

The New Bottoming Book

This groundbreaking feminist classic dismantles the way we view rape in our culture and replaces it with a genuine understanding and respect for female sexual pleasure. In the original edition, feminist, political, and activist writers alike presented their ideas for a paradigm shift from the "No Means No" model--and the result was the groundbreaking shift to today's affirmative consent model ("Yes Means Yes," as coined by this book). With a timely new introduction, refreshed cover, and the timeless contributions of authors from Kate Harding to Jill Filipovic, Yes Means Yes brings to the table a dazzling variety of perspectives and experiences focused on the theory that educating all people to value female sexuality and pleasure leads to viewing women differently, and ending rape. Yes Means Yes has radical and far-reaching effects: from teaching men to treat women as collaborators and not conquests, encouraging men and women that women can enjoy sex instead of being shamed for it, and ultimately, that our children can inherit a world where rape is rare and swiftly punished.

Sexual Outsiders looks at the challenges and experiences of those in the BDSM community and explores the erotic and psychological landscape of this often misunderstood culture, concepts of power, personal growth, overcoming challenges, and forming communities.

Or How to Get Terrible Things Done To You by Wonderful People The groundbreaking book that teaches that bottoming is as much an art as topping - and teaches the skills, techniques and attitudes you need to be a great bottom! Hot, funny, unforgettable pictures of bottoms in action by S/M illustrator Fish.

The Ultimate Guide to Kink is the first major guide to BDSM in a generation—a bold and sexy collection of essays that run the gamut from expert how-to tutorials to provocative essays that delve into complex questions about desire, power, and pleasure. The book brings together diverse voices from the kink community in an unprecedented way: each chapter is written by a different sexuality/BDSM educator. Divided into two sections, the first section features thorough, thoughtful pieces—on everything from flogging to bondage—packed with techniques and beautifully illustrated with original images from artist Katie Diamond. The second section is dedicated to role-playing fantasies and personal manifestos. From age play to masochism, these chapters cover some of the edgiest, most taboo and controversial elements of kink in depth. The Ultimate Guide to Kink features the expertise of renowned educators writing passionately on their favorite subjects, including Patrick Califia, Midori, Laura Antoniou, Barbara Carrellas, Lee Harrington, Jack Rinella, Lolita Wolf, Madison Young, Hardy Haberman, Felice Shays, Ignacio Rivera, Sarah Sloane, Mollena Williams, FifthAngel, and Edge. It will educate, inspire, and challenge both newcomers to the world of kink and experienced BDSM players.

Three decades ago, this book and its companion volume "The New Topping Book" began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Bottoming Book and New Topping Book give even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! What the experts are saying "The only way I can think of to learn more about bottming than Dossie Easton and Janet Hardy teach you in [The New Bottoming Book] is to go out and bottom for yourself." - William A. Henkin, Ph.D., co-author, Consensual Sadomasochism

From the mind that brought you the memoirs Elf Girl and Live Nude Elf comes BDSM 101, a no-nonsense manual for those readers interested in learning about bondage and discipline; dominance and submission; and sadism, masochism, or sadomasochism. For years, Rev. Jen has been coaching her readers on all sex-related matters through her articles in Penthouse and posts on Nerve, an online magazine. A self-proclaimed authority on the subject of sex (and specifically BDSM), Jen spent her early twenties working as a professional submissive at a swanky Manhattan dungeon before becoming a sex surrogate for a renowned therapist. In BDSM 101, Jen shares rare insight into this oftentimes misunderstood world. Practical instructions are given on safety, communication, bondage, spanking, flogging, fetishes, humiliation, dirty talk, and more. Included are steamy, sometimes ridiculous anecdotes from Jen's past, interviews with her wacky artist friends, and basic illustrations. According to the author, "This book is what would happen if Marquis de Sade, Andy Warhol, and Dorothy Parker got together and made a nymphomaniac Bride of Frankenstein." Useful, entertaining, and written with rare candor, BDSM 101 is something you'll want to read aloud at parties and also use privately with lovers. It will become an indispensable part of your library of perversion.

