[The Little Airplane](#) Lois Lenski, 2015-01-27 Take flight with Pilot Small's classic aerial adventure—now available as a board book! Tag along as Pilot Small takes his little red airplane up, up, up for a joyride! Newly simplified text, paired with Lois Lenski's bright and charming art, makes an irresistible choice for youngsters already reaching for the sky!

[The Littlest Airplane](#) Brooke Hartman, 2022-04-12 A rhyming picture book about how sometimes it's not the biggest, strongest, or the fastest, but the littlest who can get the job done! Charming, entertaining, and original, *The Littlest Airplane* is an especially and unreservedly recommended addition to family, daycare center, preschool, elementary school, and community library picture book collections for children ages 4-7. —Midwest Book Review This is a really cute story about a plane that is smaller than all the others. He feels inferior because he can't do what the big planes can. But when people get stuck in a storm and call for help, the big planes are too big to land to rescue the people, the little plane can reach them and he saves them. The illustrations were cute; I love the expressiveness of the planes. . . 4 stars. —Youth Services Book Review The text clearly stands out against Joseph's wonderful illustrations, which work in tandem with the text to convey exactly what's happening in the story. These scenes are big and colorful, making it easy to see all aspects of the picture, even from a distance—perfect for story hours. . . Altogether, Hartman has created another wonderful ride of a story. A great rhyming read aloud for little learners to introduce different types of planes and spot light the oft-forgotten bush plane. —School Library Journal The story told in lilting rhyming text is brought to life in colorful illustrations featuring personified airplanes with expressive faces and beautiful Alaskan scenery. Facts about bush planes and a labeled diagram of a plane appear in the back pages. Young children identify with being small and wanting to be important. They will recognize this story as a good companion to *The Little Engine That Could*. —Children's Literature Comprehensive Database “Alaska Northwest Books wings into spring with... *The Littlest Airplane* by Brooke Hartman, illus. by John Joseph, in which a storm necessitates calling a mighty little bush plane to rescue people stuck on a mountain in the snow.” —Publishers Weekly, Spring 2022 Children's Sneak Previews At a landing strip in the far north, a little bush plane watches quietly as bigger, stronger, faster planes take off for adventure. But when a storm hits and hikers are stranded on the mountain, who will come to the rescue? Told in rhyming verse with bright illustrations, *The Littlest Airplane* soars high with heart and excitement.
