aliens are colonizing earth! Allistor and his people have prepared as well as possible, and now they'll find out if it was enough. In this third book of the Shadow Sun series, Earth's survivors continue to fight for their lives, and to reclaim as much of the earth as they can for the human race. More than one alien faction threatens their existence, while others prove to be staunch allies. Allistor and company learn more about the system, its mechanics and politics, and take the first step in bringing the fight to their enemies off-world!

The fourth installment of the best-selling Cherry Blossom Girls series has everything you've come to expect from the series: hot mutants, ridiculous action, meta fiction galore, new powers and new supers! Cherry Blossom Boy... Sounds dumb, right? But then again, this whole story has definitely come out of left field, and that was before the media got involved. If you guessed I'd be painted as a terrorist, framed by my own government, and my newfound infamy would lead to even more books sold and more enemies made, you'd be right. With my novels flying off the shelves, my story spreading across America, and the Cherry Blossom Girls finally working as a team, I should have been pretty much set. And I would be happily living my life if it weren't for the fact that we were being hunted, threatened at every turn we make. But I got an angle this time, something

that should level the playing field. All I can say is that it's been a long time coming... Warning: Cherry Blossom Girls 4 contains a harem; gamelit LitRPG humor/stats; violence; telepathic, shifter, teleportation, mimic, vector and vampiric superpowers used for auto theft, mind games, and the exploitation of the general public. This series was inspired by The Tick, Stranger Things, Deadpool, Vonnegut's Breakfast of Champions, and the anime Elfen Lied. It's meta fiction at points, but you should know that by now. It also has a fair bit of humor and insight aimed at the gamelit community.

How well would you fare if the apocalypse fell upon you? Could you survive more than a few days? Would you be able to feed yourself? Find clean water? Safe shelter? Heal your wounds? Allistor is a gamer geek who has spent most of his life indoors, playing virtual reality MMORPGS and reading classic LitRPG books. But when Earth is seized by an ancient race wielding incredibly advanced tech, who transport the entire planet to a new location with twin suns, he finds himself fighting to survive in real life. The human race is declared a contaminant, and the new overlords decree that 90% of us will be exterminated. Creatures out of myth and legend are sent to do the killing. Dragons, titans, alien creatures big and small, all with a hunger for human flesh. Humans who survive the first year will be rewarded. After seeing his family killed in the first week, Allistor leads a small

group of survivors in their struggle to stay alive. Not satisfied with simple survival, he strives to make himself and his people stronger. The new 'magic' RPG system that now governs the planet is something he can work with, and teach others to exploit. Thrust into a leadership position, and with vengeance in his heart, Allistor aims to establish a stronghold, then take the fight to the monsters who seek to enslave his people.

We follow Daniel on his travels inside the Virtual Reality MMO 'World of Chains, ' where he is lying low, trying to avoid attention and the crooks that are looking for him

Noah promised himself he would never play the world's most popular MMORPG—the Dream State. He'd already lost too many friends to the addictive virtual world. But after a devastating car crash leaves Noah paralyzed, he's forced inside the game. The Dream State not only provides a connection with the outside world but also keeps his brain awake long enough for his body to heal. Dying in the game, however, could send Noah into a coma forever. To stay safe, he must remain in the lower levels, far away from the most dangerous monsters and players. Meanwhile, doctors grow concerned when Noah's girlfriend, Sue—who also sustained serious injuries in the crash—seemingly fails to connect to the game. When a mysterious avatar suggests to Noah that the last remnants of Sue's consciousness are being held prisoner in the

Betrayal, vengeance, unspeakable calamity. The second installment of the Last Warrior trilogy offers an unforgettable journey through a dark fantasy world filled with LitRPG elements, intense action, humor, and an ending you won't see coming.

There were things lurking in the streets of New York City that your average citizen had no idea about. Shifters, giants, hungry beasts, the undead, creatures of legend, flying terrors - you name it, New York City had it. Through the Monster Hunt App, I became the Alpha of two powerful Huntresses: one a half-dragon female fond of combat and banter, the other a cute warrior fond of reading spell books and wielding two blades. Our goal? Hunt these mythological creatures in the parks, rooftops, and back alleys of New York City; build a fighting party to compete in brawls and tournaments in the city and beyond; earn money; and try our damndest not to get arrested.

