

The New 5 2 Diet Cookbook 2017 Edition Now 800 Calories A Day

The 5 2 Diet is a proven way to lose weight easily. Also known as "Intermittent Fasting," the revolutionary 5 2 Diet allows you to lose weight by eating reduced calorie meals just two days out of the week. Eat the foods that you want five days out of the week, and follow an easy fasting regime for two days, and you'll lose weight quicker than ever before! It's as simple as that! The 5:2 Fast Diet for Beginners is a comprehensive resource for beginning a successful fasting diet. Get started right away with: * 10 easy tips for starting a successful 5 2 Diet * Step-by-step meal plans for every day of the week * Simple, healthy recipes for your fasting days, including Curried Chicken Wraps and Penne Pasta with Vegetables * Satisfying and delicious recipes for your non-fasting days, like Mustard Maple-Glazed Salmon and Chicken Breast with Summer Veggies * Detailed guide on how to use the 5 2 Diet to reach your long-term weight loss goals

Lose weight fast with the international diet sensation. Diet two days a week. Eat a Mediterranean diet for five. The 2-Day Diet is easy to follow, easy to stick to, and clinically tested. Simply eat a low carb, high protein diet two days a week, and follow the classic Mediterranean Diet (now recognized as the gold standard in warding off heart disease) for the other five. The 2-Day Diet is designed to maximize weight loss, minimize muscle loss and keep you feeling full. It can have dramatic anti-aging and anti-cancer benefits. With this diet you can finally be slim, fit and healthy. With meal plans and 100 delicious and filling recipes. "A far more effective way to lose weight." —Daily Mail "Put an end to 24/7 calorie counting." —The Sun "Revolutionary and clinically proven." —Good Housekeeping

The 5:2 diet has become the food programme of choice for losing weight. Everybody swears by it - because it works! The 5:2 Fast Diet Cookbook is the key to learning what to eat on these low-calorie fasting days. Inside, you'll find recipes and tips for getting the most satisfaction and fullness. With 150 nutritious recipes, none of which has more than 300 calories per serving, you'll have a wide variety of choices for these two crucial days. With delicious dishes such as Cinnamon-Swirl Pancakes for breakfast, Fast-astic French Onion Soup for lunch and Slow-Cooking Provence Chicken for dinner, which are all easy to make and packed with flavour, you won't even realise you're dieting. There's even a special 'dessert' section in the back that will give you low-calorie rewards to look forward to on non-fasting days!

In The 20/20 Diet, Dr. Phil McGraw identifies seven reasons other diets fail people over and over again: hunger, cravings, feeling of restriction, impracticality and expense, boredom, temptations, and disappointing results or plateaus. Then, he addresses each of these roadblocks by applying the latest research and theories that have emerged since his last best seller on the same topic, The Ultimate Weight Solution. Dr. Phil and his team have created a plan that you can start following right now and continue working for the rest of your life. In this diet, readers will start by eating only 20 key ingredients, called the "20/20 Foods," which theories indicate may help enhance your body's thermogenesis and help you feel full. But that's just the beginning. This book explains why you haven't been able to lose the weight before, and empowers you with cognitive, behavioral, environmental, social and nutritional tools so you can finally reach your goal, and learn lifelong healthy habits to maintain those results.

Is it possible to eat well, most of the time and get slimmer and healthier as you do it? With The Fast Diet it is!

A diet only works if you can stick to it. So if you're like most people, most diets don't work for you. That's why the 5:2 Diet is different. You can enjoy your favorite foods most days and only fast two days a week—and still lose weight! In The 5:2 Diet Cookbook: Over 75 Fast Diet Recipes and Meal Plans to Lose Weight with Intermittent Fasting, you'll learn to balance your eating and fasting times in a way that will help you live with a diet that doesn't feel like a diet. Gone are the endless days of feeling hungry, deprived, and defeated. The 5:2 Diet Cookbook is more like a blueprint for a way of eating that doesn't require you to make drastic changes to your daily routine, buy expensive foods or meal replacements, or give up many of the foods you love. The 5:2 Diet works by balancing five days of eating normally with two days of eating about one-quarter of your usual amount of food. In The 5:2 Diet Cookbook you'll find everything you need to begin the plan. It includes: · A detailed overview of the 5:2 Diet and how it can help you lose weight and reduce your risk of heart disease, diabetes, and more · More than 75 recipes for satisfying low-calorie main courses and snacks for fasting days · A month of "fasting-day" meal plans · Delicious low-calorie recipes include favorites like Blueberry Pancakes, Classic Beef Chili with Cheddar Cheese, Eggplant and Ricotta Lasagna, and Cinnamon-Sugar Crisps · Ten essential steps for 5:2 Diet success · 5:2 Diet food list of foods to enjoy or avoid, cooking techniques, and tips for making good choices when dining out A manageable and sustainable diet plan, The 5:2 Diet Cookbook provides the essential tools to help you lose weight and keep it off.

