

## The Neverending Story Digital E Book

One of the most influential works of this century, *The Myth of Sisyphus and Other Essays* is a crucial exposition of existentialist thought. Influenced by works such as *Don Juan* and the novels of Kafka, these essays begin with a meditation on suicide; the question of living or not living in a universe devoid of order or meaning. With lyric eloquence, Albert Camus brilliantly posits a way out of despair, reaffirming the value of personal existence, and the possibility of life lived with dignity and authenticity.

"Not many living artists would be sufficiently brave or inspired to attempt reflecting in art what Borges constructs in words. But the detailed, evocative etchings by Erik Desmazieres provide a perfect counterpoint to the visionary prose. Like Borges, Desmazieres has created his own universe, his own definition of the meaning, topography and geography of the Library of Babel. Printed together, with the etchings reproduced in fine-line duotone, text and art unite to present an artist's book that belongs in the circle of Borges's sacrosanct *Crimson Hexagon* - "books smaller than natural books, books omnipotent, illustrated, and magical."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

From the author of *The Neverending Story*, a book that reminds us that "magic—be it good or bad—is no simple matter." It's New Year's Eve at the Villa Nightmare but Beelzebub Preposteror is in no mood for celebration. As the Shadow Sorcery Minister, Preposteror has a duty to perform a certain number of evil deeds in service to the Minister of Pitch Darkness. But this year, to his horror, he's nowhere near meeting that quota. Preposteror has all but given up when who should make an unexpected visit but his aunt, the witch Tyrannia Vampirella. She has come with a diabolical proposal that just might be the solution to Preposteror's dilemma: together they will brew the fabled Notion Potion, "one of the most ancient and powerful evil spells in the universe," and their every evil wish will be granted. The only thing that stands in their way is a most unlikely team—a cat named Mauricio di Mauro and a raven known as Jacob Scribble, who have just hours to thwart the plans of their sorcerer masters and save the world from destruction.

When their island becomes too crowded, Luke turns his railroad engine into a boat and sets sail for remarkable adventures among people he has never seen before.

When shy Ivy's troublemaking twin Scarlet vanishes from Rookwood boarding school, Ivy is invited to "take her place." But when Ivy arrives, she discovers the school's true intention; she has to pretend to be Scarlet. Ivy must think like Scarlet, act like Scarlet, become Scarlet. What on earth happened to the real Scarlet, and why is the school trying to keep it a secret? Luckily for Ivy, Scarlet isn't about to disappear without a fight. She's left pieces of her journal carefully hidden all over the school for Ivy to find. Ivy's going to figure out what happened

to Scarlet. She's got to. But the staff of Rookwood is always watching, and they'll do anything to keep their secrets buried... Scarlet and Ivy Series: The Lost Twin (Book 1) The Whispers in the Walls (Book 2) The Dance in the Dark (Book 3) This book of poems gives the readers a reflection of the way the author sees herself as a person, as a woman and how she wants others to perceive her. It talks about how she doesn't need any other person to tell her what to do and how to live her life. Being an independent woman makes her realize how short life is and how people should take advantage of every situation. Reading each poem would help change the way a person sees himself as an individual and how one would want to be remembered.

Delta of Dead River sets out to rescue her family from a ruthless dictator rising to power in the Wastes and discovers a secret that will reshape her world in this postapocalyptic Western mashup for fans of Mad Max and Gunslinger Girl. Delta of Dead River has always been told to hide her back, where a map is branded on her skin to a rumored paradise called the Verdant. In a wasteland plagued by dust squalls, geomagnetic storms, and solar flares, many would kill for it--even if no one can read it. So when raiders sent by a man known as the General attack her village, Delta suspects he is searching for her. Delta sets out to rescue her family but quickly learns that in the Wastes no one can be trusted--perhaps not even her childhood friend, Asher, who has been missing for nearly a decade. If Delta can trust Asher, she just might decode the map and trade evidence of the Verdant to the General for her family. What Delta doesn't count on is what waits at the Verdant: a long-forgotten secret that will shake the foundation of her entire world.

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a household classic that will now reach an even wider audience. Never before have Shel Silverstein's children's books appeared in a format other than hardcover. Since it was first published fifty years ago, Shel Silverstein's poignant picture book for readers of all ages has offered a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half, Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss these other Shel Silverstein ebooks, *Where the Sidewalk Ends*, and *A Light in the Attic*!

