

The Nordstrom Way The Inside Story Of Americas 1 Customer Service Company

Robert Spector,Patrick D. McCarthy

The Nordstrom Way Robert Spector,Patrick D. McCarthy,1997-07-02 Praise for The Nordstrom Way . . . Outstanding customer service and Nordstrom's are synonymous. The innovative approach has allowed them to find out what the customers want and then do it. Their standards of service are what we all shoot for.—David D. Glass, President and Chief Executive Officer, Wal-Mart Stores, Inc. Nordstrom is a national model for outstanding customer service. American business should use this book as a primer to learn how to make and keep happy, satisfied customers.—Willard Marriott, Jr., Chairman and President, Marriott International, Inc. When you run a family business that includes your customers as extended family, you're unbeatable. This book outlines an American family saga that has become the admiration of the world.—Leonard A. Lauder, President and Chief Executive Officer, Estée Lauder Companies. Nordstrom's business is built on one-to-one communication with the customer. Their professional salespeople bridge the gap between the designer and the consumer. The Nordstrom Way is what the '90s are all about!—Donna Karan, Designer and Chief Executive Officer, Donna Karan Company.

The Nordstrom Way Robert Spector,Patrick D. McCarthy,2000 An in-depth look at how Nordstrom has become a retailing legend, with 79 stores across the United States, an annual revenue of \$4 billion, and a host of satisfied customers. Spector explores the creation of Nordstrom culture, organization and mystique.

Lessons from the Nordstrom Way Robert Spector,2000-11-03 This book focuses on the customer service principles espoused by the Nordstrom department store chain, a legend in retailing and customer service. It shows how the Nordstrom customer service culture can work in any company or industry -- computer repair centers, bicycle shops, medical clinics, credit unions, and more. The book features case studies from many companies that have successfully adopted and adapted the lessons from The Nordstrom Way, the author's successful book about the founding of Nordstrom and the beliefs the Nordstrom family imparts to its employees. Helps other companies apply Nordstrom's principles to their own customer service practices Provides lessons on how to find and focus on customer needs, follow-up, and ensure customer satisfaction

The Nordstrom Way to Customer Service Excellence Robert Spector,Patrick D. McCarthy,2012-02-07 The

Nordstrom Way shows the direct link between empowering your employees and creating a long-term relationship with your customers. More businesses should follow Nordstrom's example. —Howard Schultz, Chairman, Starbucks Coffee Virtually every company wants to be the Nordstrom of their industry. Nordstrom is one of only five companies to make Fortune's best companies to work for and most admired list every year the surveys have been taken. Despite its position in the hard-hit retail sector, Nordstrom, with 193 stores in 28 states, never experienced a quarterly loss during the recent economic downturn. The Nordstrom Way to Customer Service, Second Edition explains what every business can learn from the world's most famous customer-service-driven company. New material in this revised edition includes: How To Become The Nordstrom Of Your Industry Tools for creating a customer-driven culture Chapters on Nordstrom's online customer service and the innovative social commerce features of its website Breakthroughs on Nordstrom's multi-channel approach to customer service Nordstrom follows a set of principles that has made it a leader in its industry. Discover what endears Nordstrom to its customers, and learn how to apply those same standards to your company.

The Nordstrom Way to Customer Experience Excellence Robert Spector, Anne O. Reeves, 2017-10-03 Top Ten Business Books For 2017 - Forbes The fully revised and updated edition of the classic book about Nordstrom's extraordinary customer service In this new edition of the management classic, the authors explore in-depth the core values of the culture that have made Nordstrom synonymous with legendary customer service. These essential values have enabled Nordstrom to survive and adapt to dramatic market shifts regularly since 1901, and the new edition explains how the Nordstrom approach can be emulated by any organization—in any industry—in every corner of the world. This is not a book about selling shoes or clothes or cosmetics or jewelry. It is a book about how underlying values such as respect, trust, compensation and, even fun, are the building blocks of a culture where employees are empowered to consistently deliver a world-class experience to customers. Nordstrom believes that the employee experience determines the customer experience, and that when you attract and reward people who are comfortable in a service-oriented culture, then everyone succeeds—both individually and collectively. No wonder Nordstrom is one of only five companies to make Fortune's Best Companies to Work For and Most Admired lists every year since those surveys have been taken. With new interviews from senior Nordstrom executives and family members, the book explains how to successfully respond to today's tech-savvy, time-crunched customers who demand a convenient, seamless, painless, personal experience across all channels. Nordstrom gives its frontline people all the digital tools necessary to satisfy the customer—and your organization must do the same, if it wants to adapt. The authors show what it takes to earn brand loyalty, lead through change and uncertainty, and combine extraordinary brick-and-mortar with online experiences. 'The single most important reason we try to provide great service is this: It enables us to sell more,' says co-president Blake Nordstrom, great-grandson of the founder. 'The best way for our company to achieve results is to do what's best for the customer.' In this book, readers will find: Suggestions for becoming the Nordstrom of your industry The ten

values that define a customer-driven culture Lessons for providing superior service and experience across all channels