****AS SEEN ON CHANNEL 4**** 130 brand-new recipes to cook up at home, any day of the week... 'One word - brilliant! I lost 28lb in 9-10 weeks and 7 inches off my waist. Also dropped 2 clothes sizes. Love this programme!' - Anne **INCLUDES 8 WEEKS OF CALORIE-COUNTED MEAL PLANS**

The 5:2 Diet Meal Plans & Recipes Author Liz Armond has written a series of popular 5:2 diet recipe books, each designed to get you on the track to fast weight loss, one delicious meal at a time. 5:2 Diet Meal Plans & Recipes takes all the guesswork out of meal preparation by providing you with 21 days of recipes. Best of all, the ingredients are readily available and affordable. No more picking up bland, frozen, and often expensive, dinners for convenience. The recipes are calorie grouped and portioned into 1, 2, or 4 servings. Each meal offers a delicious blend of protein and fiber to ensure you are getting the nutrients you need as you quickly lose that unwanted weight, all without going hungry. Just take a look at some of the recipes: * Hearty Potato & Leek Soup - 150cals* Mushroom Risotto with Brown Rice - 285cals* Vegetable Curry - 180cals* Turkey & Vegetable Loaf - 180cals* Chicken & Apricot Bake - 250cals These meal plans allow you two meals a day, with calories to spare. This cookbook also includes a handy chart of low calorie snacks and drinks for those between meal eating. Just calculate your allowance and choose accordingly. Like all of the books Liz Armond has written in the series, this is an informative and easy-to-follow guide. She lost 10 pounds while her partner lost 14, all in the first four weeks of following this safe and beneficial diet. The research and testing has been done, so all you have to do now is choose your meals and watch the numbers on the scale drop. Pick up your copy of 5:2 Diet Meal Plans & Recipes today and see your weight drop off.

The 5:2 Diet will transform your body, your mind and your health. It's the revolutionary part-time weight loss diet with lifelong health and anti-ageing results. This is the simplest, most flexible and most health enhancing weight loss programme you'll ever follow - and with this book to guide you, you can start today. You'll still get to eat all the foods you love but enjoy incredible health benefits, with positive effects on cancer, heart disease, Alzheimer's and more. Intermittent fasting is revolutionising the weight loss world. Simply by eating significantly less for one or two days a week you can trigger incredible physical and mental changes that protect your body and brain from damage and help it repair itself. And THE 5:2 DIET BOOK - packed with tips, science, recipes, inspiration and case studies from over thirty dieters - will help you join the revolution to lose weight, boost your

brain and transform your body. And it'll even save you money, with no specialist diet foods or supplements required. No wonder it's as popular with men as it is with women - and with first-time dieters as with weight loss veterans. Journalist and former yo-yo dieter Kate Harrison has finally won the battle with her weight - now she shares the secrets that are helping thousands of men and women transform their bodies. THE 5:2 DIET BOOK is your comprehensive guide to the wonderful world of intermittent fasting. It includes: All you need to trigger the 'healing' mode that happens when you restrict your diet for as little as one day a week The incredible effects on your brain cells The transformation in the way you view hunger and food The cost savings you can make - saving pounds from your food bill as you lose them from your body! 5:2 your way - how to personalise the diet to your exact requirements and preferences Detailed meal plans, and simple but healthy recipes... Or ready-made suggestions for when you don't feel like cooking Hundreds of real-life tips and success stories from men and women like you This is more than another diet craze - it's anything but crazy and it's a lifestyle you'll want to adopt for the rest of your life.

Lose weight, lower cholesterol, significantly reduce the risk of disease, and become physically fit--in just 4 weeks. Professional athlete-turned-firefighter Rip Esselstyn is used to responding to emergencies. So, when he learned that some of his fellow Engine 2 firefighters in Austin, TX, were in dire physical condition-several had dangerously high cholesterol levels (the highest was 344!)-he sprang into action and created a life-saving plan for the firehouse. By following Rip's program, everyone lost weight (some more than 20 lbs.), lowered their cholesterol (Mr. 344's dropped to 196), and improved their overall health. Now, Rip outlines his proven plan in this book. With Rip as your expert coach and motivator, you'll transform your body and lifestyle in a month. His plant-powered eating plan is based on a diet of whole foods, including whole grains, fresh fruits, vegetables, legumes, nuts, and seeds. This invaluable guide features: Dozens of easy, mouthwatering recipes-from pancakes to pizza, Tex-Mex favorites to knockout chocolate desserts-that will keep you looking forward to every bite Pantry-stocking tips will take the panic out of inevitable cravings and on-the-fly meals Guidelines on menu choices that will allow you to eat out, wherever and whenever you want Rip's simple, firefighter-inspired exercise program that will boost your metabolism and melt your fat away. Medically approved, easy-to-follow, and amazingly effective, this diet is designed for anyone who wants to make heroic strides in his or her health, weight, and well-being-all without heroic effort. "Want to be as strong as a Texas firefighter? Or as healthy as a professional triathlete? Then follow the wonderful advice of Rip Esselstyn, who is both. His book can save your life--whether you're a man or a woman. Highly recommended!" -Dean Ornish, M.D., Founder and President, Preventive Medicine Research Institute, Clinical Professor of Medicine, U of California, SF, author, Dr. Dean Ornish's Program for Reversing Heart Disease

