Raef knows about pirates, and the simple quest Raef anticipated turns out to be an epic journey. For while Jon might be a nobler man than Raef believed, he's still a pirate. Love and loyalty are not on Jon's agenda, and he certainly has no plans to love someone not entirely human ...

The Merman's Kiss Tamsin Ley, 2017-02-05 A sexy, sleek-tailed monster. Zantu has evaded the mate-bond for thirty-five years, dodging promiscuous mermaids with vile intents. Unlike mermaids, mermen bond for life, and Zantu refuses to accept the heartbreak most mermen die of. That is, until the glint of gold catches his eye, and a simple salvage mission turns to passion. Now he's bonded to a human. A woman looking for a reason to live. Briana thinks her life is over after the loss of her child. Instead, she falls into the arms of a merman who is anything but cold-blooded. He's wild, seductive, and sets her blood on fire every time he touches her, and soon she begins to need him for more than his magic to breathe underwater. He might just give her a new purpose. But as dangers encroach from every side, Zantu must choose; keep his new mate at his side or keep her safe. Either way, he's sure he'll end up with a broken heart. Reader Promise: Steamy love scenes, dangerous mermaids, and sexy merman secrets. Guaranteed HEA with no cliffhangers. Intended for mature audiences.

The Merman's Children Poul Anderson, 2014-12-30 The last of the merfolk scour Earth for a new home to call their own. The underwater city of Liri has thrived off the coast of Denmark for generations. But now, as Europe's medieval age comes to a close, the efforts of zealous priests and the destructive ringing of church bells are causing the city to crumble. An ageless people who thrived apart from the cruelty of human existence on land, the merfolk are poetic speakers, loving and loyal, nearly impervious to death but with one great deficiency: They lack souls. Their numbers dwindling, the merpeople scatter. Some abandon their home for the coast of Dalmatia in the Adriatic Sea, while others—the half-human, half-seaborn children of the great merfolk king Vanimen—decide to scout alien territory on land for adventure, treasure, and clues to their lost human heritage.

The Merman's Jewel Meghan Alexis Moore, 2024-03-13 AN EARTH WOMAN / MERMAN ROMANCE When she discovers that her husband has been unfaithful, Niamh O'Sullivan decides that life is no longer worth living. She casts herself into the clear blue waters of Kinnagoe Bay and expects it to be the end. Instead she's rescued by merman Adam Spellman and taken to MerLand, an undersea kingdom more beautiful than any she could have imagined. Within a year she's borne him a pair of beautiful twins and been loved more than she's ever been loved before. The only problem is that she's wracked with guilt at the thought of the pain she caused her loved ones by leaving them so abruptly and without a word of explanation. Adam has the power to facilitate a trip back to Earth, but it means that Niamh has to leave him and her children behind. Can she take the chance of losing all she holds dear just to lay the ghosts of her past to rest, even if closure would give her the chance of perfect contentment?

The Merman's Desire Meghan Alexis Moore, 2024-03-14 A BBW EARTH WOMAN / MERMAN ROMANCE. Twenty-year-old

Erin Murphy isn't the slim, blonde, model-type woman that men prefer. Once she'd dyed her dark hair a shocking shade of red and worn green contact lens in order to attract attention and it had ended disastrously. She has decided that she wouldn't ever change herself again in order to find love, but is there any man who will love her as she is? Merman Jacob Spellman has always been attracted to fuller curves. None of the women on MerLand suit his taste. He'd wondered if he was destined to settle for less than his heart's desire, until his older brother Adam finds happiness with an Earth woman and makes Jacob realize that he has to explore further afield. He sees Erin walking along Portobello Beach, senses her loneliness and longing to be loved, and decides that she will be his. All Erin needs is to believe that a handsome prince wants her just as she is. All Jacob needs to do is convince her that the Kingdom of MerLand is a better place than Earth.

The Merman's Conquest Meghan Alexis Moore, 2024-03-14 AN EARTH WOMAN / MERMAN ROMANCE. Eighteen-year-old Mariam El-Kashef is about to get married to a man ten years older than her own father. There is nothing she can do about it. Her father owes the man more money than he can repay. In a last ditch effort, she goes to Sunny Sands Beach with a large mirror in the hope of transporting herself into an alternate universe as she'd once dreamed she had done as a child. Merman Lucius Archer's life feels as though it's spinning out of control. He never imagined that he and his identical twin Lucas would ever live separate lives: one on MerLand and the other on Earth. Like all merman twins, they had hoped to share one Intended mate, but the Fates have decided against it. Lucas has found his mate on Earth; if Lucius doesn't find his too, he will have no choice but to return to MerLand. They have grown up so incredibly close, that would feel like losing an arm. Then Lucius finds Mariam, his Intended, less than a week before she marries a man she has no desire to wed. He will do whatever it takes to get her out of the sticky situation, but is either of them prepared for the repercussions of messing with a man dangerous enough to kill?

