He hopes she'll love the present he bought her: a restaurant space downtown. If only he can transform it into the sleek, modern style she likes before Christmas, maybe she'll finally agree to set a date for their wedding. Sunshine can't believe she's pregnant, but she is, which means it's high time to get back home. It also means she needs to re-think her career goals. She can't run a world-class restaurant in tiny Chance Creek—especially not with a baby. So Cole will have to be the breadwinner of the family. Which means he needs a ranch. Luckily she's found one. Three hundred acres of prime ranch land and a wonderful—if dilapidated—house. With Christmas looming, she'll need to race to turn it into the comfortable family home they'll need as soon as they get married. But when a delayed flight results in the loss of

COULD HE BE HER HERO? Hope, Montana, is no longer home to Andy Granger, who sold his piece of the family ranch to developers. He's only back to run a cattle drive in his brother's stead. But the community can't forgive him for selling out. And Dakota Mason, the beautiful cowgirl he hired, has every reason to hate him... Ranching is in Dakota's blood. And now the developers have cut off water her neighboring ranch desperately needs. She's only on the ride for a paycheck—not to turn her back on her community. And definitely not to fall for some overly protective urban cowboy. But Andy may surprise everyone...including himself.

. . . As the middle Tyler brother, Gavin doesn't always have much say in ranch decisions, but when it comes to his heart, he's the only authority. He's loved Louisa "Lou" Fairchild for longer than he can remember, even though they've never been more than friends. But with Lou stuck between the proverbial rock and hard place, Gavin is going to help the way any true friend would—with a proposal of a strictly business-like, in-name-only marriage . . . at least to start. Lou can't believe her beloved grandmother has backed her up against the wall. The choice between finding a man to marry and letting her no-good father back into the family to run the ranch isn't a choice at all! But when her sister counters with an even less savory idea, Lou knows what she must do—say yes to the only man she's ever trusted. But somehow pretending to be in love with good-natured Gavin suddenly begins to feel alarmingly real—and she downright likes it. Can a sham marriage become the truest kind of love?