The classic guide to love, sex, and intimacy beyond the limits of conventional monogamy has been fully updated to reflect today's modern attitudes and the latest information on nontraditional relationships. For 20 years The Ethical Slut has dispelled myths and showed curious readers how to maintain a successful polyamorous lifestyle through open communication, emotional honesty, and safer sex practices. The third edition of this timeless guide to communication and sex has been revised to include interviews with poly millennials (young people who have grown up without the prejudices their elders encountered regarding gender, orientation, sexuality, and relationships), tributes to poly pioneers, and new sidebars on topics such as asexuality, sex workers, and ways polys can connect and thrive. The authors also include new content addressing nontraditional relationships beyond the polyamorous paradigm of "more than two": couples who don't live together, couples who don't have sex with each other, nonparallel arrangements, couples with widely divergent sex styles, power disparities, and cross-orientation relationships, while utilizing nonbinary gender language and new terms that have come into common usage since the last edition.

Whether you're a trembling novice or a jaded expert, there's always something new to be discovered in the endlessly changing, complex and titillating world of kink. While there are plenty of other books out there that explain how to give a spanking or tie a half-hitch, *Playing Well With Others* is the first book that explains kink *culture* -- the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums and all the other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a community. You'll learn to:

- Examine your own motivations, needs, wants and desires
- Ease your way into established communities
- Understand etiquette in different adventurous sex communities
- Familiarize yourself with the many types of events available to you
- Care for your relationships as you explore new territory
- Negotiate for play and aftercare
- Go back to the "world at large" without ruffling feathers
- ...and, of course, answer the all-important question: What do you wear?! The team of Harrington and Williams offers 30-plus years of experience in diverse kink communities: top, bottom and switch; gay, bi and straight; female, male and trans; white and POC. Both former titleholders and international educators, they are an unbeatable pair of "sexual sherpas" with an inimitable voice and a great deal of wisdom. *Playing Well With Others* is an unprecedented and essential guidebook for anyone who wants to explore or understand the "community" aspect of the kink lifestyle.

Why does S/M turn us on? How can we get better at it? How can we get our own needs for sex and support met? 'The Topping Book' answers these questions with anecdote-laden wisdom and with Fish's hot, funny portraits of lovably nasty tops. Illustrated.

This book is a valuable resource for those interested in real-time Total Power Exchange Relationships. Dan and dawn share the reality behind the lifestyle that so many only fantasize about. This is a book based on the experience of a couple, who has been living together as Master and slave for well over a decade and covers such topics as: challenges of living as a M/s couple; building your own M/s dynamic; changing terminology; the communities of M/s and BDSM and how they dance together (and apart); styles of D/s and M/s; Ms and polyamory; leather; orchestrating situations with multiple slaves, as well as many other topics.

From the author of the underground classic, *SM 101*, comes essential information on how to use ropes, and restraints to achieve comfortable, erotic, attractive bondage - for decoration, for sensation, or for immobility. No complex knots or, hard-to-follow diagrams... just common sense, easy, to use, flexible techniques, with a special, emphasis on safety and responsibility. Illustrated, throughout.

Tristan Taormino can tell you everything you want to know about the world of kink, and more! Operating on the pleasure principle, *50 Shades of Kink* is a truly helpful how-to that is the perfect beginner's guide to the realm of kinky sex and can also serve as a wonderful refresher course. Whether readers want to get up close and personal with blindfolds, crops, and paddles or are just looking for some inspiration to keep things fresh in the bedroom, *50 Shades of Kink* is ideal for everyone and their lover(s). Included are techniques and creative ideas for bondage, spanking, flogging, sensation play, and rough sex; lessons on how to eroticize power, cultivate deeper connections, and incorporate kink into one's sex life; and role-playing fantasies from the popular to the taboo.

In *The Dominance Playbook*, kink educator and lifelong power exchange fanatic Anton Fulmen builds on the fundamentals he established in *The Heart of Dominance* to explore beyond the basics of dominance and submission in both scenes and relationships. The *Playbook* includes inspiration and practical advice for a wide range of power exchange practices: administering effective punishments, providing useful service, navigating the delicate territory of sexual objectification, and other fulfilling but sometimes tricky areas of kink. You'll find invaluable guidance for creating an intense evening of power exchange play, and also for weaving power exchange into the fabric of a long term relationship - in ways that are exciting, fulfilling and sustainable for everyone.