The Nordstrom Way, 2010

Amazon.com Robert Spector, 2009-03-17 In Amazon.com Jeff Bezos built something the world had never seen. He created the most recognized brand name on the Internet, became for a time one of the richest men in the world, and was crowned the king of cyber-commerce. Yet for all the media exposure, the inside story of Amazon.com has never really been told. In this revealing, unauthorized account, Robert Spector, journalist and best-selling author, gives us this up-to-date, fast-paced, behind-the-scenes story of the company's creation and rise, its tumultuous present, and its uncertain future.

The Legend of Eddie Bauer Robert Spector, 1994

What's the Secret? John R. DiJulius, III, 2011-01-07 What's the Secret? gives you an inside look at the world-class customer service strategies of some of today's best companies. You'll learn how companies like Disney, Nordstrom, and The Ritz-Carlton get 50,000 employees to deliver world-class customer service on a consistent basis- and how your company can too. Packed with insider knowledge and a wealth of proven best practices, author John DiJulius will show you how your company can emulate the world's best customer service providers.

Secret Service John R. DiJulius III, 2003-01-28 "Either you can decide to compete on price alone and pray you can maintain a cost structure to generate a profit, or you can provide magical moments that create value for your guests. . . . Throughout Secret Service, DiJulius demonstrates how to transform bland customer service standards into memorable customer experiences."— from the foreword by Bill Capodagli and Lynn Jackson, coauthors of The Disney Way and Every Business Is Show Business How many successful businesses provide the kind of unforgettable client experience that keeps customers coming back time after time and year after year? John DiJulius has built his award-winning business around a customer service approach that has earned comparisons to Disney, Nordstrom, and other legendary customer experience pioneers. In Secret Service DiJulius reveals how to develop behind-the-scenes systems that will enable your business to * develop a great corporate culture that shows in the dedication and passion of your front-line people * "go deeper" with your existing customers * turn complaints into positive experiences * make each customer feel welcome, comfortable, important, and understood. DiJulius will teach you all the techniques that have catapulted his business to the top, making him one of the most sought-after service experts in America. By quantifying and examining each phase of the Customer Experience Cycle, Secret Service reveals clever, practical ideas that can be transformed into repeatable best practices in any organization and at every level. Packed with examples applicable to a wide range of industries, this book provides practical, realistic ways to reap the benefits of greater customer loyalty, exponentially expanded referral networks, lower employee turnover, and stronger bottom-line results.

Breakthrough Customer Service Stanley A. Brown, 1997-10 Praise for Mike Russill, Vice-President, Retail, Sunoco Inc.

Catherine Neville, President, Quality Management Institute Dan Plashkes, President, S&P Data Philip C. Brown, Senior Vice-President, Telebanking and Alternate Channels, Bank of Montreal Brenda Anderson, Executive Director, International Customer Service Association J.A. Sinex, III, Manager, Global Integrated Services Team, External Affairs, DuPont Breakthrough Customer Service Best Practices of Leaders in Customer Support An impressive array of experts and industry winners provide a virtual road map through the major changes necessary to achieve real breakthrough customer service. A must-read for those determined to make great customer service a competitive edge! Breakthrough Customer Service scores a direct hit on how to differentiate a business through strategic customer service. If companies implemented just a few of the great ideas found in this book, they would enjoy world-class leadership positions not only in their own industry, but across all industries. A stimulating look across industries and channels, the way customers actually experience service, and a very useful way to identify breakthrough opportunities. A great management tool, it provides real-world examples and effective solutions that can be applied to your business. This book is must reading for companies that want to be more competitive. It provides businesses with thought-provoking solutions to consider in their quest for superior results.

Leave it Better Than You Found It Bruce A. Nordstrom, 2007-01-01

The Customer Service Revolution John R. DiJulius, 2015-01-06 In *The Customer Service Revolution*, DiJulius points out how numerous companies have made Customer service their biggest competitive advantage, are dominating their industries, and have made price irrelevant. As a result of this Customer service revolution, people are being treated differently, better, and in a way like never before. This is a result of how companies and management are treating their employees and how employees are treating each other and the Customer—which ultimately permeates into people’s personal lives at home and in their communities. Can the way you run your business or treat your Customers have an effect on the world at large? John DiJulius will show you just that! Drawing on years of experience consulting with the top customer service companies around the world and in his role building his first business, John Robert’s Spa, into one of the top 20 salons in the US, DiJulius will show you exactly how to create your very own Customer service revolution and make price irrelevant.

