Filarmino. Fauola pastorale Ridolfo CAMPEGGI (Count.),1605

Homosexuality and Italian Cinema Mauro Giori,2017-11-18 This book is the first to establish the relevance of same-sex desires, pleasures and anxieties in the cinema of post-war Italy. It explores cinematic representations of homosexuality and

their significance in a wider cultural struggle in Italy involving society, cinema, and sexuality between the 1940s and 1970s. Besides tracing the evolution of representations through both art and popular films, this book also analyses connections with consumer culture, film criticism and politics. Giori uncovers how complicated negotiations between challenges to and valorization of dominant forms of knowledge of homosexuality shaped representations and argues that they were not always the outcome of hatred but also sought to convey unmentionable pleasures and complicities. Through archival research and a survey of more than 600 films, the author enriches our understanding of thirty years of Italian film and cultural history.

David's Story Zoë Wicomb, 2015-04-25 A powerful post-apartheid novel and winner of South Africa's M-Net Literary Award, hailed by J.M. Coetzee as "a tremendous achievement." South Africa, 1991: Nelson Mandela is freed from prison, the African National Congress is now legal, and a new day dawns in Cape Town. David Dirkse, part of the underground world of activists, spies, and saboteurs in the liberation movement, suddenly finds himself above ground. With "time to think" after the unbanning of the movement, David searches his family tree, tracing his bloodline to the mixed-race "Coloured" people of South Africa and their antecedents among the indigenous people and early colonial settlers. But as David studies his roots, he soon learns that he's on a hit list. Now caught in a web of surveillance and betrayal, he's forced to rethink his role in the struggle for "nonracial democracy," the loyalty of his "comrades," and his own conceptions of freedom. Mesmerizing and multilayered, Wicomb's award-winning novel delivers a moving examination of the nature of political vision, memory, and truth. "A delicate, powerful novel, guided by the paradoxes of witnessing the certainties of national liberation and the

uncertainties of ground-level hybrid identity, the mysteries of sexual exchange, the austerity of political fiction. Wicomb's book belongs on a shelf with books by Maryse Condé and Yvette Christiansë." —Gayatri Chakravorty Spivak, author of *A Critique of Postcolonial Reason*

Love Letters from Montmartre Nicolas Barreau, 2020-05-12 For fans of Nina George, Elena Ferrante, and Valentina Cebeni, a charming, uplifting novel about a man who sets out to fulfil his dead wife's last wish. Julien Azouly, the famous French writer of beautiful romance novels, has stopped believing in love. When his beloved wife, H el ene, dies at the age of thirty-three, leaving him alone to raise their young son, Arthur, he is so devastated that he loses faith in the happier side of life—and along with that his ability to write. But H el ene was clever. Before her death, she made her husband promise to write her thirty-three letters, one for each year of her life. Six months after the funeral, Julien finds himself standing in the most famous cemetery in Paris, the painful first letter in his hand. Little does he know that something strange—and wonderful—is about to happen. An ode to love, Paris, and joie de vivre, *Love Letters from Montmartre* brings the reader down narrow streets, past the cozy red bistro on Rue Gabrielle, and all the way to Montmartre cemetery with its beautiful stone angels, where we will discover the truth we all hope to find: that love is real, that miracles can happen and that—most of all—it's never too late to rediscover your dreams. Empathetic and wise, this is the deeply profound yet very human story of a man who finds love just when he thinks all is lost.

Bloodleaf Crystal Smith, 2019-03-12 “Enchanting, visceral, and twisty”— New York Times bestselling author of *Ash Princess*, Laura Sebastian “BLOODLEAF feels like a classic in the making.” - Sara Holland, New York Times bestselling author of *Everless* A roar of a dark and luscious epic fantasy that's layered with heady romance, bloodthirsty magic, and ghostly intrigue—an absolutely wicked delight. Aurelia is a princess, but they call her a witch. Surrounded by spirits and burdened with forbidden magic, she lives in constant fear of discovery by the witch-hunting Tribunal and their bloodthirsty mobs. When a devastating assassination attempt reveals her magical abilities, Aurelia is forced to flee her country with nothing but her life. Alone and adrift in an enemy kingdom, Aurelia plans her revenge against the Tribunal, desperate to bring down the dark organization that has wrought terror upon her people for hundreds of years. But there's something deeply amiss in her new home, too, and soon she finds herself swept into a deadly new mystery with a secretive prince, the ghost of an ancient queen, and a poison vine called Bloodleaf. Aurelia is entangled in a centuries-long game of love, power, and war, and if she can't break free before the Tribunal makes its last move, she may lose far more than her crown.

Lost in Translation Ella Frances Sanders, 2014-09-16 From the author of *Eating the Sun*, an artistic collection of more than 50 drawings featuring unique, funny, and poignant foreign words that have no direct translation into English Did you know that the Japanese language has a word to express the way sunlight filters through the leaves of trees? Or that there's a Finnish word for the distance a reindeer can travel before needing to rest? *Lost in Translation* brings to life more than fifty

words that don't have direct English translations with charming illustrations of their tender, poignant, and humorous definitions. Often these words provide insight into the cultures they come from, such as the Brazilian Portuguese word for running your fingers through a lover's hair, the Italian word for being moved to tears by a story, or the Swedish word for a third cup of coffee. In this clever and beautifully rendered exploration of the subtleties of communication, you'll find new ways to express yourself while getting lost in the artistry of imperfect translation.

Liam For Hire A. Zukowski, 2018-08-24 Liam Murphy has kicked his drug habit and now pays for the high living costs in London as an escort. His life is finally in balance. His only problem is that he obsesses about the minimum number of times he has to bend over to make ends meet. As long as he has his emotions under control, it'll be fine. That's what Liam keeps telling himself until he meets the young widower Alastair, also known as Ali, whose emerald eyes remind him of Ireland. "I...I want us to have sex as though we're making love." Making love? Jaysus. I scratch my head. "Okay. You mean more kisses and shit?" Ali laughs. "And shit." His face lights up and he looks about ten years younger. "Like cuddles." Featuring Liam from *The Boy Who Fell to Earth*. This title contains material some may find objectionable or trigger-inducing: mature content, drug use, suicidal thoughts.
