After a suicide, two oddball female sleuths investigate a coin collection that is anything but small change Maggie Hill's life has become temporary. Her marriage was temporary, her jobs are temporary, and if work doesn't pick up, her time in California might be temporary, too. Her latest employer is Ellis Kenilworth, an aging coin expert with a first-rate collection and a tenth-rate family. One morning, he has Maggie type up a codicil to his will, changing the document so that his million-dollar rare-coin collection goes not to his kin, but to a woman named Claire Conrad. By the end of the day, the codicil has vanished, and Kenilworth has killed himself with a shotgun. When the hyena-like family starts to circle Maggie, she reaches out to Conrad. The heiress is an eccentric private detective who wears only black and white—and whose sense of honesty is as clear-cut as her wardrobe. 'A wonderful book - an invigorating revelation ... An essential collection of prose poems from across the globe, by old masters and new, reveals the form's astonishing range' Kate Kellaway, Observer The prose poem has proven one of the most innovative and versatile poetic forms of recent years. In the century-and-a-half since Charles Baudelaire, Emma Lazarus, Oscar Wilde and Ivan Turgenev spread the notion of a new kind of poetry, this 'genre with an oxymoron for a name' has attracted and beguiled many of our most beloved writers. Yet it has long remained a hidden territory - and even now, this peculiarly rich and expansive form can strike

many contemporary readers as something of a mystery. Here, Jeremy Noel-Tod reconstructs the history of the prose poem for us by selecting the essential pieces of writing - by turns luminous, brooding, lamentatory and comic - which have defined and developed it at each stage, covering a greater chronological sweep and international range than any previous anthology of its kind. In *The Penguin Book of the Prose Poem*, Margaret Atwood rubs shoulders with Claudia Rankine; Lu Xun and Rabindranath Tagore take seats in the family tree above Seamus Heaney and Simon Armitage; and Czeslaw Milosz sits just pages from Eileen Myles.

A 2019 NEWBERY HONOR BOOK "A gripping, nuanced story of the human cost of conflict appropriate for both children and adults." -Kirkus, starred review

In the vein of *Inside Out and Back Again* and *The War That Saved My Life* comes a poignant, personal, and hopeful tale of India's partition, and of one girl's journey to find a new home in a divided country. It's 1947, and India, newly independent of British rule, has been separated into two countries: Pakistan and India. The divide has created much tension between Hindus and Muslims, and hundreds of thousands are killed crossing borders. Half-Muslim, half-Hindu twelve-year-old Nisha doesn't know where she belongs, or what her country is anymore. When Papa decides it's too dangerous to stay in what is now Pakistan, Nisha and her family become refugees and embark first by train but later on foot to reach her new home. The journey is long, difficult, and dangerous, and after losing her mother as a baby, Nisha can't imagine losing her homeland, too. But even if her country

has been ripped apart, Nisha still believes in the possibility of putting herself back together. Told through Nisha's letters to her mother, *The Night Diary* is a heartfelt story of one girl's search for home, for her own identity...and for a hopeful future.

A clatter of footsteps sounded far out on the jetty. Frank and Joe vaulted the fence and sprinted in pursuit.

The definitive translation by Dick Davis of the great national epic of Iran—now newly revised and expanded to be the most complete English-language edition A Penguin Classic Dick Davis—“our pre-eminent translator from the Persian” (*The Washington Post*)—has revised and expanded his acclaimed translation of Ferdowsi’s masterpiece, adding more than 100 pages of newly translated text. Davis’s elegant combination of prose and verse allows the poetry of the *Shahnameh* to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers.

Originally composed for the Samanid princes of Khorasan in the tenth century, the *Shahnameh* is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the seventh-century Arab conquest. The stories of the *Shahnameh* are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as *The Kite Runner* and the love poems of Rumi and Hafez. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors,

David Gentleman has lived in London for almost seventy years, most of it on the same street. This book is a record of a lifetime spent observing, drawing and getting to know the city, bringing together work from across his whole career, from his earliest sketches to watercolours painted just a few months ago. Here is London as it was, and as it is today: the Thames, Hampstead Heath; the streets, canals, markets and people of his home of Camden Town; and at the heart of it all, his studio and the tools of his work. Accompanied by reflections on the process of drawing and personal thoughts on the ever-changing city, this is a celebration of London, and the joy of noticing, looking and capturing the world. 'David has spent a lifetime depicting with wit and affection a London he has made his own' Alan Bennett 'He delivers a poetry of exultant concentration ... The surface fusion of the sensuous and the sharply modern is echoed by Gentleman's imagery' Guardian 'The artist and illustrator has been responsible for some of the most-seen public artworks in this country' The Times 'Perhaps the last of the great polymath designer-painters' Camden New Journal

Amazon.com *Pirates of the Caribbean: At World's End* is a rollicking voyage in the same spirit of the two earlier *Pirates* films, yet far darker in spots (and nearly three hours to boot). The action, largely revolving around a pirate alliance against the ruthless East India Trading Company, doesn't disappoint, though the violence is probably too harsh for young children. Through it all, the plucky cast (Keira Knightley, Orlando Bloom, Geoffrey Rush) are buffeted by battle, maelstroms, betrayal, treachery, a ferocious Caribbean weather goddess, and that

gnarly voyage back from the world's end--but with their wit intact. As always, Johnny Depp's Jack Sparrow tosses off great lines ; he chastises "a woman scorned, like which hell hath no fury than!" He insults an opponent with a string of epithets, ending in "yeasty codpiece."! In the previous Dead Man's Chest, Sparrow was killed--sent to Davy Jones' Locker. In the opening scenes, the viewer sees that death has not been kind to Sparrow--but that's not to say he hasn't found endless ways to amuse himself, cavorting with dozens of hallucinated versions of himself on the deck of the Black Pearl. But Sparrow is needed in this world, so a daring rescue brings him back. Keith Richards' much ballyhooed appearance as Jack's dad is little more than a cameo, though he does play a wistful guitar. But the action, as always, is more than satisfying, held together by Depp, who, outsmarting the far-better-armed British yet again, causes a bewigged commander to muse: "Do you think he plans it all out, or just makes it up as he goes along?"

Could doing a good deed for the town bookstore be the best thing for his befuddled spirit? And who was riding through town in a limo? Not Edith Mallory. Then an editorial in the weekly *Muse* poses a question that sets the whole town looking for answers: Does Mitford still take care of its own? Original / British English Pete and Carla are students.