The Fast 800How to combine rapid weight loss and intermittent fasting for long-term healthSimon and Schuster

"The Every-Other-Day Diet is the perfect diet for me." That's the satisfied declaration of a dieter who lost 41 pounds on the Every-Other-Day Diet. (And kept it off!) You too can expect dramatic results with this revolutionary approach to weight loss that is incredibly simple, easy, and effective. Created by Dr. Krista Varady, an associate professor of nutrition at the University of Illinois, the Every-Other-Day Diet will change the way you think of dieting forever. Among its many benefits: It's science-tested, science-proven. Dr. Varady has conducted many scientific studies on the Every-Other-Day Diet, involving hundreds of people, with consistently positive results published in top medical journals such as the American Journal of Clinical Nutrition and Obesity. Unlike most other diets, the Every-Other-Day Diet is proven to work. It's remarkably simple-and effective. On Diet Day, you limit calories. On Feast Day, you eat anything you want and as much as you want. You alternate Diet Day and Feast Day. And you lose weight, steadily and reliably. There's no constant deprivation. The Every-Other-Day Diet doesn't involve day after day of dietary deprivation--because you can still indulge every-other day. It's easy to keep the weight off. With other diets, you lose weight only to regain it, the frustrating fate of most dieters. But The Every-Other-Day Diet includes the Every-Other-Day Success Plan--an approach to weight maintenance proven to work in a study sponsored by the National Institutes of Health. This book offers all of the research, strategies, tips, and tools you need to believe in the Every-Other-Day Diet and easily implement it in your life. It also includes more than 80 quick and delicious recipes for Diet Day, as well as a list of tasty prepared foods that make meals as easy as 1-2-3. The Every-Other-Day Diet is perfect for anyone who wants to shed pounds and feel great, without hunger and defeat.

Along with the many benefits of leisure-class living comes obesity and its attendant ailments. In The Warrior Diet, Ori Hofmekler looks not forward but backward for a solution--to the primal habits of early cultures such as nomads and hunter-gatherers, the Greeks, and the Romans. Based on survival science, this book proposes not ordinary dietary changes but rather a radical yet surprisingly simple lifestyle overhaul. Drawing on both scientific studies and historical data, Hofmekler argues that robust health and a lean, strong body can best be achieved by mimicking the classical warrior mode of cycling--working and eating sparingly (undereating) during the day and filling up at night. Specific elements from the Warrior Diet Nutritional Program (finding ideal fuel foods and food combinations to reduce body fat) to the Controlled Fatigue Training Program (promoting strength, speed, and resilience to fatigue through special drills), literally reshape body and mind. Individual chapters cover warrior meals and recipes; sex drive, potency, and animal magnetism; as well as personalizing the diet for women. Featuring forewords by Fit for Life author Harvey Diamond and Fat That Kills author Dr. Udo Erasmus, The Warrior Diet shows readers weary of fad diets how to attain enduring vigor, explosive strength, a better appearance, and increased vitality and health.

COOKERY FOR SPECIFIC DIETS & CONDITIONS. The brains behind the #1 bestselling Carbs & Cals are back with the perfect 5:2 diet companion; a collection of food photos designed to visually present the calorie content of controlled but delicious food portions, making your two fasting days easier than ever before. For those on the now famous 5:2 Diet, knowing what to eat on the two weekly fasting days is key; having flexibility with food choices and looking forward to an appetising meal helps maintain motivation and

allows dieters to plan ahead. 5:2 Diet Photos is the perfect, problem-solving companion for everyone interested in the popular 5:2 diet. Offering up a delicious platter of over 600 mouth-watering food photos, ranging in calorie content, it finally answers the dieter's dilemma, "what can I eat on my two 500 calorie days?". Senior Dietitian Chris Cheyette and photographer Yello Balolia share their simple but effective guide to following the 5:2 healthy eating regime.