The Nordstrom Way to Customer Service Excellence Robert Spector, Patrick D. McCarthy, 2005-03-08 First published in 1995, *The Nordstrom Way* is a classic guide to great customer service. This new book replaces *The Nordstrom Way* with an even more practical guide to becoming the “Nordstrom” of your industry. Designed for customer service managers and trainers, as well as business owners, it’s an invaluable resource for designing your own programs and initiatives. The authors not only explain the principles of the world’s best customer service company, they also show you how to implement them in your own organization. *The Nordstrom Way to Customer Service Excellence* will help your business make customers its number one concern, and help make your business number one in your industry.

The Mom & Pop Store Robert Spector, 2010-09-07 Business journalist Robert Spector grew up working in his family's

butcher shop in Perth Amboy, New Jersey, where he learned invaluable lessons about the independent retail business. Mom & pop stores have always brought people together, fostering a sense of neighborhood identity and camaraderie, and are the glue that connects people in big cities and small towns alike. Long fascinated by the direct connection people feel as merchants and customers when they do business in neighborhood stores, at shops that are not super-sized, but human-sized, and responding to the growing buy local movement across the country, Spector set out to discover the state, and the state of mind, of independent retailing in America. From a specialty soda pop shop in Los Angeles to a florist shop in Dayton, Ohio, from a bakery in Chicago to a bookstore in Washington State, mom & pop store owners shared their stories with him, revealing the spirit and tenacity of the small business owner, dealing with frustration and defeat as well as triumph and success. Spector also interweaves the history of independent retailing. The Mom & Pop Store reflects the story of this country, for it embraces and cross-references every ethnic group, and virtually every element of our society.

Category Killers Robert Spector, 2005 Retail is a dog-eat-dog world—and nobody has cannibalized market share more ruthlessly or influenced consumers, communities and competition around the world more profoundly than “category killers” like Wal-Mart, Toys R Us, and Costco This book explores how they did it, what other companies can glean from their killer strategies, and what’s next in retail’s future.

Achieving Excellence Through Customer Service John Tschohl, 1996 Promotes the theory that superior customer service leads to a superior business organisation

Infinite Wealth Barry Carter, 2012-09-11 With advances in information technology people are being empowered to connect, collaborate, create wealth and self-order without bureaucracy or representative government. Infinite Wealth shows how the frantic change within organizations is part of a process of creating a new type of wealth creation enterprise enabled through the Internet. Infinite Wealth illuminates our environment, allowing us to clearly see the big picture and how the individual pieces of today's activity fit into a coherent new worldview, thus making sense of today's chaos. This revolutionary synthesis empowers you to understand what is occurring and to make effective personal choices regarding your work and life.

The Connected Company Dave Gray, Thomas Vander Wal, 2014-12-02 With a foreword by Alex Osterwalder. The future of work is already here. Customers are adopting disruptive technologies faster than your company can adapt. When your customers are delighted, they can amplify your message in ways that were never before possible. But when your company’s performance runs short of what you’ve promised, customers can seize control of your brand message, spreading their disappointment and frustration faster than you can keep up. To keep pace with today’s connected customers, your company must become a connected company. That means deeply engaging with workers, partners, and customers, changing how work is done, how you measure success, and how performance is rewarded. It requires a new way of thinking about your company:

less like a machine to be controlled, and more like a complex, dynamic system that can learn and adapt over time. Connected companies have the advantage, because they learn and move faster than their competitors. While others work in isolation, they link into rich networks of possibility and expand their influence. Connected companies around the world are aggressively acquiring customers and disrupting the competition. In *The Connected Company*, we examine what they're doing, how they're doing it, and why it works. And we show you how your company can use the same principles to adapt—and thrive—in today's ever-changing global marketplace.

Superior Customer Value Art Weinstein, 2018-12-07 *Superior Customer Value* is a state-of-the-art guide to designing, implementing and evaluating a customer value strategy in service, technology and information-based organizations. A customer-centric culture provides focus and direction for an organization, driving and enhancing market performance. By benchmarking the best companies in the world, Weinstein shows students and marketers what it really means to create exceptional value for customers in the Now Economy. Learn how to transform companies by competing via the 5-S framework - speed, service, selection, solutions and sociability. Other valuable tools such as the Customer Value Funnel, Service-Quality-Image-Price (SQIP) framework, SERVQUAL, and the Customer Value/Retention Model frame the reader's thinking on how to improve marketing operations to create customer-centered organizations. This edition features a stronger emphasis on marketing thinking, planning and strategy, as well as new material on the Now Economy, millennials, customer obsession, business models, segmentation and personalized marketing, customer experience management and customer journey mapping, value pricing, customer engagement, relationship marketing and technology, marketing metrics and customer loyalty and retention. Built on a solid research basis, this practical and action-oriented book will give students and managers an edge in improving their marketing operations to create superior customer experiences.