Features unpublished goblin illustrations by legendary illustrator and concept artist Brian Froud and an exclusive peek into Jim Henson's creative process with 50 never-before-seen pages from his personal journal, detailing the initial

conception of his ideas for LABYRINTH.

The Neverending Story Turtleback

The most beguilingly seductive novel to date from the author of *The Passion and Sexing the Cherry*. Winterson chronicles the consuming affair between the narrator, who is given neither name nor gender, and the beloved, a complex and confused married woman. "At once a love story and a philosophical meditation."  
—New York Times Book Review.

This is a blank paperback journal in the style of *The Neverending Story* from the movie of the same name. Make *The Neverending Story* come to life by filling it with your own neverending story as a diary or sketch book. The journal contains blank pages with sporadic memorable quotes throughout. NOTE: This journal is not leather, but only designed to appear as such.

\*36:00:00\* The clock activates so suddenly in my mind, my head involuntarily jerks a bit to the side. The fog vanishes, dissipated in an instant as though it never was. Memories come slotting into place, their edges sharp enough to leave furrows, and suddenly I know. I know exactly who I am. My name is Lia Johansen, and I was named for a prisoner of war. She lived in the Tiersten Internment Colony for two years, and when they negotiated the return of the prisoners, I was given her memories and sent back in her place. And I am a genetically engineered human bomb. Lia Johansen was created for only one purpose: to slip onto the strategically placed New Sol Space Station and explode. But her mission goes to hell when her clock malfunctions, freezing her countdown with just two minutes to go. With no Plan B, no memories of her past, and no identity besides a name stolen from a dead POW, Lia has no idea what to do next. Her life gets even more complicated when she meets Michael Sorenson, the real Lia's childhood best friend. Drawn to Michael and his family against her better judgment, Lia starts learning what it means to live and love, and to be human. It is only when her countdown clock begins sporadically losing time that she realizes even duds can still blow up. If she wants any chance at a future, she must find a way to unlock the secrets of her past and stop her clock. But as Lia digs into her origins, she begins to suspect there's far more to her mission and to this war, than meets the eye. With the fate of not just a space station but an entire empire hanging in the balance, Lia races to find the truth before her time—literally—runs out.

Read the book that inspired the classic coming-of-age film before it's back onscreen in select theaters this September! From award-winning German author Michael Ende, *The Neverending Story* is a classic tale of one boy and the book that magically comes to life. When Bastian happens upon an old book called *The Neverending Story*, he's swept into the magical world of Fantastica--so much that he finds he has actually become a character in the story! And when he realizes that this mysteriously enchanted world is in great danger, he also discovers that he is the one chosen to save it. Can Bastian overcome the barrier between reality and his imagination in order to save Fantastica? "An instantaneous leap into the

magical . . . Energetic, innovative, and perceptive"—The Washington Post "A trumpet blast for the imagination."—Sunday Times

Are the arguments of the Frankfurt School still relevant? *Modern Culture and Critical Theory* investigates this question in the context of important issues in contemporary cultural politics: neoconservatism and new social movements, discontents with modernity and debates on postmodernism, the political hegemony of Ronald Reagan, and the cultural hegemony of structuralism and poststructuralism. Russell Berman thoughtfully explores the theories of Horkheimer, Adorno, Benjamin, Lyotard, and Foucault and their relevance to both historical and contemporary issues in literature, politics, and the arts.

Powells.com \* Bookish \* Book Riot \* Library Reads Voter Favorite \* In the vein of *The Time Traveler’s Wife* and *Life After Life*, *The Invisible Life of Addie LaRue* is New York Times bestselling author V. E. Schwab’s genre-defying tour de force. A *Life No One Will Remember*. A *Story You Will Never Forget*. France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A brand-new Courtney Series adventure. The action-packed new book in the Courtney Series and the sequel to *Courtney's War*. Just because the war is over and Hitler dead, doesn't mean the politics he stood for have died too. Saffron Courtney and her beloved husband Gerhard only just survived the brutal war, but Gerhard's Nazi-supporting brother, Konrad, is still free and determined to regain power. As a dangerous game of cat-and-mouse develops, a plot against the couple begins to stir. One that will have ramifications throughout Europe. . . Further afield in Kenya, the last outcrop of the colonial empire is feeling the stirrings of rebellion. As the situation becomes violent, and the Courtney family home is under threat, Leon Courtney finds himself caught between two powerful sides - and a battle for the freedom of a country. *Legacy of War* is a nail-biting story of courage, bravery, rebellion and war from the master of adventure fiction. Get your family talking about adoption with the ultimate collection of films to help the whole family to explore their feelings in a fun and safe way. With a film for each week of the year, Addison Cooper has compiled the best movies, new and old, for family-friendly viewing. Among those featured are *Finding Dory*, *Frozen*, *Paddington*, *Teenage*