The 5:2 Diet, also known as The Fast Diet, is gaining momentum worldwide as thousands of people who try it see how effective it is for weight loss and improving their general well-being. Many books about the diet focus on fish and meat and ignore the fact that as a vegetarian you are perfectly placed to follow the diet with amazing low-calorie vegetables. This book makes fast days interesting, fun and painless. Everything here is nutritious and vegetarian, with many vegan-friendly recipes. Most recipes are also gluten-free. The fast-day meal recipes are all super quick (30 minutes or less), accessible, satisfying, and nutrient-rich, yet all under 300 calories. If you're cooking for non-fasters, there are suggestions for multiplying and bulking out the meals for family members. With an introduction to the 5:2 lifestyle, advice on how to stock your kitchen, and easy and delicious fast-day recipes for breakfast, snacks, main meals, flavour bombs, drinks, weekly meal planners, calorie charts and plenty of fasting tips, this is the book to change your life, for good.

The 5:2 Diet is transforming lives worldwide. Thousands are losing weight, improving their health and saving money. Now, The Ultimate 5:2 Diet Recipe Book makes this lifestyle easier than ever, with recipes that make food on your Fast Days a pleasure. It's packed with easy, delicious dishes, from Great Start Breakfasts to World Food Dishes, Comfort Food, Super Soups, and even Sweet Treats. This down-to-earth guide by The 5:2 Diet Book author Kate Harrison mixes great recipes with all the humour, money-saving tips and practical advice that made the first book a bestseller. It also explains the science and incredible health benefits of this simple, inspiring approach. The book focuses on fresh, delicious and fast home cooking, with meals that taste nothing like 'diet' food. It includes: ? More than 85 recipes, all calorie counted, with dozens more ideas for adapting them to suit your life and budget; ? 5:2: inspirational stories and honest food diaries from real dieters, who share the secrets of their success; ? 5:2 Know-How: tips on everything from storecupboard suppers, time-saving gadgets and advice on fitting 5:2 around family life and holidays; ? How to 5:2: an updated, easy-to-follow guide to how, and why, you can begin this life-changing plan right now. The Ultimate 5:2 Diet Recipe Book is the only one you'll ever need to help you lose weight, boost your brain and change your attitude to good, healthy food forever.

JOIN THE 5:2 REVOLUTION Intermittent fasting is the quickest and healthiest way to lose weight—and keep it off. With The 5:2 Diet, you can eat all your favorite foods for five days each week as long as you limit your caloric intake to 500 calories on the other two days. For anyone who has struggled to shed pounds, this approachable, motivational program makes it easy to: • Slim down naturally • Increase energy • Reset your metabolism • Heal your body on a cellular level Full of first-hand testimonials from successful dieters so you can find the best way to tailor the diet and make sure it works for you. You'll also get meal plans and recipes to guarantee you stay on track. In addition to fighting the onset of cancer, Alzheimer's, diabetes and heart disease.

5:2 Your Life demonstrates how the 5:2 diet can be more than just a weight loss programme, it is a way of life. The small weekly change can make a huge difference. And that's what 5:2 is all about - taking simple steps, on just two days per week, which will have a powerful ripple effect on your whole life. Now Kate Harrison, best-selling author of The 5:2 Diet Book and The Ultimate 5:2 Recipe Book, has taken her knowledge and experience to turn the diet into 5:2 Your Life: Get Happy, Get Healthy, Get Slim. An inspiring six-week plan will help you to take control of the things that matter most to you, from your relationships and your work, to your health, your leisure time and the dreams you've been neglecting. There's even a brand new eating plan to help you lose weight too - with exciting recipes and guidelines on eating the 5:2 way for the rest of your life. What are you waiting for? It's time to 5:2 Your Life.

The most effective and achievable guide to intermittent fasting, outlining a unique plan that merges the science behind fasting with a holistic approach to eating, from the bestselling author of Ketotarian and The Inflammation Spectrum. "Intuitive Fasting is Will's clear four-week program designed to set you up to feel your best for all the other weeks to come. . . . It's full of what he's learned about reducing inflammation, restoring balance, recharging metabolism, and resetting gut health."--Gwyneth Paltrow, from the foreword For some, the idea of fasting by eating only one or two meals a day still sounds like an extreme and overly restrictive dieting tactic. But many of us already feel like victims to our daily eating schedule: three meals a day, plus snacks. Eat every few hours, we are told by the experts. This fixed eating schedule has become the norm. The truth is, this is an artificially constructed schedule that does not reflect our bodies' natural eating schedule. In fact, eating three meals every day can cause metabolic inflexibility, which can easily lead to inflammation, weight gain, fatigue, and chronic health problems. For millions of years, our bodies have actually functioned best with periodic times of fasting. With his fresh new approach to fasting, bestselling author and functional medicine expert Dr. Will Cole gives us the ability to take control of our hunger, making intermittent fasting intuitive. You'll get in touch with your instinctive eating patterns and become healthier and more mindful about how and when you eat. When your body is out of balance, it can be very difficult to discern what it needs to build vibrant wellness. Intuitive Fasting will show you how to find metabolic flexibility--and once you've reached metabolic flexibility, you can intuitively trust your body to function at optimal capacity, whether you've eaten six minutes ago or six hours ago. With his 4-Week Flexible Fasting Plan, Dr. Cole will guide you through varying intermittent fasting windows, with each week of the plan tailored to focus on a different aspect of your health. He illustrates the most effective ways

to fast and eat to amplify the health benefits of intermittent fasting, balancing rest and repair with clean, nutrient-dense, delicious foods. By the end of the four weeks, you will have all the tools necessary to Reset your body, Recharge your metabolism, Renew your cells, and Rebalance your hormones. Along with more than sixty-five recipes, you'll also find a maintenance plan, so you can adapt fasting and feeding windows to work sustainably with your lifestyle.