This new edition of the bottoming book continues to teach the technique but also offers emotional support and ethical interaction to those curious or concerned about the consequences of BDSM.

John Warren, known as "Mentor" to the many who have read his books or hearkened to his sage advice at his workshops and gatherings, brought his decades of BDSM experience to his classic manual "The Loving Dominant". Out of print for several years, this classic is now available once again, now in a revised and updated second edition in a quality trade binding. From its advice on "Stalking the Wild Submissive" to its extensive Resource Guide, "The Loving Dominant" offers perhaps the greatest breadth of subject of any basic BDSM guide available today -- including some basic toymaking patterns and an entire chapter on BDSM photography!

The first-ever full-length guide to getting tied up, from bedroom play to advanced suspensions. You'll learn all about finding the right rope partner, types of rope scenes, avoiding injuries, pain processing, and the 7 Helpful Skills of Rope Bottoming, including Mindfulness, Being Prepared, and Communicating With Your Rope Top. You'll also learn how to evaluate a suspension hardpoint for safety and much more! Much of what we've "heard" about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it's also a concept that you will find is not "scary." And even the "pain" that is spoken of is not the type of pain people think it is. This book is written for Doms/Masters in training. It is written for you, the average guy or gal, who doesn't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they've heard about it. What you are going to find out, is that the Dom/Master actually has the more complicated role. The master has the task of giving pleasure and discipline to the slave or sub. A great deal of what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and not simply take what you want. Still interested? Good. Now that we know you're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss: - How to think and act like a Dom - What the slave expects from you - What not to do and what instincts you do NOT want to follow - Your motivation and your goals - How to find out a sub's taboo - How to negotiate, find agreement and ensure that game play is always safe - How to make a slave yearn for you and desire to be controlled by you - And much more...

A detailed legal-style practical document to negotiate and define your power exchange relationship. Bonus: get the digital PDF & Microsoft Word versions for only \$4.95 when you buy the book (see inside for details). Set down your goals, expectations, desires, boundaries and limits. Suitable for all levels of BDSM (D/s, M/s, training to TPE). This Contract covers all the important relationship issues including rights, responsibilities, limits, punishment, communication, areas of control & more. Suitable for male or female Dominants and male or female slaves and subs including the following dynamics: *

Dominant/submissive * Master/slave * Mistress/slave
Written by a lawyer, this contract is ideal for giving moral binding authority to your arrangement. It's the closest you'll get to a legally binding document. Please note: although this Contract is drafted to sound like a legal document, contracts for BDSM relationships or activities are not legally binding, not even if written specifically for you by your attorney. Available digital BDSM Contracts include: * Dominant/submissive (female sub) * Dominant/submissive (male sub) * Master/slave (female slave) * Master/slave (male slave) * Mistress/slave (male slave) * Mistress/slave (female slave)

Light-hearted and fun to read, SCREW THE ROSES, SEND IN THE THORNS tells readers everything they need (and want!) to know about sadomasochism. Deeply committed to the blend of trust, fantasy and sensuality that makes S/M an intensely erotic and deeply intimate experience, Miller and Devon here offer everyone - from the complete novice to the well-practised sub or dom - clear explanations, solid advice, safety measures and steamy suggestions. Illustrated with over 225 photos and illustrations, the book also includes a glossary and 30-page resources listing.

Mixing erotic vignettes with practical how-to suggestions and personal insight, 'Sensuous Magic' is Califia's classic beginner's guide to S/M for couples who harbour fantasies of erotic dominance and submission. Experienced players will appreciate the breadth of Califia's knowledge of safety and technique and his insights into the psychology of S/M. Novices will be reassured by Califia's honest, unpretentious approach.