Mutant Ninja Turtles, Kung Fu Panda, Star Wars, Divergent, The Blind Side and I am Sam. Carefully selected, the movies included will help families to comfortably talk about important adoption-related topics. They are accompanied by descriptions of the themes and ideas to get the conversations started. Helping all members of the family to explore both the pain and joy of adoption, they cover a range of issues which can arise such as culture, identity, control, and reunification. With something for everyone - from kids, to teens, to grown-ups - this is a must-have for all adoptive families.

Describes the geological history of sand, examining the science behind the material as well as the human context of sand and how it has played important roles in history, commerce, and imagination.

The Never Ending Love story is a heartwarming tale of the eternal love a mother has for her child. Children are loved long before they are conceived and long after their parents' transition. One is blessed beyond measure if they have experienced being loved by a wonderful mother.

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, *The Atlantic*

Atreyu embarks on a mission to save the Empress and drive The Nothing out of Fantasia.

The author's best novel and one of the best early treatments of the natural catastrophe theme.

"An original, fascinating, and beautifully written reckoning . . . of that great human passion: to write."—Kay Redfield Jamison, national bestselling author of *An Unquiet Mind* Why is it that some writers struggle for months to come up with the perfect sentence or phrase while others, hunched over a keyboard deep into the night, seem unable to stop writing? In *The Midnight Disease*, neurologist Alice W. Flaherty explores the mysteries of literary creativity: the drive to write, what sparks it, and what extinguishes it. She draws on intriguing examples from medical case studies and from the lives of writers, from Franz Kafka to Anne Lamott, from Sylvia Plath to Stephen King. Flaherty, who herself has grappled with episodes of compulsive writing and block, also offers a compelling personal account of her own experiences with these conditions. "[Flaherty] is the real thing . . . and her writing magically transforms her own tragedies into something strange and whimsical almost, almost funny."—*The Washington Post* "This is interesting, heated stuff."—*San Francisco Chronicle* "Brilliant . . . [a] precious jewel of a book . . . that sparkles with some fresh insight or intriguing fact on practically every page."—*Seattle Post-Intelligencer* "Flaherty mixes memoir, meditation, compendium and scholarly reportage in an odd but absorbing look at the

neurological basis of writing and its pathologies . . . Writers will delight in the way information and lore are interspersed.”—Publishers Weekly

A Little Girl Wants A Story That Never Ends. Grandmother Starts Off A Chain Story Typical Of Folk Tales The World Over. And Then In A Clever Twist, Again Typical Of The Genre, It Fuses Into Another Story And Comes Full Circle - So It Can Never End! Bold, Stylised Illustrations Zoom Into The Story From Unusual Perspectives.

An editor and writer's vivaciously entertaining, and often moving, chronicle of his year-long adventure with fifty great books (and two not-so-great ones)—a true story about reading that reminds us why we should all make time in our lives for books. Nearing his fortieth birthday, author and critic Andy Miller realized he's not nearly as well read as he'd like to be. A devout book lover who somehow fell out of the habit of reading, he began to ponder the power of books to change an individual life—including his own—and to the define the sort of person he would like to be. Beginning with a copy of Bulgakov's *Master and Margarita* that he happens to find one day in a bookstore, he embarks on a literary odyssey of mindful reading and wry introspection. From *Middlemarch* to *Anna Karenina* to *A Confederacy of Dunces*, these are books Miller felt he should read; books he'd always wanted to read; books he'd previously started but hadn't finished; and books he'd lied about having read to impress people. Combining memoir and literary criticism, *The Year of Reading Dangerously* is Miller's heartfelt, humorous, and honest examination of what it means to be a reader. Passionately believing that books deserve to be read, enjoyed, and debated in the real world, Miller documents his reading experiences and how they resonated in his daily life and ultimately his very sense of self. The result is a witty and insightful journey of discovery and soul-searching that celebrates the abiding miracle of the book and the power of reading.

*Netflix Nostalgia* examines Netflix as both a creator and a distributor of nostalgic content, with contributions from scholars from around the world. The chapters examine the role of nostalgia in Netflix's brand identity, ideological messages about nostalgia in Netflix content, and audience responses to nostalgia on the Netflix platform.