'Suzi Grant knows the secrets of youth' The Times LOOK AND FEEL YOUR BEST IN 2020 WITH ALTERNATIVE AGEING - THE NATURAL WAY TO FEEL YOUNG AGAIN Suzi Grant is in her late sixties but you wouldn't know it. Originally published in New York by Atria Books, 2013.

Discover the groundbreaking method to defeat diabetes without drugs using the step-by-step diet plans and recipes from #1 New York Times bestselling author Dr. Michael Mosley. The 8-Week Blood Sugar Diet is a radical new approach to the biggest health epidemic threatening us today... Our modern diet, high in low-quality carbohydrates, is damaging our bodies—producing a constant overload of sugar in our bloodstream that clogs up our arteries and piles hidden fat into our internal organs. The result has been a doubling in the number of type 2 diabetics, as well as a surge in those with a potentially hazardous condition—prediabetes. It is now known that even moderately elevated blood sugar levels can trigger heart disease, stroke, dementia, and cancer. But scientists have recently demonstrated that you can prevent and even reverse type 2 diabetes with a simple change in diet and lifestyle. Drawing on the work of Dr. Roy Taylor—one of the UK's foremost diabetes experts—and his own experience as a one-time diabetic, Dr. Michael Mosley presents a groundbreaking, science-based, 8-week plan for diabetics who want to reverse their condition (and then stay off medication). He also offers a more flexible regime for people interested in the extensive health benefits to be gained from lowering their blood sugar levels and shedding dangerous fat. As Dr. Mosley says, it is never too late to act.

"Is it possible to eat anything you want, five days a week, and become slimmer and healthier as a result? Simple answer: yes. You just limit your calorie intake for two nonconsecutive days each week to 500 calories for women, 600 for men. You'll lose weight quickly and effortlessly, and the joy of the FastDiet is that the side effects are all welcome. The science is easy.

Intermittent fasting takes your body out of go-go mode and puts it into survival mode, causing the body to slow production of new cells and repair old ones instead. As a result, you not only lose weight but also reduce your risk of a range of diseases from diabetes and arthritis to cardiovascular disease and even cancer. On top of that, you slow the aging process and boost your brain power. This book brings together the results of new, groundbreaking research to create a dietary program that can be incorporated into your busy daily life, featuring: Forty 500- and 600-calorie meals that are quick and easy to make 8 pages of photos that show you what a typical "fasting meal" looks like the cutting-edge science behind the program. A calorie counter that makes dieting easy, and much more. Far from being just another fad, the FastDiet is a radical new way of thinking about food, a lifestyle choice that doctors are actually recommending for general health. This is your indispensable guide to effective weight loss without sacrificing the foods you love and a scientifically proven way to have your cake and eat it, too"--

Australian and New Zealand edition THE NO. 1 BESTSELLER IN AUSTRALIA AND THE UK BASED ON THE LATEST GROUNDBREAKING SCIENCE THE ULTIMATE GUIDE FROM THE CREATOR OF THE 5:2 – HOW TO COMBINE RAPID WEIGHT LOSS AND INTERMITTENT FASTING FOR LONG-TERM GOOD HEALTH AN EXCITING NEW PROGRAMME BUILT AROUND A MORE MANAGEABLE 800-CALORIE FAST DAY Six years ago, Dr Michael Mosley started a health revolution with The 5.2 Fast Diet, telling the world about the incredible power of intermittent fasting. In this book he brings together all the latest science (including a new approach: Time Restricted Eating) to create an easy-to-follow programme. Recent studies have shown that 800 calories is the magic number when it comes to successful dieting – it's an amount high enough to be manageable but low enough to speed weight loss and trigger a range of desirable metabolic changes. Depending on your goals, you can choose how intensively you want to do the programme: how many 800-calorie days to include each week, and how to adjust these as you progress. Along with delicious, low-carb recipes and menu plans by Dr Clare Bailey, The Fast 800 offers a flexible way to help you lose weight, improve mood and reduce blood pressure, inflammation and blood sugars. Take your future health into your own hands. 'I lost 16kg in the first 8 weeks and then another 6kg. I've never been healthier.' Denise, 51

