How does magic in J. K. Rowling's universe work? Finally, the scientific secrets are revealed! The story of the boy who lived has brought the idea of magic and sorcery into mainstream fruition more than any other book series in history. Modern muggle scientists have uncovered explanations to the seemingly impossible, including answers to such questions as: Will we ever see an invisibility cloak? How hazardous is a flying broomstick like the Nimbus 2000? How has medicine made powerful potions from peculiar plants? (Felix Felicis, anyone?) Can scientists ever demonstrate Wingardium Leviosa, or the flying power of a Golden Snitch? Is it possible to stupefy someone? And many more! Often perceived as a supernatural force, magic captivates and delights its audience because of its seeming ability to defy physics and logic. But did you ever wonder if science has any explanation for these fantastic feats? The Science of Harry Potter examines

Illusionist, escape artist, movie star, aviator, and spy—Harry Houdini was all these and an international celebrity and the world’s most famous magician. This fascinating biography looks at all the facets of Houdini’s amazing life and includes 21 magic tricks and illusions for a hands-on learning experience. Children will be inspired by this Jewish immigrant who grew up in poverty and, through perseverance and hard work, went on to become one of the most popular and successful entertainers of all time. Houdini was an artist who created his acts carefully, practicing them for years in some cases. He performed such seemingly impossible stunts as escaping several sets of handcuffs and ropes after jumping off a bridge into a flowing river.

Kids will learn how he devised his most legendary stunts and will also learn the science and logic behind many of Houdini’s acts including his famous milk can escape. Kids can amaze their family and friends with these simple, entertaining, and fun tricks and illusions:

- Stepping through an index card
- Performing an odd number trick
- Making a coin appear
- Mind reading with a secret code
- Making a magic box
- Lifting a person with one hand
