Crisanta Knight: The Severance Game Geanna Culbertson, 2016-12-06 I'm the girl who wants to be strong in a world where everyone thinks I'm weak. A lot of questions ran through my head as I desperately clung to the roof of a magic train crossing over a gaping canyon. Like: How did I get here? What could I have done to avoid this fate? And, did I remember to shave my underarms before coming on this quest? But even after taking on a witch in a gingerbread house, bloodthirsty actors, and a whole mess of magic hunters and other fairytale shenanigans, the biggest, most pressing question pulsing through my brain as my fingers started to slip and my enemy bore down on me was this: Could I really trust the person whose life I'd ruined to keep me from falling? With antagonists closing in, inner demons threatening to consume me, and vivid nightmares chewing up my soul every time I shut my eyes, I was running out of options. I knew the moment to decide whether or not I could truly trust any of my friends was fast approaching. But my head and heart were stuck. For just like the precarious position I now found myself in, the pain of holding onto the path I'd chosen thus far was outmatched only by the worry I had over (gulp) letting it go... Readers love Crisanta Knight! "I love this story; it brings out the inner princess in me. The main character reminds me of Merida from Brave due to her personality (I also have my fingers crossed that at some point she makes a guest appearance." - One More Chapter Blog "The worldbuilding continues to be amazing." - Pages Full of Stars "If you like reading books full of action, magic and a strong heroine, this is the one for you." - Crazy Cat Books Trust, self-discovery and friendship were definitely the defining factors of this novel, with a great emphasis on trust." - The Unicorn

Reader, YouTube The Crisanta Knight series Book 1 - Protagonist Bound; Book 2 - The Severance Game; Book 3 - Inherent Fate; Book 4 - The Liar, The Witch, & The Wormhole; Book 5 (to be released in April of 2019) - To Death & Back.

Eloise's Christmas Trinkles Kay Thompson,2007-10-02 Determined to spread Christmas cheer throughout the Plaza Hotel, six-year-old Eloise decorates the halls, distributes unusual gifts to the staff, and surprises the fifth floor guests with her joyful caroling.

Crisanta Knight: Protagonist Bound Geanna Culbertson,2016-05-10 The next generation - the children of Snow White, Cinderella, and others - have lives and stories of their own. And not just long ago and far away but (sort of) here and now! Enjoy! I was going to be a great protagonist. At least that's what my mom, Cinderella, kept telling me. I, however, had my doubts. Unlike most main characters at Lady Agnue's School for Princesses & Other Female Protagonists, I was opinionated, bold, and headstrong. Moreover, for a princess, I had a lot of issues. I'm talking vicious nightmares about people I've never met, a total stalker prince, and a Fairy Godmother for an enemy. But I digress. Because here's the thing about living in an enchanted realm of fairytale characters, crazy junk you never planned on happens all the time. One minute you could be practicing fainting exercises in Damsels in Distress class, sword fighting in a field, or flying on a Pegasus, and the next, BAM! Your book has begun and you're saddled with a prophecy that changes everything. I still don't know if I will be a great protagonist one day. But I know one thing about my fate, for certain. Despite what The Author and the antagonists have in store for me, whatever it costs. . .I'll be the one taking charge of my own story.. Readers love Crisanta Knight! "The series is a great young adult fantasy fairy tale read that often reminds me of the television show Once Upon a Time." - Carrie's Book Reviews A great read that quite often had me laughing and enjoying what was going on. There's plenty of action and great characters. Definitely one I'd recommend checking out if you enjoy fairy tales to meet this next generation and root them on in their journey! - Carrie's Book Reviews "The suspense builds up a little at first, and then bam, excitement and adventure as Crisanta actually does something to change her fate, all in the fairytale realm of Book, where fairy godmothers, Prince Charmings, and happily ever after aren't all they're cracked up to be." - I Read Too Much! blog Crisanta Knight: Protagonist Bound is an outstanding book the writing, pace and premise are very well done the story keeps you turning the page in anticipation of what will happen next." - Books in Brogan The Crisanta Knight series Book 1 - Protagonist Bound; Book 2 - The Severance Game; Book 3 - Inherent Fate; Book 4 - The Liar, The Witch, & The Wormhole; Book 5 (to be released in April of 2019) - To Death & Back.