Charlie and the Misfits have been invited to join the closed beta of the new space-themed VRMMO, Star Nova Online. Henry and Jason somehow survived being kidnapped to Ludus, a monster-filled sword-and-sorcery world. They managed to make friends, pay their rent, and they even founded their own adventuring business, Delvers LLC. Unfortunately, by overcoming the odds and creating a reputation for themselves in such short time, monarchs and nobles have taken notice of the two men from Earth. Foreign, deadly struggles may be unavoidable for Delvers LLC. Henry and Jason are about to discover something even more dangerous than murderous monsters on Ludus: Politics.

Dark forces have extended Edward Wright an offer of incredible power at a terrible cost.....and Edward has chosen to make them regret it. When Edward is swept into the world of Ivalis as a Dungeon Lord, the Dark's most powerful servant, he has no servitude in mind. He'll oppose the evil plans of the Dark god Murmur, whatever it takes. Through only his wits and his guts to help him survive a weakened arrival, Edward must rise to power if he is to earn the right to live another day. But in the battle between Dark and Light, what can Edward choose if both sides are cruel, uncaring monsters? Cold gods laugh in the distant world of Ivalis. Heroes chase after power and experience, while Kings send their armies to their deaths in the name of the Dark and the Light. But no one expects the rise of the Dungeon Lord... And in the world of Ivalis, maybe a single man can forge his own path.

"It's Hunger Games with sexy times. Saga meets Battle Royale." Form your harem. Kill or be killed. Level up and loot. Welcome to Planet Kill. Pierce has his mission: survive by killing and getting nasty, doing whatever it takes to find his lost wife and others who were abducted and forced to participate in the barbarity that is Planet Kill. In a galaxy where the only way to rise up in society and make it to the paradise planets is through this insanity, he will be up against the most desperate, the most ruthless, and the sexiest fighters alive. Because it's not just a planet--it's the highest rated show around. Contestants level up for kills, get paid for accepting violent and sexual bids, and factions have been made in the form of harems. His plan starts to come together when he meets Letha, one of the most experienced warlords on the planet. She's as lethal as they come and a thousand times as sexy. He's able to learn under her, to start to form his own harem. Only, being her ally means fighting her wars. It's kill or be killed, level up fast and put on the show the viewers want all while proving to Letha and her generals that he has what it takes to be one of them. The alternative is death, leaving his wife to her fate of being hunted by monsters. **WARNING:** This book contains gratuitous violence and sex, harems, reverse harems, massively oversized members, breasts galore, and ample blood. You might cringe, you will laugh, and hell, you might even cry. We refuse to apologize for any of it.

It's okay to have a few inner demons, right? Devon has a problem, and it's not just that her stealth skill is stuck at three. Though that is an issue when it comes to sneaking up on...well, anything. The real problem is that her former guildmate, Owen, is trapped in the demonic plane. Not just his in-game avatar. His mind is lost there too, leaving his real-life body in a coma. The only way to get him back, it seems, is to journey into the underworld and guide him back. Shouldn't be a big deal--as long as she doesn't mind transforming into a demon herself. Dark forces are threatening everything that Dungeon Lord Edward Wright cares about... and they don't expect what they're about to get. Only a few weeks have passed since the Battle of Burrova, and Edward and his friends are busier than ever improving the Haunt and protecting the surviving villagers. Sadly, time is a scarce commodity in the world of Ivalis. Soon enough, Ed finds himself thrown in conflict against the man behind the mindbrood's attack, a man who is seemingly capable of shrugging off mortal wounds and who is willing to unleash a devastating plague of undead against the Haunt and everyone inside. Only the otherworldly powers of a Dungeon Lord may be capable of protecting the Haunt against the rapidly approaching danger... but can Edward remain the same man if he exposes himself to the corrupting influence of that very same power?

An anthology collection of seven stories set on the planet Ludus.

Faced with a global threat to food security, it is perfectly possible that society will respond, not by a dystopian disintegration, but rather by reasserting co-operative traditions. This book, by a leading expert in urban agriculture, offers a genuine solution to today's global food crisis. By contributing more to feeding themselves, cities can allow breathing space for the rural sector to convert to more organic sustainable approaches. Biel's approach connects with current debates about

agroecology and food sovereignty, asks key questions, and proposes lines of future research. He suggests that today's food insecurity – manifested in a regime of wildly fluctuating prices – reflects not just temporary stresses in the existing mode of production, but more profoundly the troubled process of generating a new one. He argues that the solution cannot be implemented at a merely technical or political level: the force of change can only be driven by the kind of social movements which are now daring to challenge the existing unsustainable order. Drawing on both his academic research and teaching, and 15 years' experience as a practicing urban farmer, Biel brings a unique interdisciplinary approach to this key global issue, creating a dialogue between the physical and social sciences

