

The McGraw Hill Dictionary Of Misspelled And Easily Confused Words Choose The Right Word And Spell

The words you need, quickly and easily Especially designed for beginning learners, this dictionary will help you master the essential words of Spanish. Inside you'll find entries that include pronunciations and grammatical information in a clear, easy-to-understand format, as well as helpful example sentences to show each word in everyday context.

McGraw-Hill's Dictionary of American Idioms is the most comprehensive reference of its kind, bar none. It puts the competition to shame, by giving both ESL learners and professional writers the complete low-down on more than 24,000 entries and almost 27,000 senses. Entries include idiomatic expressions (e.g. the best of both worlds), proverbs (the best things in life are free), and clichés (the best-case scenario). Particular attention is paid to verbal expressions, an area where ordinary dictionaries are deficient. The dictionary also includes a handy Phrase-Finder Index that lets users find a phrase by looking up any major word appearing in it.

Lists and explains terminology related to science and technology, providing synonyms, acronyms, and pronunciation for each entry, and covering such areas as bioscience, chemistry, astronomy, and engineering.