Many of us experience signs and symptoms of hormonal imbalance every day. Do you have trouble dragging yourself out of bed in the morning? Ever have an uncontrollable sugar craving at 3 p.m.? Chronic headaches? Lack of energy? Do you get stressed just sitting in your office? Our bodies are wired to send us signals when something isn't right, but often we're too busy to hear them. Compounding the problem is a lack of understanding about the consequences if these symptoms are left unaddressed. Without hormonal balances, we are more likely to succumb to many diseases and illnesses. The Hormone Diet lays out a foolproof plan to balance your life, one hormone at a time. But it is more than just a diet book. Along with advice for weight loss, Dr. Natasha Turner provided recommendations for anti-inflammatory detox, nutritional supplements, exercise, sleep, stress management, toxin-free skin care, and natural hormone replacement combined with a diet plan—all incorporated into a 3-step wellness program focused on the essentials of hormone balance for lasting health.

From the author of the bestselling 5:2 Fast Diet and Fast Diet Recipe Book. Mimi Spencer presents the super-fast 6-week programme to kickstart your Fast Diet for summer.

Ever stopped to read the list of ingredients in the products you use every day? In Low Tox Life, activist and educator Alexx Stuart gently clears a path through the maze of mass-market ingredient cocktails, focusing on four key areas: Body, Home, Food and Mind. Sharing the latest science and advice from experts in each area, Alexx tackles everything from endocrine-disruptors in beauty products to the challenge of going low plastic in a high-plastic world, and how to clean without a hit of harmful toxins. You don't need to be a fulltime homesteader with a cupboard full of organic linens to go low tox. Start small, switching or ditching one nasty at a time, and enjoy the process as a positive one for you and the planet.

Don't starve yourself! The 5:2 Fast Diet for Beginners is the perfect resource to begin a successful fasting and transformative eating plan. The intermittent fasting method of the 5:2 Fast Diet is a safe and easy way to cleanse, detoxify, and lose weight - without going hungry. Easy to follow, the 5:2 Fast Diet is a proven method for better health and effective weight loss. The 5:2 Fast Diet for Beginners is the only guide you'll need to transition to a healthier way of eating and dieting: Get started right away with easy tips for first-time fast dieters. Don't deprive yourself! Enjoy low-calorie recipes and delicious snacks on your fasting days. Ensure success with step-by-step meal plans. Achieve your

weight-loss goals with dozens of healthy recipes. Stay on track with motivational reminders and expert weight loss tips. Lose weight and enjoy better health with The 5:2 Fast Diet for Beginners, your easy introduction to the revolutionary intermittent fasting method and its proven results.

FEAST WHILE YOU FAST Intermittent fasting is the quickest and healthiest way to lose weight. But fasting doesn't mean depriving yourself. With The 5:2 Diet Cookbook, you can easily reduce your intake to just 500 calories a day while still enjoying filling, great-tasting food. The recipes in this beautiful book are low in calories but high in flavor, including: • Huevos Rancheros • Tuscan Bean Soup with Toasted Garlic • Tandoori Chicken with Minted Couscous • Grilled Stuffed Peppers • Stir-Fried Beef with Noodles and Chili • Almond Fudge Crumble Cookies • Green Apple Sorbet • Spiced Hot Chocolate Featuring a sophisticated, useful design to help you add up calories with ease, The 5:2 Diet Cookbook allows you to mix and match recipes to spread your mini meals throughout the day so you can eat well and feel full. Losing weight and feeling fantastic has never been so delicious.

Lose up to twenty pounds in four weeks! Discover the next major "health revolution" (The New York Times) with this cutting-edge new program that will help you lose weight, beat disease, and live longer with intermittent fasting—from the #1 New York Times bestselling author of The FastDiet. Millions of people worldwide have lost weight and reversed disease using Dr. Mosley's The FastDiet, which revealed the incredible power of intermittent fasting. Clinical studies show that fasting not only helps you lose weight fast, but also improves blood sugar levels and heart health, boosts brain health and function, and is even proven to reduce the risk of cancer recurrence. Drawing on the latest research and his personal experience gaining and then losing fourteen pounds, "the world's top gut health guru" (Dr. Barry Marshall, winner of the Nobel Prize for Medicine) returns with an even more effective—yet easier to follow—diet plan designed to reap maximum fasting benefits. The Fast800 Diet pinpoints the ideal fasting calorie count for health and weight loss: 800. Built around a more manageable 800-calorie fasting day—whether that's 800 calories every day until you achieve your goals, or 800 calories twice a week—Dr. Mosley's powerful three-phase program is designed to supercharge weight loss and fast-track a healthier life. Phase 1: A powerful jumpstart designed to accelerate weight loss. Phase 2: Fast twice a week to sheds pounds without slowing your metabolism. Phase 3: Discover how to keep the weight off—without calorie counting. Complete with over fifty-five delicious recipes, four weeks of meal plans, and inspiring success stories, The Fast800 Diet is a simple and life-changing program that gets you real world results.