Erotic humiliation goes far beyond the "Lick my boots!" stereotype. Princess Kali, a famous former Dominatrix and world-renowned Humiliatrix, throws open the dungeon doors to explore the complex desires that fuel this kind of psychological play for both dominants and submissives. Using both personal experience and extensive interviews she shares advice and detailed ideas for a broad range of embarrassing, humiliating, and degrading ways to enjoy consensual kinky fun. Also covered are important concepts such as communication, negotiation, consent, triggers, aftercare, and so much

In any consenting and negotiated personal service relationship, there are hundreds of ways in which the servant can make the master's life easier, and the master can manage the servant most effectively. Why is it that we usually only hear about a few of these ways, mostly sexual service, kinky play, and BDSM, or perhaps leather care or formal tea service? From housework to driving to child care to personal care, nearly anyone who is in service (or who would like to be) has dozens of skills they already know that they can offer as a service, and there are countless more practical everyday skills they can learn. Real Service is a handbook for service-oriented submissives and the people they serve, providing techniques to help a service relationship function smoothly, and suggestions for service that can be offered. The Control Book is about the fine art of taking control of your partner. It's about the processes involved, about taking control, using control, about ensuring that you have control, and-importantly-about giving control back once you are done with it. The book discusses how this works-the psychology of it-and looks at what can go right, and at what can go wrong and how to fix it. It considers the role of authority in the equation, and looks at how to manage the control you have over someone so that it is both effective and rewarding for you both. I believe that a very large part of the activities which we include under the umbrella of BDSM rely explicitly or implicitly on control being asserted over one person by another. My goal in this book is to talk about control, explain what it is, demonstrate it, show how to take it, how to give it, how to manage it, and more. I want you, the reader, to be aware of the ebb and flow of control around you and through you.

The New Bottoming BookSCB Distributors

The Heart of Dominance is a how-to guide to the concepts and skills at the heart of consensual dominance. If you are new to dominance, still figuring out just what it's all about or what you want it to mean to you, then this book will provide you with a solid foundation from which to start. If you already practice dominance and are interested in improving your ability to create deep and lasting power dynamics then you'll find many advanced concepts and concrete techniques to integrate into your own personal style. If you have an interest in the bedrock principles of inspiring, deepening, maintaining and enjoying control over a person who dearly, desperately wants you to control them, then this book is for you.

Girlfags are women who love, are attracted to and identify with gay men; they are a growing community edging their way into mainstream gender politics. These girlfags are not 'faghags', for while they enjoy the company of gay men, girlfags also enjoy them as bedmates and peers; indeed they may identify themselves as a gay man trapped in a woman's body, feeling a strong sense of sexual attraction to men. This memoir blasts through the binaries of gender and orientation and explores a fascinating sub-culture that is only just being exposed in mainstream culture.

The definitive handbook on Domination and Submission (D/s) relationships and the BDSM lifestyle. A must-read for anyone considering or curious about non-traditional relationships within a fetish culture context. Funny, insightful, educational, and inspiring. Author Michael Makai goes in-depth on Dominants, submissives, switches, primals, and their relationship dynamics. Learn about BDSM activities, bondage, toys, groups, protocols, and safety. This book even dares to go where others fear to tread: The Gorean subculture, online D/s & BDSM, first meetings, religion vs. kink, and what could go wrong. You'll love Michael Makai's irreverent and humorous treatment of this subject as he gives you the benefit of his 35+ years of experience in the D/s and BDSM lifestyles. (Paperback, 496 pages)

A primer on the history, glamor, technique and art of erotic caning, including sections on cane styles and materials, pacing, warmup, aftercare, positions, first aid and safety issues. Includes a special section making and maintaining your own canes from inexpensive natural materials! About the Toybag Guides. A new concept from Greenery - sturdy little 4" x 6" quick reference guides you can drop in your toybag for less than \$10! Each of these books contains at least as much information as you could get from a full day's workshop on the topic taught by one of the leaders in the scene - people like Jay Wiseman, Janet Hardy, Midori and John Warren. We'll be bringing out new ones every season. Start your collection now!

