The set includes: Little House in the Big Woods, Little House on the Prairie, Farmer Boy, On the Banks of Plum Creek, By the Shores of Silver Lake, The Long Winter, Little Town on the Prairie, These Happy Golden Years, and The First Four Years. Little House in the Big Woods Wolves and panthers and bears roam the deep Wisconsin woods in the late 1870's. In those same woods, Laura lives with Pa and Ma, and her sisters, Mary and Baby Carrie, in a snug little house built of logs. Pa hunts and traps. Ma makes her own cheese and butter. All night long, the wind howls lonesomely, but Pa plays the fiddle and sings, keeping the family safe and cozy. Little House on the Prairie Pa Ingalls decides to sell the little log house, and the family sets out for Indian country! They travel from Wisconsin to Kansas, and there, finally, Pa builds their little house on the prairie. Sometimes farm life is difficult, even dangerous, but Laura and her family are kept busy and are happy with the promise of their new life on the prairie. Farmer Boy While Laura Ingalls grows up in a little house on the western prairie, Almanzo Wilder is living on a big farm in New York State. Almanzo and his brother and sisters

work at their chores from dawn to supper most days -- no matter what the weather. There is still time for fun, though, especially with the horses, which Almanzo loves more than anything. On the Banks of Plum Creek Laura's family's first home in Minnesota is made of sod, but Pa builds a clean new house made of sawed lumber beside Plum Creek. The money for materials will come from their first wheat crop. Then, just before the wheat is ready to harvest, a strange glittering cloud fills the sky, blocking out the sun. Soon millions of grasshoppers cover the field and everything on the farm. In a week's time, there is no wheat crop left at all. By the Shores of Silver Lake Pa Ingalls heads west to the unsettled wilderness of the Dakota Territory. When Ma, Mary, Laura, Carrie, and baby Grace join him, they become the first settlers in the town of De Smet. And Pa begins work on the first building in what will soon be a brand-new town on the shores of Silver Lake. The Long Winter The first terrible storm comes to the barren prairie in October. Then it snows almost without stopping until April. Snow has reached the rooftops, and no trains can get through with food or coal. The people of De Smet are starving, including Laura's family, who wonder how they're going to make it through this terrible winter. It is young Almanzo Wilder who finally understands what needs to be done. He must save the town, even if it means risking his own life. Little Town on the Prairie The long winter is over. With spring come socials, parties, and "Literaries." There is also work to be done. Laura spends many hours each day sewing shirts to help send Mary to a college for the blind. But in the evenings, Laura makes time for a

new caller, Almanzo Wilder. These Happy Golden Years Laura is teaching school, and it's terrifying! Most of the students are taller than she is, and she must sleep away from home for the first time. Laura is miserable, but the money is needed to keep Mary in a college for the blind. And every Friday -- no matter what the weather -- Almanzo Wilder arrives to take Laura home to her family for the weekend. Laura and Almanzo are courting, and even though she's not yet sixteen, she knows that this is a time for new beginnings. The First Four Years Laura and Almanzo Wilder have just been married! Their life on a small prairie homestead begins with high hopes. But each year seems to bring unexpected disasters -- storms, sickness, fire, and unpaid debts. These first four years call for courage, strength, and a great deal of determination. Always, though, there is love, especially for the newest member of the family -- baby Rose.

Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway

of discovery: an eternal journey for the living and the dead.

Generations of children have fallen in love with the pioneer saga of the Ingalls family, of Pa and Ma, Laura and her

sisters, and their loyal dog, Jack. Laura Ingalls Wilder's Little House books have taught millions of Americans about frontier life, giving inspiration to many and in the process becoming icons of our national identity. Yet few realize that this cherished bestselling series wandered far from the actual history of the Ingalls family and from what Laura herself understood to be central truths about pioneer life. In this groundbreaking narrative of literary detection, Christine Woodside reveals for the first time the full extent of the collaboration between Laura and her daughter, Rose Wilder Lane. Rose hated farming and fled the family homestead as an adolescent, eventually becoming a nationally prominent magazine writer, biographer of Herbert Hoover, and successful novelist, who shared the political values of Ayn Rand and became mentor to Roger Lea MacBride, the second Libertarian presidential candidate. Drawing on original manuscripts and letters, Woodside shows how Rose reshaped her mother's story into a series of heroic tales that rebutted the policies of the New Deal. Their secret collaboration would lead in time to their estrangement. A fascinating look at the relationship between two strong-willed women, Libertarians on the Prairie is also the deconstruction of an American myth. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects

that are sometimes overlooked and to authors whose work might not otherwise find a home.

Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, this is Volume 9 of the nine volume series constituting 'The Complete Works of Swami Vivekananda'. In these volumes we have not only a gospel to the world at large, but also, to its own children, the Charter of the Hindu faith. For the first time in history, Hinduism itself forms here the subject of generalization of a Hindu mind of the highest order. What Hinduism had needed was the organizing and consolidating of its own idea, a rock where she could lie at anchor, and an authoritative utterance in which she might recognise herself. What the world had needed was a faith that had no fear of truth. Both are found in the words and writings of Swami Vivekananda. It is the latest gospel of a modern Prophet of religion and spirituality to the mankind.

Already a well-known and well-loved character in children's literature is Laura Ingalls. Now young readers can read about her mother, Caroline, and her daughter, Rose, and their adventures growing up on the frontier. This special collector's boxed set includes the first books in each of the different series--"Little House in the Big Woods" by Laura Ingalls Wilder, "Little House in Brookfield" by Maria D.