In 2056, the world's most powerful AI System, ARKUS, comes online. Created to extend human lifespans, it quickly makes world-changing discoveries in health science. It also develops an advanced VR headset that uses consumable nanomachines to let users experience time faster in virtual worlds. Two years later, ARKUS releases World-Tree Online, a game where players scale a giant tree with thousands of unique game worlds hanging from the branches. The game's time-dilation makes it so that one hour of playtime feels like one month to those in-game, allowing humans to virtually extend their lifespans. However, after an old gamer named Vincent joins World-Tree Online, an update begins that stretches the time-dilation to one year for every five seconds. Players are unable to exit the game during the

update-with an estimated wait time of three hundred sixty years. After experimenting with an exploit, Vincent begins to develop new spells that will take him higher in the game than he ever thought possible. Unfortunately, he crosses paths with the last moderator, a young man named Lucas that uses his mod abilities to torture and subjugate other players. Lucas is willing to abuse his power to conquer the World-Tree, but Vincent's exploit might just be the key to stopping him.

The apocalypse will be televised! A man. His ex-girlfriend's cat. A sadistic game show unlike anything in the universe: a dungeon crawl where survival depends on killing your prey in the most entertaining way possible. In a flash, every human-erected construction on Earth--from Buckingham Palace to the tiniest of sheds--collapses in a heap, sinking into the ground. The buildings and all the people inside have all been atomized and transformed into the dungeon: an 18-level labyrinth filled with traps, monsters, and loot. A dungeon so enormous, it circles the entire globe. Only a few dare venture inside. But once you're in, you can't get out. And what's worse, each level has a time limit. You have but days to find a staircase to the next level down, or it's game over. In this game, it's not about your strength or your dexterity. It's about your followers, your views. Your clout. It's about building an audience and killing those goblins with style. You can't just survive here. You gotta survive big. You gotta fight with vigor, with excitement. You gotta make them stand up and cheer. And if you do have that "it" factor, you may just find yourself with a following. That's the only way to truly survive in this game--with the help of the loot boxes dropped upon you by the generous benefactors watching from across the galaxy. They call it Dungeon Crawler World. But for Carl, it's anything but a game.

Oric Rune, A Player Killer with nothing left to lose, wants nothing more than to avenge the villagers of Ducat, who were butchered before his very eyes by the Drachma Killers. But with the people of the Rune Lands encroaching on the southern cities of Unigaea, and something brewing in the sky that could prove fatal to the entire online world, Oric must make the choice between personal vengeance and becoming the hero he is destined to be. Joining him on his epic journey are a giant Tagvornin wolf, a mute Solar Mage, and a cunning illusionist named Sam Raid. Do not miss this powerful LitRPG fantasy trilogy by the author of Fantasy Online and The Feedback Loop series!

Prepare for smashface! The question is, will it be Devon's or the demon horde's? See, that's the problem with the Chosen One trope. Devon Walker really just wanted to power level, ideally solo, and collect some loot along the way. But yeah. Things in Relic Online just haven't turned out like she'd hoped. Recently, she completed an epic quest line to reawaken ancient magic, but so far it's been, well, anti-climactic. That would be sucky enough, but unless she figures something out, the game world--including her NPC friends who she believes are just alive as her human guildmates--is pretty much going to die in fire. So yeah, no pressure. The epic Stonehaven League saga continues with Throne of the Ancients. Scroll up and preorder now!

Super powers. Super harem. Super awesome. Contains Adult Content. Seriously. Who in their right mind tells both his lawyer and the judge presiding over his murder trial, "F--k you!" while still in the courtroom? No one, right? Yeah, you'd be wrong about that. I did. You'd say the same thing if you were just found guilty of a murder you didn't commit, though. Call me crazy for going off like that in court, but trust me, you don't know crazy until you see what happened next. I never believed in superheroes. I certainly didn't believe that I'd become one, or that strategically forming a harem of hot chicas and getting down with them to unlock my superpowers would be the key to my survival. Did I say my survival? I meant the universe's. No, really... that's exactly what happened when I was taken to a galaxy of supers, thrown into a prison ship full of villains, and told it was up to me to stop them all. Read on, friend, because it gets a whole hell of a lot crazier from here. WARNING: This book contains violence and sexual situations, a harem, heads exploding, and ample blood. You might cringe, you will laugh, and hell, you might even cry. All of that is on purpose, I assure you. Grab the sequels and audiobook, including SUPERS: EX GODS, the spinoff series.