Consensual adult spanking can be sexy or strict, giggly or grave, gentle enough to pinken the skin or intense enough to leave marks. It can involve infinite combinations of roles, implements and positions - enough to keep even the most avid spankophile busy for a lifetime. Janet W. Hardy (formerly "Lady Green") has been a spanker and spankee for more than a quarter century, with partners of all genders from all over the globe. Here, paired with famed spanking illustrator "Barb," she offers the how-to and why-to of spanking for anyone from the beginner looking to spice up their sex life to the advanced player. This book combines the content of Hardy's previous books "The Compleat Spanker" and "The Toybag Guide to Canes and Caning" into a comprehensive, readable guide that will take its place among the classics of kinky sexuality.

Janet W. Hardy has given advice on the most challenging questions - questions of sex, polyamory, kink, and self-identity. She's answered those questions while providing a constructive and compassionate road map in 'The Ethical Slut' and 'The New Topping/Bottoming Books'. But where others have turned to her, Janet had to make it up as she went.

In erotic stories, consensual submissives and slaves are usually beautiful, perfect people who can endure any hardship while balancing a tray of drinks in one hand. But what about real life, where many of us in dominant/submissive or master/slave relationships cope with mental illness or neurological disorders? Some would say that these individuals shouldn't even be doing power exchange, and yet many are - and they are making it work. Broken Toys explores the brave stories of people in service and surrender who are struggling with imperfect brains and nervous systems, and the inventive masters and mistresses who love them, and find ways to use the dynamic to keep everyone going.

A Guide to Infinite Sexual Possibilities, Beyond the often unrealistic ideal of lifetime, monogamy lies an uncharted jungle of delightful options - everything from committed multi-partner relationships to friendly sex, casual sex, group sex, and more. In this groundbreaking volume, "Bottoming Book" and "Topping Book" authors provide a road map for exploring this sometimes, difficult, often rewarding territory.

Warm, informative details about how to get your needs met, manage your jealousy, make agreements that...

"A practical guide to practicing polyamory and open relationships in ways that are ethically and emotionally sustainable"--Provided by publisher.

While the world of kink and BDSM is far from new, the language we use to discuss it is constantly evolving and growing while we gain a better understanding of ourselves and the world around us. What was

once a binary system with assumed roles based on gender, we now have fluidity and questions before assumption, or at least we're doing what we can to help that shift so that all consenting adults are included rather than shamed or outcast because they don't fit the mold. This dictionary, the "Kinktionary," is created with this positive growth in mind. A dictionary that updates our old definitions while also providing space for new words and phrases as you come across them. Every section has designated space so you can continue to update definitions as they change, add new words that may be added to our lexicon, and watch your dictionary grow along with you. Newbies fear not, with over 400 words and phrases contained in "Kinktionary" you're sure to start with a solid foundation for your kink journey. Already an experienced kinkster? Keep "Kinktionary" on hand for quick reference material and add to it to your heart's content. So, get out your favorite pens, start clipping images of your favorite gear or inspiration for play you love, this isn't your standard school dictionary; in this book you're encouraged to write, draw, scribble, and make it your own!

The basis of the major motion picture starring Billy Bob Thornton, KimBasinger and Mickey Rourke, *The Informers* is a seductive and chillingly nihilistic novel, in which Bret Easton Ellis, returns to Los Angeles, the city whose moral badlands he portrayed so unforgettably in *Less Than Zero*. This time is the early eighties. The characters go to the same schools and eat at the same restaurants. Their voices enfold us as seamlessly as those of DJs heard over a car radio. They have sex with the same boys and girls and buy from the same dealers. In short, they are connected in the only way people can be in that city. Dirk sees his best friend killed in a desert car wreck, then rifles through his pockets for a last joint before the ambulance comes. Cheryl, a wannabe newscaster, chides her future stepdaughter, "You're tan but you don't look happy." Jamie is a clubland carnivore with a taste for human blood. As rendered by Ellis, their interactions compose a chilling, fascinating, and outrageous descent into the abyss beneath L.A.'s gorgeous surfaces.