In The 2 Meal Day, Max Lowery introduces intermittent fasting - eat just two meals a day, either breakfast and lunch or lunch and dinner - to burn fat and get fit fast. Rather than grazing on food all day or having to do complicated calorie calculations for two days of the 5:2 diet, simply eat two meals to lose weight, reduce hunger and feel more energised. Choose your two meals from Max's delicious, nutritious and easy-to-prepare recipes; start the day with Salmon Mini Frittatas or a Breakfast Burrito; Lunch on Thai Green Chicken Curry or Tuna Casserole or enjoy Creamy Mushroom and Parmesan Risotto or Sea Bass Sauce Vierge for Dinner. There are even healthier desserts to satisfy your sweet tooth without over-indulging - choose from Two-Ingredient Chocolate Mousse or Banana Pancakes. Max shows how to combine your 2-meal day with High-Intensity Interval Training (HIIT) - short duration and maximum effort exercises - and resistance workouts to help you drop fat and get fit quickly. So ditch the calorie-counting and the sugar highs and lows and enjoy two meals a day alongside Max's workouts for a leaner, fitter, healthier body.

Sixty nutrient-packed recipes, an eating plan, and profiles of 20 longevity "wonderfoods" that show you how to choose what to eat--and how to eat--to help you live a long, healthy life. Discover the secrets of long life from centenarians around the world, and explore the 10 simple but meaningful adaptations you can make to what and how you eat to follow in their footsteps. You may not be able to change your genes, but you can transform your diet. A four-week eating plan, with 60 nutrient-packed recipes, reinforces and guides you through the dietary transition; after just 28 days you'll feel renewed and revitalized, and inspired to continue your new healthy eating habits. Use this newfound knowledge in tandem with details on how each part of your body changes as you age and which nutrients you need to support overall health. Eat Better, Live Longer is your passport to longevity.

You don't need to obsess over calorie tracking or endure constant hunger to lose weight--fasting is a more effective and more sustainable diet, and it's easier than you think! Intermittent fasting is the solution to dropping pounds and boosting your overall health, and it won't leave you feeling hungry. By shortening the window of time in which you eat food, for example only eating two meals per day within an 8-hour time period, you are well on your way to a more healthy, adaptable body. Intermittent fasting aids weight loss, and is a key therapeutic tool for a variety of hormone- and health-related concerns. (1) Decrease insulin resistance (2) Reduce inflammation (3) Improve cardiovascular health (4) Prevent cancer (5) Protect the brain from disease (6) Extend lifespan You've heard of the concept, but you're not sure where to start. In Part 1, this visual beginner's guide will help you to identify your goals and select one of various fasting programs. Choose from several eating patterns: the 16/8 method; the One-Meal-A-Day (OMAD) plan; the 5:2 diet; and alternate day fasts. Learn the answers to all of your questions, like "Can I drink water and coffee while fasting?" In Part 2, meal plans and recipes will aid your fasting diet. Meal plans are developed so that food leaves you satisfied for hours. With lower carb, higher fat, and moderate protein, recipes offer you the key nutrition you need to make your fasts productive and sustainable. The indispensable companion to the #1 New York Times bestselling diet book The FastDiet became an instant international bestseller with a powerful, life-changing message: that it's possible to lose weight, reduce your risk of diabetes, cardiovascular disease, and cancer, all while eating what you normally eat five days a week. You simply cut your caloric intake two days a week—500 calories for women, 600 for men. But as author Dr. Michael Mosely said, "It's not really fasting. It's just a break from your normal routine." This fabulous new cookbook offers over 150 carefully crafted, nutritious, low-calorie recipes to enable you to incorporate the FastDiet into your daily life. Ranging from simple breakfasts to leisurely suppers, the recipes are all expertly balanced and calorie-counted by FastDiet co-author Mimi Spencer (a devotee of the diet herself!) and nutritionist Dr. Sarah Schenker. From soups to meat dishes to delicious fish-based meals, the recipes designed to fill you up and stave off hunger—even though none are over 500 calories. There are also detailed menu plans and plenty of encouraging tips, including kitchen-cupboard essentials, the latest nutritional advice and a whole section of speedy meals for busy days. With an introduction to the diet itself—detailing its many scientifically-backed health benefits and the transformative results it's already given to hundreds of thousands of readers—this book is an essential follow-up companion guide to The FastDiet. With The FastDiet Cookbook you will never have to worry about planning your Fast Days again!