Knight Before Christmas Kat Mizera, 2021-11-16 Retired hockey star Remington Knight is back on top... and he intends to stay that way. After having everything, losing it all and then getting it back, his only focus is preparing for the inaugural season of his new professional hockey team. Taking a detour to the quaint little town of Garland Grove, British Columbia where Remy just inherited an ice arena he didn't even know his father owned, is a distraction he can't afford right now. The plan is simple... get in, hire a realtor, and get the hell out before Christmas. Bad luck follows Noelle Burrier around like a lost puppy. She's barely getting by, living in her car and working a dead-end job at the concession stand of the local hockey rink. When the arena's hotshot new owner comes in ready to sell, she finds herself on thin ice, desperate to make him see more than dollar signs. The more time they spend together, the harder it is to keep their distance and deny the fire building between them. With Remy just passing through, and Noelle stuck where she is, will they find the magic of Christmas together or will her knight in shining armor skate off into the sunset, leaving her alone in the cold?

Crisanta Knight: The Lost King Geanna Culbertson, 2019-11-01 Book 6 in the Crisanta Knight series. Oh what a difference a day makes. When I was back at Lady Agnue's School for Princesses & Other Female Protagonists, I used to wonder how I would make it through an entire day of classes, magic training, and homework. As the legendary magic flux known as the Vicennialia Aurora emerged, I wondered how I could possibly overthrow the evil king of Camelot, defeat Glinda in Oz, and get back in time to stop the antagonists from breaking out of Alderon and invading my world of Book—all in one day. I guess that's what good friends are for. Good friends, and magic. My epic powers to give life and take it away were getting stronger and being heightened by the Vicennialia Aurora, so I had the ammunition to challenge every obstacle and villain that came our way. However, one problem remained: How could I unleash my magic to achieve our goals and defeat our enemies while keeping the power from corrupting me? From Merlin to the Fairy Godmother Supreme, everywhere I'd gone in recent days I'd been supplemented by powerful people who all thought they knew what I was capable of and how my morality should develop. But they didn't understand my burden. I wanted to save all the realms that needed me; I wanted to save everyone. But could I do that and save myself from succumbing to the disease ingrained in my magic? I didn't know. I sure missed the days of homework though.

A Christmas Stocking Story Hilary Knight,2003-09-23 Here are Stork, Hippo, Lion, Fish, Elephant, Snake, Fox, and Bug. When Santa has a stocking mix-up flop, these clever animals fix it with a merry Christmas swap!

No Stable Too Small Lois Anne DeLong,Barbara Anne Antonucci,2006-01-01 Here's a collection of humorous, down-to-earth plays that bring a fresh perspective to the Christmas story through such creative devices as imagining the thoughts and feelings of fringe characters (like an innkeeper or a servant to one of the magi) or by updating the story with contemporary settings and characters. No Stable Too Small offers a variety of practical material for any situation, ranging from shorter plays with small casts and lines that can be easily mastered by younger children to more elaborate pieces with sophisticated themes for older children and adults. And they're ideal for use with today's young people -- the dialogue reflects the way they really talk, yet never detracts from the biblical message. These flexible scenes offer a mix of speaking parts for all age groups, from preschool through adult, and are especially valuable for small congregations that lack the resources to mount large-scale productions. No sets are required, and only simple costumes and minimal props are needed. The plays can be performed by smaller churches with as few as 8-10 cast members, or parts can be easily divided to accommodate groups as large as 25-30. And with a running time of approximately 20-25 minutes each, it's easy to fit them within a Christmas Eve or Advent Sunday worship service. Some of the charming presentations include: * Love Finds a Way * It Wasn't the Hilton, You Know * Christmas Eve at Angel School * Because God Said So, That's Why * No Small Parts * Unto Us a Child Is Born... Next on Omar * Miracles? No Problem! ...and eight more! Lois Anne DeLong is currently a freelance writer and editor in Bay Shore, New York.
