"The first thing we do, we kill all the lawyers:" Shakespeare may have had a point, but the truth is, from time to time, we all could use a good attorney. This survival guide won't replace legal counsel, but by stating your rights plainly, it can help with some pretty weighty matters-including prenups, breaking apartment leases, immigration, and workplace discrimination. Ronald M. Benrey helps solve basic legal quibbles at home, at work, and even on vacation. He provides an understanding of central legal principles, explains key vocabulary, and helps readers to overcome familiar misconceptions.

Start Your Own Law Practice is the first title in the Open for Business series of professional career titles. It explains that starting your own firm (no matter the type) is the same as opening up your own small business. Taking this approach, *Start Your Own Law Practice* makes you a small business owner first and a practicing lawyer second.

Flying Solo is a comprehensive guide to establishing and maintaining a successful solo law practice.

This book is a 2016 update to the 2015 book of the same name. If you bought the 2015 version of this book, email a photo of it to the email address inside of it and I will email this book to you free of charge. 40,000 people graduate from law school each year, competing for a shrinking pool of clients as more self-help solutions come online. You may be better or more cost-effective or more experienced than your competitors, but the growth of your law practice in 2016 depends on visibility alone. This book describes the current landscape of the Internet as it pertains to lead generation for the solo practitioner and small law firm. It provides practical information about what you can do to evaluate the the current state of your online marketing efforts and what you can do to refine it to make your marketing investment as productive as it can be.

There are plenty of books out there about the practical aspects of opening a law practice. This book is different. *Solo out of Law School* is a book for both law students thinking about a solo career and attorneys looking to open their own firms. It's about mindset, motivation, and viewing your solo career with perspective that allows you to see yourself and your work as something you can be proud of. It's not a "how to" guide to starting a law practice. It doesn't say anything about the tools you'll need or whether to open a brick and mortar office. Rather, it's a "how can" guide to developing the mental toughness and right mindset to succeed as a solo attorney. It's a collection of little lessons and simple reminders for when your choice to go solo in the first place come into doubt. *Solo out of Law School* is about finding the strength and motivation to keep pushing. By embracing the words on its pages, my hope is that you'll realize, no matter how much you doubt yourself or second-guess your actions, you are good enough to be successful as your own boss."

Let's be honest, traditional small firm law practice is not working very well. Too many small firm lawyers struggle to make ends meet, get clients, meet clients' expectations, or they wrestle with mental health issues or substance abuse.

Meanwhile, there is a huge gap between those who need legal help and those who can get it. But it doesn't have to be that way. We can build better firms, be more effective with our clients, enjoy better health and a greater sense of fulfillment, and make a bigger impact on our communities. With the client-centric law firm management model in *The Small Firm Roadmap*, you'll see that getting started is easier than you think. The team from Lawyerist.com-Aaron Street, Sam Glover, Stephanie Everett, and Marshall Lichty-will help you gain clarity around your career and firm goals and identify successful strategies for starting, managing, and growing a thriving future-oriented law firm. If you're ready to do great work that supports a great life, this book is for you.

Today's justice system and the legal profession have rendered the "lawyer-warrior" notion outdated, shifting toward conflict resolution rather than protracted litigation. The new lawyer's skills go beyond court battles to encompass negotiation, mediation, collaborative practice, and restorative justice. In *The New Lawyer*, Julie Macfarlane explores the evolving role of practitioners, articulating legal and ethical complexities in a variety of contexts. The result is a thought-provoking exploration of the increasing impact of alternative strategies on the lawyer-client relationship, as well as on the legal system itself.

The road to becoming a lawyer is hella difficult, especially for minority women. So I recorded my raw, authentic experiences as well as provided you with tools that you can apply to your law school and life journey. I know what it feels like to be uncomfortable asking for help when you really need it. Especially when you are the only one in your family that decided to pursue a career in law. I know what it feels like to not want to raise your hand in class when you are confused for fear of looking stupid or when you have applied to countless jobs and have yet to hear a call back for the one you really want. I know what it feels like to pick up the phone and want to call someone to vent about how much law school sucks and not having anyone who understands or likes to hear your repeated rants. I also know what it feels like to struggle with becoming skilled in this profession. I struggled in school to make friends, with grades and my first time taking the bar, but I am here to tell you through my story that it is possible to triumph! My hope is that you see yourself in some of the struggles described in this book and learn just what I wish someone had told me before I decided to be a lawyer. It was not easy, but I can honestly say now that every temporary defeat was worth it! Get this interactive, empowerment law guide and journal today!

"Making the decision to pursue an in-house counsel position can be a daunting experience, in part because in-house positions can be so different from working in a firm and can vary significantly from company to company. This book offers ... insight into the unique aspects of serving as in-house counsel and provides a good foundation for anyone who wants to learn more about in-house counsel life."--

You became a lawyer to help people and have a great life. Instead, you're working insane hours, not making the money you had hoped, and are not fulfilled by your life as a lawyer. Ali Katz was struggling with the same issues while also being a single mom who needed control of her calendar. When she saw major flaws in the way lawyers, like herself, were taught to serve families and small business owners, she decided to do something about it. Ali developed a new way to practice law-one that puts relationships before transactions. And while that made her happy, the icing on the cake was that she started generating over \$1 million annually in just three years, all while going to her office just three days a week. Now, Ali brings this knowledge and experience to bear in The New Law Business Model. If you're a lawyer, there's no need to abandon your dreams. In this book, Ali shows how to use your most valuable asset-your law degree-for the good of families, small businesses, and most importantly, your well-being. Pulling from her own journey, Ali shares the roadmap she followed and insights she found that made her success possible. The old law business model is broken. It's time to replace it with one that works for you, your family, and your clients. It's time to take back your time, your income, and your humanity. ? The New Law Business Model was created to guide inspired lawyers like you into a new era.

The Legal Writing Survival Guide is for any law student or lawyer facing legal writing's most common conundrums, including: the document that is too complicated, the memo that didn't find the "right" answer, the brief that must deal with bad law, and the email that has to deliver bad news. Covering predictive writing, persuasive writing, and correspondence, it offers practical tips, tricks, and tactics. The Legal Writing Survival Guide also includes clear illustrations and solutions to common grammar, punctuation, citation, and style issues that are critical to surviving any legal writing assignment. It is the survival guide you have been waiting for. Whether you are a procrastinator, a pessimist, or just plain perplexed, The Legal Writing Survival Guide will help.

The greatest threat to the integrity of the legal system is a broke and unhappy attorney. Whether you are new to the practice or have been practicing law since the Ford Administration, you should be paid- in full- for the work you perform. You should be paid for your superior judgment, your skills, your ability to negotiate, and your knowledge-not how many hours you took to draft a pleading. The Happier Attorney: A comprehensive Guide to Charging Flat Fees for Legal Services is a step by step guide that will teach you: -What hourly billing is really costing you in money and more importantly time. -Why hourly billing is bad for clients and horrible for attorneys. -Why clients love flat fees. -How you can obtain a collection rate of 100%. -How flat fees improve your work product. -How flat fees will increase your income significantly. -How flat fees will save you so much time you won't know what to do with your time. -How flat fees will decrease staff time and costs. -How to manage one's time so that you can meet your responsibilities and have lots of time outside the office. -How to ethically and easily address any issues that arise from flat fee billing. In the nearly 19 years of owning her own practice, and well over a decade of using exclusively flat fees, even for family law litigation, Brita Long is in a unique position to share everything that you would want and need to know when you are considering moving from hourly billing to flat fees. The relief of only working as many hours as you want to work and still make the money you want to make, and have earned, is only a few hours away.
