How to Manage Your Mammoth draws on a single coaching technique, bite sizing, to help you manage issues and tasks that you find difficult, overwhelming or impossible. You can use bite sizing to break down a difficult task or build up to a goal. Experienced psychotherapist and coach Wendy Jago draws on her work with business professionals worldwide in the banking and commercial sectors, to provide a user-friendly guide packed with short, snappy exercises to help even the worst procrastinators. How to Manage Your Mammoth will cover: * How you naturally approach problems. Do you hone in on the details/specifics straight away or do you think of a problem in its entirety rather than its parts? * How much energy and stamina do you have to draw on. What is your natural attention span? The book will show you how to work with your natural energy and attention levels and not against them. * How we unintentionally create mammoths and how we can avoid doing so. * What to do when other people in your life have a different way of managing tasks that conflicts with your style. How do you work together to get the job done? *How much can be achieved in very small chunks of time, known as twenty-minute miracles.

*** This is the new and improved edition (4th) of The Big Book of NLP Techniques. *** At Last, A Concise Encyclopedia of NLP Patterns! The Big Book Of NLP contains more than 200 patterns & strategies written in an easy, step-by-step format. The methods include a full array of the fundamentals that every practitioner needs, such as the Swish pattern and The Phobia Cure, as well as advanced and unique patterns, such as The Nested Loops method and Learning Strategies. Many of these techniques were never published before and cannot be found elsewhere. Perhaps more important, and unlike most other NLP books and programs, the patterns are written with great care and testing to ensure that they are clear and can be followed immediately. If there was one really useful book on NLP... ..it would be full of NLP patterns! Everyone who learns Neuro Linguistic Programming knows the power of the patterns and strategies that employ the skills and knowledge of NLP. Whether you have just been introduced to the basics, or you have mastered advanced material and patterns, this work provides you with more than 200 patterns in a concise reference format, with step-by- step instructions. We have selected each pattern for its value and relevance. If you know the pattern, you can refresh your memory; if you want to learn it, you can do so without wading through any "fluff" such as ridiculously long explanations of NLP terms, or "magical stories" of healing and success. I chose to make this book clean of theories and fiction stories, and packed it with the most practical guidelines and advice.

In an increasingly diverse workplace, it's more important and challenging than ever to communicate well. We must build bridges that cross our differences to connect our similarities. *The Art of Connecting* reveals five core principles and presents corresponding, specific strategies for overcoming communications barriers and connecting effectively with anyone, regardless of professional, generational, ethnic, cultural, or other differences. The authors also explain how the most skillful connectors are able to shift perspectives -- to see a situation from three points of view: "me," "you," and "them." All of the principles and strategies are brought to life through absorbing examples and scenarios, plus engaging descriptions of "masters of connection" -- like famed National Public Radio interviewer Terry Gross -- doing what they do. There is always a bridge. *The Art of Connecting* shows how to find it -- every time.

Language (even what peoples' feet are saying) How To Save Time & Maximize Your Productivity How To Turn A Negative Situation Into A Positive One How To Motivate Yourself How To Improve Your Health How To Have Happier Thoughts And Much, Much More! What Readers are Saying: "I was uncertain what NLP was about, as I figured it was related to social manipulation and techniques that hypnotists use. In reality it's more about how we interact with people. The book goes into detail about topics like mirroring, body language and identifying with the person you're talking to in order to relate better. All of these tips are very practical, especially for somebody who's constantly learning about social interactions and trying to improve himself."

Now a billion dollar industry, executive coaching is one of the fastest-growing sections of the coaching market and is widely used by senior managers and chief executives in large organisations.
