*Making a Literary Life* Carolyn See,2007-12-18 As Carolyn See says, writing guides are like preachers on Sunday—there may be a lot of them, but you can't have too many, and there's always an audience of the faithful. And while *Making a Literary Life* is ostensibly a book that teaches you how to write, it really teaches you how to make your interior life into your exterior life, how to find and join that community of like-minded souls you're sure is out there somewhere. Carolyn See distills a lifetime of experience as novelist, memoirist, critic, and creative-writing professor into this marvelously engaging how-to book. Partly the nuts and bolts of writing (plot, point of view, character, voice) and partly an inspirational guide to living the life you dream of, *Making a Literary Life* takes you from the decision to "become" a writer to three months after the publication of your first book. A combination of writing and life strategies (do not tell everyone around you how you yearn to be a writer; send a "charming note" to someone you admire in the industry five days a week, every week, for the rest of your life; find the perfect characters right in front of you), *Making a Literary Life* is for people not usually considered part of the literary loop: the non-East Coasters, the secret scribblers. With sagacity, a magical sense of humor, and an abiding belief in the possibilities offered to "ordinary" people living "ordinary" lives, Carolyn See has summed up her life's work in a book so beguiling, irreverent, and giddily inspiring that you won't even realize it's changing your life until it already has.

Gemini Sonya Mukherjee,2016-07-26 In a small town, as high school graduation approaches, two conjoined sisters must weigh the importance of their dreams as individuals against the risk inherent in the surgery that has the potential to separate them forever.

Now she discovers that in the year that's gone by, tragedy has struck and her friendship with Autumn will never be the same again. But what caused the tragedy? How did Jenni skip a year? And can she find her way back to the past to try to change what lies ahead?