The Merman's Prize Meghan Alexis Moore, 2024-03-14 AN EARTH WOMAN / MERMAN ROMANCE. Twenty-year-old Angela Braithwaite has grown up with parents who are both Rastafarians. Born rebellious, she knows that she cannot be like her mother and meekly submit to male leadership as the religion purports. And instead of being attracted to the men of her own race as a dutiful daughter, she's had an eye for tall, blond men; the very last type of men that her parents would allow her to date or marry. Lucas Archer feels battle weary and exhausted from the events that have occurred over the last six years. He was lead guard responsible for ensuring the safety of the future King of MerLand and had failed miserably. He redeems himself by capturing the traitor and bringing him to justice. He's rewarded handsomely for his efforts but is left still feeling dissatisfied. Then he sees Angela realizes that she is his Intended mate and a prize just waiting for him to claim.

Kierkegaard and Socrates Jacob Howland,2006-04-24 This volume is a study of the relationship between philosophy and faith in Søren Kierkegaard's Philosophical Fragments. It is also the first book to examine the role of Socrates in this body of writings, illuminating the significance of Socrates for Kierkegaard's thought. Jacob Howland argues that in the Fragments, philosophy and faith are closely related passions. A careful examination of the role of Socrates demonstrates that Socratic, philosophical eros opens up a path to faith. At the same time, the work of faith - which holds the self together with that which transcends it - is essentially erotic in the Socratic sense of the term. Chapters on Kierkegaard's Johannes Climacus and on Plato's Apology shed light on the Socratic character of the pseudonymous author of the Fragments and the role of 'the god' in Socrates' pursuit of wisdom. Howland also analyzes the Concluding Unscientific Postscript and Kierkegaard's reflections on Socrates and Christ.

Volume 16, Tome I: Kierkegaard's Literary Figures and Motifs Katalin Nun,Jon Stewart,2016-12-05 While Kierkegaard is perhaps known best as a religious thinker and philosopher, there is an unmistakable literary element in his writings. He often explains complex concepts and ideas by using literary figures and motifs that he could assume his readers would have some familiarity with. This dimension of his thought has served to make his writings far more popular than those of other philosophers and theologians, but at the same time it has made their interpretation more complex. Kierkegaard readers are generally aware of his interest in figures such as Faust or the Wandering Jew, but they rarely have a full appreciation of the vast extent of his use of characters from different literary periods and traditions. The present volume is dedicated to the treatment of the variety of literary figures and motifs used by Kierkegaard. The volume is arranged alphabetically by name, with Tome I covering figures and motifs from Agamemnon to Guadalquivir.

Love and Friendship Eduardo A. Velásquez,2003 These collected essays demonstrate that compelling and illuminating discussions of love and friendship do not fall to psychologists alone, but rightly belong among the major thinkers in the

history of political philosophy.

The Merman Prince's Daddy Colbie Dunbar,Lorelei M Hart,2021-09-25 I swam from my future only to find my daddy. Alpha wolf shifter Alton heard the call of the sea from his pack's territory in the mountains. Yet it's only in the wake of his father's death that he follows destiny's current to the shoreline. While his soul finds peace during the day, listening to the gently lapping waves, at night his dreams are haunted by long suppressed memories. Through those flashes of moments long forgotten, Alton realizes he's there for more than a new start. It's up to him to right the wrongs of the past... As next in line for the throne, omega merman Merrik's entire life has been arranged for him. Which means an alpha has been chosen for him. Unfortunately, even the idea of this mating makes Merrik's skin crawl. That leaves him with only one choice: leave his underwater kingdom and cross his fingers the whole situation blows over. Little does he know, fate has other plans. No sooner do his toes sink into the sand, than Merrik feels the unmistakable pull of the mate bond. The fact that it's to a human would have been shocking enough, but to a smexy wolf bearing the mark of the forbidden ones is downright scandalous. His father may never forgive him, yet Merrik can't deny he aches for Alton's touch. Can the love they share rewrite their peoples' sordid history? Or will it come crashing down like white-capped waves on a rocky shoreline?
