Many have discovered the Enneagram to be a powerful tool for self-understanding, yet knowing ourselves doesn't necessarily mean we accept ourselves. Most of us tend to curate the personality of our type: leading with the traits we perceive as positive and sidelining the traits that cause us shame. But what if it all belonged? Rather than furthering our own fragmentation, what if we dared to make peace with the whole of who we are with bold compassion? *The Enneagram of Belonging* is your guide to this essential journey. While most contemporary Enneagram books stop at the descriptions of the nine types, Enneagram teacher and *The Sacred Enneagram* bestselling author Chris Heuertz uncovers the missing link in our journey of living into our true self: radical self-compassion that can bring us back to belonging. Rather than get stuck on stereotypes or curated personality, Heuertz proposes we develop an honest relationship with our type, confronting our "inner dragons," practicing self-compassion, and thereby coming to fully belong to ourselves--and, ultimately, to love itself. In this in-depth examination of the Enneagram of Personality, you will

The truth is how we treat ourselves is how we treat others, so let's start with compassion, and let this outflow into our relationships, communities, and world.

Would you like to get back in touch with your roots and your deepest desires? Do you desire to build healthy relationships and go back to being yourself? We start small and innocent in this world; but as we grow older, we realize that life can be sometimes painful. No one likes pain and it is only human nature to protect ourselves to cope with pain. It is as if we put on armor; another term for that armor is personality. The problem is we sometimes think our personality armor is who we truly are and we, therefore, lose sight of our true selves. The armor that once protected us often ends up keeping us from being who we truly are and causes all kinds of problems in relationships, work and life in general. Wouldn't it be nice to be able to identify what is our personality armor and what is our true self? There is a way, it's called the enneagram. Most personality assessments tell you what your type is and what personality is but they don't go as far as to tell you what

illuminates the painful truth of where we are and inspires us with the promise of where we could be. As the Enneagram has grown in popularity over the past 30 years, the insights offered have focused either on the present or the future, with little guidance on how to move from Point A to Point B. In *The Conscious Enneagram* Abi Robins offers a rich, insightful guide for those seeking to move from patterns to promise. Through practical, easy-to-understand coaching, storytelling, and personal inquiry, Robins explores three main ways for getting from where we are to where we could be: Practice, Lineage, and Community. These make up the three-legged stool of the inner and outer work required to radically change the way we think, feel, and move through the world. This book will show you how to cultivate each of these legs in your life in meaningful, enriching ways that are tailored to your type. This work, based on the ancient system of the Enneagram, will help you to enjoy more satisfying and fulfilling relationships in all areas of your life by introducing you to the nine basic personality types inherent in human nature. This knowledge should help you better understand how others think, and why they behave as they do, as well as increasing your awareness of your own individual personality.

The Enneagram is a most helpful instrument in assisting persons to see themselves in the mirror of their minds, especially to see the images of personality distorted by compulsions and other basic attitudes about self. It would be impossible for most of us to spend a day without coming into direct or indirect contact with dozens of people family, friends, people in the street, at the office, on television, in our fantasies and fears. Our relationships with others are the most changeable, infuriating, pleasurable and mystifying elements in our lives. Buckle up, folks. It's time to jump in, embrace your inner self, and release the things that are holding you back from wholeness. Enter the Millenneagram. The Enneagram is an ancient personality typing system that has a sneaky way of revealing who we are and why we do the things we do. Using nine types, it gets to the root of our fears and motivations, unveiling our inner-most selves. Millenneagram reinvigorates the Enneagram by putting a modern spin on the classic nine types. Hannah Paasch, creator of the popular #millenneagram threads on Twitter, reveals how this system acts as a map toward our authentic selves. For Hannah, the Enneagram is not about changing who we are, but rather nurturing and loving our whole selves, even the pain in the ass qualities. "Only from this position of wholeness, rootedness in who we are, what we believe, and what

kind of story we are writing, will we be able to act bravely for the sake of justice and humanity – to approach our f\*cked-up world with the grounded courage it asks of us.” With her trademark irreverent humor and empowering affirmations, Millenneagram reframes the classic Enneagram types with a fresh perspective and new names that cut right to the chase: #1 The Machine “I’m an Enneagram 1 and I Can Fix This!” #2 The Parent “I’m an Enneagram 2 and Can I Get You a Refill?” #3 The Winner “I’m an Enneagram 3 and All I Do Is Win.” #4 The Tortured Artist “I’m an Enneagram 4 and I’m Deeper Than You.” #5 The Detective “I’m an Enneagram 5 and I Read an Article About That.” #6 The Oracle “I’m an Enneagram 6 and I’m Loyal as Fuck.” #7 The Party “I’m an Enneagram 7 so This Might Be Vodka In My Mug.” #8 The Dragon “I’m an Enneagram 8 so Nice Try, Bitch.” #9 The Wallflower “I’m an Enneagram 9 so Let’s Just All Chill Out, Dude.” A powerful tool for self-discovery (that doesn’t take itself too seriously), Millenneagram is an invitation for introspection and growth. Hannah’s revamped Enneagram goes beyond simply identifying with a type: it gives us permission to be our truest, enough-as-is, bad-ass selves.

Offering a radically compassionate, rare, and mature approach to personal change, Dr. Howe-Murphy integrates the ancient wisdom of the Enneagram with presence-based practices for everyday living and unexpected healing processes, to transform how people see and experience themselves and the world.