Have you ever looked at a crop and wondered what you could do with it that did not involve a horse? How about rope; what do you do with beautiful, soft rope or rope that is rough and tough? When your partner tells you "hurt me," do you get turned on? This book gives you a place to start answering those questions and others. This book is not a be all and end all of how to do things. Instead, it is meant to give you an idea of where you can start and what you need to get started. How to make things a bit safer, as what we do can be--and usually is--dangerous. The danger is what turns many of us on: the ability to tiptoe on that edge of sanity and danger without causing harm is erotic and just fun. This book gives you a place to start so that you know what questions to ask. This will also give you the understanding that you are not alone in your desire for what you need. You are not sick, just different. Your drummer is now our drummer and we march in the same basic direction. Welcome to the kinky universe we have been living in for a while. Explore safely and enjoy.

Two decades ago, this book (and its companion volume, *The New Bottoming Book*) began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised *New Topping Book* gives even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! "Easton and Hardy tackle the Top... and bring that elusive critter down neatly and with a certain flair. This is good stuff, important stuff... an excellent guide to topping, both for the rank novice and for the player who just wants words to put to all the thoughts and feelings that have resisted categorization." - Laura Antoniou, *Sandmutopian Guardian*

Vaginal fisting - the intimate, potent sexual act of gradually inserting the entire hand into the vagina - is an increasingly popular form of sexplay among lesbians, bisexuals and heterosexuals alike. Now, for the first time, an experienced fister and fistee explains in detail how to fist with the greatest possible safety and pleasure. Extensively illustrated, this groundbreaking guide by Deborah Addington has been approved by three fisting-positive physicians and by many experienced practitioners. Also includes an eye-opening section of anecdotes and poetry by fisting-lovers, plus an extensive resource guide. A must-have "handbook" for the sexually explorative!

Corporate culture and culture change have become the pressing issues of our time. The fast pace of change is attacking companies of all sizes. Leaders are facing the challenges of adapting their organizations to generational changes, the uncertainties of new technologies, shifting client behaviors, and the realization that supply is often stronger than demand. ?And, people just hate to change. They are willfully blind to what is happening all around them. But, the future is, indeed, coming soon, if not today, and change they must. Andi Simon is a corporate anthropologist who has empowered thousands of business leaders to see their companies with fresh eyes, identify their next big ideas, and—most importantly—turn innovative solutions into executable change. In her groundbreaking book, *On the Brink: A Fresh Lens to Take Your Business to New Heights*, Andi presents her unique methods for harnessing innovation and revitalizing business growth. Taking readers on a journey through seven case studies, Andi shares how she helped these businesses discover new and profitable growth opportunities by exploring the untapped resources that were right in front of them. Businesses, not-for-profits, entrepreneurs are paying close attention. They frequently talk about the need to innovate and change is if these are the sweeping secret sauce to solve all their business problems; however, they often don't know where to start or how to expand beyond creative brainstorming to strategically identify and act upon new business opportunities. In this book, Andi will take the reader through the theory, methods, and tools of corporate anthropology to see how this new perspective can help a stalled company see possibilities with fresh eyes to re-ignite their growth. From a medical center facing multiple years in the red to a rural university battling decreasing enrollment to an equipment manufacturer whose award-winning product just wasn't selling—the stories of these seven companies struggling to innovate and grow provide invigorating testimony to the power of corporate anthropology. Whether searching for a way to revitalize a business or to expand a successful company into new and profitable directions, the strategies outlined in *On the Brink* will give readers the fresh approach they need to achieve meaningful business breakthroughs.

Submissive women have needs just like anybody else. But how can a woman get her needs met when she's relinquished her power to her dominant partner? With warmth, wisdom and a down-to-earth approach, experienced submissive Kacie Cunningham analyzes the realities of the dominant-submissive lifestyle and suggests ways in which both partners can experience the greatest possible growth and pleasure. At the heart of the book is an emotion Kacie has dubbed "Conquer Me" -- which she defines as "the submissive's internal demand for a show of strength." Without a clear understanding of "conquer me," both submissive and dominant may find themselves at odds -- either fighting unhappily, or watching the passion ebb from their relationship. This book explains this unique need and how to get it met -- essential knowledge for any submissive or couple who wants to get the most out of their D/s lifestyle.