The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, Open Book is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn't want to lie. Jessica couldn't be authentic with her readers if she wasn't fully honest with herself first. Now America's Sweetheart, preacher's daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. Open Book is Jessica Simpson using her voice, heart, soul, and humor to share things she's never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she's learned and shows the real woman behind all the pop-culture clichés — "chicken or fish," "Daisy Duke,"

"football jinx," "mom jeans," "sexual napalm..." and more. Open Book is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.

Discover the original international diet sensation—used by Adele, heavyweight champion David Haye, and Pippa Middleton—that will help you lose seven pounds in seven days while experiencing lasting energy and eating all the foods you love. Over the past few years, fasting has become a popular diet option. Studies show that fasting—whether through moderate calorie restriction every day or the more severe but less frequent intermittent fasting—can help people lose about thirteen to fourteen pounds in six months and reduce their risk of developing disease. When we fast, our body's energy stores activate what is known as sirtuins, or the "skinny gene," and many positive changes ensue. Fat storage is switched off, and our body stops its normal growth processes and goes into "survival" mode. Fat burning is stimulated and the genes involved in the repair and rejuvenation of our cells are turned on—which all results to weight loss and improved resistance to disease. But if not done correctly, fasting can lead to hunger, irritability, fatigue, and loss of muscle. Enter Sirtfoods: a newly discovered group of foods that is revolutionizing healthy eating. Ranging from chocolate and red wine to garlic and walnuts, sirtfoods are particularly rich in special nutrients that help us activate the same skinny genes in our bodies that fasting triggers. Nutritionists Aidan Goggins and Glen Matten have created The Sirtfood Diet to help you effectively lose weight and improve your resistance to disease, while still giving you incredible energy and glowing health.

The 5:2 Diet will transform your body, your mind and your health. It's the revolutionary part-time weight loss diet with lifelong health and anti-ageing results. This is the simplest, most flexible and most health enhancing weight loss programme you'll ever follow - and with this book to guide you, you can start today. You'll still get to eat all the foods you love but enjoy incredible health benefits, with positive effects on cancer, heart disease, Alzheimer's and more. Intermittent fasting is revolutionising the weight loss world. Simply by eating significantly less for one or two days a week you can trigger incredible physical and mental changes that protect your body and brain from damage and help it repair itself. And THE 5:2 DIET BOOK - packed with tips, science, recipes, inspiration and case studies from over thirty dieters - will help you join the revolution to lose weight, boost your brain and transform your body. And it'll even save you money, with no specialist diet foods or supplements required. No wonder it's as popular with men as it is with women - and with first-time dieters as with weight loss veterans. Journalist and former yo-yo dieter Kate Harrison has finally won the battle with her weight - now she shares the secrets that are helping thousands of men and women transform their bodies. THE 5:2 DIET BOOK is your comprehensive guide to the wonderful world of intermittent fasting. It includes: ? All you need to trigger the 'healing' mode that happens when you restrict your diet for as little as one day a week ? The incredible effects on your brain cells ? The transformation in the way you view hunger and food ? The cost savings you can make - saving pounds from your food bill as you lose them from your body! ? 5:2 your way - how to personalise the diet to your exact requirements and preferences ? Detailed meal plans, and simple but healthy recipes... ? Or ready-made suggestions for when you don't feel like cooking ? Hundreds of real-life tips and success stories from men and women like you This is more than another diet craze - it's anything but crazy and it's a lifestyle you'll want to adopt for the rest of your life.

Lose weight with the Fast Diets? Easy! Over the last few decades, food fads have come and gone, but the standard medical advice on what constitutes a healthy lifestyle has stayed much the same: eat low-fat foods, exercise more, and never, ever skip meals. Yet, over that same period, levels of obesity worldwide have soared. So is there a different, evidence-based approach? Yes! Fast Diets are the revolutionary part-time weight loss programs with lifelong health and anti-aging results. Fast Diets For Dummies is your hands-on, friendly guide to achieving weight loss, without having to endlessly deprive yourself. Inside, you'll get the lowdown on easily incorporating one or all of these unique dietary programs into your busy life. You will get the lowdown on tackling the most popular fasting diets such as: The Fast Diet (5-2 Diet), Intermittent Fasting, Micro-Fasting, and One Meal a Day (Warrior Diet). It offers you information and tips on how to incorporate these unique and popular dietary programs into your busy daily life. How and why the benefits of these fasting diets go well beyond weight loss Fast diets dos and don'ts How to get started and everything you need to know to help you along the way Over fifty 500- and 600- calorie meals that are quick and easy to make

'The Fast Diet is ideal for those of us who can just about manage to be good, but lack the long distance rigour of saints.' - Allison Pearson 'I think I might just be part of a health revolution.' - Hugh Fearnley-Whittingstall FOLLOWING THE NO 1 BESTSELLING FAST DIET, this fabulous cook book offers 180 carefully crafted, nutritious, low-calorie recipes to enable you to incorporate the 5:2 weight-loss system into your daily life.