While reading a strange book, a lonely boy named Bastian learns that the kingdom of Fantastica is in serious danger. Now a character in the book, he must travel to the mysterious land to give the Childlike Empress a new name. Accompanied by the brave warrior Atreyu, Bastian must face dragons, giants, monsters, and magic and thus begins his most incredible adventure: *The Neverending Story*, Michael Ende's masterpiece that has already become a classic. This epic work of the imagination has captured the hearts of millions of readers worldwide since its first release. Its special story-within-a-story is an irresistible invitation for readers to become part of the book itself.

Shy, awkward Bastian is amazed to discover that he has become a character in the mysterious book he is reading and that he has an important mission to fulfill.

William Goldman's modern fantasy classic is a simple, exceptional story about quests—for riches, revenge, power, and, of course, true love—that's thrilling and timeless. Anyone who lived through the 1980s may find it impossible—inconceivable, even—to equate *The Princess Bride* with anything other than the sweet, celluloid romance of Westley and Buttercup, but the film is only a fraction of the ingenious storytelling you'll

find in these pages. Rich in character and satire, the novel is set in 1941 and framed cleverly as an “abridged” retelling of a centuries-old tale set in the fabled country of Florin that's home to “Beasts of all natures and descriptions. Pain. Death. Brave men. Coward men. Strongest men. Chases. Escapes. Lies. Truths. Passions.”

For humankind, the most irreducible idea is the concept of life itself. In order to understand that life is essentially an infinite process, transmitted from generation to generation, this book takes the reader on a fascinating journey that unravels one of our greatest mysteries. It begins with the premise that life is a fact—that it is everywhere; that it takes infinite forms; and, most importantly, that it is intrinsically self-perpetuating. Rather than exploring how the first living forms emerged in our universe, the book begins with our first primordial ancestor cell and tells the story of life—how it began, when that first cell diversified into many other cell types and organisms, and how it has continued until the present day. On this journey, the author covers the fundamentals of biology such as cell division, diversity, regeneration, repair and death. The rather fictional epilogue even goes one step further and discusses ways how to literally escape the problem of limited recourse and distribution on our planet by looking at life outside the solar system. This book is designed to explain complex ideas in biology simply, but not simplistically, with a special emphasis on plain and accessible language as well as a wealth of hand-drawn illustrations. Thus, it is suitable not only for students seeking for an introduction into biological concepts and terminology, but for everyone with an interest in the fundamentals of life at the crossroad of evolutionary and cell biology.

From the New York Times bestselling author of *Start With Why* and *Leaders Eat Last*, a bold framework for leadership in today's ever-changing world. How do we win a game that has no end? Finite games, like football or chess, have known players, fixed rules and a clear endpoint. The winners and losers are easily identified. Infinite games, games with no finish line, like business or politics, or life itself, have players who come and go. The rules of an infinite game are changeable while infinite games have no defined endpoint. There are no winners or losers—only ahead and behind. The question is, how do we play to succeed in the game we're in? In this revelatory new book, Simon Sinek offers a framework for leading with an infinite mindset. On one hand, none of us can resist the fleeting thrills of a promotion earned or a tournament won, yet these rewards fade quickly. In pursuit of a Just Cause, we will commit to a vision of a future world so appealing that we will build it week after week, month after month, year after year. Although we do not know the exact form this world will take, working toward it gives our work and our life meaning. Leaders who embrace an infinite mindset build stronger, more innovative, more inspiring organizations. Ultimately, they are the ones who lead us into the future.

Eric Bittle may be a former junior figure skating champion, vlogger extraordinaire, and very talented amateur pâtissier, but being a freshman on the Samwell University hockey team is a whole new challenge. It is nothing like co-ed club hockey back in Georgia! First of all? There's checking. And then, there is Jack—his very attractive but moody captain. A collection of the first half of the megapopular webcomic series of the same name, *Check, Please!: #Hockey* is the first book of a hilarious and stirring two-volume coming-of-age story about hockey, bros, and trying to find yourself during the best four years of your life.

Now available in paperback! Until now, there was no theoretical research of character in children's fiction and very few comprehensive theoretical studies of literary characters in general. In her latest intellectual foray, the author of *From Mythic to Linear* ponders the art of characterization. Through a variety of critical perspectives, she uncovers the essential differences between story ('what we are told') and discourse ('how we are told'), and carefully distinguishes between how these are employed in children's fiction and in general fiction. Yet another masterful work by a leading figure in contemporary criticism.
