And Newt can't bear the thought of his friends watching him descend into madness as he succumbs to the virus. From there, he experiences the gritty nightmare of life on the streets, running from the infected and those hunting them, until he ends up in the Crank Palace, the last dumping ground of those without hope. Although Newt thought he was running away from his friends to save them from himself, along the way he meets a young mother named Keisha and her son, Dante, who end up saving Newt in a way he could never have imagined.
